Women in Dada Naomi Sawelson-Gorse 2001 his book is the first to make the case that women's changing role in European and American society was critical to Dada.

Voices in the City Anita Desai 1965 Voices in the City is based on the life of the middle class intellectuals of Calcutta. It is an unforgettable story of a Bohemian brother and his two sisters caught in the crosscurrents of changing social values. In many ways the story reflects a vivid picture of India's social transition - a phase in which the older elements are not altogether dead, and the emergent ones not fully evolved. The novel describes the bitter effects of the urban living upon an Indian family. Brought up in luxury and magnificence by an over indulgent mother, Nirode settles down in Calcutta and becomes engrossed in its bohemian life, while his elder sister, Monisha lives out a servile existence within the rigid and stiff confines of a traditional Hindu family. Amla sees the city as a monster, Nirode sacrifices everything for his career, and Monisha cannot bear her stifling existence in the household of a wealthy old Calcutta family.

Dark Legacy Tate James 2020-01-05 This is the complete set of the top 10 Amazon best selling Dark Legacy series. Includes Broken Wings, Broken Trust, Broken Legacy, and a BONUS never before seen epilogue. They rule my new town, my school, and with more money than God, there's very little out of their reach. Four gorgeous, perfect, scary boys. There used to be five, but one of them died, leaving a fifth position that I now fill. I didn't ask for this. I didn't want to be part of this billionaire-boys-club. But no one cares about what I want. Sebastian Beckett is the worst of them. Their leader. He draws me in, and strips me of every defense I have. He calls me Butterfly, but it's not a pet name, it's a threat. Beck wants nothing more than to break my wings, pin me to a board and watch me writhe. He wants to see me broken. Body, heart and soul. And what these elite want, they get. Only they've never met Riley Jameson. Let the battle begin. *This dark contemporary romance features one girl and four sexy, dangerous boys but is NOT a reverse harem.*

Cigarette Wars Cassandra Tate 2000-06-15 We live in an age when the cigarette industry is under almost constant attack. Few weeks pass without yet another report on the hazards of smoking, or news of another anti-cigarette lawsuit, or more restrictions on cigarette sales, advertising, or use. It's somewhat surprising, then, that very little attention has been given to the fact that America has traveled down this road before. Until now, that is. As Cassandra Tate reports in this fascinating work of historical scholarship, between 1890 and 1930, fifteen states enacted laws to ban the sale, manufacture, possession, and/or use of cigarettes--and no fewer than twenty-two other states considered such legislation. In presenting the history of America's first conflicts with Big Tobacco, Tate draws on a wide range of newspapers, magazines, trade publications, rare pamphlets, and many other manuscripts culled from archives across the country. Her thorough and meticulously researched volume is also attractively illustrated with numerous photographs, posters, and cartoons from this bygone era. Readers will find in Cigarette Wars an engagingly written and well-told tale of the first anti-cigarette movement, dating from the Victorian Age to the Great Depression, when cigarettes were both legally restricted and socially stigmatized in America. Progressive reformers and religious fundamentalists came together to curb smoking, but their efforts collapsed during World War I, when millions of soldiers took up the habit and cigarettes began to be associated with freedom, modernity, and sophistication. Importantly, Tate also illustrates how supporters of the early anti-cigarette movement articulated virtually every issue that is still being debated about smoking today; theirs was not a failure of determination, she argues in these pages, but of timing. A compelling narrative about several clashing American traditions--old vs. young, rural vs. urban, and the late nineteenth vs. early twentieth centuries--this work will appeal to all who are interested in America's love-hate relationship with what Henry Ford once called "the little white slaver."

The Alpha's Pack Tate James 2018-08-04 The time is now. It seems all I've ever wanted was vengeance. I did everything right: I protected my friends, I pushed myself to the limits, and I saved lives. Once upon a time, I was an internationally renowned thief known as The Fox. Nobody knew me. Nobody could catch me. Nobody but them, my men, my partners in crime. But their love for me, it's cost them dearly. Our enemies keep coming for blood. They cut me. They hurt my friends. They push and push to see what will happen. I'm Kit Davenport, and I'm going to show them what happens. This is the end. Theirs.

