Catch, Release Carol Ericson 2013-11-01 CAROL ERICSON BRINGS HER BROTHERS IN ARMS: FULLY ENGAGED MINISERIES TO A GRIPPING CONCLUSION WITH A MISSING CHILD AND THE UNDERCOVER AGENT WHO NEVER KNEW HE HAD A SON! Beau Slater once enjoyed an unforgettable night with a woman who matched him in brains, passion and black ops skills. Three years later he's gone rogue to help the sexy Prospero agent find top secret weaponry plans—and rescue her kidnapped toddler from a vengeful arms dealer. What Beau doesn't know is that Deb Sinclair's son is his. But for this mission, the freedom-loving bachelor will lay his life on the line for a child in danger and the woman he's never forgotten. Yet how can he trust the cunning spy who's already deceived him?

A Heart of Blood and Ashes Milla Vane 2020-02-04 A generation past, the western realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of Parsathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge them, even if it costs him the Parsathean crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

Living Dead in Dallas Charlene Harris 2010 When a vampire asks Sookie Stackhouse to use her telepathic skills to find another missing vampire, she agrees under one condition: the bloodsuckers must promise to let the humans go unharmed. Easier said than done.

An Accident of Stars Foz Meadows 2016-08-02 Portal fantasy grows up in this immersive series kickoff featuring “a life-changing adventure, . . . compelling characters and a fascinating world” (Martha Wells, author of *The Murderbot Diaries*) When Saffron Coulter stumbles through a hole in reality, she finds herself trapped in Kena—a magical realm on the brink of civil war. It's there that her fate becomes intertwined with that of three very different women: Zech, the fast-thinking acolyte of a cunning, powerful exile; Viya, the spoiled, runaway consort of the empire-building ruler, Vex Leoden; and Gwen, an Earth-born worldwalker whose greatest regret is putting Leoden on the throne. But Leoden has allies, too, and chief among them is the Vex'Mara Kadeja, a dangerous ex-priestess who shares his dreams of conquest. Pursued by Leoden and aided by the Shavaktiin—a secretive order of storytellers and mystics—the rebels flee to Veksh, a neighboring matriarchy ruled by the fearsome Council of Queens. Saffron is out of her world and out of her depth, but the further she travels, the more she finds herself bound to her friends with ties of blood and magic. Can one girl—and an accidental worldwalker at that—really be the key to saving Kena? Or will she die trying?

Warship Joshua Dalzelle 2015 "In the 25th century humans have conquered space. The advent of faster-than-light travel has opened up hundreds of habitable planets for colonization, and humans have exploited the virtually limitless space and resources for hundreds of years with impunity. So complacent have they become with the overabundance that armed conflict is a thing of the past, and their machines of war are obsolete and decrepit. What would happen if they were suddenly threatened by a terrifying new enemy? Would humanity fold and surrender, or would they return to their evolutionary roots and meet force with force? One ship--and one captain--will soon be faced with this very choice"--Back cover.

Tales of an 8-Bit Kitten: Lost in the Nether Cube Kid 2018-09-18 Eebs isn't a very disciplined kitten. His mom warned him not to play in the forest, but he didn't listen. That's how he found himself in the Nether, a bizarre world inhabited by scary creatures. In the company of a ghost, almost cheerful witch, Eebs develops supernatural powers. Will this be enough to fight against Endernova's army, the Enderman, who want to rule over the Overworld? In order to save his friends, Eebs must become the champion of the Nether, as the prophecy of The Chosen One tells . . .

Daughter of Smoke & Bone Laini Taylor 2011-09-27 The first book in the New York Times bestselling epic fantasy trilogy by award-winning author Laini Taylor Around the world, black handprints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky. In a dark and dusty shop, a devil's supply of human teeth grown dangerously low. And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war. Meet Karou. She fills her sketchbooks with monsters that may or may not be real; she's prone to disappearing on mysterious "errands"; she speaks many languages--not all of them human; and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out. When one of the strangers--beautiful, haunted Akiva--fixes his fire-colored eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

Children of Blood and Bone Tomi Adeyemi 2018-03-06 Zlie Adebola remembers when the soil of Orsha hummed with magic. Burners ignited flames, Tiders beckoned waves, and Zlie's Reaper mother summoned forth souls.

