**Berserker** Saberhagen, Fred 2020-01-10 Long ago, in a distant part of the galaxy, two alien races met—and fought a war of mutual extinction. The sole legacy of that war was the weapon that ended it: the death machines, the BERSERKERS. Guided by self-aware computers more intelligent than any human, these world-sized battle craft carved a swath of death through the galaxy—until they arrived at the outskirts of the fledgling Empire of Man. These are the stories of the frail creatures who must meet this monstrous and implacable enemy—and who, by fighting it to a standstill, become the saviors of all living things. This is Saberhagen's classic book length collection of the first eleven Berserker stories. Meet Berserker hunter extraordinaire Johann Karlsen, his evil brother Felipe Nogara, The Third Historian of the

Carmpan Race, gallant fighters of the killer machines and the deranged killer machine, Mr. Jester.

**The Big Time** Fritz Leiber 2015-12-24 ENTER THREE HUSSARS

My name is Greta Forzane. Twenty-nine and a party girl would describe me. I was born in Chicago, of Scandinavian parents, but now I operate chiefly outside space and time—not in Heaven or Hell, if there are such places, but not in the cosmos or universe you know either. I am not as romantically entrancing as the immortal film star who also bears my first name, but I have a rough-and-ready charm of my own. I need it, for my job is to nurse back to health and kid back to sanity Soldiers badly roughed up in the biggest war going. This war is the Change War, a war of time travelers—in fact, our private name for being in this war is being on the Big Time. Our Soldiers fight by going back to change the past, or even ahead to change the future, in ways to help our side win the final victory a billion or more years from now. A long killing business, believe me. You don't know about the Change War, but it's influencing your lives all the time and maybe you've had hints of it without realizing.

The Powerbroker Anna Hackett 2021-11-05 She's undercover in a dangerous motorcycle club, and her unwanted protector is the city's most lethal man. Police Detective Brynn Sullivan is dedicated to her job and living up to the memory of her cop father. She's out to prove herself on her biggest case yet—stopping a dangerous drug from flooding the streets of San Francisco. She needs to go undercover with the city's wildest, most dangerous motorcycle club, and that means using any contact she can to get in there. Even the dark, powerful ex-military man who rules the city's streets from the shadows—Vander Norcross. After years fighting for his country as commander of a covert Ghost Ops team, Vander Norcross has built Norcross Security into a thriving business to keep his family and friends safe. He's a powerbroker in San Francisco, with his finger on the pulse of what's happening—both legal and not so legal. When his friend asks a

favor putting a detective—a female one—undercover with the Iron Wanderers MC, Vander is not on board. It goes against every protective instinct he has, but Brynn proves to be tenacious, annoying, smart, and far too tempting. Brynn and Vander strike enough sparks to start an inferno, but when dangerous players up the stakes, they find themselves with a bounty on their heads. On the run, with only each other to depend on, Brynn discovers she has an even bigger battle on her hands—capturing the heart of a man who thinks he's too dangerous to ever fall in love. \*\*Each book in this action-packed romance series can be read as a standalone.

*Rogue State* William Blum 2006-02-13 *Rogue State* and its author came to sudden international attention when Osama Bin Laden quoted the book publicly in January 2006, propelling the book to the top of the bestseller charts in a matter of hours. This book is a revised and updated version of the edition Bin Laden referred to in his address.

Strength and Honor R. M. Meluch 2008 As the Empire of Rome declares war against the United States-led Earth and attacks it, the crew of the Merrimack launches a retaliatory strike, unaware that the alien Hive is preparing its own attack on Earth.

