World of Warcraft: Chronicles of War Christie Golden 2010-12-07 Over the eons, an endless struggle between the forces of order and chaos has shaped the world of Azeroth and its inhabitants. The orcish Horde's violent invasion of the Eastern Kingdoms stands as one of history's most tumultuous periods. Through the Burning Legion's demonic machinations, the once-noble orcs were transformed into a nearly unstoppable foe and let loose upon Azeroth's unsuspecting denizens. Yet even in the face of the Horde's unparalleled fury, brave heroes risked everything to rise up in defense of the . . . Rise of the Horde: Before the savage orcs began their rampage across Azeroth, they were a proud shamanic race native to the world of Draenor. The cunning demon Kil'jaeden saw lethal potential in the clan-based orcs, and thus he set about molding them into the Horde—a single, brutal force driven by an all-consuming thirst for destruction. But the foul demonic magic that granted the Horde its immense strength began consuming the orcs from within, ultimately threatening to destroy everything that they once were. The Last Guardian: Long ago a group of magi known as the Council of Tirisfal was formed to fight a secret war against the sinister demons of the Burning Legion. To this end, the council imbued a single champion with enormous power to act as the world's guardian. Medivh was one such Guardian of Tirisfal, and he was expected to be the greatest who had ever lived. Yet he was destined to follow a much darker path. From birth a mysterious evil had tainted the core of his being, and his

subsequent struggle against the darkness within himself would precipitate the orcish Horde's invasion of Azeroth . . . and change the world forever. Tides of Darkness: During the First War, the orcish Horde laid waste to the once-great human kingdom of Stormwind. From the ashes of this terrible defeat, however, hope emerged. Anduin Lothar, Champion of Stormwind, rallied the survivors of his ruined homeland and valiantly led them to Lordaeron in the hopes of uniting the human nations into a mighty Alliance that could stand against the Horde and its ruthless new leader, Orgrim Doomhammer. Yet as formidable as Lothar believed the Alliance would be, many humans feared that no force would ever be capable of stopping the Horde's merciless onslaught. Beyond the Dark Portal: In the aftermath of the Second War between orcs and humans, the Dark Portal, a gateway connecting Azeroth to Draenor, was destroyed. The orcs, however, did not abandon their lust for war. Led by the mysterious orc shaman Ner'zhul, a fresh wave of Horde fighters flooded into Azeroth. Even more unsettling was that small bands of orcs intent on something other than mere conquest began scouring Azeroth for powerful artifacts desired by their sinister leader. To counter the Horde's dark schemes, only one option remained for the Alliance: a suicide mission into the orcs' ruined homeworld of Draenor.
