

The Event The Survivors Book One

One of the Survivors Susan Shaw 2009-09-08 Fourteen-year-old Joey Campbell knows that he is lucky to be one of the survivors of the school fire. But really, how much luck is involved when he is the lone student to stand up during a fire drill? The only one who insists on getting out of the classroom? Joey's best friend, Maureen, thankfully decides to follow, but the remaining twenty-four people in Room E201 are swallowed in the mysterious blaze that engulfs their school. Other than Joey's classroom, the rest of the students heed the fire alarm and survive, but grief-stricken parents and classmates have no one to lash out against except Joey and Maureen. Behind a fence that his dad builds for their own safety, Joey deals with rage, sorrow, and helplessness in equal measure. Some solace can be found within the pages of his journal, but ultimately he must face the living in order to accept everyone and everything that is dead and gone.

Lone Survivors Chris Stringer 2012-03-13 A leading researcher on human evolution proposes a new and controversial theory of how our species came to be In this groundbreaking and engaging work of science, world-renowned paleoanthropologist Chris Stringer sets out a new theory of humanity's origin, challenging both the multiregionalists (who hold that modern humans developed from ancient ancestors in different parts of the world) and his own "out of Africa" theory, which maintains that humans emerged rapidly in one small part of Africa and then spread to replace all other humans within and outside the continent. Stringer's new theory, based on archeological and genetic evidence, holds that distinct humans coexisted and competed across the African continent—exchanging genes, tools, and behavioral strategies. Stringer draws on analyses of old and new fossils from around the world, DNA studies of Neanderthals (using the full genome map) and other species, and recent archeological digs to unveil his new theory. He shows how the most sensational recent fossil findings fit with his model, and he questions previous concepts (including his own) of modernity and how it evolved. *Lone Survivors* will be the definitive account of who and what we were, and will change perceptions about our origins and about what it means to be human.

Z for Zachariah Robert C. O'Brien 2021-06-01 In this post-apocalyptic novel from Newbery Medal-winning author Robert C. O'Brien, a teen girl struggling to survive in the wake of unimaginable disaster comes across another survivor. Ann Burden is sixteen years old and completely alone. The world as she once knew it is gone, ravaged by a nuclear war that has taken everyone from her. For the past year, she has lived in a remote valley with no evidence of any other survivors. But the smoke from a distant campfire shatters Ann's solitude. Someone else is still alive and making his way toward the valley. Who is this man? What does he want? Can he be trusted? Both excited and terrified, Ann soon realizes there may be worse things than being the last person on Earth.

Survivors of Slavery Laura T. Murphy 2014-03-25 Slavery is not a crime confined to the far reaches of history. It is an injustice that continues to entrap twenty-seven million people across the globe. Laura Murphy offers close to forty survivor narratives from Cambodia, Ghana, Lebanon, Macedonia, Mexico, Russia, Thailand, Ukraine, and the United States, detailing the horrors of a system that forces people to work without pay and against their will, under the threat of violence, with little or no means of escape. Representing a variety of circumstances in diverse contexts, these survivors are the Frederick Douglasses, Sojourner Truths, and Olaudah Equianos of our time, testifying to the widespread existence of a human rights tragedy and the urgent need to address it. Through storytelling and firsthand testimony, this anthology shapes a twenty-first-century narrative that many believe died with the end of slavery in the Americas. Organized around such issues as the need for work, the punishment of defiance, and the move toward activism, the collection isolates the causes, mechanisms, and responses to slavery that allow the phenomenon to endure. Enhancing scholarship in women's studies, sociology, criminology, law, social work, and literary studies, the text establishes a common trajectory of vulnerability, enslavement, captivity, escape, and recovery,

creating an invaluable resource for activists, scholars, legislators, and service providers.

