The Telltale Lilac Bush and Other West Virginia Ghost Tales Ruth Ann Musick 2010-09-12 " West Virginia boasts an unusually rich heritage of ghost tales. Originally West Virginians told these hundred stories not for idle amusement but to report supernatural experiences that defied ordinary human explanation. From jealous rivals and ghostly children to murdered kinsmen and omens of death, these tales reflect the inner lives—the hopes, beliefs, and fears—of a people. Like all folklore, these tales reveal much of the history of the region: its isolation and violence, the passions and bloodshed of the Civil War era, the hardships of miners and railroad laborers, and the lingering vitality of Old World traditions.

Thr Haunted Hotel Wilkie Collins 2020 'The Haunted Hotel' is a story which, like others of Mr. Wilkie Collins's stories, fascinates the reader, and compels him to finish it at a sitting. It has, too, this merit, that as the story progresses one is forced to recall the facts of the earlier part, and see the object for which they were related and the bearing they have upon subsequent events. It is often possible to put together a mass of intricate details none of which is irrelevant, but it is a rare skill which can make it plain to a reader reading at full speed that they all had their necessity and proper effect. Few writers can do this so well as Mr. Wilkie

Collins. The mystery in 'The Haunted Hotel' is grim enough to please a keen appetite for grisly horrors, without glutting it by matter of fact description. A good deal is left for imagination to fill up. Whether or not the reader is meant to guess the explanation of the courier's disappearance, as he probably will if he is at all practiced in mysteries, is not of much importance. Having guessed it, he will still read with undiminished interest to see how it is worked out. There is, it seems, one defect in the story. It is a mystery with an explanation; but one particular fact which is not a mystery has no explanation....

Carnacki, the Ghost-Finder William Hope Hodgson 2010-09-01 Long before the supernatural detectives at the center of television shows such as Medium and The Ghost Whisperer hit the airwaves, there was "detective of the occult" Thomas Carnacki, the fictional detective created by William Hope Hodgson, author of the novel The House on the Borderland. The Carnacki tales center around the eponymous detective's uncanny ability to get to the bottom of hauntings and other mysterious paranormal disturbances.

Jack the Ripper Terry Lynch 2008 Horrific, horrendous, unspeakable, The Whitechapel Murderer, Jack the Ripper, stalked the streets of East London in 1888, slaughtering prostitutes and bewildering the police who were hunting him. They never succeeded in apprehending him, and to this day the mystery of his identity remains an enigma. But he did leave clues to his identity, and numerous theories have been entertained throughout the one hundred and twenty years since he held London's East End in his grip of terror. This book looks at the evidence left by the murderer and the reports and investigative papers which recorded the atrocities that the Ripper performed. It takes time to analyse the existing information and evaluate the letters sent to the police. It is the strongest and most powerful book ever written on the murders. It dispels a lot of myths attached to the Ripper, and eliminates a lot of the previously

conjectured perpetrators, leaving only those who realistically could have been...Jack the Ripper.

House of a Hundred Rooms Keith Scales 2017-11-16 HOUSE
OF A HUNDRED ROOMS: Stories the ghost tour guides do not
tell by KEITH J. SCALES Tour Manager At the Most Haunted Hotel
in America. Location: the 1886 Crescent Hotel. Characters:
ghosts. At the highest point in the Ozark mountains, overlooking a
village clustered around a legendary healing spring, towers the
famous 1886 Crescent Hotel - long recognized as "the most

haunted hotel in America." The legends of the Lady in White, the Girl in the Mist, the flirtatious Irish stonemason, the unfortunate victims of a charming medical psychopath, little Breckie with his bouncing ball, the little girl who fell through the railings have been repeated for decades, along with many other stories, and are currently told nightly on the Crescent ghost tours. A different kind of ghost story collection. Long-time tour manager Keith J. Scales presents a collection of stories that are not told on the ghost tours and have no basis in fact - invented events that might have occurred when these fascinating individuals were alive, or after they moved on. * A young worker who died during the construction of the Crescent Hotel turns up at Crescent College and Conservatory for Women, thirty years later. * A gangster in fear of his life has been hiding out in the hotel since prohibition. * A student died in a fall from an upper balcony - was it an accident, was she pushed, or did something else occur? * A murdered politician sends a newspaperman to the underground city to find his body. * A woman's arm appears through a wall in an later decade. * A despicable genius, making his fortune from the misfortunes of others, has reasons to distrust those closest to him. * A secret has kept a man waiting for his beloved for a hundred years. * Two lost children make a home in a huge empty building that is not as deserted as it appears. These stories and others are told at various stops on a ghost tour being given by a weary and somewhat skeptical guide. His guests are unruly, his colleagues seem to vanish one by one and the tour grows more bizarre with every stop on the way. By the end of the night, the stories of ghosts, guides and guests have merged into one, and the tour leader's doubts are forever dispelled. Actor, director and playwright Keith J. Scales, current manager of tours at the Crescent and Basin Park hotels, is a lifelong student of supernatural legend, lore and literature. In his spare time he has written many novels and short stories, soon to be available on Amazon and Kindle.