Dark Glitter Tate James 2019-02-14 Ciarah O'Rourke was born into torture. A human spirit reincarnated in the body of an ancient fae goddess, she's spent the last five years in iron shackles, her mind poisoned with magic for secrets she doesn't know. Waking up in a dirty alley with no memory of her escape, Ciarah finds herself in the hands of The Wild Hunt Motorcycle Club--a ruthless and violent group of bikers with faerie blood in their veins. Arlo. Reece. Killian. Three men drenched in death, sin, and old magic. From their clubhouse in the middle of the Louisiana bayou, they'll offer Ciarah the keys to unlock her memories and control the veil between worlds. But even her knights can't erase the twisted scars that remind her they aren't the only ones who hunt. When The Wild Hunt rides, the souls of the dead join their parade. All that's missing now is their queen. DARK GLITTER is the first of three books in THE WILD HUNT MOTORCYCLE CLUB series, a full-length reverse harem novel with dark faeries, werewolves, goddesses, voodoo magic, steamy scenes, graphic violence, cursing, and a supernatural motorcycle club.

7th Circle Tate James 2021-12-14 7th Circle is the first of a new series set in Shadow Grove. Several characters cross over to the Madison Kate series but it is not necessary to read MK's story first. HADES is a contemporary new adult reverse harem series, which means the leading lady has several love interests and never has to choose in order to find her HEA. ♥♥♥ Five years ago, I masterminded the infamous massacre of the Tri-state Timberwolves. The streets outside the Wolves HQ ran red with the blood of the old guard, and not one of those members loyal to my father were spared mercy. Not a single one. I let the media twist and distort the story. My new recruits eagerly proved themselves in spreading false news, in covering our tracks. To the general public, the Tri-State Timberwolves were extinct. But that couldn't have been further from the truth. We changed, we grew, we evolved and came out stronger than ever. Now, I live, eat, sleep and breathe Timberwolves. I'll do anything to keep my empire safe and thriving. To keep the people depending on me safe. So, what do I do, when it's my own weakness that places us all in danger? When I let sex cloud my judgment, and my people pay the price? Simple. Kill the distractions. I'm called Hades for a reason, after all. ♥♥♥ 7th Circle is book ONE of FOUR.

Elements of Mischief C. M. Stunich 2017-10-21 WARNING: This is a sexy, steamy reverse harem paranormal romance (one girl, four guys) with loads of humor, plumber puns, and group sex. Read with a glass of wine and a smile! Four hunky, supernatural plumbers. One reluctant, slightly drunk human. A match made in heaven ... or in the bathroom, rather. My name is Arizona Smoke, and I'm the proud owner of a house haunted by my dead Gram, best friend to a cocktail dress loving werewolf, and apparent soul mate to four plumbers who also happen to be elemental dragons. Besides rippling pectorals, tattoos, and ... uh, nice, long pipes, the guys also have control of the elements. Supernatural law (whoever heard of such a thing anyway?) dictates that since I stumbled upon the guys in their alternate forms, I have to marry them. All four of them. Oh, and apparently one lousy (okay, awesome) night of sex means that I'm an elemental, too--and no amount of magical penicillin can cure this disease. All I wanted was hot running water and toilets that flushed, but now I'm

dealing with monsters lurking in the sewers, supernatural politics, and four penniless (but totally hot) plumbers living in my crumbling old Victorian. I'm Ari Smoke, wine aficionado, ex-barista, and a girl who is completely out of her element. Having four hot husbands is nice ... but the death threats, not so much.

