Hansel and Gretel Rika Lesser 1999-02-01 The first Grimm tale illustrated by 1998 Caldecott medalist Paul O. Zelinsky is once again available in hardcover. Originally published in 1984, Zelinsky's paintings for Hansel and Gretel are as compelling as his later work and will captivate readers with their mysterious beauty, emotional power, and brilliant originality. Each spread brings to life a world as rich and real as our own—detailed, colorful, sensual—yet filled with the unearthly shadowed magic of the Hansel and Gretel folktale. Whether portraying the fear and anguish of children abandoned by their parents, the delicious sumptuousness of a candy house, or the joy of being reunited with one's family, the artist captures the subtle nuances of emotion and the tactile quality of the physical world with exquisite accuracy and elegance. The hauntingly spare retelling of this perennial favorite by the poet Rika Lesser perfectly complements the vivid storytelling of Zelinsky's artwork. Once again this gifted artist gives us a unique interpretation of a beloved fairy tale, allowing us to both see it anew and rediscover its eternal truths.

Gentleman Jim Raymond Briggs 1980 A graphic novel classic from one of the world's best-known cartoonists "Gentleman Jim" is the story of Jim Bloggs, an imaginative toilet cleaner who, dissatisfied with his station in life, devotes his time to envisioning a world beyond it. His walls are lined with books like "Out in the Silver West," "The Boys' Book of Pirates," and "Executive Opportunities," which provide fodder for his ruminations on career change. Encouraged by his wife, who is also eager to incorporate more adventure into her life, Jim sets out to bring these dreams to fruition by accumulating various accoutrements, only to discover that the life of an executive, an artist, or a cowboy is more complicated and costly than it appears. Jim's childlike understanding of the world that surrounds him is enhanced by Raymond Briggs's subtle and inventive illustrations. Fantasies are portrayed as organic clouds that move between and overlap outlined panels of his reality, and myopic Jim is drawn smaller and softer than the policemen and bureaucrats interested in impeding his search for adventure. As he begins to infringe more seriously on the law, the city workers and their speech boxes become increasingly angular, much like the rigid rules and regulations restricting his sincere quest. With this playful style, Briggs expertly transforms common feelings of inadequacy into an endearing and enjoyable experience that speaks across generations, concluding with an optimistic implication that even a misfortunate outcome can be better than no change at all. This classic novel, originally published in 1980, is presented by Drawn & Quarterly in a new edition.

The Life of Isaac Ingalls Stevens Hazard Stevens 1901 Isaac Ingalls Stevens (March 25, 1818 - September 1, 1862) was the first governor of Washington Territory, a United States Congressman, and a major general in the Union Army during the American Civil War until his death at the Battle of Chantilly.

The Spectral Arctic Shane McCorristine 2018-05-01 Visitors to the Arctic enter places that have been traditionally imagined as otherworldly. This strangeness fascinated audiences in nineteenth-century Britain when the idea of the heroic explorer voyaging through unmapped zones reached its zenith. The Spectral Arctic re-thinks our understanding of Arctic exploration by paying attention to the importance of dreams and ghosts in the quest for the Northwest Passage. The narratives of Arctic exploration that we are all familiar with today are just the tip of the iceberg: they disguise a great

mass of mysterious and dimly lit stories beneath the surface. In contrast to oft-told tales of heroism and disaster, this book reveals the hidden stories of dreaming and haunted explorers, of frozen mummies, of rescue balloons, visits to Inuit shamans, and of the entranced female clairvoyants who travelled to the Arctic in search of John Franklin's lost expedition. Through new readings of archival documents, exploration narratives, and fictional texts, these spectral stories reflect the complex ways that men and women actually thought about the far North in the past. This revisionist historical account allows us to make sense of current cultural and political concerns in the Canadian Arctic about the location of Franklin's ships.

Personal Narrative of a Pilgrimage to El Medinah and Meccah Sir Richard Francis Burton 1857 Richard Francis Burton (1821-90) was a British orientalist, soldier, spy, diplomat, and explorer best known for his travels in Arabia, Africa, and India. He was born in Torquay, on the southern coast of England, and was raised in France and Italy. It was there that he began to show his exceptional talent with languages by learning Latin, Greek, Italian, and French before he was 20. After two years at Oxford, he was dismissed on disciplinary grounds. He went on to join the British Army in India, where he served as an intelligence officer. Disguised as a Pashtun Muslim and supported by the Royal Geographical Society, in 1853 Burton undertook a hajj journey to the two Muslim holy cities of Mecca and Medina. His two-volume Personal Narrative of a Pilgrimage to el Medinah and Meccah recounts that journey. Burton spent years in preparation, mostly during his time in India. The journey first took him from England to Alexandria in Egypt, and further to Cairo, Suez, and Yanbu. From there he travelled to Medina and Mecca. Although Burton was not the first non-Muslim to perform the hajj, the accuracy of his well-documented account, including his measurements of the Kaaba in Mecca and his Victorian-era observations on Muslims (especially his copious notes on manners), brought him immediate fame. Burton begins the first volume of his work with a famed line of verse on cavalierism by the Arab poet al-Mutanabbi (915-65 AD): "I am well known to the night, the steeds, and the desert / the sword and [the guest], the paper and the pen." A controversial figure during his lifetime and a prolific writer and translator, Burton left behind 43 volumes of writing on his journeys and 30 volumes of translations, including of sensual books such the Kama Sutra of Vatsyayana, The Perfumed Garden of the Cheikh Nefzaoui, and the Arabian Nights. He died in Trieste, in what was then Austria-Hungary.