The Queen of Blood Sarah Beth Durst 2016-09-20 Set in the magical world of Renthia, *The Queen of Blood* is Sarah Beth Durst's ambitious entry into adult epic fantasy. With the danger of Peter Brett's *The Warded Man*, heart of Naomi Novik's *Uprooted*, and lyricism of Patrick Rothfuss' *The Name of the Wind*, this is the first chapter in a series destined to be a classic. Everything has a spirit: the willow tree with leaves that kiss the pond, the stream that feeds the river, the wind that exhales fresh snow . . . But the spirits that reside within this land want to rid it of all humans. One woman stands between these malevolent spirits and the end of humankind: the queen. She alone has the magical power to prevent the spirits from destroying every man, woman, and child. But queens are still just human, and no matter how strong or good, the threat of danger always looms. With the position so precarious, young women are chosen to train as heirs. Daleina, a seemingly quiet academy student, is under no illusions as to her claim to the throne, but simply wants to right the wrongs that have befallen the land. Ven, a disgraced champion, has spent his exile secretly fighting against the growing number of spirit attacks. Joining forces, these daring partners embark on a treacherous quest to find the source of the spirits' restlessness—a journey that will test their courage and trust, and force them to stand against both enemies and friends to save their land . . . before it's bathed in blood.

Cauldron of Fire Jay Allan 2017-09-28 A Deadly Fight to the Finish... The warrior culture of the Alliance has fragmented, and comrade fights comrade, brother kills brother. The Red Alliance forces, backed by the Union and its propaganda machine, have the advantage in numbers and position, and they are pushing forward, driving relentlessly toward the final attack, the one that will destroy their enemies. The Gray Alliance forces are weaker, trapped in the great Sentinel-2 fortress where they've established their headquarters. Their enemies have the larger fleets and armies, and control of the homeworld...but the Grays have Tyler Barron and Dauntless. The Confederation's celebrated captain and his famous ship have been reinforced, and the newly promoted Commodore Barron now commands a small fleet of battleships, every vessel Admiral Striker could spare to reinforce to aid the faltering Gray forces. One final battle is all that stands between the Red fleet and victory, and it seems the Grays have no choice but to stand on the defensive and wait for the fight they know they can't win. Unless try something else, a wild gamble, a desperate plan to pull victory from the jaws of almost certain defeat. It will take all Barron and his people can give, and put Dauntless and the ships of his task force to the test. But it is the only way to win the victory, to prevent the Reds from a victory that can lead only to a disastrous invasion of the Confederation, one that Barron knows he has to stop...whatever

the cost.

Descent Into Darkness Jay Allan 2020-08-08 Book 17 of Blood on the Stars

New Frontiers Joshua Dalzelle 2016-08-08 The Phage War had been a devastating conflict for the Terran Confederacy. Even with the destruction of their terrifying, implacable foe, humanity is still reeling. Political alliances are crumbling and their mighty fleet is in tatters. There is nothing to celebrate, even after such a complete victory. They soon learn that there are other stellar neighbors ... and they've been watching the conflict with great interest. One species comes with an offer of friendship and alliance, but humanity is weary and distrustful, their only interactions with aliens having resulted in the near-eradication of their kind. Before the ashes of war have been fully swept away Captain Celesta Wright is dispatched to the Frontier with a small taskforce to investigate a mysterious signal while the Confederacy struggles to hold itself together. A partnership with this new species could help accelerate the recovery effort, but is the offer too good to be true? Can humanity risk another fight with an advanced alien species right on the heels of the bloodiest war that had ever been waged? *New Frontiers* is the first book of the *Expansion Wars* Trilogy, an all adventure in the *Black Fleet* universe.

Call to Arms Jay Allan 2017-01-27 War. The word spreads throughout the Confederation?the long-expected Union invasion has come. The enemy is strong, their forces larger and more powerful than intelligence reports had predicted. They have broken through the forward defenses, sent the Confederation?s proud fleets into an ignominious retreat.Captain Tyler Barron and the crew of the battleship *Dauntless* are lightyears from the front lines, at Archellia, waiting for their damaged battleship to be repaired. Their ship is only just operational, but there is no time for more extensive work. The Confederation needs every reinforcement it can get, and Barron and his survivors board their vessel?and rush to the battle lines. When they get there, they encounter nothing but fleeing ships and shattered fleets. The Confederation is losing the war, falling back steadily, yielding system after system to the invaders. The Union fleets continue inexorably forward, seemingly immune to the supply constraints that have bogged down past invasions. *Dauntless* finds herself trapped, cut off from the rest of the fleet along with another Confederation battleship, and a trio of small escort vessels?deep behind the rapidly moving front lines.Barron must make a choice. Pull back, try to find a way to get around the enemy to rejoin the fleet. Or press on, strike deep behind the enemy advance, his small force alone, far from help, an almost suicidal thrust toward the Union?s main logistical supply base?and the one way Tyler Barron can think of to buy the fleet the time it needs to regroup. To survive.