**Weapons Master** Anna Hackett 2020-08-11 A grumpy cyborg weapons master collides with a feisty mechanic from Earth who turns his ordered existence upside down. Abducted from her exploration ship and enslaved on a desert world, mechanic Bellamy Walsh has fought for her survival. She's had to fight for everything in her life, and she doesn't ever expect things to be easy. After being rescued by the tough, deadly cyborgs of the House of Rone, she is shocked to find herself drawn to a grumpy beast of a cyborg. A genius weapons master who prefers his solitude. A man with scars of his own. A man whose brawny arms are the only thing that chase away Bellamy's nightmares. Maxon Shaye likes to be left alone to work. He doesn't mind his fellow cyborg brethren, but he finds people annoying and chaotic. He's

disconcerted by his growing need to keep Bellamy Walsh safe, and thinks she's irritating and brash. The woman keeps invading his workshop, getting in his space, and...the even more infuriating thing is that he's actually starting to like her there. What he doesn't like is her burning need to throw herself back into danger. Bellamy is determined to help bring down her captors-the metal-scavenging Edull and their deadly desert battle arena-and that makes her a target. She knows too much and the Edull will stop at nothing to silence her. Maxon will do anything to keep her safe, even if that means threatening the growing bond between them. But in order to destroy the Edull's arena once and for, Maxon and Bellamy will put everything on the line-their desire, their love, their lives.

**Mikko: a Scifi Alien Warrior Romance** Ella Maven 2021-01-22  
Hide and seek is a lot less fun in an alien prison where the winner gets... me.Rian: I'm not a stranger to being behind bars, but this prison leaves a lot to be desired. There are zero communal showers, minimal locking cells, and the other prisoners are extremely hostile. That could be because they are aliens and this is a prison in another galaxy. Add in the fact that I'm a human female, and my life span has just dropped some serious time. I'm about to go down fighting when a scary blue alien with spikes decides he's my rescuer. Except he doesn't seem happy about my presence and, well, join the club, buddy.Mikko: After spending a third of my life in the Pit, I returned for some payback but instead find a human female fighting for her life. She's small, snarly, and irritatingly beautiful. When a coveted reward is offered to the prisoners for our capture, the game changes. My enemies thought I was unpredictable with anger issues before? They haven't seen anything yet. I'll escape again with my female, and then the real payback begins.Mikko is a SciFi Alien Warrior Romance featuring a prickly, snarky hero with a heart of gold and a heroine who loves as hard as she fights.

**Dawn of the Jedi Into the Void** Tim Lebbon 2014-07-17

Thousands of years before the time of Luke Skywalker and Darth Vader, on the remote world Tython, ancient philosophers and scientists share their mystical knowledge and study the ways of the Force. They establish the order of the Je'daii - which, in years to come, will become the Jedi. But first these visitors from so many different planets must colonise a dangerous new homeworld and surmount societal conflicts as the burgeoning Rakatan Empire prepares to conquer the known galaxy.

*Antifragile* Nassim Nicholas Taleb 2014-01-28 *Antifragile* is a standalone book in Nassim Nicholas Taleb's landmark *Incerto* series, an investigation of opacity, luck, uncertainty, probability, human error, risk, and decision-making in a world we don't understand. The other books in the series are *Fooled by Randomness*, *The Black Swan*, *Skin in the Game*, and *The Bed of Procrustes*. Nassim Nicholas Taleb, the bestselling author of *The Black Swan* and one of the foremost thinkers of our time, reveals how to thrive in an uncertain world. Just as human bones get stronger when subjected to stress and tension, and rumors or riots intensify when someone tries to repress them, many things in life benefit from stress, disorder, volatility, and turmoil. What Taleb has identified and calls "antifragile" is that category of things that not only gain from chaos but need it in order to survive and flourish. In *The Black Swan*, Taleb showed us that highly improbable and unpredictable events underlie almost everything about our world. In *Antifragile*, Taleb stands uncertainty on its head, making it desirable, even necessary, and proposes that things be built in an antifragile manner. The antifragile is beyond the resilient or robust. The resilient resists shocks and stays the same; the antifragile gets better and better. Furthermore, the antifragile is immune to prediction errors and protected from adverse events. Why is the city-state better than the nation-state, why is debt bad for you, and why is what we call "efficient" not efficient at all? Why do government responses and social policies protect the strong and hurt the weak? Why should

you write your resignation letter before even starting on the job? How did the sinking of the Titanic save lives? The book spans innovation by trial and error, life decisions, politics, urban planning, war, personal finance, economic systems, and medicine. And throughout, in addition to the street wisdom of Fat Tony of Brooklyn, the voices and recipes of ancient wisdom, from Roman, Greek, Semitic, and medieval sources, are loud and clear. Antifragile is a blueprint for living in a Black Swan world. Erudite, witty, and iconoclastic, Taleb's message is revolutionary: The antifragile, and only the antifragile, will make it. Praise for Antifragile "Ambitious and thought-provoking . . . highly entertaining."—The Economist "A bold book explaining how and why we should embrace uncertainty, randomness, and error . . . It may just change our lives."—Newsweek