After Daniel Moira Farr 1999 Do not in. Please call the police. The words were written on a tiny piece of white paper, tacked to Daniel Jones' white, locked living room door. It was Valentine's Day, 1994, when Moira Farr discovered that the man she loved had killed himself. A man who had struggled to keep his deep depression at bay; a gifted writer; a fine, loving companion: all described the young man who had taken his life using a method clearly outlined in the bestselling "self-help" book, *Final Exit*. Five years later, in an account that is both deeply personal and thoughtfully political, writer and editor Moira Farr reflects on Daniel's suicide and its consequences. *After Daniel: A Suicide Survivor's Tale* is not a sensational tell-all, a self-help book on the grieving process, or an academic review of suicide theories. It is one woman's story -- beautifully, lyrically written -- of her own experiences and her realization that answers come both from within and from looking at suicide in a wider social context. In a narrative that moves gracefully between personal experience and a provocative analysis of suicide research, Moira Farr reveals how grief for survivors means conquering an obsession with the events leading up to the suicide, in order to leave behind the litany of "if onlys" and eventually heal from the trauma of the event. In a style as haunting as it is elegant, she reflects upon happier times, sharing a love story and a portrait of a man, who despite his demons, seemed to have everything to live for. She looks at the fascination with suicide that is widespread in contemporary popular culture, yet coupled with many myths and misconceptions, in rock music, film, television, and on the Internet. She talks to suicide survivors and visits the suicide archive in Calgary -- renowned as the best in the world -- and looks into the growing suicide-prevention movement.

The Event Nathan Hystad 2018-02-15 The ships came at dawn. Dean's wife is dead. Her last words: When the ships come...wear the necklace. Then the ships arrived. Cities all around the world reported strange alien vessels descending. Some saw them as the heralds of a new age; others fired everything they had at them. All were taken as the beams lashed down and drew them into the sky. Dean was left behind, seemingly the last man on Earth. A trail of clues left by his dead wife guide Dean on a perilous journey across America and beyond, to learn the truth behind the mysterious ships and save humanity from its doom. But not everything is as it seems. *The Event* is the epic first novel by Nathan Hystad, creator of the bestselling *Explorations* anthology series.

A family vacation becomes a game of survival! It was supposed to be a vacation--and a chance to get to know each other better. But when a massive storm sets in without warning, four kids are shipwrecked alone on a rocky jungle island in the middle of the South Pacific. No adults. No instructions. Nobody to rely on but themselves. Can they make it home alive? A week ago, the biggest challenge Vanessa, Buzz, Carter, and Jane had was learning to live as a new blended family. Now the four siblings must find a way to work as a team if they're going to make it off the island. They're all in this adventure together--but first they've got to learn to survive one another. Books in the original *Stranded* series: *Stranded* (Book 1) *Trial By Fire* (Book 2) *Survivors* (Book 3) Books in the *Stranded, Shadow Island* series *Forbidden Passage* (Book 4) *Sabotage* (Book 5) *Desperate Measures* (Book 6)

The Three Sarah Lotz 2014-05-20 Four simultaneous plane crashes. Three child survivors. A religious fanatic who insists the three are harbingers of the apocalypse. What if he's right? The

world is stunned when four commuter planes crash within hours of each other on different continents. Facing global panic, officials are under pressure to find the causes. With terrorist attacks and environmental factors ruled out, there doesn't appear to be a correlation between the crashes, except that in three of the four air disasters a child survivor is found in the wreckage. Dubbed 'The Three' by the international press, the children all exhibit disturbing behavioural problems, presumably caused by the horror they lived through and the unrelenting press attention. This attention becomes more than just intrusive when a rapture cult led by a charismatic evangelical minister insists that the survivors are three of the four harbingers of the apocalypse. The Three are forced to go into hiding, but as the children's behaviour becomes increasingly disturbing, even their guardians begin to question their miraculous survival...

The Girl Who Came Home Hazel Gaynor 2014-04-01 Inspired by true events, the New York Times bestselling novel *The Girl Who Came Home* is the poignant story of a group of Irish emigrants aboard RMS Titanic—a seamless blend of fact and fiction that explores the tragedy's impact and its lasting repercussions on survivors and their descendants. Ireland, 1912. Fourteen members of a small village set sail on RMS Titanic, hoping to find a better life in America. For seventeen-year-old Maggie Murphy, the journey is bittersweet. Though her future lies in an unknown new place, her heart remains in Ireland with Séamus, the sweetheart she left behind. When disaster strikes, Maggie is one of the lucky few passengers in steerage who survives. Waking up alone in a New York hospital, she vows never to speak of the terror and panic of that terrible night ever again. Chicago, 1982. Adrift after the death of her father, Grace Butler struggles to decide what comes next. When her Great Nana Maggie shares the painful secret she harbored for almost a lifetime about the Titanic, the revelation gives Grace new direction—and leads her and Maggie to unexpected reunions with those they thought lost long ago.