Grandad's Island Benji Davies 2015-07-02 After the phenomenal success of The Storm Whale and On Sudden Hill, this new book by Benji Davies deals with the emotional topic of losing a grandparent. Subtly told, this beautifully illustrated book tackles a difficult subject with great sensitivity and depth. At the bottom of Syd's garden, through the gate and past the tree, is Grandad's house. Syd can let himself in any time he likes. But one day when Syd comes to call, Grandad isn't in any of the usual places. He's in the attic, where he ushers Syd through a door, and the two of them journey to a wild, beautiful island awash in color where Grandad decides he will remain. So Syd hugs Grandad one last time and sets sail for home.

Visiting Grandad's house at the bottom of the garden again, he finds it just the same as it's always been — except that Grandad isn't there anymore. Sure to provide comfort to young children struggling to understand loss, Benji Davies's tale is a sensitive and beautiful reminder that our loved ones live on in our memories long after they're gone. Praise for Grandad's Island: 'Davies's elegantly rough illustrations, evoking a child's paintings, tap into the imagination of death with little fuss, and his story declines to offer kids instruction on how to feel. Indeed, Grandad's Island doesn't mention death at all, but is deeply in touch with the ways in which loss and abundance commingle in the mind, correcting and assuaging each other.' The New York Times Book Review 'The creator of *The Storm Whale* (2014) offers another thoughtful picture book guaranteed to spark discussion...Recommend to young families dealing with loss, especially those who prefer to gloss over the scientific realities.' Booklist Online 'As with *The Storm Whale*, Davies offers a story of loneliness and togetherness distinguished by understated, deeply felt emotions and a nautical milieu.' Publishers Weekly 'This book is innovative and useful as a way to talk about the idea of loss—without ever referring to actual death. Parents and educators can use this to talk with a child about how it's normal to be sad and miss loved ones...Cheerful, brightly colored illustrations make this a fine choice to use with the youngest of audiences. Since death isn't directly specified, this title also works for when a child's loved one is moving far away. An excellent vehicle to gently approach the topic of loss. Recommended for collections needing these types of materials.' School Library Journal 'Grandad's Island by British author-illustrator Benji Davies (*The Storm Whale*; *Bizzy Bear* series) celebrates a close grandfather-grandson relationship with warmth and style. Whether it's read as a picture book about love, loss or just missing someone who isn't around anymore, it's a charmer. Cheerful cinematic spreads invite young readers into all sorts of intriguing places, from a cozy attic full of curiosities like a turtle teapot, to a vast ship's deck, to the deep jungle of an island paradise.' Shelf Awareness for Readers 'A resonant, layered tale that will only gain in texture as its readers get older.' USA Today

Father Ed Dowling Glenn F. Chesnut 2015-07-17 The story of Father Ed Dowling, S.J., the Jesuit priest who served for twenty years as sponsor and spiritual guide to Bill Wilson, the co-founder of Alcoholics Anonymous. An icy evening in December 1940 saw the first meeting of two extraordinary spiritual leaders. Father Ed said that the graces he received from meeting Bill Wilson were as great as those he had received from his ordination as a priest, and Bill in turn described encountering the Jesuit as being like a second conversion experience, where he could feel the transcendent presence of God filling the entire room with grace. The good priest taught Wilson about St. Ignatius Loyolas Spiritual Exercises, about the eternal battle between good and evil which the Spanish saint described in that book, and explained the Jesuit understanding of the way we can use our deepest emotions to receive guidance from God while serving on that battlefield. The co-founder of the twelve step movement in turn supplied Father Ed with some of the most valuable tools he possessed for carrying out small group therapy on a wide range of different kinds of troubled people. Together the two men discussed Poulains Graces of Interior Prayer and Bills attempts to make spiritual contact with both spooks and saints, and explored the world of LSD experiences and the teachings of the Catholic, Hindu, and Buddhist mystics in Aldous Huxleys Perennial Philosophy. And we will see how Father Ed, with his deep social conscience, helped Bill W. turn his book on the Twelve Traditions into a Bill of Rights for the twelve step movement, and how he laid out his own spiritual vision of Alcoholics Anonymous at the A.A. International in St. Louis in 1955.
