**I Heard You Scream: A gripping and unpredictable psychological thriller with a killer twist**

Emerald O'Brien 2022-04-21 Packed with nerve-shredding tension, *I Heard You Scream* is impossible to put down. The complex characters, fast-paced plot, and shocking twists will keep you on the edge of your seat. For fans of Riley Sager, Lucy Foley, and Shari Lapena. Five can keep a secret if four are dead. On a cold fall night in a small Canadian town, four of Chelsea's friends are found dead, victims of a brutal stabbing—a selfish act of revenge. The only witness, Chelsea spends the next five years struggling to bury her trauma. The victims' families call her a hero. Her fiancé calls her the love of his life. Her best friend tells her there's nothing more she could have done for her friends. She's almost convinced herself that it's true when she attends an anniversary memorial held at the scene of the crime. But Chelsea's ability to ignore the past comes to an end that very night when she receives an intimidating message. Tell the police the truth about what you all did that night or I will. You have 48 hours to confess. Is it an empty threat from someone digging for facts they don't actually possess? Or does someone else know Chelsea shared a secret with her friends? Either way, Chelsea knows the stakes are too high to ignore when the blackmailer resorts to violence—those closest to her might be the next victims if she doesn't do as they ask. The truth can ruin her life. But the lies have her just as trapped, a pawn in a deadly game even she doesn't fully

understand. She has no choice but to confess. But Chelsea's about to discover that some things are best taken to the grave. "... addictive, fast-paced, and decidedly tense. If you like psychological thrillers by Ruth Ware and Abigail Haas, you'll enjoy this book." -Meghan O'Flynn, bestselling author of the Mind Games series

*Call Me Evie* J. P. Pomare 2019-03-05 A seventeen-year-old struggles to remember the tragic night that changed her life forever in this twist-filled debut novel of psychological suspense for fans of Sharp Objects and The Last Time I Lied. Evie and her uncle Jim have just moved to an isolated cabin in a remote beach town--a far cry from their hometown of Melbourne. But Evie isn't her real name. And Jim isn't really her uncle. Jim tells Evie she did something terrible back home, that he's hiding her to protect her. But Evie can't remember anything about that night--for all she knows, he's lying.

As fragments of her memory return, she starts to wonder if Jim is really her savior...or her captor. In a riveting novel that fearlessly plumbs the darkest recesses of the mind, J.P. Pomare explores the fragility of memory and the potential in everyone to hide the truth--even from themselves.

**First Date** Sue Watson 2020-10-16 She's been waiting her whole life to meet a man like Alex. But he's been waiting too. And once he has her, he'll never let her go... Hannah has done everything to make sure her life is safe and secure. A long way from her unstable childhood growing up in foster care, she's content with her sweet, little, messy apartment and her satisfying job as a social worker. She quietly worries that, aged 36, she might never fall in love. But otherwise her life is where she wants it to be. Until, encouraged by her best friend to join a dating app, she meets Alex. He's irresistibly handsome. He loves the same music as her. The same food as well. They both dream of travelling the world but agree they'd be equally happy escaping to a cottage by the beach in Devon. Both of them would love to own a Labrador one day. It's like he's made for her. It's like he's too good to be true. Hannah's friends aren't so sure about him. But Hannah thinks he's perfect. Which is good. Because Alex knows she's perfect for him too.
