Toast on Toast Steven Toast 2015-10-22 Toast on Toast is the must-have book for all budding actors - and non-actors too. In this part memoir, part 'how to act' manual, Steven Toast draws on his vast and varied experiences, providing the reader with an invaluable insight into his journey from school plays to RADA, and from 'It's a Right Royal Knockout' to the Colony Club. Along the way, he reveals the secrets of his success. He discloses how to brush up on and expand your technical and vocal skills, how to nail a professional voiceover, and how to deal with difficult work experience staff in a recording studio. He also reveals the dangers of typecasting, describes the often ruthless struggle for 'top billing', and shares many awesome nuggets of advice. The end result is a book that will inspire and educate anyone who wants to tread the floorboards. It will also inform (and entertain) anybody who simply wants to discover what a jobbing actor's life is actually like.

indispensable guide to live cinema is a boon for moviegoers, film students, and teachers alike. As digital movie-making, like live sports, can now be performed by one director—or by a collaborative team online— it is only a matter of time before cinema auteurs will create “live” movies to be broadcast instantly in faraway theaters. “Peppered with brilliant personal observations” (Wendy Doniger), *Live Cinema and Its Techniques* offers a behind-the-scenes look at a consummate career: from Coppola’s formative boyhood obsession with live 1950s television shows and later attempts to imitate the spontaneity of live performance on set, the book usefully includes a guide to presenting state-of-the-art techniques on everything from rehearsals to equipment. A testament to Coppola’s prodigious enthusiasm for reinvigorating the form, *Live Cinema* is an indispensable guide that “reenergizes . . . the search for a new way of storytelling” (William Friedkin).

The Strange and Beautiful Sorrows of Ava Lavender Leslye Walton 2014-03-25 A 2015 William C. Morris YA Debut Award Finalist Magical realism, lyrical prose, and the pain and passion of human love haunt this hypnotic generational saga. Foolish love appears to be the Roux family birthright, an ominous forecast for its most recent progeny, Ava Lavender. Ava — in all other ways a normal girl — is born with the wings of a bird. In a quest to understand her peculiar disposition and a growing desire to fit in with her peers, sixteen-year old Ava ventures into the wider world, ill-prepared for what she might discover and naive to the twisted motives of others. Others like the pious Nathaniel Sorrows, who mistakes Ava for an angel and whose obsession with her grows until the night of the summer solstice celebration. That night, the skies open up, rain and feathers fill the air, and Ava's quest and her family's saga build to a devastating crescendo. First-time author Leslye Walton has constructed a layered and unforgettable mythology of what it means to be born with hearts that are tragically, exquisitely human.

Perfect Sound Whatever James Acaster 2019-08-22 *The Sunday Times Bestseller* The brand new memoir from James Acaster: cult comedian, bestselling author of *Classic Scrapes*, undercover cop, receiver of cabbages. **PERFECT SOUND WHATEVER** is a love letter to the healing power of music, and how one man's obsessive quest saw him defeat the bullshit of one year with the beauty of another. Because that one man is James Acaster, it also includes tales of befouling himself in a Los Angeles steakhouse, stealing a cookie from Clint Eastwood, and giving drunk, unsolicited pep talks to urinating strangers. January, 2017 James Acaster wakes up heartbroken and alone in

New York, his relationship over, a day of disastrous meetings leading him to wonder if comedy is really what he wants to be doing any more. A constant comfort in James's life has been music, but he's not listened to anything new for a very long time. Idly browsing 'best of the year' lists, it dawns on him that 2016 may have been a grim year for a lot of reasons, but that it seemed to be an iconic year for music. And so begins a life-changing musical odyssey, as James finds himself desperately seeking solace in the music of 2016, setting himself the task of only listening to music released that year, ending up with 500 albums in his collection. Looking back on this year-long obsession, parallels begin to grow between the music and James's own life: his relationship history, the highs and lows of human connection, residual Christian guilt, and mental health issues that have been bubbling under the surface for years. Some albums are life-changing masterpieces, others are 'Howdilly Doodilly' by Okilly Dokilly, a metalcore album devoted to The Simpsons' character Ned Flanders, but all of them play a part the year that helped James Acaster get his life back on track.

