Ravished by a Viking Delilah Devlin 2011-01-04 What a Viking wants, a Viking takes. When his younger brother goes missing, Dagr, Viking warrior and Lord of the Wolfskin Clan, will do whatever it takes to get him back. But nothing could have prepared him for Honora—a feisty, intelligent woman who is nothing like the women of his world—women who are content to serve their men in all things. Drawn to her despite her recalcitrant nature, Dagr is determined to show her who's boss both in bed and out. When the two enemies-turned-lovers join forces to find Dagr's brother they are thrown into a rousing adventure full of danger, intrigue and erotic abandon. Can their passion truly unite them or will their different worlds lead to destruction for them both?

Trouble Comes in Threes [Triple Trouble 1] Tymber Dalton 2009-01-01 [Menage Amour: Erotic Paranormal Menage a Quatre Romance, F/M/M/M, Shape-shifters] Elain Pardie worked hard to become a TV news reporter. When a huge, black wolf-like dog with green eyes jumps into her news van, Elain has no idea her life will drastically change. Aindreas, Brodey, and Cailean Lyall aren't just triplets—they're Alpha shape-shifters running a Florida cattle ranch. They've never found their One, the woman destined to be their mate. Until the day of the Arcadia Highland Games, when both Brodey and Cailean lock onto Her scent. Brodey shifts and gives chase, then goes home with Elain and confirms she is their One. When Prime Alpha Aindreas mistakenly thinks Elain's already taken and refuses to use force to claim and mark her, Brodey and Cailean must resort to trickery to learn the truth about the wedding ring Elain wears and work to convince her that triple trouble could very easily put her into seventh heaven in their arms. Note: There is no sexual relationship or touching for titillation between or among siblings. ** A Siren Erotic Romance

Pillaged Tana Stone 2021-01-07 I was promised against my will to an empirical general. . .so I escaped. Right into the arms of an even more ruthless Vandar warlord. I'd thought things had been bad when I'd been ordered to marry the repulsive Zagrath general. But then I'd been captured by the empire's most deadly enemy—the Vandar raiders. With their battle kilts and tails, the raiders are known for being fierce warriors who never take prisoners. Until now. The fear I feel when I am taken by the menacing Vandar warlord is confirmed when I discover why he treats me like an honored guest. Taking the general's bride is one thing, but to strike the most personal blow the Vandar must claim me as his, taking me to his bed until his mating marks appear on my skin and mark me as his true mate. But he has no intention of forcing me. He wants to make a deal—become his willingly and I will get what I've always wanted—my freedom from a loveless, arranged marriage. Can I agree to a deal with the darkly dominant warlord who stokes both my fear and desire? Even if being claimed by the Vandar is only revenge for him and freedom for me, will my heart remain untouched as he pillages my body? And will the general give me up so easily, or will he come for both of us with all the firepower of the empire?

Her Alien Doctors Sara Fields 2017-07-19 *Theirs to Examine. Theirs to Master.* After nineteen-year-old Jenny Monroe is caught stealing from the home of a powerful politician, she is sent to a special prison in deep space to be trained for her future role as an alien's bride. Despite the public bare-bottom spanking she receives upon her arrival at the detention center, Jenny remains defiant, and before long she earns herself a trip to the notorious medical wing of the facility. Once there, Jenny quickly discovers that a sore bottom will now be the least of her worries, and soon enough she is naked, restrained, and shamefully on display as three stern, handsome alien doctors examine and correct her in the most humiliating ways imaginable. The doctors are experts in the treatment of naughty young women, and as Jenny is brought ever closer to the edge of a shattering climax only to be denied again and again, she finds herself begging to be taken in any way they please. But will her captors be content to give Jenny up once her punishment is over, or will they decide to make her their own and master her completely? Publisher's Note: *Her Alien Doctors* is a stand-alone novel which is the second book in the *Captive Brides* series. It includes spankings and sexual scenes. Rogue Tana Stone 2020-09-17 What happens when the one guy you can't fall for is the only one you can't resist? As one of the new human cadets at an alien military academy, I knew I'd have to prove myself. Especially since I'm one of only a few females sent by Earth. I just didn't know that the one alien I want to impress would be the one who seems determined to hate me. I was sent here because I'm a champion pod racer, so why won't the big, gruff pod instructor let me show him what I can do? If he thinks ignoring me or assigning me after-hours work polishing his pods will discourage me, then he's never met a girl from Texas. If I'm being honest, the alien's huge muscles and gold tattoos have me thinking about riding more than pods when I'm around him, but no way can anything happen with one of my teachers. Right? Especially since I get the idea that the bad boy instructor is hiding something. Does his secret have something to do with the strange things happening at the academy? If there really is a traitor behind it all, could it be him?

