The Years of Alienation in Italy Alessandra Diazzi 2019-06-11 The Years of Alienation in Italy offers an interdisciplinary overview of the socio-political, psychological, philosophical, and cultural meanings that the notion of alienation took on in Italy between the 1960s and the 1970s. It addresses alienation as a social condition of estrangement caused by the capitalist system, a pathological state of the mind and an ontological condition of subjectivity. Contributors to the edited volume explore the pervasive influence this multifarious concept had on literature, cinema, architecture, and photography in Italy. The collection also theoretically reassesses the notion of alienation from a novel perspective, employing Italy as a paradigmatic case study in its pioneering role in the revolution of mental health care and factory work during these two decades.

Survival In Auschwitz Primo Levi 1996 A work by the Italian-Jewish writer, Primo Levi. It describes his arrest as a member of the Italian anti-fascist resistance during the Second World War, and his incarceration in the Auschwitz concentration camp from February 1944 until the camp was liberated on 27 January 1945.

The Church of Solitude Grazia Deledda 2012-02-01 A translation of Grazia Deledda's final novel, an autobiographically based portrayal of an Italian woman coming to terms with breast cancer at the cusp of the twentieth century. The Church of Solitude tells the story of Maria Concezione, a young Sardinian seamstress living with breast cancer at the cusp of the twentieth century. Overwhelmed by the shame of her diagnosis, she decides

that no one can know what has happened to her, but the heavy burden of this secrecy changes her life in dramatic ways and almost causes the destruction of several people in her life. This surprising novel paints the portrait of a woman facing the unknown with courage, faith, and self-reliance, and is the last and most autobiographical work of Grazia Deledda, who died of breast cancer in 1936, shortly after its publication. An afterword by the translator offers additional information on the author and examines the social and historical environment of that time. Grazia Deledda (1871-1936), the only Italian woman to have won the Nobel Prize for Literature (1926), is largely remembered today for her exalted prose and stark portraits of social change in early twentieth-century Sardinia. She wrote over sixty volumes, including novels, stories, and folklore of Sardinia, poetry, and essays. Her other translated works include *After the Divorce*; *Cosima*; *Elias Portolu*; *Reeds in the Wind*; and *The Mother*. E. Ann Matter is the R. Jean Brownlee Term Professor in the Department of Religious Studies at the University of Pennsylvania. She has published several books, including *The Voice of My Beloved: The Song of Songs in Western Medieval Christianity*.

Partisan Wedding Renata Vigano 1999 World War II stories on Italian women in the Resistance as heroines and traitors, and the way they exploited their femininity. In *Red Flag*, a woman hides guns by covering them with a soiled sanitary napkin.

Handbook of Perinatal Clinical Psychology Rosa Maria Quatraro 2020-03-26 The book examines the major issues in perinatal clinical psychology with the presence of theoretical information and operational indications, through a biopsychosocial approach. The multiplicity of scientific information reported makes this book both a comprehensive overview on the major perinatal mental health disorders and

illnesses, and a clinical guide. It covers perinatal clinical psychology through a journey of 15 chapters, putting the arguments on a solid theoretical basis and reporting multiple operational indications of great utility for daily clinical practice. It has well documented new evidence bases in the field of clinical psychology that have underpinned the conspicuous current global and national developments in perinatal mental health. As such, it is an excellent resource for researchers, policy makers, and practitioners - in fact, anyone and everyone who wishes to understand and rediscover, in a single opera, the current scientific and application scenario related to psychological health during pregnancy and after childbirth.

The Man Who Planted Trees Jean Giono 2008-12 A solitary man plants a forest over many years, rejuvenating a barren wasteland.

The Diary of A Young Girl (Deluxe Hardbound Edition) Anne Frank 2022-12-06 A thirteen-year-old Jewish girl and her family abandoned their house in Amsterdam and went into hiding in 1942, when Nazis occupied Holland. They and another family stayed cloistered in the "Secret Annex" of an old office building for the next two years, until their whereabouts were revealed to the Gestapo. They suffered starvation, boredom, the daily cruelties of living in tight quarters, and the ever-present prospect of discovery and death because they were cut off from the outside world. Anne Frank kept a diary throughout this time, recording vivid recollections of her events. Her story is a fascinating meditation on human tenacity and weakness, as well as a riveting self-portrait of a sensitive and vibrant young woman whose promising future was sadly cut short.

