

Shopping Seduction Mr Selfridge

Mr. Selfridge Lindy Woodhead 2014-10-23T00:00:00+02:00 A Londra esisteva già Harrods, che aveva tra i suoi clienti affezionati Oscar Wilde. I profeti di sventura erano disposti a scommettere sull'insuccesso della fiammante cattedrale del commercio. Ma Selfridge aveva la strategia vincente: rendere lo shopping eccitante come il sesso. La sua vita, sullo sfondo del jet set angloamericano, è stata segnata dall'ambizione, dal glamour e dall'amore smodato per il lusso e il gioco d'azzardo. Lindy Woodhead la ricostruisce con lo stile frizzante e appassionato di un grande romanzo. Nella seconda metà dell'Ottocento da Parigi a New York, i grandi magazzini - i «Paradisi delle signore», come li chiamava Emile Zola - cambiarono per sempre il volto del commercio. Ma nessuno meglio di Harry Gordon Selfridge comprese che lo shopping non ha solo a che fare con la qualità o la bellezza dei prodotti: cercando di prevedere le necessità e di soddisfare il bisogno di stile e svago delle sue clienti, Selfridge riuscì a fare di esso un'esperienza completa, divertente, seducente, e intossicante. Partito come magazziniere, Selfridge divenne l'uomo più importante dei grandi magazzini Marshall Field di Chicago, facendone una Mecca per le appassionate degli acquisti. A cinquant'anni tagliò ogni legame con l'America, e a Londra riuscì a trasformare le sue visioni in una realtà che dura tuttora, contribuendo a fare di Oxford Street una delle vie dello shopping più celebri del mondo. «Un libro pieno di energia e magnificamente dettagliato.» Spectator Business «Una trascinate biografia che è anche un ritratto coinvolgente della società del tempo.» Independent on Sunday

The Representation of the Protagonist Harry Gordon Selfridge in the TV Series "Mr Selfridge"

Kim Frintrop 2015-04-14 Seminar paper from the year 2015 in the subject Didactics - English - Literature, Works, grade: 1,3, Johannes Gutenberg University Mainz, course: Graduate Seminar British Studies, language: English, abstract: Macy's, KaDeWe, Au Bon Marché, Harrods, Whiteley's, les Galeries LaFayette - all these stores represent only a few of the many well-known department stores situated in different modern metropolises. What all these famous large-scale stores have in common is that they are mass marketplaces which are often referred to as "halls of temptation" (Rappaport 16) or "cathedrals of consumption" (Fiske 10). In this sense, shopping is no longer considered a pure economic act. Rather, it is regarded as an act being strongly associated with illusion, desires, self-fulfillment, seduction and dreams. With their innovative interior and exterior architecture, their overwhelming range of goods coming from all over the world, and their leisure time facilities, they manage to fascinate us. These great stores offer customers an enjoyable shopping experience or rather enable them to spend a unique day out by providing much more than the latest fashion and household goods or nice cafés and restaurants in comfortable settings. Many of this type of store include cinemas, theater shows, fitness center or sometimes even miniature golf courses or bowling centers. March 15, 1909 marks the birth of one of these great department stores, still sustaining its position in British society today: Selfridges. It was the American self-made retail entrepreneur Harry Gordon Selfridge who founded this department store in London's Oxford Street in 1909 and fascinated his customers by creating a unique experience of shopping (Woodhead 1). To this day, Harry Selfridge is highly praised as a unique marketing innovator. As his personal story inspired ITV drama, there even has been a TV series adapted in which the life of Selfridge and his

family members is portrayed as well as the rise and the success of his lifework. Given that this American visionary presents the protagonist of the TV series Mr Selfridge, the aim of this paper is to consider the central question how his character is represented in the series.

[Shopping, Seduction & Mr. Selfridge](#) Lindy Woodhead 2013-02-12 If you lived at Downton Abbey, you shopped at Selfridge's. Harry Gordon Selfridge was a charismatic American who, in twenty-five years working at Marshall Field's in Chicago, rose from lowly stockboy to a partner in the business which his visionary skills had helped to create. At the turn of the twentieth century he brought his own American dream to London's Oxford Street where, in 1909, with a massive burst of publicity, Harry opened Selfridge's, England's first truly modern built-for-purpose department store. Designed to promote shopping as a sensual and pleasurable experience, six acres of floor space offered what he called "everything that enters into the affairs of daily life," as well as thrilling new luxuries—from ice-cream soda to signature perfumes. This magical emporium also featured Otis elevators, a bank, a rooftop garden with an ice-skating rink, and a restaurant complete with orchestra—all catering to customers from Anna Pavlova to Noel Coward. The store was "a theatre, with the curtain going up at nine o'clock." Yet the real drama happened off the shop floor, where Mr. Selfridge navigated an extravagant world of mistresses, opulent mansions, racehorses, and an insatiable addiction to gambling. While his gloriously iconic store still stands, the man himself would ultimately come crashing down. The true story that inspired the Masterpiece series on PBS • Mr. Selfridge is a co-