Voluptuous Panic Mel Gordon 2008-08-01 This seductive sourcebook of rare visual delights from pre-Nazi, Cabaret-period "Babylon on the Spree" has the distinction of being praised both by scholars and avatars of contemporary culture, inspiring hip club goers, filmmakers, gay historians, graphic designers, and musicians like the Dresden Dolls and Marilyn Manson. This expanded edition includes "Sex Magic and the Occult," documenting German pagan cults and their often-bizarre erotic rituals, including instructions for entering into the "Sexual Fourth Dimension." Mel Gordon is professor of theater at the University of California, Berkeley, and is also the author of *Erik Jan Hanussen: Hitler's Jewish Clairvoyant* (Feral House).

Buyology Martin Lindstrom 2010-02-02 NEW YORK TIMES BESTSELLER • "A fascinating look at how consumers perceive logos, ads, commercials, brands, and products."—Time How much do we know about why we buy? What truly influences our decisions in today's message-cluttered world? In *Buyology*, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can "cool" brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? *Buyology* is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

Tin Pan Alley David A. Jasen 2004-06 For nearly a century, New York's famous "Tin Pan Alley" was the center of popular music publishing in this country. It was where songwriting became a profession, and songs were made-to-order for the biggest stars. Selling popular music to a mass audience from coast-to-coast involved the greatest entertainment media of the day, from minstrelsy to Broadway, to vaudeville, dance palaces, radio, and motion pictures. Successful songwriting became an art, with a host of men and women becoming famous by writing famous songs.

Saving Life Mario Kaneda 2016-01-12 Haruhiko was born rich and grew up pampered. But when he can't take any more of his father's tyrannical behavior, he strikes out on his own, determined to make his own way in the world. But going from super-rich to super-poor is tough on any man (let alone one still in high school!), and it's going to take more hard work than Haruhiko imagined just to make ends meet. He's doing his best and trying to keep up his spirits, but living on bean sprouts and bread crusts is enough to get any man down. Fortunately, he's got his sexy classmates and his own personal (and very hot) maid to help him out! -- VIZ Media

The Crow's Murder Tate James 2018-05-23 Well, I just can't seem to catch a break, can I? None of us saw it coming, no matter what precautions we took or how many contingencies we put into play. What's the point of having all this power when everyone is out to get me? They say things are darkest before the light, and that the storm gets worse before it clears. Trust me when I say platitudes don't do a damn bit of good when you're in the middle of it. I'm Kit Davenport, and my heart is breaking.

Altered By Fire C. M. Stunich 2019-09-07 My life changed in an instant, altered by fire, irreparably damaged. Just like me. I'm a broken, damaged soul on the run from a very real sort of darkness. My father, a notorious mob boss, either wants me back or wants me dead. I find solace in the arms of his enemies. Five deliciously dark men that tempt me to do things I shouldn't. Arsen, Colt, Weston, Mace, and Hawke. They're just as dangerous as the men they're hunting. So, will they save me, or burn me to ashes? Either way, in their arms, I catch fire. I burn. And I love every second of it. **NOTE: This book was originally published as *Five Fathers* by Kate Morgan. It has undergone a rewrite but the core story remains the same. **

Lies of Murk Eva Chase 2021-08-18 What if everything you'd fought for was a lie? Just when it seemed I'd overcome the biggest obstacles my fae mates and I could face, I find myself in the hands of their greatest enemies. Enemies who have more power than we ever imagined. Enemies who hold so much more sway over my life than I want to believe. I have to escape, and not just to warn the men I love and defend the home I've made with them. The longer I remain, the more these villains can use me to destroy everything I care about. If I fail now, the entire faerie world will crumble. I don't know if I can do it alone—but where will I find an ally among the cruelest of the fae? **Lies of Murk* is the seventh book in *Bound to the Fae*, a new paranormal romance series featuring possessive shifters, dangerous fae politics, and a wounded heroine finding her strength.*

That Wolf-Boy is Mine! Yoko Nogiri 2016 MONSTER MISCHIEF After some traumatic experiences, Komugi Kusunoki transferred from the city to start a new life in rural Hokkaido. But on her first day of school, the school heartthrob Yū Ōgami blurts out, "You smell good!" Despite the hijinks, Komugi tries to adjust to her new school, but it's not long before she stumbles across Yū dozing off under a tree. When she attempts to wake him up, he transformed...into a wolf?! It turns out that Yū is one of many other eccentric boys in her class year—and she's the only one who knows their secret...!

