Robert: A Seventh Son Novel (McClains Book 2) Kirsten Osbourne 2021-12-08 The daughter of a peasant, Matilda goes to work at the Lain castle, away from her parents for the first time in her life, her mother's admonishments to stay away from the men of the castle still ringing in her ears. With barely enough time to put her things away, she meets the son of the family, who makes it clear he is very interested in her. Afraid to trust him, she follows his commands and finds herself engaged to him within the week. Robert Lain has always known that he would someday meet the woman who was just right for him and together they would raise seven sons. When he sees Matilda dusting his home he knows that she is the woman he's waited his entire life for. Will he be able to convince her that his feelings for her are more than lust? Or will they have their sons without ever feeling the closeness both of their parents enjoy? Warning: There is a short mild sex scene in this book.

Alexander: A Seventh Son Novel (McClains Book 1) Kirsten Osbourne 2021-12-08 Madelina is the youngest daughter of a Norman conqueror and a woman of power. Her own power is insignificant enough in her eyes that she trains to be a healer under the expert tutelage of her mother. When a child is brought to the castle where she lives, she knows she doesn't have the skills to heal him, and her mother's powers—and her own—will need to be revealed to a handsome knight. Alexander Lain is the seventh son of a seventh son, and as such he has luck on his side in everything he does. When he finds a peasant child burning with fever, her parents burning in a hovel nearby, he takes the child, hoping to find someone who can heal her. He's pointed toward the castle and Lady Lina, and he takes the child there, finding it convenient that his errand was taking him to the same place. What he sees in his first hour in the castle astounds him, but it doesn't keep him from an attraction for the young lady there. Will he be able to convince her—and her father—she's meant to be his bride? Or will his luck finally run out? *Note this romance contains a mild sex scene*

Legendary Woman Michelle McClain-Walters 2021-08-03 Every woman is a legend in the making. Legendary women aren't just those in the history books or leading in business or politics. They are everyday women—the single mom, the prayer leader, the stay-at-home wife—who choose to say yes to God. That one simple act can create a legendary legacy that lives on from generation to generation and forever changes the course of humankind as we know it. In *Legendary Woman*, Bible teacher Michelle McClain-Walters gives flight to the legendary nature in each woman who dares to dream and risk everything to live out her divine purpose. Through the stories of women in Scripture and history, the book presents twelve characteristics of a legendary woman, and challenges you to identify your defining moments—when your destiny intersects with an epic need within your family, community, nation, or your world—and be willing to say yes to the legendary role God has uniquely fashioned for you. In addition, prayers and biblically based confessions, affirmations, and declarations throughout the book will fill you with the confidence you need to embrace who you are at every level. This is the finest hour in human history to be a woman. The Lord Most High is activating an army of women who will lead, preach, pray, prophesy, and prosper under the active guidance of the Holy Spirit. Every woman has a place in this army. Every woman is a legend in the making. Whether you had a dark past or are the unlikeliest of heroes, you will come to embrace your path as a real-life legend in the making, the very expression of God in feminine form. Using female world-changers of the Bible, this book will encourage you to forget your past, realize your potential, and say yes to the divine destiny God is revealing to you. A Door Into Time Shawn Inmon 2020 Life after his deployment with Army Special Forces was rough for Alex. His ex-wife thought he needed to stop disappointing their daughter, and she was right. He would try harder. With six hours before his little girl's fourth birthday party, he observed that the wall he'd been obsessing over in his basement was too short. Plenty of time to tear out a panel and look behind it. He found a brick wall. Behind that was another just like the first, and he still had time. When the second wall came down, Alex stood and stared at the shining doorway. Next to it, held up by a knife, was a note with a warning which he didn't heed. He is transported to a future unlike anything we've imagined, and Alex's fight to get back home becomes an epic struggle.

A threatening specter begins to visit her at night, and more than her sleep is at stake. She follows a friend's recommendation to visit Detta Washington, a church lady who believes that Sophie does see angels and demons. Even if Sophie is skeptical about the labels Detta uses for what she sees, she comes to respect Detta and finds ways to use her gift to help others. When she helps free Detta from an incurable disease and releases two of her friends from creepy creatures shadowing them, Sophie starts to embrace her identity. But she still needs help with the ghoul that hovers above her bed at night. And that's not the last enemy who threatens her in the dark. Anthony, Detta's handsome son, helps Sophie understand his mother's religious language, and he becomes convinced that Sophie is for real.