His Captive Kitten Measha Stone 2018-06-27 After her efforts to track down her missing mother nearly get her killed, twenty-seven-year-old Julie Sampson ends up on the run, hiding out in a cabin with police officer John Hamish. Though Julie is used to fending for herself, John demands her absolute obedience while she remains in his custody, and she quickly discovers that her gruff, infuriatingly sexy protector will not hesitate to strip her bare and take a leather strap to her naked bottom when she defies him. Determined to teach Julie to submit for her own safety, John decides to treat her as his pet, and the beautiful, headstrong young woman soon finds herself sleeping in a cage, wearing nothing but a tail, and learning the hard way that her master will not hesitate to show a sassy little kitty a better use for her mouth. But even when she is punished in ways more shameful than she would have thought possible, Julie cannot deny her body's desperate need for John's stern dominance. When he takes her in his arms and claims her hard and thoroughly, she is left sore, spent, and satisfied, but can she bring herself to trust that no matter what, her master will never abandon his kitten? Publisher's Note: *His Captive Kitten* is a stand-alone novel which is the fourth entry in the Owned and Protected series. It includes spankings, sexual scenes, intense and humiliating punishments, and strong D/s and pet play themes. If such material offends you, please don't buy this book.

Deliver Us Luigi Meneghello 2011-05-27 Originally published in 1963, and today considered a landmark in twentieth century Italian literature, Luigi Meneghello's *Deliver Us* is the memoir, not of an extraordinary childhood, but of the very ordinary one the author shared with most of his generation, when Italy was a rural country under the twin authorities of Church and Fascism. His boyhood begins in 1922, the year of Mussolini's March on Rome, and ends when Meneghello, 21, goes up into the hills to join the partisans. Called a romanzo—a story, although not a novel, as that term

usually suggests—the book is a genre all of its own that mixes personal and collective memory, amateur ethnography, and reflections on language. Meneghello's sharp insights and narrative skill come together in an original meditation on how words, people, places, and things shape thought itself. Only loosely chronological, *Deliver Us* proceeds by themes—childhood games, Fascist symbols, religious precepts, and the rites of poverty, of death, of eros, and of love. Meneghello's ironic musings and profoundly honest recollections make an utterly unsentimental human comedy of that was the whole world to his dawning consciousness.

Protecting His Pet Measha Stone 2017-03-07 After her brother's life of crime is brought to a sudden end, twenty-two-year-old Kara Jennings fears she may be the next target of the men who killed him. It comes as a shock, however, when she is taken captive by a mysterious man who promises to keep her safe but quickly demonstrates that he will not hesitate to punish her in any way he sees fit if she disobeys him. Devin Stringer is certain there is something important that Kara is refusing to share with him--something related to her brother's death--and he is fully prepared to be as firm as necessary to get her to tell him the truth, even if that means stripping her bare, spanking her soundly, and keeping her caged like a pet. Despite her shame at being made to kneel naked at her captor's feet, eat from his hand, and surrender her body to him completely, Devin's dominance leaves Kara helplessly aroused and yearning for him to master her even more thoroughly. When he brings her to the edge of an intense climax only to leave her desperate and wanting, her need for him to claim her properly compels Kara to confess the secret her brother shared with her before his death. But will that information help Devin protect his beautiful pet or will it ultimately put her in greater danger? Publisher's Note: *Protecting His Pet* is a stand-alone book which is the first entry in the *Owned and Protected* series. It includes spankings, sexual scenes, extensive pet play, elements of BDSM, and more. If such material offends you, please don't buy this book.

His Captive Pet Measha Stone 2018-06-27 Aubree Stevenson isn't used to being ordered around, but then her efforts to bring down a dog fighting ring put her life in danger and she ends up in the protective custody of a stern, handsome former Marine. Blake Turner is not a man to be trifled with, and he wastes no time in making it clear that Aubree will obey him or be punished. After she puts his word to the test, Aubree's bottom is bared for a painful, embarrassing strapping, and when she continues to defy her strict captor, she quickly discovers that he is prepared to take things much further. Soon enough, she finds herself stripped naked, outfitted with a collar and tail, and eating from Blake's hand like a well-trained pet. To her dismay, Aubree's arousal grows more intense with every shameful display of forced submission. But even as he masters her body and claims her in every way, Blake must keep his captive pet safe from both her enemies and her own recklessness. Will he prove up to the task? Publisher's Note: *His Captive Pet* is a stand-alone book which is the third entry in the *Owned and Protected* series. It includes spankings and sexual scenes. If such material offends you, please don't buy this book.