Dauntless Jay Allan 2018-01-09 The pulsar...an ancient weapon of unimaginable power, one that threatens the Confederation with total destruction. The Union is preparing for the final invasion, one that cannot fail with the great artifact at the head of their fleet. The clock is ticking quickly toward midnight. There is a chance to avoid annihilation, a small one. The Confederation has its own ancient device recovered from the Badlands, a stealth generator. It is not as powerful as the pulsar, but it just may be enough. The generator can hide a single vessel, so Tyler Barron and the crew of *Dauntless* reunite to take their aging battleship once more into the breach. They will go to the Bottleneck, the system where the Union is preparing the final assault. They must sneak around the vast forces of the Union fleet, into the heart of the massively-defended system, and somehow destroy the pulsar. The fleet will be with them, all the might the Confederation can muster, but success hinges almost entirely on *Dauntless*'s desperate attack. And, even if Barron and his people succeed in their mission, they will be trapped behind the enemy fleet, cut off and alone. *Dauntless* is book six of the *Blood on the Stars* series. *Blood on the Stars* will continue with *The White Fleet*.

Morning Star Pierce Brown 2016-02-09 #1 NEW YORK TIMES BESTSELLER • Red Rising thrilled readers and announced the presence of a talented new author. Golden Son changed the game and took the story of Darrow to the next level. Now comes the exhilarating next chapter in the *Red Rising* Saga: *Morning Star*. ITW THRILLER AWARD FINALIST • “[Brown’s] achievement is in creating an uncomfortably familiar world of flaw, fear, and promise.”—Entertainment Weekly Darrow would have lived in peace, but his enemies brought him war. The Gold overlords demanded his obedience, hanged his wife, and enslaved his people. But Darrow is determined to fight back. Risking everything to transform himself and breach Gold society, Darrow has battled to survive the cutthroat rivalries that breed Society’s mightiest warriors, climbed the ranks, and waited patiently to unleash the revolution that will tear the hierarchy apart from within. Finally, the time has come. But devotion to honor and hunger for vengeance run deep on both sides. Darrow and his comrades-in-arms

face powerful enemies without scruple or mercy. Among them are some Darrow once considered friends. To win, Darrow will need to inspire those shackled in darkness to break their chains, unmake the world their cruel masters have built, and claim a destiny too long denied—and too glorious to surrender. Praise for Morning Star “There is no one writing today who does shameless, Michael Bay-style action set pieces the way Brown does. The battle scenes are kinetic, bloody, breathless, crazy. Everything is on fire all the time.”—NPR “Morning Star is this trilogy’s Return of the Jedi. . . . The impactful battles that make up most of Morning Star are damn near operatic. . . . It absolutely satisfies.”—Tordotcom “Excellent . . . Brown’s vivid, first-person prose puts the reader right at the forefront of impassioned speeches, broken families, and engaging battle scenes . . . as this interstellar civil war comes to a most satisfying conclusion.”—Publishers Weekly (starred review) “A page-turning epic filled with twists and turns . . . The conclusion to Brown’s saga is simply stellar.”—Booklist (starred review) Don’t miss any of Pierce Brown’s Red Rising Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

House of Earth and Blood Sarah J. Maas 2020-03-03 A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