Home Before Dark Riley Sager 2021-08-31 THE INSTANT NEW YORK TIMES BESTSELLER • One of USA Today's Best Books of 2020 "A haunted house story—with a twist....[Sager] does not hold back"(Rolling Stone) in this chilling thriller from the author of *Final Girls* and *Survive the Night*. Every house has a story to tell and a secret to share. Twenty-five years ago, Maggie Holt and her parents moved into Baneberry Hall, a rambling Victorian estate in the Vermont woods. Three weeks later they fled in the dead of night, an ordeal her father recounted in a memoir called *House of Horrors*. His story of supernatural happenings and malevolent spirits became a worldwide phenomenon, rivaling *The Amityville Horror* in popularity—and skepticism. Maggie was too young to remember any of the horrific events that supposedly took place, and as an adult she doesn't believe a word of her father's claims. Ghosts, after all, don't exist. When she inherits Baneberry Hall after his death and returns to renovate the place and sell it, her homecoming is anything but warm. The locals aren't thrilled that their small town has been made infamous, and human characters with starring roles in *House of Horrors* are

waiting in the shadows. Even more unnerving is Baneberry Hall itself—a place where unsettling whispers of the past lurk around every corner. And as Maggie starts to experience strange occurrences ripped from the pages of her father’s book, the truth she uncovers about the house’s dark history will challenge everything she believes.

My Lady’s Money Wilkie Collins 2012-06-01 Looking for a short but thoroughly enjoyable read? Check out *My Lady’s Money* by Wilkie Collins, who was a collaborator with Charles Dickens and one of the most popular storytellers of the late nineteenth century. The Complete Four Just Men Edgar Wallace 2008-06 Justice-without jury, without appeal and without mercy These are stories of the Four Just Men, Edgar Wallace’s famous characters known to the wider public principally as a result of the early television series of the same name. The source material is, of course, far removed from its celluloid derivative. Far from being set in the world post WW2, the original stories take place in the colourful period immediately following the Great War. The principal characters remain a refreshing antidote to stereotypical heroes for they are group of ruthless and dedicated vigilantes, disillusioned with a world where the wicked and the abusers of power perpetually go unpunished. The Just Men set about to rectify matters according to their own standards and retribution is dispensed on swift and deadly wings. All the Four Just Men stories are gathered together in a two volume set from Leonaur, available in soft or hardcover with dust jacket.

The Grand Hotel Scott Kenemore 2014-10-14 Welcome to the hotel where nobody checks out. When a desk clerk welcomes a group of tourists into his mysterious and crumbling hotel, the last thing he expects is that a lone girl on his tour may hold the power to unravel the hidden mystery that has lain for untold centuries

within the structure's walls. The Grand Hotel is a horror novel by esteemed bestselling author Scott Kenemore (Zombie, Ohio) that takes the reader on a thrilling ride through an interconnected series of stories narrated by the desk clerk and the residents of the hotel itself. And while it is not known whether or not the desk clerk is actually the devil incarnate, it is strange that so many visitors who come for a tour of the hotel have a way of never leaving. As the narrator takes you deeper and deeper into the heart of the hotel, secrets that have been hiding for aeons begin to show themselves. Although he is quite prepared for this experience, there is some question as to whether or not the rest of the world shares this readiness. Kenemore's incredible style and originality carry *The Grand Hotel* to places most people only see in their nightmares. And while we don't know all of the secrets that lie within the Grand Hotel, we know that the person who does hold that knowledge puts fear into the narrator himself—a thought that ought to terrify everyone. The Amityville Horror Jay Anson 2019-12-03 "A fascinating and frightening book" (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (Kansas City Star).