Gimson's Pronunciation of English Alan Cruttenden 2014-02-05 Since its first publication in 1962, *Gimson's Pronunciation of English* has been the essential reference book for anyone studying or teaching the pronunciation of English. This eighth edition has been updated to describe General

British (GB) as the principal accent, rather than RP, and the accompanying transcriptions have been brought into line with recent changes in pronunciation. This latest edition also includes completely rewritten chapters on the history of the language and the emergence of a standard, alongside a justification for the change from RP to GB. A further bonus to this important text is its extensive and attractive new Companion Website (www.routledge.com/cw/cruttenden), which now includes moment-by-moment commentaries on videos showing the articulation of all GB consonants and vowels in spoken phrases, as well as cross-referencing between the book and these videos. The Companion Website also includes new recordings of Old English, Middle English, and Early Modern English, and features links to recordings of recent and current GB with comments and transcriptions. Comprehensive yet accessible, Gimson's Pronunciation of English remains the indispensable reference book for anyone for anyone with an interest in English phonetics.

The Alien's Pet Loki Renard 2016-08-31 When an injured stranger breaks into her small-town veterinary clinic late at night and demands that she assist in treating his wounds, Serena Spiers knows right away that something is amiss. Though he is undoubtedly handsome, the intruder's oddly colored eyes and extraordinary height leave no doubt in her mind that he is not of this world. Seeking to escape her predicament, she treats his wounds and then does her best to discretely sedate him, but a tranquilizer shot proves far less effective than she had hoped. Her captor is none too pleased by her attempt at subterfuge, and before she knows it Serena is blushing crimson as she is held firmly across his muscular thighs, completely naked, while her bare bottom is soundly spanked. Serena's ordeal is just beginning, however. It turns out that her alien visitor is a high-ranking commander among his people, and when he realizes that the discovery of her encounter with him could put Serena in grave danger, he takes it upon himself to ensure her safety by bringing her along as he leaves Earth behind. But his people have very specific rules about transporting primitive species aboard their ships, and she will not be treated as his guest or even as his prisoner, but as his pet. She will be expected to submit to him completely, and any defiance will earn her a painful, humiliating punishment. Yet despite her fury at the indignity of it all, Serena cannot help reacting with shameful, helpless arousal as she is stripped bare, thoroughly examined, and then claimed in any way her new master pleases, sometimes in full view of the ship's crew. Can she learn to yield to the pleasure that results from his conquest of her body, or will she spend the entire voyage with her bottom sore both inside and out? Publisher's Note: The Alien's Pet is an erotic romance novel that contains spankings, sexual scenes, pet play, medical play, elements of BDSM, and more. If such material offends you, please don't buy this book.

Shamefully Broken: a Dark Romance Loki Renard 2018-09-06 She needs his protection. He demands her surrender. Since the arrogant, infuriatingly sexy brute spanked her like a little girl on her eighteenth birthday seven years ago, Ellie has done her best to avoid Mason Malone, and he is the absolute last person she wants to come crawling to asking for a favor. But with her brother deep in debt to the wrong people and her life in danger, Ellie knows Mason is the only one who can help her. Mason agrees to intervene, but the rough, battle-hardened former Marine turned millionaire owner of a private security agency is no knight in shining armor, and his assistance will come at a high price. In return for his protection, Ellie will be made to surrender her body to him utterly and completely, to be used anywhere, anytime, and in any way he pleases. He will not be patient. He will not be gentle. He is going to make her pay for all the years she spent looking down her nose, pretending she was too good for a guy like him. She will moan, plead, and cry out with pain, humiliation, and helpless, desperate need as he strips her bare, punishes her harshly, and then takes her over and over, each time harder than the last. He is going to break her in the most shameful way imaginable, and she is going to beg him for it. Publisher's Note: Shamefully Broken includes spankings, sexual scenes, intense and humiliating punishments, and strong D/s themes. If such material offends you, please don't buy this book.

Claimed by Three Liv Lane 2021-11-20 Grady took my heart then left... for two years. Now he's back and determined to make me his. There's just one problem. I've moved on, and the sweetly wicked Byron has taken his place. Then there is Declan, Grady's brooding brother-in-arms who watches both Grady and me with the same barely tempered yearning. But I have a secret. With the help of the herb mistress, I concealed my very nature from the entire court. Now my secret is out, my potent scent will drive each man's animalistic side to claim. No one man will be enough. I'm about to be claimed by three. *Claimed by Three* is a barbarian fantasy romance with dark explicit themes and conflicted jealous / possessive heroes... times three! A standalone novel set in the *Coveted Prey* universe.