El Monstruo John Ross 2009-11-24 John Ross has been living in the old colonial quarter of Mexico City for the last three decades, a rebel journalist covering Mexico and the region from the bottom up. He is filled with a gnawing sense that his beloved Mexico City's days as the most gargantuan, chaotic, crime-ridden, toxically contaminated urban stain in the western world are doomed, and the monster he has grown to know and love through a quarter century of reporting on its foibles and tragedies and blight will be globalized into one more McCity. *El Monstruo* is a defense of place and the history of that place. No one has told the gritty, vibrant histories of this city of 23 million faceless souls from the ground up, listened to the stories of those who have not been crushed, deconstructed the *Monstruo's* very monstrosity, and lived to tell its secrets. In *El Monstruo*, Ross now does.

Anthology of Black Humor André Breton 2021-01-29 This is the first publication in English of the anthology that contains Breton's definitive statement on l'humour noir, one of the seminal concepts of Surrealism, and his provocative assessments of the writers he most admired. While some of the authors featured in *The Anthology of Black Humor* are already well known to American readers—Swift, Kafka, Rimbaud, Poe, Lewis Carroll, and Baudelaire among them (and even then, Breton's selections are often surprising)—many others are sure to come as a revelation. The entries range from the acerbic aphorisms of Swift, Lichtenberg, and Duchamp to the theatrical slapstick of Christian Dietrich Grabbe, from the wry missives of Rimbaud and Jacques Vache to the manic paranoia of Dali, from the ferocious iconoclasm of Alfred Jarry and Arthur Craven to the offhand hilarity of Apollinaire at his most spontaneous. For each of the forty-five authors included, Breton has provided an enlightening biographical and critical preface, situating both the writer and the work in the context of black humor—a partly macabre, partly ironic, and often absurd turn of spirit that Breton defined as "a superior revolt of the mind." "Anthologies can aim to be groundbreaking or thought-provoking; few can

be said to have introduced a new phrase—or a new concept—into the language. No one had ever used the term "black humour" before this one came along, unless, perhaps, it was from a racial angle."—The Guardian
Andre Breton (1896-1966), the founder and principal theorist of the Surrealist movement, is one of the major literary figures of the past century. His best-known works in English translation include *Nadja*, *Mad Love*, *The Manifestoes of Surrealism*, *The Magnetic Fields* (with Philippe Soupault), and *Earthlight*. Mark Polizzotti is the author of *Revolution of the Mind: The Life of Andre Breton*.

Club 22 Tate James 2021-05-31 *Club 22* is the THIRD in a new *Shadow Grove* series. Several characters cross over to the *Madison Kate* series but it is not necessary to read MK's story first. *HADES* is a contemporary new adult reverse harem series, which means the leading lady has several love interests and never has to choose in order to find her HEA. ♦♦♦ They say to keep your enemies close and mine are all around me. At the heart of it are four dangerously gorgeous men. The man who wants to light my darkness and already paid the price for loving me. The man who can handle my power and loves every dark inch of me. The man who has been my closest companion and now threatens to upend our carefully balanced world in pursuit of me. But the fourth man is probably the most terrifying. He wants to take the others away. He wants to tear the spinal column out my empire. Destroy my businesses. Destroy me. Why? Because the man who should have stayed dead wants me and he will stop at nothing until he's carved out my bloody, beating heart and left me broken. He should remember who he's dealing with...I'm not the girl he knew anymore. I'm Hades. This time when death comes for him, I'll make sure it sticks. ♦♦♦ *Club 22* is book THREE of FOUR in the *Hades* series.

