The Santa Claus Chronicles Dan Short 2019-10-01 Santa Dan's Stories Will Soothe Your Soul
Thirty years ago, Dan Short left the corporate world to follow a calling—to give the gift of God's love to children and adults alike. How did he do it? By becoming Santa Claus, of course! These are "Santa Dan's" tales of hope and humor, collected from his three decades of playing Jolly Old Saint Nick. And as you might have guessed, Santa has his share of stories to tell—some tearful, some joyful, and all of them filled with heartwarming Christmas spirit. You'll meet some of the unforgettable people Santa Dan has encountered... Anna, a young cancer patient whose fulfillment of her dying wish becomes a life-changing experience for those around her. Rose, an elderly woman with a longstanding grudge against Saint Nick. Terry, a precocious boy with more moxie than clothing. Front Yard Santa, a neighborhood icon whose passing prompts a poignant gesture from a fellow Santa. Faith, Hope, and Grace, three enterprising young girls whose overwhelming generosity befits their virtuous names. ...and you'll be inspired to share the joy of Jesus with those around you!

The Jesus I Know Kathie Lee Gifford 2021-11-30 New York Times bestselling author Kathie Lee

Gifford reveals heartwarming, entertaining conversations between people and personalities who both agree and disagree about who Jesus is, his role throughout history, and his presence in our lives today. For decades Kathie Lee has had deep conversations about her faith with anyone who is interested in talking about it. What she discovered early on is most people are very willing to talk about Jesus: atheists, agnostics, Scientologists, Jews, broken-hearted Catholics, confused Baptists, Pentecostals, Sikhs, Buddhists, and Hindus alike. While some of the people Kathie Lee has spoken with do not share her belief that Jesus is the Messiah—as prophesied for centuries by prophets in the Hebrew scriptures—they nonetheless have a universal fascination with Him. This singular man who lived more than two thousand years ago, and never traveled more than one hundred miles from where He was born, managed to change the entire world. Even the way we delineate history (BC/AD) comes from His short thirty-three years of life. In *The Jesus I Know*, Kathie Lee shares cherished conversations that she’s had with others who find Jesus to be an ancient historical figure who somehow continues to be an undeniably magnetic, relevant presence in the modern world. Those conversations include actors like Kristin Chenoweth and Cynthia Garrett, with stories of Craig Ferguson and Kevin Costner, newsmakers and news personalities like Kris Jenner, Megyn Kelly, Jason Kennedy, and Janice Dean, performers like Chynna Phillips Baldwin, Brian Welch, Jimmie Allen, and Jimmy Wayne, hitmakers like Louis York and David Pomeranz, as well as those coming from other faith traditions. Using Kathie Lee’s favorite Scripture passages as scaffolding, these thought-provoking exchanges will bring His teachings to life before your very eyes.

Mr. Ives' Christmas Oscar Hijuelos 1996-08-30 Hijuelos' novel tells the story of Mr. Ives, who was adopted from a foundling's home as a child. When we first meet him in the 1950s, Mr. Ives is very much a product of his time. He has a successful career in advertising, a wife and two children, and believes he is on his way to pursuing the typical American dream. But the dream is shattered when

his son Robert, who is studying for the priesthood, is killed violently at Christmas. Overwhelmed by grief and threatened by a loss of faith in humankind, Mr. Ives begins to question the very foundations of his life. Letters to Santa Claus The Elves 2015-10-05 A "poignant" collection of real letters sent to Santa Claus—a town in Indiana—from the 1930s to the twenty-first century, from both children and adults (The New York Times). For countless Christmases, children—and sometimes adults—have stuffed their dreams, wishes, and promises into envelopes. Over many decades, millions of these letters have poured into Santa Claus, Indiana. Arriving from all corners of the globe, the letters ask for toys, family reunions, snow, and help for the needy—sometimes the needy being the writers themselves. They are candid, heartfelt, and often blunt. Many children wonder how Santa gets into their chimneyless homes. One child reminds Santa that she has not hit her brothers over 1,350 times that year, and another respectfully requests two million dollars in "cold cash." One child hopes to make his life better with a time machine, an adult woman asks for a man, and one miscreant actually

threatens Santa's reindeer! Containing more than 250 actual letters and envelopes from the naughty and nice reaching back to the 1930s, this moving book will touch hearts and bring back memories of a time in our lives when the man with a white beard and a red suit held out the hope that our wishes might come true. "Often very affecting . . . also offers an unusual window into American history." —Library Journal "The letters . . . are alternately silly and somber, hilarious and heartfelt." —The Weekly Standard

Lady Osbaldestone's Christmas Intrigue Stephanie Laurens 2020-10-15 #1 New York Times bestselling author Stephanie Laurens immerses you in the simple joys of a long-ago country-village Christmas, featuring a grandmother, her grandchildren, her unwed son, a determined not-so-young lady, foreign diplomats, undercover guards, and agents of Napoleon! At Hartington Manor in the village of Little Moseley, Therese, Lady Osbaldestone, and her household are once again enjoying the company of her intrepid grandchildren, Jamie, George, and Lottie, when they are unexpectedly joined by her ladyship's youngest and still-unwed son, also the children's favorite uncle, Christopher. As the Foreign Office's master intelligencer, Christopher has been ordered into hiding until the department can appropriately deal with the French agent spotted following him in London. Christopher chose to seek refuge in Little Moseley because it's such a tiny village that anyone without a reason to be there stands out. Neither he nor his office-appointed bodyguard expect to encounter any dramas. Then Christopher spots a lady from London he believes has been hunting him with matrimonial intent. He can't understand how she tracked him to the village, but determined to avoid her, he enlists the children's help. The children discover their information-gathering skills are in high demand, and while engaging with the villagers as they usually do and taking part in the

village's traditional events, they do their best to learn what Miss Marion Sewell is up to. But upon reflection, Christopher realizes it's unlikely the Marion he was so attracted to years before has changed all that much, and he starts to wonder if what she wants to tell him is actually something he might want to hear. Unfortunately, he has set wheels in motion that are not easy to redirect. Although Marion tries to approach him several times, he and she fail to make contact. Then just when it seems they will finally connect, a dangerous stranger lures Marion away. Fearing the worst, Christopher gives chase—trailed by his bodyguard, the children, and a small troop of helpful younger gentlemen. What they discover at nearby Parteger Hall is not at all what anyone expected, and as the action unfolds, the assembled company band together to protect a secret vital to the resolution of the war against Napoleon. Fourth in series. A novel of 81,000 words. A Christmas tale of intrigue, personal evolution, and love.
