Wolf Pack Terry Spear 2022-04-07 As wolves, Isobel, her kin, and a Highland slave are on the run from her Icelandic clan and now they must find a way to live in peace in Scotia without anyone discovering they are wolves or Vikings. Wearing traditional Icelandic clothes, sailing a Viking longboat, and speaking Gaelic with a Nordic accent, it won't be easy. Alasdair is the wolf pack leader of his Highland clan, in the middle of adding fortifications to his castle when he spies what he thinks is a small Viking longboat—which can mean raiders and a fight. But what he discovers is two adult wolf females, a nearly grown male, and a female and male bairn on their shores. He can't imagine the family making the treacherous journey to his land all on their own, but he's captivated by Isobel, the woman who led her people to what she hopes will be safety. Not everyone in his pack welcomes having Vikings living among them though. And Isobel is a wild and unpredictable woman, which fascinates him all the more.

Kiss Across Time Box Two Tracy Cooper-Posey The next four fabulous stories in the time travel paranormal romance series! New friends and relationships expand time travel for Brody, Veris and Taylor. Meet Alexander, Rafe and Sydney and share their adventures across the timescape—while old enemies and time itself threatens the friends at every turn. **Kiss Across Deserts** Time travel is not for the weak of heart. When a kiss sends Alex and Sydney back to Alex's beloved desert, and he realizes that

Taylor is not the only one who can time travel, the questions pile up like gunpowder. The flint that strikes the spark is Sydney's past, which is exposed when Rafael reaches through time and uncovers her dangerous secret. Kiss Across Kingdoms They must go back in time because history says they already have. A secret cipher inside an ancient seal insists Rafe and Sydney travel back through time to Powys, the most powerful kingdom of old Wales, but when they jump back they are separated. Rafe finds himself in Powys, scribe to the king. Sydney is in the land of the Lady of Mercia, alone in a time she doesn't know. The two must find a way back to each other across the warring kingdoms, while Alex tries desperately to help them, from eleven centuries into the future... Time And Tyra Again* One hundred years ago, a meeting was arranged that would alter the course of history. In 1191 at the Siege of Acre, Alexander Karim helped Brody Gallagher escape death by immolation. When Alex arrives in York, England, one hundred years later for their appointed meeting, he sees instead someone from his human life—Tyra of Norwich, who died two hundred years ago. Kiss Across Seas History doesn't always repeat. Sometimes, it destroys. To protect everyone she loves from the threats of their greatest enemy, Sydney flings herself back in time to eleventh century Egypt, where she meets a very human Alexander. Her arrival causes the death of the knight who would have drawn Alex to Jerusalem, and destroys a chain of events that ends with Sydney, Rafe and Alex meeting in the twenty-first century. Time travel has always been an interesting concept, but Cooper-Posey takes it to another level because her stories arc over an entire series - and over several centuries. A Vampire Time Travel Romance ___ Praise for Kiss Across Kingdoms The intensity of the romance between the three is not to missed I like how the book paints the story in your mind. As usual Tracy has delivered another amazing story. In my view Tracy is by far one of the best writers of our time I was anxiously waiting for Alex, Sydney, and Rafael to continue their story, and WOW, was it worth the wait. I have been on tender hooks waiting for this book to be released - I just love this time travel series It's a unique twist to the time traveling genre As a historical fiction junkie, I had a blast reading this tale. I will admit I am enthralled by her genius. It never ceases to amaze me how elaborate Tracy's writing is. This is a tale of love, strength, bravery and time traveling in a wonderful and bloody setting. Loved this one! I never try to out guess the direction Tracy's books are going to take me The chemistry and devotion between not only Sydney and her two hot vampire lovers but between Rafe and Alex always leaves me breathless.