Go East, Young Man Richard Francaviglia 2011-12-14 Transference of orientalist images and identities to the American landscape and its inhabitants, especially in the West—in other words, portrayal of the West as the “Orient”—has been a common aspect of American cultural history. Place names, such as the Jordan River or Pyramid Lake, offer notable examples, but the imagery and its varied meanings are more widespread and significant. Understanding that range and significance, especially to the western part of the continent, means coming to terms with the complicated, nuanced ideas of the Orient and of the North American continent that European Americans brought to the West. Such complexity is what historical geographer Richard Francaviglia unravels in this book. Since the publication of Edward Said’s book, *Orientalism*, the term has come to signify something one-dimensionally negative. In essence, the orientalist vision was an ethnocentric characterization of the peoples of Asia (and Africa and the “Near East”) as exotic, primitive “others” subject to conquest by the nations of Europe. That now well-established point, which expresses a postcolonial perspective, is critical, but Francaviglia suggest that it overlooks much variation and complexity in the views of historical actors and writers, many of whom thought of western places in terms of an idealized and romanticized Orient. It likewise neglects positive images and interpretations to focus on those of a decadent and ostensibly inferior East. We cannot understand well or fully what the pervasive orientalism found in western cultural history meant, says Francaviglia, if we focus only on its role as an intellectual engine for European imperialism. It did play that role as well in the American West. One only need think about characterizations of American Indians as Bedouins of the Plains destined for displacement by a settled frontier. Other roles for orientalism, though, from romantic to commercial ones, were also widely in play. In *Go East, Young Man*, Francaviglia explores a broad range of orientalist images deployed in the context of European settlement of the American West, and he unfolds their multiple significances.

The Viper's Nest Tate James 2018-02-27 Betrayal has forced us on the run. Evading the very man I considered my family, the organization I once considered good. In hiding, I need to master my new power and find peace with my bonded guardian--or risk exposure. But my heart can't accept the events that led us here. I need answers. Closure. An olive branch is offered and another trap is sprung. While my relationships grow stronger by the day, new tensions arise and ghosts of my past appear. But can anyone be trusted? I'm Kit Davenport and I didn't see that one coming.

Dracula in Visual Media John Edgar Browning 2014-01-10 This is a comprehensive sourcebook on the world’s most famous vampire, with more than 700 citations of domestic and international *Dracula* films, television programs, documentaries, adult features, animated works, and video games, as well as nearly a thousand comic books and stage adaptations. While they vary in length, significance, quality, genre, moral character, country, and format, each of the cited works adopts some form of Bram Stoker’s original creation, and *Dracula* himself, or a recognizable vampiric semblance of *Dracula*, appears in each. The book includes contributions from Dacre Stoker, David J. Skal, Laura Helen Marks, Dodd Alley, Mitch Frye, Ian Holt, Robert Eighteen-Bisang, and J. Gordon Melton.

I Was Born Ruined C. M. Stunich 2019-03-22 What sort of girl loves sin like I do? What sort of person thrives in it? I'm the princess to a dirty throne of motorcycles and madness, daughter of the president of the Death by Daybreak Motorcycle Club. My father's four closest officers--men dressed in blood and death and sin--they're my honor guard, cloaked in leather vests and tattoos. Only, there's nothing honorable about them at all. They're all wrong for me. Every motorcycle club has its old ladies. These guys ... they share one. They share me. ***I WAS BORN RUINED is a 90,000 word new adult, reverse harem, motorcycle club romance with one daring, bada** leading lady, her four sexy outlaws, and a romantic suspense plot. The Nine Tate James 2018-09-13 Tricky, like a fox. As a kitsune--a fox shifter--I have to be to survive. Sometimes it seems like the whole world wants me dead. Ironic, considering that's my job--to kill people. Thea Hunt, professional assassin at your service. But that's not my only vice. I'm also attracted to the darkest denizens of the supernatural world, the men I should run from instead of fall for. Men like Mikhail, the leader of the assassins' guild, Bennett, the local alpha wolf, and Nix, the skinwalking coyote that's likely to bring the entire shifter community to their knees. And then there are my exes--Riot and Fin. Somebody's cursing old gods, stripping shifters of their ability to change. And a trapped shifter doesn't last long without losing their mind. Nix knows; Mikhail wants me to kill him; Bennett wants me dead. Oh, and Riot and Fin are determined to make my life a living hell. As the youngest kitsune to ever get nine tails, I should be able to trick my way out of this one, right? Right?! *THE NINE* is the first book in the *FOXFIRE BURNING* series. It is a full-length reverse harem urban fantasy/paranormal romance with a spunky kitsune (fox shifter) main character and her six love interests: a vampire, a werewolf, a coyote shifter, and a few mysteries. This book includes cursing, violence, steamy scenes, and a whole lot of magic.