Unbroken (Movie Tie-in Edition) Laura Hillenbrand 2018-08-21 #1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014’s Unbroken and the upcoming Unbroken: Path to Redemption. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane’s bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant’s name was Louis Zamperini. In boyhood, he’d been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in Seabiscuit. Telling an unforgettable story of a man’s journey into extremity, Unbroken is a testament to the resilience of the human mind, body, and spirit. Praise for Unbroken “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurbly adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational book.”—The New York Times Book Review “Marvelous . . . Unbroken is wonderful twice over, for the tale it tells and for the way it’s told. . . . It manages maximum velocity with no loss of subtlety.”—Newsweek “Moving and, yes, inspirational . . . [Laura] Hillenbrand’s unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time.”—Maureen Corrigan, Fresh Air “Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “Unbroken is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it.”—Christopher McDougall, author of Born to Run

A Higher Call Adam Makos 2014-05-06 THE INTERNATIONAL BESTSELLER: “Beautifully told.”—CNN • “A remarkable story...worth retelling and celebrating.”—USA Today • “Oh, it’s a good one!”—Fox News A “beautiful story of a brotherhood between enemies” emerges from the horrors of World War II in this New York Times bestseller by the author of Devotion, now a Major Motion Picture. December, 1943: A badly damaged American bomber struggles to fly over wartime Germany. At the controls is twenty-one-year-old Second Lieutenant Charlie Brown. Half his crew lay wounded or dead on this, their first mission. Suddenly, a Messerschmitt fighter pulls up on the bomber’s tail. The pilot is German ace Franz Stigler—and he can destroy the young American crew with the squeeze of a trigger... What happened next would defy imagination and later be called “the most incredible encounter between enemies in World War II.” The U.S. 8th Air Force would later classify what happened between them as “top secret.” It was an act that Franz could never mention for fear of facing a firing squad. It was the encounter that would haunt both Charlie and Franz for forty years until, as old men, they would search the world for each other, a last mission that could change their lives forever.

River of Blood Kevin Ryan 2002-08-14 A Klingon assassin has infiltrated the U.S.S. Enterprise. His mission: To ambush the horrible, dishonorable Captain James T. Kirk. But when Kirk turns out not to be what his Klingon superiors had said he was, the Klingon assassin must decide whether to do what he was told to do, or to follow the dictates of his honor. Every person has a story, and those who are lucky enough to share the voyages of Capt. James T. Kirk aboard the Starship Enterprise™ have stories unlike anyone else's. Some live, some die, but even those who serve below deck sometimes make all the difference in the universe! The news

from Starfleet Command is grim: a full-scale war against the Klingon Empire is coming, a war that the Federation may not be able to win. In anticipation of a monumental conflict, the U.S.S. Enterprise™ is assigned to guard a vital starbase located perilously close to Klingon space. But even as Kirk's mission brings him into a tense confrontation with an invading Klingon battle cruiser, an equally deadly menace lurks within the ranks of his own crew: Klingon infiltrator agents, posing as Starfleet officers and sworn to destroy the enemies of the Empire—even at the cost of their own honor!

Call to Arms Joshua Dalzelle 2015-06-27 From Joshua Dalzelle comes the follow up to the #1 Bestseller "Warship." Captain Jackson Wolfe survived the initial incursion of a vicious alien species into human space ... barely. He had assumed the juggernaut that had devastated three Terran systems was the herald for a full invasion, but for the last few years it has been eerily quiet along the Frontier. Jackson now struggles to convince the Confederate leadership the threat is still imminent and needs to be taken seriously. While powerful factions make backroom deals he is desperate to find irrefutable proof that the invaders are coming and if humanity expects to survive they must marshal their forces and make a stand before it's too late.

Blood Rites Jim Butcher 2004-08-03 In this novel in the #1 New York Times bestselling Dresden Files, Chicago's only professional wizard takes on a case for a vampire and becomes the prime suspect in a series of ghastly murders. Harry Dresden has had worse assignments than going undercover on the set of an adult film. Like fleeing a burning building full of enraged demon-monkeys, for instance. Or going toe-to-leaf with a walking plant monster. Still, there's something more troubling than usual about his newest case. The film's producer believes he's the target of a sinister curse—but it's the women around him who are dying, in increasingly spectacular ways. Harry's doubly frustrated because he only got involved with this bizarre mystery as a favor to Thomas—his flirtatious, self-absorbed vampire acquaintance of dubious integrity. Thomas has a personal stake in the case Harry can't quite figure out, until his investigation leads him straight to the vampire's oversexed, bite-happy family. Now, Harry's about to discover that Thomas' family tree has been hiding a shocking secret: a revelation that will change Harry's life forever.