The Survivors Amanda Havard 2012-06-10

Seveneves Neal Stephenson 2015-05-19 From the #1 New York Times bestselling author of *Anathem*, *Reamde*, and *Cryptonomicon* comes an exciting and thought-provoking science fiction epic—a grand story of annihilation and survival spanning five thousand years. What would happen if the world were ending? A catastrophic event renders the earth a ticking time bomb. In a feverish race against the inevitable, nations around the globe band together to devise an ambitious plan to ensure the survival of humanity far beyond our atmosphere, in outer space. But the complexities and unpredictability of human nature coupled with unforeseen challenges and dangers threaten the intrepid pioneers, until only a handful of survivors remain . . . Five thousand years later, their progeny—seven distinct races now three billion strong—embark on yet another audacious journey into the unknown . . . to an alien world utterly transformed by cataclysm and time: Earth. A writer of dazzling genius and imaginative vision, Neal Stephenson combines science, philosophy, technology, psychology, and literature in a magnificent work of speculative fiction that offers a portrait of a future that is both extraordinary and eerily recognizable. As he did in *Anathem*, *Cryptonomicon*, the *Baroque Cycle*, and *Reamde*, Stephenson explores some of our biggest ideas and perplexing challenges in a breathtaking saga that is daring, engrossing, and altogether brilliant.

Event David L. Golemon 2010-04-01 In the summer of 1947, an unidentified object crashed in Roswell, New Mexico. There were no survivors. Now it's happened again. But this time, two creatures have emerged from the wreckage alive . . . One is a small being that is kind and benevolent, brimming with intense emotion and intelligence. The other, however, is an animal of remarkable strength and power. It has been brought clandestinely to our world with one sole purpose: the total extinction of all life on Earth. It is called the Destroyer of Worlds. Only the Event Group, the most secret agency in the history of the U.S. government, is prepared to wage battle against such a creature. The Event Group is a dedicated collection of the nation's most brilliant men and women of science, philosophy and the military. Their difficult task: solving the mysteries of the past and uncovering the hidden truths behind the myths and legends propagated throughout world history. In doing so they protect America from past mistakes---and ensure that history's errors will never be repeated. An act of war that started in New Mexico decades ago, and was covered up by

another far darker organization, has been discovered by the Group at the same time as the new and seemingly identical incident threatens to wipe out the Earth's population. In the desert wastelands of the American Southwest, a battle is about to commence as the two creatures set out to fulfill their own destinies among the human race. Led by the valiant Major Jack Collins, the Event Group wages total war in the heat-soaked sands of the desert landscape. Using the benevolent creature as an ally and resource, they combine forces with the powerful might of the U.S. military and prepare themselves for an epic battle against the most dangerous threat against human existence that history has ever seen. Event tells of an epic struggle between two worlds. Author David Lynn Golemon has written a classic supernatural thriller, each page bringing human civilization closer to extinction, that proves a blistering roller-coaster ride of thrills and adventure.

The Survivors Jane Harper 2022-09-27 Instant New York Times Bestseller "As always, Harper skillfully evokes the landscape as she weaves a complicated, elegant web, full of long-buried secrets ready to come to light." -The New York Times Book Review on *The Survivors* Kieran Elliott's life changed forever on the day a reckless mistake led to devastating consequences. The Survivors Alex Schulman 2021-10-05 INTERNATIONAL BEST SELLER • A gripping tour de force in which three estranged brothers return to the Swedish lakeside cottage where, more than two decades before, an unspeakable accident forever altered their family and changed the course of their lives. "Takes you deep into an emotional labyrinth [where] you'll cry for these brothers. For the men they became, for the boys they were, for the innocence they lost. Brilliant, haunting and unforgettable." —Fredrik Backman, author of *A Man Called Ove* There is Nils, the oldest, who couldn't escape his suffocating home soon enough, and Pierre, the youngest, easily bullied and quick to lash out. And then there is Benjamin, always the family's nerve center, perpetually on the lookout for triggers and trap doors in a volatile home where the children were left to fend for themselves, competing for their father's favor and their mother's elusive love. But as the years have unfolded, Benjamin has grown increasingly untethered from reality, frozen in place while life carries on around him. And among the brothers a dangerous current now vibrates. What really happened that summer day when everything was blown to pieces? In a thrillingly fast-paced narrative, *The Survivors* mixes the emotional acuity of Edward St. Aubyn, the literary verve of Ian McEwan, and the heart of Shuggie Bain. By brilliantly dissecting a mind unravelling in the wake of tragedy, Alex Schulman reveals the ways in which our deepest loyalties leave us open to the greatest betrayals.

