**Protecting Her Heart** Samantha Lind 2018-11-01 Laura I believed in the fairytale. The Happily-Ever-After. The “till death do us part” fantasy little girls grow up believing in. Unfortunately for me, my happy ending was divorce, and learning to find myself all over again. I was done with men and relationships, or so I thought, until a stubborn hockey player was determined to show me what love could really be. But could I fall for the fairytale a second time, and trust that he would protect my heart? Mark From the moment I laid eyes on her, I knew she was made for me. She was broken and I was determined to put her back together again. I was here to prove she could have that fairytale love story after all. To show her someone else can protect her heart and love her unconditionally. Now I just have to convince her that someone is me.
