The Picnic Cookbook Laura Mason 2015-04-16 Picnics and outdoor meals are a classic theme in British food. The book will include over 100 recipes covering picnics, barbecues and campfire food. Good Old-Fashioned Puddings Sara Paston-Williams 2007-09-07 Naughty? Yes, but oh so nice. The great British pudding is alive and well and this book demonstrates exactly why. The traditional pudding has evolved to become an integral part of Britain's culinary heritage. This collection of established favourites and little-known but great recipes traces the history of the pudding from the earliest medieval spiced jellies through the elaborate pies of the Elizabethans and Stuarts, the elegant syllabubs and custards of the Georgians, to the substantial puddings of the Victorians. Indulge in 'tum-tickling puds' such as Roly-Poly pudding and Damson Cobbler or savour elegant and delicate dessert recipes like Marbled Rose Cream and Blackcurrant and mint fool. Bursting with delicious puddings, pies, tansies and tarts that have been served over the centuries, this book will tempt anyone who enjoys a healthy dose of great British puddings.

Regula tells the story of each one, sharing the original recipe alongside her own version, while paying homage to the cooks, writers and moments in history that helped shape them.

How To Cook: The Victorian Way With Mrs Crocombe Annie Gray 2020-09-24 A sumptuous cookery book and the definitive guide to the life, times and tastes of the world's favourite Victorian cook Mrs Crocombe. As seen on English Heritage's The Victorian Way YouTube series. Mrs Crocombe is the star of English Heritage's wildly popular YouTube series, The Victorian Way. In delightful contrast to the high-octane hijinks of many YouTube celebrities, The Victorian Way offers viewers a gentle glimpse into a simpler time - an age when tea was sipped from porcelain, not from plastic cups; when mince pies were meaty and nothing was wasted; when puddings were in their pomp and no kitchen was complete without a cupboard full of copper pots and pans. Avis Crocombe really did exist. She was head cook at Audley End House in Essex from about 1878 to 1884. Although only a little is known about her life, her handwritten cookery book was passed down through her family for generations and rediscovered by a distant relative in 2009. It's a remarkable read, and from the familiar (ginger beer, custard and Christmas cake) to the fantastical (roast swan, preserved lettuce and fried tongue sandwiches), her recipes give us a wonderful window into a world of flavour from 140 years ago. How to Cook the Victorian Way is the definitive guide to the life, times and tastes of the world's favourite Victorian cook. The beautifully photographed book features fully tested and modernised recipes along with a transcription of Avis's original manuscript, plus insights into daily life at Audley End by Dr Annie Gray and Dr Andrew Hann, and a foreword by the face of Mrs Crocombe, Kathy Hipperson. It showcases the best recipes from Mrs Crocombe's own book, alongside others of the time, brought together so that every reader can put on their own Victorian meal. It's a moreish smorgasbord of social history an absolute must for fans, foodies and anyone with an appetite for the past. Please note this is a fixed-format ebook with colour images and may not be well-suited for older e-readers.