Thirty Days of Pain Ginger Talbot 2017-10-24 WILLOW: THIRTY DAYS...to find out if the monster who took me has a soul. Thirty days...to melt his frozen heart. My uncle sold me to a Russian mob boss, as collateral for a debt he will never be able to pay. Day after day, Sergei's punishments hammer my flesh and his brutal words slice into my heart. I thought there was a good man hiding deep, deep under that steel exterior - but now I know I'm wrong. My time is running out. If I can't break through to him soon, it means the end of me. SERGEI: I planned everything down to the last details. Willow was just meant to be a pawn in my war against the Toporov family. I took her to humiliate them, to shine a floodlight on their weakness. But with her hidden fire and her tender heart, she's getting under my skin. Time to step up my game. I can punish her in ways that ensure

she'll never try to love me.

Taming Their Pet Sara Fields 2017-12-13 Theirs to Tame. Theirs to Train. When the scheming of her father's political enemies makes it impossible to continue hiding the fact that she is an unauthorized third child, twenty-year-old Isabella Bedard is sent to a detainment facility in deep space where she will be prepared for her new life as an alien's bride. Her situation is made far worse after some ill-advised mischief forces the strict warden to ensure that she is sold as quickly as possible, and before she knows it, Isabella is standing naked before two huge, roughly handsome alien men, helpless and utterly on display for their inspection. More disturbing still, the men make it clear that they are buying her not as a bride, but as a pet. Zack and Noah have made a career of taming even the most headstrong of females, and they waste no time in teaching their new pet that her absolute obedience will be expected and even the slightest defiance will earn her a painful, embarrassing bare-bottom spanking, along with far more humiliating punishments if her behavior makes it necessary. Over the coming weeks, Isabella is trained as a pony and as a kitten, and she learns what it means to fully surrender her body to the bold dominance of two men who will not hesitate to claim her in any way they please. But though she cannot deny her helpless arousal at being so thoroughly mastered, can she truly allow herself to fall in love with men who keep her as a pet?

Publisher's Note: *Taming Their Pet* is a stand-alone novel which is the third book in the *Captive Brides* series. It includes spankings and sexual scenes. If such material offends you, please don't buy this book.

You Have to Pay for the Public Life Charles W. Moore 2004-02-27 Previously uncollected essays of an architect whose love of people, buildings, and nature was reflected in the places he built. Architect Charles Moore (1925-1993) was not only celebrated for his designs; he was also an admired writer and teacher. Though he wrote clearly and passionately about places, he was perhaps unique in avoiding the tone and stance of the personal manifesto. Through his buildings, books, and travels, Moore consistently sought insights into the questions that always underlie architecture and design: What does it mean to make a place, and how do we inhabit those places? How do we continue to build upon but respect the landscape? How do we reconcile democracy and private land ownership? What is original? What is taste? What is the relationship between past and present? How do we involve inhabitants in making places? Finally, what is public life? As the world becomes smaller, and the uniqueness of places and landscapes gives way to sameness, Moore's celebration of the vernacular and of the surprising are more relevant than ever. The pieces in this book span the years 1952 to 1993 and engage a myriad of topics and movements, such as contextualism, community participation, collaboration, environmentally sensitive design, and historic preservation. The essays in this book reflect as well Moore's scholarship, humanism, urbanity, and great wit.

Wanted by the Alpha Laxmi Hariharan 2019-08-03 "Zeus is the alpha of alphas." - Lenka, Goodreads She belongs to me... Just a glimpse and I know she was MINE. She isn't like any other omega I've met, I hadn't anticipated this need for her. I should have stayed away... Yet, I can't leave without her. There's a twisted, yearning, full of fear and anger inside me. For her... No one can stop me, from breaking her. From making her mine... She belongs to me... Understanding Claimed For Their Use Ventori Masters Book 2

Before you embark on your journey to find Claimed For Their Use Ventori Masters Book 2 online, it's essential to grasp the concept of Claimed For Their Use Ventori Masters Book 2 eBook formats. Claimed For Their Use Ventori Masters Book 2 come in various formats, each with its own unique features and compatibility. Understanding these formats will help you choose the right one for your device and preferences.

Different Claimed For Their Use Ventori Masters Book 2 eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Claimed For Their Use Ventori Masters Book 2 eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.