production of ITV Studios and Masterpiece “Enthralling . . . [an] energetic and wonderfully detailed biography.”—London Evening Standard “Will change your view of shopping forever.”—Vogue (U.K.) Mr. Selfridge 2013 Emmy Award-winning actor Jeremy Piven stars as American entrepreneur and colorful retail magnate Harry Gordon Selfridge. Pioneering and reckless, with an almost manic energy, Harry Selfridge created a theater of retail for early 1900s Londoners where any topic or trend that was new, exciting, entertaining-or sometimes just eccentric-was showcased. Based on the book *Shopping, Seduction and Mr. Selfridge* by author Lindy Woodhead.

Mr Selfridge Lindy Woodhead 2014-06-04 El libro en el que se basa la serie de televisión. La fascinante historia del hombre que revolucionó nuestra forma de comprar, ahora convertida en una exitosa serie. En 1909 abrieron sus puertas en Oxford Street, en medio de una colosal campaña publicitaria, los grandes almacenes Selfridges, los primeros de Londres. Detrás de tan elegante fachada estaba Harry Gordon Selfridge, el gran genio estadounidense. Empresario inconformista y arriesgado, dandi y el mayor showman que ha conocido el mundo del comercio, la clave de su éxito fue despertar la seducción por las compras. Y así como crecieron su éxito y su fama, también lo hizo su estilo de vida: mansiones, yates, juegos de azar, caballos de carreras... y amantes. Desde el glamour de la Inglaterra eduardiana y los excesos embriagadores de los años veinte hasta hoy en día, los grandes almacenes Selfridges han sido un gran teatro que levanta el telón todas las mañanas a las nueve en punto. La crítica ha dicho... «Un fascinante estudio biográfico, y también sociológico.» The Guardian «Una descripción cautivadora de la moda, la política, la música y la danza, las artes, las ciencias de la publicidad y el uso de los medios de comunicación en las décadas anteriores a la Segunda Guerra Mundial.» London Evening Standard

Shopping, Seduction and Mr Selfridge Lindy Woodhead 2008 When the visionary American

retailer Harry Gordon Selfridge, rightfully known as 'the showman of shopping', moved from Chicago to open his eponymous store in Oxford Street, he brought with him his heartfelt belief in the sex appeal of shopping. In the process Selfridge became rich and famous, But his weakness for high living: fast women, grand houses, extravagant entertaining and an insatiable addiction to gambling, brought about his downfall. Thirty years after he opened his revolutionary store, Harry Gordon Selfridge was ousted in a Board Room coup. In 1947, he died virtually penniless in a small flat in Putney. His memorial is in Oxford Street, where the towering Ionic columns of Selfridges stand witness to the achievement of his dreams. In this book, which explores the rise of twentieth-century consumerism, Lindy Woodhead tells the extraordinary story of a revolution in shopping and the rise and fall of a retail prince.

twentieth century. Complete with hundreds of high quality photographs it takes a closer look at the cast and their characters before looking ahead to series three which will pick up in 1919, the point at which Harry's life really begins to unravel.

War Paint Lindy Woodhead 2017-03-16 War Paint is the story of two extraordinary women, Miss Elizabeth Arden and Madame Helena Rubinstein, and the legacy they left: a story of feminine vanity and marketing genius. Behind the gloss and glamour lay obsession with business and rivalry with each other. Despite working for over six decades in the same business, these two geniuses never met face to face - until now. Midnight Mother Lindy Woodhead 2017-03-09 This is the rags to riches story of Kate 'Ma' Meyrick, the owner of the infamous 43 Club in Soho. It was a place where the aristocracy rubbed shoulders with the underworld, and where the key players of the roaring twenties congregated to dance the night away. Meyrick was no stranger to controversy, indeed she was sent to prison following the notorious corruption trial of Sergeant George Goddard, the policemen she paid for protection. Fizzing with the excitement and excess of the jazz age, MIDNIGHT MOTHER is not only the story of an extraordinary, iconic woman but also a fascinating insight into one of the most debauched and glamorous periods of London's history.