Survivors David Long 2016-10-25 Winner of the Best Book With Facts Blue Peter Book Award 2017. Amazing real-life stories about extreme survival. Beautifully presented in a large, paperback format, and fully illustrated in colour throughout, this wonderful anthology is a treat for all the family. Be shocked and amazed by these incredible real-life stories of extreme survival, including . . . The Man Who Sucked Blood from a Shark, a sailor who survived for 133 days on a raft in the Atlantic when his ship was torpedoed, using shark's blood in place of fresh water. The Girl Who Fell From the Sky, a teenager who fell 2 miles from an aeroplane and trekked through the Amazon jungle to safety. The Woman Who Froze to Death - Yet Lived, a woman who was trapped under freezing water for so long her heart stopped. Four hours later, medics managed to warm her blood enough to revive her. Combining classic tales such as Ernest Shackleton's Antarctic voyage, as well as more modern exploits such as the adventurer who inspired the movie *127 Hours*, these astonishing stories will be

retold by young readers to all of their friends.'A gorgeously presented hardback book, full of incredible real-life stories of extreme survival . . . Ultimately an inspirational book, beautifully illustrated.' Angels and Urchins'True-story fans will love this.' Children of APIs John Raposa 2017-02-09 Sometimes rebellion flows in our blood, ready to be awakened. On July 28, 2057 a cataclysmic event occurred in the United States. Careful planning enabled a tiny percentage of the population to seek refuge underground. Twenty-seven years later the survivors continue the rebuilding process, back on the earth's surface, in a small community located near Bellows Falls, Vermont. After all these years, many unanswered questions remain: What was the event? Was it planned and could it happen again? Are they the only survivors on earth? Follow Cowan, Kenji, and others as they search for answers in a society controlled by a man who rules with an iron fist. The fires of rebellion have burned in the past only to be quenched. Rebels have sought salvation beyond the Territory's borders with only news of their demise returning. Is history about to be repeated? Rebel Blood is the first book in the Children of Apis series. The book's goal is to create a unique blend of the post-apocalyptic and dystopian genres. Hopefully, readers of all ages will enjoy the fast-paced action and become attached to the small band of survivors on their journey through the Children of Apis series.

A Night to Remember Walter Lord 2012-03-06 #1 New York Times Bestseller: The definitive book on the sinking of the Titanic, based on interviews with survivors, by the author of The Miracle of Dunkirk. At first, no one but the lookout recognized the sound. Passengers described it as the impact of a heavy wave, a scraping noise, or the tearing of a long calico strip. In fact, it was the sound of the world's most famous ocean liner striking an iceberg, and it served as the death knell for 1,500 souls. In the next two hours and forty minutes, the maiden voyage of the Titanic became one of history's worst maritime accidents. As the ship's deck slipped closer to the icy waterline, women pleaded with their husbands to join them on lifeboats. Men changed into their evening clothes to meet death with dignity. And in steerage, hundreds fought bitterly against certain death. At 2:15 a.m. the ship's band played "Autumn." Five minutes later, the Titanic was gone. Based on interviews with sixty-three survivors, Lord's moment-by-moment account is among the finest books written about one of the twentieth century's bleakest nights.

New Alliance (The Survivors Book Seven) Nathan Hystad 2019-04-16 Dean Parker thought he was going to coast into retirement. He was wrong. Things have slowed down for Dean and Mary as they manage the expanding human colonies on Haven, New Spero, and Earth--until they receive a distress call from the Keppe. Magnus and Natalia are in the midst of a three-year exploration mission on the alien vessel, but mysteriously vanish with less than a year left to go. The portals are failing, making the journey more arduous, and when the crew finally think they know what's happening, they realize they are also stranded. Join the journey as Dean Parker fights to rescue old friends while forging forward with the Alliance of Worlds. The epic Survivors story continues with New Alliance, a brand-new adventure with familiar faces.

Fear the Survivors Stephen Moss 2014-08-28 While alien Agents stalk the earth, a team of exhausted scientists and military outcasts struggle to fight them amongst a planet on the brink. The brink of plague, the brink of war, and the brink of an invasion larger than they can possibly imagine. But they have allies. Two of the alien Agents have forsaken their homes, their families, their very species to stop the greatest act of genocide any of them has ever known. John and Shahim have great abilities. They carry with them the knowledge we need to save humanity and take us into a new and marvelous age. But Lana and the remaining enemy Agents are far from defeated. As they begin to reap havoc among the diseased and bereft, Neal, Ayala, and Barrett must find a way to achieve the impossible, by fair means or foul they must unite the world's disparate nations. And they must do so quickly. For the Armada is fast approaching, and behind the great fires of their decelerating engines, the huge fleet is readying itself for war.