The Viking's Highland Lass Terry Spear 2016-04-05 Gunnolf was left for dead when he was young as he went on one of his kin's raids, but finds his way to the Highlands and a home with the

MacNeill Clan. The clan's seer warns him he must rescue a woman in need, only he rescues the wrong woman. Yet, Brina is in need. Her father, wounded in battle by Gunnolf's own kind, must oust the tyrant who has taken his place if he is to rule. Yet he needs Gunnolf's help, but Gunnolf learns Brina's father had killed Gunnolf's brother. Brina is torn between hating the Viking who has rescued her, and knowing that his kin had killed her grandfather in an age old tale of fighting between their people, and loving the man who took her under his protection, and the wolf cub she insisted on rescuing. Now, Gunnolf must make a choice: wed the lass as her father has insisted and restore her father's position as chief of his clan when he's not sure her father is trustworthy, hoping he can obtain a peace between his people and hers, or leave well enough alone and stay with the MacNeill Clan, his family for the past ten years. The problem is one sweet Highland lass that makes him want a woman-this woman-to warm his bed and have his bairns and to protect and cherish, when having a wife was the furthest notion from his mind...until one prediction changed his whole life

Bearly a Viking Lacey Edward 2016-01-19 When Edith's town is raided and her husband killed, everything changes. Claimed by one of the conquerors, the mighty Ásbjörn, the journey to a new land is filled with wild seas and foreign tongues. And that's not all; some of the invaders barely seemed human, taking the forms of beasts to burn her village to the ground. In the aftermath, Edith does what she can to survive in her wild new home, changing and adapting to their ways... but the greatest surprise may be the change in her heart. Can her new-found feelings for Ásbjörn survive the truth of his identity? Interview with the Author: Q - So, what makes your shifter romances special? A - It's a mixture of things, actually. When I started writing these books, I wanted to create a series of books that I would love to read. I love paranormal romances and shifter love stories, but I also love books with some action, danger, suspense, and a strong female

character. I try to roll all of these interests into my books. My shifter books are a mix of romance, sex, longing, danger, and mystery. I also try to create some really memorable settings, whether it be historical, fantasy, or present-day, that I hope readers will enjoy. Q - What else do you like to write? A - I love other paranormal genres, such as vampires, psychics, and ghosts. I have a vampire/psychic suspenseful romance series, called Remembering Raven. These books take place in New Orleans where there is an evil vampire orchestrating murders of young women. The psychic heroine and her vampire soul mate reconnect after being separated centuries ago to try to solve the murders. There are six books in the series, including the free prequel. They are called: - Remembering Raven: Always Mine - Remembering Raven: Cheyenne - Remembering Raven: Sabine - Remembering Raven: Allegra - Remembering Raven: Nanette, and - Remembering Raven: Juliana Thanks for reading!

Dark Viking Sandra Hill 2022-11-23 Rita, a former stunt woman, can't believe she signed up to be a female Navy SEAL. She needed the signup money to pay her mother's medical bills. Steven, a fierce Viking warrior, is depressed over the "death" of his brother Thorfinn. Yep, even Vikings get the blues. Rita can't believe she's been tossed back in time to the tenth century wearing a head-to-toe wetsuit and flippers with her face cammied up. Steven can't believe the gods have sent him a fish woman to ease his woes. Not a beautiful mermaid, but an ugly-as-death fish. How dare the brute put her in a cage! How dare the wench teach his people line dancing! Love and laughter guaranteed in this trip down Memory Lane...uh Fjord.

Vampire's Ghost Tami Lund 2021-05-18 Drake Vohjol is a centuries-old vampire with a single mission: grow his blood-for-sale business. He's not interested in becoming a patron to a fledgling human woman who needs help developing mysterious skills. Unfortunately for him, he's a vampire of his word, so when he is accidentally assigned to become patron to one of those

Chosen humans, he grudgingly does as is required, not expecting Kartina Gomez, a stunning, innocent young woman who, skills or no, he wants in his bed. Except the rules are clear: the relationship between patron and Chosen must remain strictly professional. For this Viking-turned-vampire, raiding and pillaging wasn't half as challenging as keeping his hands—and fangs—away from Kartina. Vampire's Ghost is a standalone novel in the Immortal Keeper vampire world.

As she falls deeper into this frighteningly familiar world, Sylvia discovers that she can't accept her future without confronting her past. Theo knows he wants her blood from the first moment, but as he explores the mystery surrounding Sylvia, he wonders for the first time if he wants more. Romance Fiction Kristin Ramsdell 2012-03-02 A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on "Chick Lit" in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