The Grip of Film Richard Ayoade 2017-10-03 Gordy LaSure's passionate about film. He eats film, he drinks film, and sometimes he'll even watch a film. But most of all he loves talking to people about film: whether a comely student with low confidence and a father complex, a Studio 'development' exec who doesn't trust his own judgement, or the countless people Gordy LaSure's encountered in his capacity as the web moderator on an Excessive Sweating Discussion Forum. Gordy LaSure's alwaysstalking about films and how they'd be a shit ton better if only people would pull their asses out of their ears and listen to Gordy LaSure. The voyage of this book can be categorised as an attempt to understand How In Hell Film Works. Why are some films bad, and some films terrible? How come just a handful of films (Titanic, Porky's, Dirty Harry) are any good at all? Gordy'll tell you How and Why, and he'll give you a slug of Wherefore on

the side. And he doesn't shoot from the hip; he shoots from the gut.

Evening at the Talk House (TCG Edition) Wallace Shawn

2017-03-21 "Wallace Shawn is up to his old tricks again: pricking the conscience of right-on, left-leaning theatergoers. No one does that better than this impish, idiosyncratic polymath, who, at seventy-two, still comes across as precocious—probably because we resent him flagging our complacent complicity in all the world's ills."—Variety "The play stops, but has no ending. It is for us to try to answer its bleak questions, to see what it might mean to be undeluded."—The Guardian Gathering around a table at the Talk House, an old haunt, a group of friends and theatre artists reunite after ten years to reminisce and catch-up on each other's lives. At first, the conversation is fairly run-of-the-mill: current TV shows and where their careers have taken them. Eventually, the discussion's tone takes a turn when they mention supplementing their incomes through the government-led program to enlist unemployed artists for drone strikes and carrying out violent attacks on foreign land. As is typical of Shawn's plays, the premise at once amuses and unsettles, forcing the viewer to wonder whether being too idle makes all of us complicit in the world's ongoing destruction. Wallace Shawn is a noted actor and writer. His often politically-charged and controversial plays include *The Fever*, *Aunt Dan and Lemon*, *Marie and Bruce*, and *The Designated Mourner*. With André Gregory, he co-wrote *My Dinner with André*, in which he also starred. He adapted the classic Ibsen play *A Master Builder* for film.

The Book That No One Wanted to Read Richard Ayoade

2023-03-14 From actor-author-broadcaster-comedian-filmmaker Richard Ayoade comes a book narrated by . . . a book. Quirky, smart, and genre-busting, this is the saga of a book that nobody wants to read—until the day it meets YOU. The life of a book isn’t easy, especially when people judge you by your cover (not every book can be adorned with sparkly unicorns!). And this narrator should know—it’s the book itself, and it has a lot of opinions. It gets irritated when readers bend its pages back, and it finds authors quite annoying. But it does have a story to tell. Through witty direct address and charming illustrations, readers meet a book that has never been read, with a cover the boring color of a school lunch table and pages so dry they give bookworms indigestion. But what happens when this book meets you, a curious reader? Multitalented author Richard Ayoade and award-winning illustrator Tor Freeman bring to life a hilariously subversive take on the nature of books and reading, with a heartening theme of finding the courage to tell our own stories. Readers of all ages will be delighted by the myriad bookish references and laughs on every page.

The Double Richard Ayoade 2014-04-01 Inspired by

Dostoyevsky's short story, *The Double* tells the story of Simon, a timid man, scratching out an isolated existence in an indifferent world. He is overlooked at work, scorned by his mother, and

ignored by the woman of his dreams. He feels powerless to change any of these things. The arrival of a new co-worker, James, serves to upset the balance. James is both Simon's exact physical double and his opposite - confident, charismatic and good with women. To Simon's horror, James slowly starts taking over his life.