Survivors James Wesley Rawles 2012-09-25 America is in the thrall of a full-scale socioeconomic

breakdown. In this chaotic environment, a few families and individuals must struggle not only to survive day by day but defend themselves against their fellow man.

Life as We Knew it Susan Beth Pfeffer 2008 I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintery in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all—hope—in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

I Have the Right To Chessy Prout 2018-03-06 "A bold, new voice." —People "A nuanced addition to the #MeToo conversation." —Vice A young survivor tells her searing, visceral story of sexual assault, justice, and healing in this gutwrenching memoir. The numbers are staggering: nearly one in five girls ages fourteen to seventeen have been the victim of a sexual assault or attempted sexual assault. This is the true story of one of those girls. In 2014, Chessy Prout was a freshman at St. Paul's School, a prestigious boarding school in New Hampshire, when a senior boy sexually assaulted her as part of a ritualized game of conquest. Chessy bravely reported her assault to the police and testified against her attacker in court. Then, in the face of unexpected backlash from her once-trusted school community, she shed her anonymity to help other survivors find their voice. This memoir is more than an account of a horrific event. It takes a magnifying glass to the institutions that turn a blind eye to such behavior and a society that blames victims rather than perpetrators. Chessy's story offers real, powerful solutions to upend rape culture as we know it today. Prepare to be inspired by this remarkable young woman and her story of survival, advocacy, and hope in the face of unspeakable trauma.

The Last Escape Bobby Adair 2015-10-14 They were dead. All of them. In the wake of a massacre, Ella, Bray, and William flee into the wild, hoping to escape the brutal vengeance of an unforgiving leader. In Brighton, political and economic tensions boil. Survivor Café Elizabeth Rosner 2017-09-01 Named a Best Book of the Year by The San Francisco Chronicle "Survivor Café . . . feels like the book Rosner was born to write. Each page is imbued with urgency, with sincerity, with heartache, with heart.... Her words, alongside the words of other survivors of atrocity and their descendants across the globe, can help us build a more humane world." —San Francisco Chronicle As firsthand survivors of many of the twentieth century's most monumental events—the Holocaust, Hiroshima, the Killing Fields—begin to pass away, *Survivor Café* addresses urgent questions: How do we carry those stories forward? How do we collectively ensure that the horrors of the past are not forgotten? Elizabeth Rosner organizes her book around three trips with her father to Buchenwald concentration camp—in 1983, in 1995, and in 2015—each journey an experience in which personal history confronts both commemoration and memorialization. She explores the echoes of similar legacies among descendants of African American slaves, descendants of Cambodian survivors of the Killing Fields, descendants of survivors

of the bombing of Hiroshima and Nagasaki, and the effects of 9/11 on the general population. Examining current brain research, Rosner depicts the efforts to understand the intergenerational inheritance of trauma, as well as the intricacies of remembrance in the aftermath of atrocity. Survivor Café becomes a lens for numerous constructs of memory—from museums and commemorative sites to national reconciliation projects to small-group cross-cultural encounters. Beyond preserving the firsthand testimonies of participants and witnesses, individuals and societies must continually take responsibility for learning the painful lessons of the past in order to offer hope for the future. Survivor Café offers a clear-eyed sense of the enormity of our twenty-first-century human inheritance—not only among direct descendants of the Holocaust but also in the shape of our collective responsibility to learn from tragedy, and to keep the ever-changing conversations alive between the past and the present.

Dreamland Burning Jennifer Latham 2017-02-21 A compelling dual-narrated tale from Jennifer Latham that questions how far we've come with race relations. Some bodies won't stay buried. Some stories need to be told. When seventeen-year-old Rowan Chase finds a skeleton on her family's property, she has no idea that investigating the brutal century-old murder will lead to a summer of painful discoveries about the present and the past. Nearly one hundred years earlier, a misguided violent encounter propels seventeen-year-old Will Tillman into a racial firestorm. In a country rife with violence against blacks and a hometown segregated by Jim Crow, Will must make hard choices on a painful journey towards self discovery and face his inner demons in order to do what's right the night Tulsa burns. Through intricately interwoven alternating perspectives, Jennifer Latham's lightning-paced page-turner brings the Tulsa race riot of 1921 to blazing life and raises important questions about the complex state of US race relations--both yesterday and today.