The Silent Duchess Dacia Maraini 2000-01-01 The stunning English translation of the International Man Booker Prize Finalist novel hailed as "a story of grace and endurance, not mere survival" (The New York Times Book Review). Winner of the Premio Campiello, short-listed for the Independent Foreign

Fiction Award, and published to critical acclaim in fourteen languages, this “spellbinding” historical novel by one of Italy’s premier authors is now available in this luminous new translation (Booklist). In early 18th century Sicily, noblewoman Marianna Ucrìa is trapped in a world of silence after a terrible childhood trauma left her deaf and mute. Married off to a lecherous uncle, she struggles to educate and elevate herself against all convention—and find her true place in a world that sees her as little more than property. In language that conveys the keen vision and deep human insight possessed by her protagonist, Dacia Maraini captures the splendor and the corruption of Marianna’s world, as well as the strength of her unbreakable spirit, in “one of those rare, rich, deep, strange novels that create a world so fantastic and so real you want to start reading it again as soon as you come to the last page” (Newsday).

Ithaca Forever Luigi Malerba 2021-02-23 After twenty years, Odysseus finally returns to Ithaca, but instead of receiving the homecoming he had hoped for finds himself caught in an intense battle of wills with his faithful and long-suffering wife Penelope. When Penelope recognizes him under the guise of a beggar, she becomes furious with him for not trusting her enough to include her in his plans for ridding the palace of the Suitors. As a result, she plays her own game of fictions to make him suffer for this lack of faith, inspiring jealousy, self-doubt, and misgivings in her husband, the legendary Homeric hero. In this captivating retelling of the *Odyssey*, Penelope rises as a major force with whom to be reckoned. Shifting between first-person reflections, *Ithaca Forever* reveals the deeply personal and powerful perspectives of both wife and husband as they struggle for respect and supremacy within a marriage that has been on hold for twenty years. Translated by PEN award-winner Douglas Grant Heise, Luigi Malerba's novel gives us a remarkable version of this greatest work of western literature: Odysseus as a man full of doubts and Penelope as a woman of great depth and strength.

In the Sea There are Crocodiles Fabio Geda 2011-08-09 When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran,

Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

The Leopard Giuseppe Di Lampedusa 2007-11-06 Set in the 1860s, *The Leopard* tells the spellbinding story of a decadent, dying Sicilian aristocracy threatened by the approaching forces of democracy and revolution. The dramatic sweep and richness of observation, the seamless intertwining of public and private worlds, and the grasp of human frailty imbue *The Leopard* with its particular melancholy beauty and power, and place it among the greatest historical novels of our time. Although Giuseppe di Lampedusa had long had the book in mind, he began writing it only in his late fifties; he died at age sixty, soon after the manuscript was rejected as unpublishable. In his introduction, Gioacchino Lanza Tomasi, Lampedusa's nephew, gives us a detailed history of the initial publication and the various editions that followed. And he includes passages Lampedusa wrote for the book that were omitted by the original Italian editors. Here, finally, is the definitive edition of this brilliant and timeless novel. (Translated from the Italian by Archibald Colquhoun.)

Writing and Performing Female Identity in Italian Culture

Virginia Picchiatti 2017-01-28 This volume investigates the ways in which Italian women writers, filmmakers, and performers have represented female identity across genres from the immediate post-World War II period to the turn of the twenty-first century. Considering genres such as prose, poetry, drama, and film, these essays examine the vision of female agency and self-actualization arising from women artists' critique of female identity. This dual approach reveals unique interpretations of womanhood in Italy spanning more than fifty years, while also providing a deep investigation of the manipulation of canvases historically centered on the male subject. With its unique coupling of generic and thematic concerns, the volume contributes to the ever expanding female artistic legacy, and to our understanding of postwar Italian women's evolving relationship to the narration of history, gender roles, and these artists' use and revision of generic convention to communicate their vision.

Literature and the Gods Roberto Calasso 2010-06-16 Brilliant, inspired, and gloriously erudite, *Literature and the Gods* is the culmination of Roberto Calasso's lifelong study of the gods in the human imagination. By uncovering the divine whisper that lies behind the best poetry and prose from across the centuries, Calasso gives us a renewed sense of the mystery and enchantment of great literature. From the banishment of the classical divinities during the Age of Reason to their emancipation by the Romantics and their place in the literature of our own time, the history of the gods can also be read as a ciphered and splendid history of literary inspiration. Rewriting that story, Calasso carves out a sacred space for literature where the presence of the gods is discernible. His inquiry into the nature of "absolute literature" transports us to the realms of Dionysus and Orpheus, Baudelaire and Mallarmé, and prompts a lucid and impassioned defense of poetic form, even when apparently severed from any social function. Lyrical and assured, *Literature and the Gods* is an intensely engaging work of literary affirmation that deserves to be read alongside the masterpieces it celebrates.

The Baron in the Trees Italo Calvino 2017 "Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn. Long considered one of Calvino's finest works, *The baron in the trees* exemplifies this brilliant writer's gift for fantasy."--Page [4] of cover.