Selfridge Fergus Mason 2014-06-06 Just for a moment try to put every shopping trip you've ever made out of your head. Imagine a different world. Imagine that all the goods for sale are locked away in cabinets and to handle them, or even to examine them closely, you need to ask a shop assistant to open it up for you. Imagine that within seconds of entering a store a floorwalker approaches you and asks if you're planning to buy something - then, when you say "I'm just looking," rudely tells you to leave. Imagine any attempt to return faulty or unsuitable goods being met with ridicule, obstruction or a flat refusal to help you. Until the late 19th century people didn't have to imagine that; it was reality. For anyone alive today a visit to the average store back then would convince you that they didn't really want to sell you anything. The idea of customer service was an alien one. Stores sold things. If you wanted to buy them, fine. If you didn't they weren't really interested. Browsing was strongly discouraged and impulse buys were almost unheard of. Shopping was something you did when you had to. It certainly wasn't something anyone enjoyed. Then, in the late 1880s, one man came along and changed all that. His name was Harry Gordon Selfridge and this is the story of his life.

Wardrobe Crisis Clare Press 2016-05-02 Who makes your clothes? This used to be an easy question to answer: it was the seamstress next door, or the tailor on the high street - or you made them yourself. Today we rarely know the origins of the clothes hanging in our closets. The local shoemaker, dressmaker and milliner are long gone, replaced by a globalised fashion industry worth \$1.5 trillion a year. In *Wardrobe Crisis*, fashion journalist Clare Press explores the history and ethics behind what we wear. Putting her insider status to good use, Press examines the entire fashion ecosystem, from sweatshops to haute couture, unearthing the roots of today's buy-and-discard culture. She traces the origins of icons like Chanel, Dior and Hermès; charts the rise and fall of the

department store; and follows the thread that led us from Marie Antoinette to Carrie Bradshaw. From a time when Ralph Lauren and Calvin Klein were just two boys from the Bronx, to the world of the global fashion juggernaut, where Zara's parent company produces more than 900 million garments annually, Press takes us on an insider's journey of discovery and revelation. *Wardrobe Crisis* is a witty and persuasive argument for a fashion revolution that will empower you to feel good about your wardrobe again.

Midnight Mother Lindy Woodhead 2014-07-15 From the author of the Sunday Times bestseller, *SHOPPING, SEDUCTION & MR SELFRIDGE*, comes *MIDNIGHT MOTHER*: the true story of Kate Meyrick - the most notorious nightclub owner in 1920s London. Evenings in 1920s Soho would find the era's most famous, influential and intriguing personalities heading to Gerrard Street. Their destination was the capital's most notorious late-night joint: Kate 'Ma' Meyrick's nightclub, the '43'. At a Kate Meyrick establishment - all flaunting Britain's absurdly restrictive licensing laws - members were guaranteed a fast, furious and fun night's entertainment. They could illegally drink into the small hours, hear some of the best music in town and foxtrot with the most fleet-footed, fabulously attractive hostesses in London. Proprietor, Kate, had seized the apocalyptic post-war years to forge a daring life outside the stultifying confines of a bitterly unhappy marriage. Yet she famously took her customers - many of them the typically lost souls of the jazz-age - under her motherly wing. Stars such as Rudolph Valentino and Tallulah Bankhead danced the night away next to the cream of moneyed high society. Champion sportsmen, high-stakes gamblers and millionaire fraudsters flocked to Kate's clubs - the '43', the Manhattan and the Silver Slipper amongst them. All life was here and their stories and scandals fill the pages of *Midnight Mother*. Nonetheless, as Kate's success grew, her burgeoning empire was soon viewed by the establishment, the church, the right-

wing inflammatory press and many contemporary commentators as indicative of frightening social upheaval, rippling with decadence and drugs. For many revelers, the anticipation of a police raid made their night even more thrilling. For the corrupt policeman heading up Soho's Vice Squad, it meant a tidy sum stashed away in bribes offered to 'look the other way'. For Mrs Meyrick, it meant a decade during which the authorities sent her to Holloway no less than five times. But Kate didn't care. The notoriety that came with each arrest was good for business. A fabulous storyteller, bestseller Lindy Woodhead brings Kate Meyrick and many of the customers who crossed her threshold to wonderfully vivid life. Against the backdrop of a country recovering from the horrific consequences of the Great War, *Midnight Mother* goes behind the popular façade of 1920s' fast-living, frivolous partying to explore the darker side of the tormented generation who 'danced to forget'.
