Einführung in die italienische Sprachwissenschaft Andreas Michel 2016-01-15 This updated new edition offers a well-written, systematic introduction to the various areas of Italian linguistics. Along with the methods of modern linguistics and their description using Italian examples, aspects of the history of research are also discussed. They concern the Italian reception of modern linguistic methods as well as work on relevant linguistic topics in the pre-scientific era in Italy.

Alpha, Bravo, Charlie 2016-05-23 A graphically stunning, first-ever volume of nautical codes for children This extraordinary visual reference is an introduction to maritime communication through nautical flags, along with morse code, the phonetic alphabet, and semaphore signaling. Today's system of international maritime signal flags was developed in the 19th century, and is still used for communication between ships, or between ship and shore. Each flag, boldly colored for visual distinction at sea, stands for a letter as well as a phrase relevant to seafaring. The resulting code is both beautiful and functional, inviting readers to code and decode messages of their own! Created for ages 6-8 years

Rolex Encyclopedia Mondani Family 2015-01-01 PRESENTATION: THE ULTIMATE BOOK ABOUT ROLEX Rolex Encyclopedia is the most complete and updated guide on vintage and modern Rolex watches and it includes every Rolex produced from 1905 until today. A travel through time which

you won't be able to interrupt! There is a big story behind every important brand: a story made of great ideas, great adventures, enterprises and innovations that have changed the world that we knew. This is the case of Rolex. Many things have already been said about its story, but the love and passion of Guido Mondani Editore have no limits and this is why the Rolex Encyclopedia wants to reach the soul of the story of this important brand, which has changed the world of watchmaking forever. No one before has ever written so much about the great enterprises of Rolex: a story of outstanding pioneers, of courageous and far-sighted persons, of state-of-the-art watches, which almost represent the Holy Grail for watch collectors. A story told in three big books that in their kind are definitely another unique mission. TOPICS Ask yourself a question, any question What is the origin of the name Rolex? Where does the nickname "Bubble Back" come from? How many pieces of the Rolex Split-Seconds model were produced? When was the Submariner model created to commemorate the Panama Channel? How many Marks exist for the Submariner and Sea-Dweller models? How many Daytona watch models were produced? How many hours does it take to produce a Cerachrom bezel? You will find all the answers in here. Furthermore, these books also provides the estimates of every Rolex, basing on the conditions, and the updated price of all watches in production.