Psychologist Cal Henderson has a successful practice in Washington, DC, and big plans for the future. But he can't escape a terrible secret. When he was a boy, his mother murdered his father and two brothers and severely wounded Cal's best friend, Scottie Glass. Desperate to keep the nightmare at bay, Cal has turned his back on everything that happened that night. On the twenty-fifth anniversary of the killings, Scottie shows up at Cal's office—edgy, paranoid, but somehow still the loveable kid he once was. Though their lives have taken very different paths, they both believe Cal's mother couldn't have been a murderer. She loved them too much, no matter what dark place she found herself in. They set off to dig up the real story. Cal uncovers one shocking secret after another about his family. The trail leads to a shady defense contractor, a scheming US Attorney, and, ultimately a billionaire with the kind of power and connections that can only be found in Washington. But Cal is paying a price. The memories he has avoided for so long have come flooding back, sending him into a tailspin from which he may never recover. From the Trade Paperback edition.

Hiroshima John Hersey 2020-06-23 Hiroshima is the story of six people—a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest—who lived through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima. *This World We Live In* Susan Beth Pfeffer 2010 The highly anticipated follow-up to *Life As We Knew It* and *The Dead and the Gone*

Survivor Song Paul Tremblay 2020-07-07 A propulsive and chillingly prescient novel of suspense and terror from the Bram Stoker award-winning author of *The Cabin at the End of the World* and *A Head Full of Ghosts*. "Absolutely riveting." — Stephen King In a matter of weeks, Massachusetts has been overrun by an insidious rabies-like virus that is spread by saliva. But unlike rabies, the disease has a terrifyingly short incubation period of an hour or less. Those infected quickly lose their minds and are driven to bite and infect as many others as they can before they inevitably succumb. Hospitals are inundated with the sick and dying, and hysteria has taken hold. To try to limit its spread, the commonwealth is under quarantine and curfew. But society is breaking down and the government's emergency protocols are faltering. Dr. Ramola "Rams" Sherman, a soft-spoken pediatrician in her mid-thirties, receives a frantic phone call from Natalie, a friend who is eight months pregnant. Natalie's husband has been killed—viciously attacked by an infected neighbor—and in a failed attempt to save him, Natalie, too, was bitten. Natalie's only chance of survival is to get to a hospital as quickly as possible to receive a rabies vaccine. The clock is ticking for her and for her unborn child. Natalie's fight for life becomes a desperate odyssey as she and Rams make their way through a hostile landscape filled with dangers beyond their worst nightmares—terrifying, strange, and sometimes deadly challenges that push them to the brink. Paul Tremblay once again demonstrates his mastery in this chilling and all-too-plausible novel that will leave readers racing through the pages . . . and shake them to their core.

The Dead And The Gone Susan Beth Pfeffer 2010-01-18 Best-selling author, Susan Beth Pfeffer, delivers a riveting companion to *Life As We Knew It* in this enthralling tale that follows seventeen-year-old Alex Morales as he fights to survive in the aftermath of apocalyptic events in New York City. Alex Morales is an average high schooler focused on his after-school job, helping his dad out with building superintendent responsibilities, and getting good grades so he can make it into an Ivy League college. But when the moon alters its gravitational pull and catastrophic events ensue, everything changes. Now, he has to care for his younger sisters, decide whether it's ethical to rob the dead, and keep the hope alive that their lost parents will return. Bone-chilling and harrowing, Susan Beth Pfeffer investigates what it takes to survive when the odds are stacked against you in this captivating story about sacrifice and humanity.

That's Not What Happened Kody Keplinger 2018-08-28 From New York Times bestseller Kody Keplinger comes an astonishing and thought-provoking exploration of the aftermath of tragedy, the power of narrative, and how we remember what we've lost. It's been three years since the Virgil County High School Massacre. Three years since my best friend, Sarah, was killed in a bathroom stall during the mass shooting. Everyone knows Sarah's story--that she died proclaiming her faith. But it's not true. I know because I was with her when she died. I didn't say anything then, and people got hurt because of it. Now Sarah's parents are publishing a book about her, so this might be my last chance to set the record straight . . . but I'm not the only survivor with a story to tell about what did--and didn't--happen that day. Except Sarah's martyrdom is important to a lot of people, people who don't take kindly to what I'm trying to do. And the more I learn, the less certain I am about what's right. I don't know what will be worse: the guilt of staying silent or the consequences of speaking up . . .

Every Moment After Joseph Moldover 2019-04-09 After high school graduation, best friends Matt and Cole strive to put behind them the school shooting they survived in first grade and really begin to live. Told in two voices.