The Colossus Jay Allan 2019-04-30 The Hegemony strikes again! The Confederation and its allies have won their first victory, retaken their capital from the forces of the Hegemony. But the enemy is not beaten, far from it, and they are back, with an unstoppable weapon, a vast superbattleship, a deadly hybrid of imperial and Hegemony technology, called the Colossus. The great ship is enormously powerful, nearly unstoppable, and in its armored depths it hides a secret, another Hegemony weapon, one that will change the dynamic of the entire war. One that will challenge Admiral Barron, and his officers and spacers, to the greatest test they have ever faced. The battle for the Rim has reached its climactic stage, but even as the Hegemony moves forward to claim victory, an old enemy, a terror from the distant past, is about to return—and change everything.

Duel in the Dark Jay Allan 2016-10-29 A Gripping New Adventure by the Author of the Bestselling Crimson Worlds and Far Stars series... The Confederation has fought three wars against the forces of the totalitarian Union. Three generations of its warriors have gone off to war, held the line against the larger, more powerful enemy. Now the fourth conflict is imminent, and the Confederation's navy is on alert, positioned behind the frontier, waiting for the attack it knows is coming. The battleship Dauntless has spent the past ten months patrolling the border, deployed far forward of the main fleet, a forlorn hope, an advance guard positioned to give the warning of invasion. But no attack has come. Her crew is exhausted, and the aging battleship needs maintenance. With the fleet mobilized and the forward bases overloaded beyond capacity, she is sent clear across the Confederation, to a planet along the quiet and peaceful far frontier. Her crew is looking forward to a rest, and Dauntless herself is scheduled for a long-overdue maintenance session. But the quiet frontier isn't what it seems... and when a distress call is received from one of the mining colonies on the edge of Confederation space, it falls to Captain Tyler Barron to take Dauntless forward, to find out what is happening, and to put a stop to it. Barron and his crew have their ship—and each other—but they can expect no other help. Suspicion is strong that Union deceit is at play, that the attack is some sort of diversion, intended to draw Confederation forces from the disputed border. The orders are clear. No ships will be transferred from the prospective battle line. Stopping whatever is happening on the rim is Barron's responsibility, and his alone. Barron is the grandson of the Confederation's great hero, the father of the modern navy. His family name has always carried privilege with it, and crushing responsibility. And now he must prove that he has inherited more from his famous grandfather than name and privilege. He must face the enemy, and win the victory... before the Confederation is caught between two enemies and destroyed. Blood on the Stars Reading Order Book 1: Duel in the Dark Book 2: Call to Arms (January 2017, Available now for preorder)

Forged in Fire and Stars Andrea Robertson 2020-05-05 "Fans of Leigh Bardugo's Grishaverse will flock to this new series." --Booklist Games of Thrones meets Shadow and Bone in this action-packed fantasy from the internationally bestselling author of the Nightshade series. Ara has always known the legend of the Loesmith: the blacksmith who served alongside the kings and queens of Saetlund, forging legendary weapons to arm warriors and protect the kingdom. She's been told it's her fate to inherit the title and become the next Loesmith. But since the monarchy's downfall in a vicious conquest years before, Ara has never truly believed she would be able to take up her duty. But when the lost Princess Nimhea and Prince Eamon steal Ara from her quiet life with a mission to retake the throne and return Ara to her place as the Loesmith--Ara's whole world turns upside down. Suddenly, Ara must leave her small mountain village and embark on a dangerous adventure where she will uncover new truths about her family's legacy, and even face the gods themselves. With a mysterious thief as an unexpected companion, and dark forces following their every move, Ara must use all her skills to forge the right path forward--for herself, her kingdom, and her heart. From internationally bestselling author Andrea Robertson comes a gorgeously written new fantasy series perfect for readers of Leigh Bardugo's Shadow and Bone or Sabaa Tahir's An Ember in the Ashes series. Praise for Forged in Fire and Stars: "An epic and classic fantasy." --School Library Journal "Epic fantasy isn't usually my thing, but Forged in Fire and Stars made me a believer." --TOR.com