The Royal Trials Tate James 2020-06-25 *THE ROYAL TRIALS: COMPLETE SERIES* is all three books in *The Royal Trials* trilogy as well as an EXCLUSIVE BONUS EPILOGUE SCENE. Book 1: *IMPOSTER* Three trials.

Three weeks. Three Royal Princes. It should have been an easy task, for a skilled mercenary like Rybet Waise. Simply break into the royal palace, and rescue her friend from the executioner's block. But when Rybet accidentally qualifies for the Trials, she finds herself with little choice but to see them through. A thin veil of etiquette, elegance and glamour hides the true nature of the Trials. Behind closed doors, they are brutal and bloody, and to fail means to forfeit her life. Thrust into the limelight and forced to compete with the Kingdom's elite sweethearts, unlikely allies emerge and bonds are formed. But someone will stop at nothing to see her fail. After all, she's nothing but a dirty pond-dweller. Rybet will do whatever it takes to survive until the Golden Ball, Princes be damned. Book 2: SEEKER One quest. One crown. One shattered heart. The Royal Trials were never meant to be easy, not even for an imposter like Rybet Waise. But nothing could have prepared her for the magical storms, mutated animals and malicious gods standing in her way. There is no time for tears, mere hours after being bathed in Prince Alexander's blood, Rybet must embark on a quest. The second trial dictates she find a missing magical artefact--Queen Ophelia's crown. Released from the overbearing confines of the royal palace, Rybet competes not only with the other remaining ladies, but also with the land itself. Magic is more volatile than ever, and the gods have come out to play. Royal love interests who don't know how to share only make things harder for this dirty pond-dweller--if that's really all she is. Rybet will do whatever it takes to make it out alive, and with her heart unbroken. Book 3: HEIR A corrupt King. A murdered Queen. A missing Princess... Found. Once upon a time, The Royal Trials were a sacred ritual designed for a queen to select her king. But nothing is as it was in the kingdom of Tiech. Not since the brutal murder of beloved Queen Ophelia. The town of Ironforge revealed important secrets, but it all came at an unbearable cost. The streets run red with the blood of innocents and Rybet's heart is heavy as she returns to Lakehaven. Facing court and her mother's murderer will require more than just a brave face. She will need the skill, intellect and support of those who love her. Or what's left of them. Torn between love and duty, Rybet faces decisions she never thought she would have to make. This long lost princess will do whatever it takes to make it to the Golden Ball, even at the cost of her own happiness. ****PLEASE NOTE: This is a reverse harem romance, meaning the leading lady ends up with 3+ love interests and does not choose between them. If that's not your cup of tea, this isn't the series for you!****

Gypsy Blood Kristy Cuning 2019-09-27 I'm not all that special, really. Or uncommon. I'm sure there are a lot of girls with old gypsy blood who see the dead, have killer cults hunting their family, and turn into something that gets scary when they panic. Yep. Completely unoriginal, if I do say so myself. Move along. Nothing to see here. Nope. I'm just an ordinary girl. I wish people would believe that. I've been labeled as one thing or another for most of my life: Death Girl. Crazy Gypsy Girl. Gothic Chick. Monster... It took my mother's death for me to finally start getting answers about what's really been going on. Unfortunately, most of the answers come from men... who aren't just men. Somehow, I've gone and landed myself in a world truly filled with monsters, and I'm starting to think this is where I should have been all along. Only... I don't understand what's going on. I'm walking into the middle of a story that's thousands of years old, and I'm the new girl on the block who doesn't have a clue how this world even works. My only guides happen to be the most lethal of the bunch. They decide who lives or dies. They decide who gets stabbed or tortured. Yeah... I've gone and drawn attention to myself, and the ones paying attention are the ones everyone else seems to fear. How do these things always happen to me? ****Reverse Harem**** Language warning ****Sexual content**** Dark Humor