Maya's Aura - The Crystal Witch Skye Smith 2019-04-15 Cover Flap This is the sixth novel in the "Maya's Aura" series. This naughty novel of magic and mayhem begins with Maya hanging with some witchlets in an ancient pub near Cambridge, England. Through them she meets a formidable Wicca and together they set up what can only be described as a Wicca Ashram. Maya is on a quest for the source of the heirloom ring given to her by her great-grandmother, which leads her to archaeological digs, in which some very ancient crystal pendants have been found. When she sleeps with one these pendants around her neck, she has vivid dreams of the life of its original owner, a healer who lived a thousand years ago. So vivid, and so clear are the dreams that her companions begin to log them, and thru Maya have conversations with the memories of a peasant woman long since dead. What they find out threatens to turn an entire field of history upside down. About the Author Skye Smith is my pen name. My family convinced me not to use my real name because my stories are so critical of predator males. You'll understand and forgive me this as you fall in love with sweet Maya, my main character. For those of you who like stories about vampires, witches, and magic, you won't be disappointed by my very different, more realistic take on it all. My vampires are parasites wearing business suits. My witches are healers ignored by the modern world. My magic is based on aura's, and everyone has felt or seen an aura at least once in their lives. Other Novels By The Same Author: The Hoodsmen - 12 historical adventures set in the Norman conquest. Knut - many historical adventures set in the Viking Era. The Pistoleer - 9 historical adventures set in the English Civil War. Maya's Aura - 8 new age adventures while tripping around the

Blood Night: A Krewe of Hunters Novella Heather Graham
2020-01-13 From New York Times and USA Today bestselling author Heather Graham comes a new story in her Krewe of Hunters series... Any member of the Krewe of Hunters is accustomed to the strange. And to conversing now and then with the dead. For Andre Rousseau and Cheyenne Donegal, an encounter with the deceased in a cemetery is certainly nothing new. But this year, Halloween is taking them across the pond—unofficially. Their experiences in life haven't prepared them for what's to come. Cheyenne's distant cousin and dear friend Emily Donegal has called from London. Murder has come to her neighborhood, with bodies just outside Highgate Cemetery, drained of blood. The last victim was found at Emily's doorstep, and evidence seems to be arising not just against her fiancé, Eric,

but against Emily, too. But Emily isn't just afraid of the law—many in the great city are beginning to believe that the historic Vampire of Highgate is making himself known, aided and abetted by adherents. Some are even angry and frightened enough to believe they should take matters into their own hands. Andre and Cheyenne know they're in for serious trouble when they arrive, and they soon come to realize that the trouble might be deadly not just for Emily and Eric, but for themselves as well. There's help to be found in the beautiful and historic old cemetery. And as All Hallows Eve looms, they'll be in a race against time, seeking the truth before the infamous vampire has a chance to strike again. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

Don't Talk Back To Your Vampire Michele Bardsley

2007-07-03 A single mom gets a tasty bite of undead romance in the second novel in the Broken Heart series. Ever since a master vampire became possessed and bit a bunch of parents, the town of Broken Heart, Oklahoma, has catered to those of us who don't rise until sunset—even if that means PTA meetings at midnight. As for me, Eva LeRoy, town librarian and single mother to a teenage daughter, I'm pretty much used to being “vampified.” You can't beat the great side effects: no crow's-feet or cellulite! But books still make my undead heart beat—and, strangely enough, so does Lorcan the Loner. My mama always told me everyone deserves a second chance. Still, it's one thing to deal with the usual undead hassles: rival vamps, rambunctious kids adjusting to night school, and my daughter's new boyfriend, who's a vampire hunter, for heaven's sake. It's quite another to fall for the vampire who killed you...

Viking Fire Andrea R Cooper 2013-07-29 856 CE, Ireland is a land of myth, magic, and blood. Viking raiders have fought the Irish for over half a century. Rival Irish clans promise only betrayal and carnage. Kaireen, daughter of Laird Liannon, is suddenly forced into an arranged marriage with her sworn enemy, a Viking. She refuses to submit. With no mention of love, only land and the protection of her clan, she endeavors to get her betrothed banished from her country. Will love find its way around her stubborn heart? Bram, the Viking, finds himself without future or inheritance as a younger son in his family. A marriage to the Laird's daughter would grant him land if he swears fidelity and if his men will fight along with the Liannons against any foe - Irish or Viking. However, the Laird's feisty daughter only holds animosity for him and his kind. Is marriage

worth the battle scars of such a relentless opponent? With the blame for a rival laird's death treacherously set against the Liannons, Kaireen and Bram must find a way to lay aside their differences as an unforeseen darkness sends death snapping at their heels. Sensuality Level: Sensual