Safe in His Arms Colleen Coble 2013-01-28 Sometimes it takes a stranger to see you as you really are. Born and raised on sprawling Texas land, Margaret O'Brien prides herself on her competence as a rancher. But her father believes she's made for more than just dawn-to-dusk work. He wants her to have the love of a good man, to raise children, to build a life. But Margaret gave up such dreams years ago. She's convinced no man would have her, that the ranch is her life now. So when Margaret's father hires Daniel Cutler as a new foreman, she's frustrated and suspicious. Then an overheard conversation links him with a gang of bank robbers, and she's downright worried. Daniel swears he's not involved, but Margaret's not convinced. She knows the man still has secrets. But would a criminal be so kind and talk so convincingly of his faith? As a series of tragic "accidents" threatens all she holds dear, Margaret must decide what to trust: her own ears, her best judgment . . . or what her heart keeps telling her. From the author of the best-selling Blue Moon Promise . . . an exciting tale of danger, romance, and faith played out under Texas stars. "Romantically tense, but with just the right touch of danger, this cowboy love story is surprisingly clever—and pleasingly sweet." —USAToday.com for Blue Moon Promise

Scavenge the Stars Tara Sim 2020-01-04 From rising-star author Tara Sim comes an epic new YA fantasy duology—a gender-swapped The Count of Monte Cristo retelling that's perfect for fans of All the Stars and Teeth by Adalyn Grace. When Amaya rescues a mysterious stranger from drowning, she fears her rash actions have earned her a longer sentence on the debtor ship where she's been held captive for years. Instead, the man she saved offers her unimaginable riches and a new identity, setting Amaya on a perilous course through the coastal city-state of Moray, where old-world opulence and desperate gamblers collide. Amaya wants one thing: revenge against the man who ruined her family and stole the life she once had. But the more entangled she becomes in this game of deception—and as her path intertwines with the son of the man she's plotting to bring down—the more she uncovers about the truth of her past. And the more she realizes she must trust no one? Packed with high-stakes adventure, romance, and dueling identities, this gender-swapped retelling of The Count of Monte Cristo is the first novel in an epic YA fantasy duology, perfect for fans of Sarah J. Maas, Sabaa Tahir, and Leigh Bardugo.

Angels' Blood Nalini Singh 2009-03-03 FIRST IN THE GUILD HUNTER SERIES! Nalini Singh introduces readers to a world of beauty and bloodlust, where angels hold sway over vampires. Vampire hunter Elena Deveraux is hired by the dangerously beautiful Archangel Raphael. But this time, it's not a wayward vamp she has to track. It's an archangel gone bad. The job will put Elena in the midst of a killing spree like no other—and pull her to the razor's edge of passion. Even if the hunt doesn't destroy her, succumbing to Raphael's seductive touch just may. For when archangels play, mortals break.

Blood and Thunder Hampton Sides 2007-10-09 NATIONAL BESTSELLER • From the author of Ghost Soldiers comes a magnificent history of the American conquest of the West—"a story full of authority and color, truth and prophecy" (The New York Times Book Review). In the summer of 1846, the Army of the West marched through Santa Fe, en route to invade and occupy the Western territories claimed by Mexico. Fueled by the new ideology of "Manifest Destiny," this land grab would lead to a decades-long battle between the United States and the Navajos, the fiercely resistant rulers of a huge swath of mountainous desert wilderness. At the center of this sweeping tale is Kit Carson, the trapper, scout, and soldier whose adventures made him a legend. Sides shows us how this illiterate mountain man understood and respected the Western tribes better than any other American, yet willingly followed orders that would ultimately devastate the Navajo nation. Rich in detail and spanning more than three decades, this is an essential addition to our understanding of how the West was really won.

King of Battle and Blood Scarlett St. Clair 2021-11-30 An instant USA Today bestseller! From fan-favorite Scarlett St. Clair, the bestselling author of the Hades & Persephone series, comes a new fantasy filled with danger, darkness, and insatiable romance. Their union is his revenge. Isolde de Lara considers her wedding day to be her death day. To end a years-long war, she is to marry vampire king Adrian Aleksandr Vasiliev, and kill him. But her assassination attempt is thwarted, and Adrian threatens that if Isolde tries to kill him again, he will raise her as the undead. Faced with the possibility of becoming the thing she hates most, Isolde seeks other ways to defy him and survive the brutal vampire court. Except it isn't the court she fears most—it's Adrian. Despite their undeniable chemistry, she wonders why the king—fierce, savage, merciless—chose her as consort. The answer will shatter her world. Adrian X Isolde Series King of Battle and Blood Queen of Myth and Monster