Allison's Adventures in Underland C. M. Stunich 2017-12-17 Um. Um. Um. Are you reading this? If you are, I need your help. I was at a party; I was running; I fell. And get this--this is the part you'll never believe--I fell down a rabbit hole. Like Alice in those old books. Except in those books, there wasn't blood everywhere. In those books, the characters weren't all male, attractive, and interested in me. Forget everything you know about the Mad Hatter, the White Rabbit, the March Hare ... This isn't Wonderland; this is Underland. Violence, sex, drugs, and magic ... that's all there is in this place. There's me, Allison, and there are the men that want me, the enemies that hunt me, and the darkness that's quickly rolling in. And only I can stop it. So if you're reading this, will you help me? Please. I just want to escape this place and go ... home. **ALLISON'S ADVENTURES IN UNDERLAND** (Book 1 of 3 in the "Harem of Hearts" series) -- is a full-length reverse harem/new adult/dark romance novel, a gritty retelling of "Alice's Adventures in Wonderland". Don't expect a children's tale; these characters are nothing like their more innocent counterparts. This book contains: drugs, cursing, violence, sex ... and love found in the darkest shadows.

As You Witch Erin Bedford 2018-09-17 If you could wish for anything, what would you wish for? When Max gets a magic amulet that makes nearly every desire come true, she'll learn the truth of be careful what you wish for. However, magical hijinks aren't all that Max has to worry about. With her hard-working parents strained to pay her tuition, Max's only chance to stay in Winchester Academy is to win the scholarship at the big school fair. Of course, to win, she has to beat her bully of a rival, wow the entire school, and juggle four guys vying for her attention. Nothing a few wishes, a little magic, and a lot of luck can't handle ... she hopes!

Elements of Ruin Tate James 2018-01-22 Six hunky, supernatural tradesmen. One sarcastic, caffeine addicted bride. A match made by fate ... or karma? My name is Arizona Smoke, and I have six husbands. Yup. Count 'em--six. Four sexy plumbers, one electric electrician ... and my last husband? Total prick. Our unconventional marriage is almost complete. All I need to do is reconcile with my first love, and rescue a man I've never met. Easy, right? As if marrying a bunch of supernatural plumbers isn't hard enough, I also have to deal with the fact that my biological father and his six wives (yeah, I have six moms, too) are still hunting us, stalking us through sex parties hosted by demons and setting traps for us in the middle of underground supernatural raves. And you thought your family was dysfunctional! All I wanted was a moment to breathe, a chance to get to know my new husbands in a way that was more than sexual--although I'm not exactly complaining about our time in the bedroom. But between my maniacal mother-in-law, some kidnapped lady-elementals, and the rich asshole I'm supposed to welcome into my new harem ... when's a girl got time for dates? Let alone planning a seven-way ... wedding that is. I'm Ari Smoke, spirit elemental, supernatural bada**, and hot-as-f*ck dragon chick. Having six hot husbands is nice ... but being hunted by evil sex demons, not so much. **ELEMENTS OF RUIN** is a full-length comedic paranormal, reverse harem romance. This means our leading lady has six male love interests and doesn't have to choose between them. This book is full of steamy scenes, ridiculous plumbing puns, and heaps of action, intrigue, and ... well, more puns. This is book 2 of 3.

Different Elements Of Mischief Hijinks Harem Book 1 eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Elements Of Mischief Hijinks Harem Book 1 eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.