The Rest of Us Just Live Here Patrick Ness 2015-10-06 Six starred reviews! A bold and irreverent YA novel that powerfully reminds us that there are many different types of remarkable, *The Rest of Us Just Live Here* is from novelist Patrick Ness, author of the Carnegie Medal- and Kate Greenaway Medal-winning *A Monster Calls* and the critically acclaimed *Chaos Walking* trilogy. What if you aren't the Chosen One? The one who's supposed to fight the zombies, or the soul-eating ghosts, or whatever the heck this new thing is, with the blue lights and the death? What if you're like Mikey? Who just wants to graduate and go to prom and maybe finally work up the courage to ask Henna out before someone goes and blows up the high school. Again. Because sometimes there are problems bigger than this week's end of the world, and sometimes you just have to find the extraordinary in your ordinary life. Even if your best friend is worshipped by mountain lions. Submarine Joe Dunthorne 2008-03-25 NOW A MAJOR MOTION PICTURE • “[Dunthorne’s] precocious talent and cheerful fondness for the teenage male are showcased in *Submarine*. . . . Oliver’s voice is funny and dead-on.”—The New York Times Book Review(Editors’ Choice) At once a self-styled social scientist, a spy in the baffling adult world, and a budding, hormone-driven emotional explorer, Oliver Tate is stealthily nosing his way forward through the murky and uniquely perilous waters of adolescence. His objectives? Uncovering the secrets behind his parents’ teetering marriage, unraveling the mystery that is his alluring and equally quirky classmate Jordana Bevan, and understanding where he fits in among the mystifying beings in his orbit. Struggling to buoy his parents’ wedded bliss, deep-six his own virginity, and sound the depths of heartache, happiness, and the business of being human, what’s a lad to do? Poised precariously on the cusp of innocence and experience, Oliver Tate aims to damn the torpedoes and take the plunge. BONUS: This

edition contains an excerpt from Joe Dunthorne's *Wild Abandon*. Praise for *Submarine* “[Joe Dunthorne is] probably destined to be compared with Mark Haddon and Roddy Doyle.”—The Miami Herald “This absolutely winning debut novel isn’t so much a coming-of-age tale as it is a reflection on what it means to be a certain age and of an uncertain mind.”—Los Angeles Times “A brilliant first novel by a young man of ferocious comic talent.”—The Times (London) “Preternaturally wise, slightly devious and highly entertaining.”—USA Today

David Mitchell: Back Story David Mitchell 2012-10-11

Mitchell, who you may know for his inappropriate anger on every TV panel show except Never Mind the Buzzcocks, his look of permanent discomfort on C4 sex comedy Peep Show, his online commenter-baiting in The Observer or just for wearing a stick-on moustache in That Mitchell and Webb Look, has written a book about his life.

The Twits Roald Dahl 2007-08-16 From the bestselling author of Charlie and the Chocolate Factory and The BFG! Mr. and Mrs. Twit are the smelliest, nastiest, ugliest people in the world. They hate everything—except playing mean jokes on each other, catching innocent birds to put in their Bird Pies, and making their caged monkeys, the Muggle-Wumps, stand on their heads all day. But the Muggle-Wumps have had enough. They don't just want out, they want revenge.

Ayoade on Top Richard Ayoade 2019-09-03 Richard Ayoade - in this foren, perhaps one of the most 'insubstantial' people of our age, takes us on a journey from Peckham to Paris by way of Nevada and other places we don't care about. It's a journey deep within, in a way that's respectful and non-invasive; a journey for which we will all pay a heavy price, even if you've waited for the smaller paperback edition. Ayoade argues for the canonisation of this brutal masterpiece, a film that celebrates capitalism in all its victimless glory; one we might imagine Donald Trump himself half-watching on his private jet's gold-plated flat screen while his other puffy eye scans the cabin for fresh, young prey."

James Acaster's Classic Scrapes - The Hilarious Sunday Times Bestseller James Acaster 2017-08-24 ****THE SUNDAY TIMES BESTSELLER**** 'I don't think I've ever read a book that has made me cry with laughter as much as this one. It was very difficult reading it in public as I looked like a madman' - Richard Herring James Acaster has been nominated for the Edinburgh Comedy Award five times and has appeared on prime-time TV shows like TASKMASTER, MOCK THE WEEK, LIVE AT THE APOLLO and WOULD I LIE TO YOU? But behind the fame and critical acclaim

is a man perpetually getting into trouble. Whether it's disappointing a skydiving instructor mid-flight, hiding from thugs in a bush wearing a bright red dress, or annoying the Kettering Board Games club, a didgeridoo-playing conspiracy theorist and some bemused Christians, James is always finding new ways to embarrass himself. Appearing on Josh Widdicombe's radio show to recount these stories, the feature was christened 'James Acaster's classic scrapes'. Here, in his first book, James recounts these tales (including never-before-heard stories) along with self-penned drawings, in all their glorious stupidity.