The White Fleet Jay Allan 2018-03-20 The war is over, but the struggle continues. Tyler Barron and his spacers have set out into the unknown, deep into the Badlands, seeking to discover the empire's old tech and the secrets of its tortured history before Gaston Villeneuve and the resurgent Union can beat them to it. The White Fleet is a vast force, powerful and crewed by the toughest veterans from the war. Barron and his people know the future of the Confederation, even its survival, depends on recovering the scientific secrets of the empire before the enemy can do the same. Barron and his people push far beyond the Confederation's borders, to space untraveled since the Cataclysm. They are seeking the past, its secrets, its knowledge...but they will find a present that they never expected, a new and terrible danger, one that threatens not only the White Fleet, but the Confederation itself...even the entire Rim.

Blood Books Tanya Huff 2006 Includes Blood Debt and Blood Bank.

Blood Rites Barbara Ehrenreich 2020-01-07 A New York Times Notable Book An ALA Notable Book "Original and illuminating." --The Washington Post What draws our species to war? What makes us see violence as a kind of sacred duty, or a ritual that boys must undergo to "become" men? Newly reissued in paperback, Blood Rites takes readers on an original journey from the elaborate human sacrifices of the ancient world to the carnage and holocaust of twentieth-century "total war." Ehrenreich sifts deftly through the fragile records of prehistory and discovers the wellspring of war in an unexpected place -- not in a "killer instinct" unique to the males of our species, but in the blood rites early humans performed to reenact their terrifying experiences of predation by stronger carnivores. Brilliant in conception and rich in scope, Blood Rites is a monumental work that continues to transform our understanding of the greatest single threat to human life.

Ruins of Empire Jay Allan 2017-04 War rages between the Confederation and the Union. Shattered fleets watch each other warily across a war torn frontier. Both sides are licking their wounds, gathering strength to continue the fight. Captain Tyler Barron and the crew of Dauntless are finally enjoying the rest they've earned while their aging battleship Dauntless gets the repairs and refit it desperately needs. But their respite will be short-lived. In the Badlands, deep in the haunted vastness of pre-Cataclysmic space, a new discovery threatens to upset the balance of power. Orbiting a world in a distant system is an ancient battleship, vastly larger and enormously more advanced than anything possessed by the contending powers...and the Union has already sent forces to seize it. The Confederation has no ships close enough to intervene, to get there before the enemy...none save Dauntless. Barron and his crew must race across the Badlands, find the ancient artifact, and somehow hold it, keep the Union forces from taking it, until reinforcements arrive. They will be outnumbered and outgunned, but there can be no retreat. Not this time. Nothing less than the fate of all human-inhabited space is at stake. If the Confederation is able to rediscover the technology of the ancients, it will be safe for generations to come, its defensive forces untouchable by its enemies. But if the Union gets there first, if it can adapt the incredible power of mankind's lost technology, it will gain the power to enslave all humanity. This fight isn't for territory. It isn't for position or tactical advantage. It is for the future.

War Against the Mafia Don Pendleton 2014-12-16 The first book in the classic vigilante action series from a "writer who spawned a genre" (The New York Times). Overseas, Mack Bolan was dubbed "Sgt. Mercy" for the compassion he showed the innocent. On the home front, they're calling him the Executioner for what he's doing to the guilty. In the jungles of Southeast Asia, American sniper Mack Bolan honed his skills. After twelve years, with ninety-five confirmed hits, he returns home to Massachusetts. But it's not to reunite with his family, it's to bury them—victims in a mass murder/suicide. Even though Bolan's own father pulled the trigger, he knows the old man was no killer. He was driven to madness by Mafia thugs who have turned his idyllic hometown into a new kind of war zone. Duty calls . . . Introducing an action hero "who would make Jack Reacher think twice," this is the first book in the iconic series of vigilante justice that has become a publishing phenomenon (Empireonline.com). With more than two hundred million Executioner books sold since its debut, the series continues to stimulate. Gerry Conway, cocreator of Marvel Comics' The Punisher, credits the Executioner as "my inspiration . . . that's what gave me the idea for the lone, slightly psychotic avenger." The series is also now in development as a major motion picture. War Against the Mafia is the 1st book in the Executioner series, but you may enjoy reading the series in any order.