Collected Ghost Stories M. R. James 2011-10-13 'I was conscious of a most horrible smell of mould, and of a cold kind of face pressed against my own...' Considered by many to be the most terrifying writer in English, M. R. James was an eminent scholar who spent his entire adult life in the academic surroundings of Eton and Cambridge. His classic supernatural tales draw on the terrors of the everyday, in which documents and objects unleash terrible forces, often in closed rooms and night-time settings where imagination runs riot. Lonely country houses, remote inns, ancient churches or the manuscript collections of great libraries provide settings for unbearable menace, from creatures seeking retribution and harm. These stories have lost none of their power to unsettle and disturb. This edition presents all of James's published ghost stories, including the unforgettable 'Oh, Whistle

and I'll Come to You, My Lad' and 'Casting the Runes', and an appendix of James's writings on the ghost story. Darryl Jones's introduction and notes provide a fascinating insight into James's background and his mastery of the genre he made his own.

The Drug and Other Stories Aleister Crowley 2010 Edited, with an Introduction, by William Breeze. Foreword by David Tibet. This volume brings together the uncollected short fiction of the poet, writer and religious philosopher Aleister Crowley (1875 - 1947). Crowley was a successful critic, editor and author of fiction from 1908 to 1922, and his short stories are long overdue for discovery. Of the fifty-two stories in the present volume, only thirty were published in his lifetime. Most of the rest appear here for the first time. Like their author, Crowley's stories are fun,

smart, witty, thought-provoking and sometimes unsettling. They are set in places he had lived and knew well: Belle Epoque Paris, Edwardian London, pre-revolutionary Russia and America during the first World War. The title story *The Drug* stands as one of the first - if not the first - accounts of a psychedelic experience. His *Black and Silver* is a knowing early noir discovery that anticipates an entire genre. *Atlantis* is a masterpiece of occult fantasy, a dark satire that can stand with Samuel Butler's *Erewhon*. Frank Harris considered *The Testament of Magdalen Blair* the most terrifying tale ever written. Extensive editorial end-notes give full details about the stories.

The Haunted Hotel Wilkie Collins 2017-12-24 Is there no explanation of the mystery of *The Haunted Hotel*? Is *The Haunted Hotel* the tale of a haunting -- or the tale of a crime? The ghost of Lord Montberry haunts the Palace Hotel in Venice --- or does it? Montberry's beautiful-yet-terrifying wife, the Countess Naron, and her erstwhile brother are the center of the terror that fills the Palace Hotel. Are their malefactions at the root of the haunting -- or is there something darker, something much more unknowable at work?

Miss Or Mrs? Wilkie Collins 1999-01-01 B`..melodrama is perennial and the craving for it is perennial and must be satisfied' T. S. Eliot ('Wilkie Collins and Dickens') Collins's ability to construct a gripping situation and to create an atmosphere of mystery and menace is fully evident in the three novellas reprinted here. All proceed through a series of dramatic scenes to a climax that in one case at least is literally explosive. The fast-paced *Miss or Mrs?* (1871) opens on a yacht, features a remarkably unconventional heroine, and entails murder attempts, blackmail, clandestine marriage and commercial fraud. Dramatic and psychologically absorbing, the action of *The Haunted Hotel* (1878) takes place in an ancient Venetian palazzo converted into a modern hotel that houses a grisly secret. Lastly, set in a beautiful water-mill, *The Guilty River* (1886) depicts a group of

alienated characters, whose relationships threaten to erupt in violence and murder. Varied in setting and tone, these stories demonstrate Collins's plot-making skill at its most succinct and intricate. *Introduction * Textual Note * Bibliography *

Classic Victorian and Edwardian Ghost Stories Rex Collings 2008

This is a book to be read by a blazing fire on a winter's night, with the curtains drawn close and the doors securely locked. The unquiet souls of the dead, both as fictional creations and as 'real' apparitions, roam the pages of this haunting selection of ghost stories by Rex Collings. Some of these stories are classics while others are lesser-known gems unearthed from this vintage era of tales of the supernatural. There are stories from distant lands - 'Fisher's Ghost' by John Lang is set in Australia and 'A Ghostly Manifestation' by 'A Clergyman' is set in Calcutta. In this selection, Sir Walter Scott (a Victorian in spirit if not in fact), keeps company with Edgar Allen Poe, Sheridan Le Fanu and other illustrious masters of the genre.