**Beast** Anna Hackett 2017-11-02 Fighting for love, honor, and freedom on the galaxy's lawless outer rim... Rescued by gladiators on the alien world of Carthago, Mia is working to find other abducted humans who are still lost. But someone else also needs her help-the untamed alien who's saved her twice. Rescued from vicious fight rings he's fought in since he was a child, Vek is prone to losing control in aggressive fits of rage...and Mia discovers that she is the only who can calm him. As she finds herself drawn to the man beneath the beast, she knows that with his enhanced senses, Vek can help her find her friends. For years, all Vek'ker has known is death, darkness, and killing. Despite his newfound freedom, he is struggling to control his rages and withdrawal from the drugs his captors used on him. Only one scent soothes him, one voice calms him, and one woman is his light in the dark. Vek will do anything to protect Mia and make her happy...including vowing to find her friends. With the gladiators from the House of Galen, Vek and Mia follow mysterious clues into a dangerous part of the desert on the trail of the missing humans. They are drawn closer together but as they enter the deadly Illusion Mountains, they have no idea of the dangers lying in wait for them, or how far they will both be pushed to their limits in order to survive.

**Entertainment Science** Thorsten Hennig-Thurau 2018-08-01 The entertainment industry has long been dominated by legendary screenwriter William Goldman's "Nobody-Knows-

Anything” mantra, which argues that success is the result of managerial intuition and instinct. This book builds the case that combining such intuition with data analytics and rigorous scholarly knowledge provides a source of sustainable competitive advantage – the same recipe for success that is behind the rise of firms such as Netflix and Spotify, but has also fueled Disney’s recent success. Unlocking a large repertoire of scientific studies by business scholars and entertainment economists, the authors identify essential factors, mechanisms, and methods that help a new entertainment product succeed. The book thus offers a timely alternative to “Nobody-Knows” decision-making in the digital era: while coupling a good idea with smart data analytics and entertainment theory cannot guarantee a hit, it systematically and substantially increases the probability of success in the entertainment industry. Entertainment Science is poised to inspire fresh new thinking among managers, students of entertainment, and scholars alike. Thorsten Hennig-Thurau and Mark B. Houston – two of our finest scholars in the area of entertainment marketing – have produced a definitive research-based compendium that cuts across various branches of the arts to explain the phenomena that provide consumption experiences to capture the hearts and minds of audiences. Morris B. Holbrook, W. T. Dillard Professor Emeritus of Marketing, Columbia University Entertainment Science is a must-read for everyone working in the entertainment industry today, where the impact of digital and the use of big data can’t be ignored anymore. Hennig-Thurau and Houston are the scientific frontrunners of knowledge that the industry urgently needs. Michael Kölmel, media entrepreneur and Honorary Professor of Media Economics at University of Leipzig Entertainment Science’s winning combination of creativity, theory, and data analytics offers managers in the creative industries and beyond a novel, compelling, and comprehensive approach to support their decision-making. This ground-breaking book marks the dawn of a

new Golden Age of fruitful conversation between entertainment scholars, managers, and artists. Allègre Hadida, Associate Professor in Strategy, University of Cambridge

*Barbarian* Anna Hackett 2017-07-03 Fighting for love, honor, and freedom on the galaxy's lawless outer rim... Abducted by alien slavers, experimented on, and left blind, the last thing doctor Winter Ashworth needs is a big barbarian gladiator in her life, especially an annoying one who thinks she's small and weak.

Rescued by gladiators on the desert world of Carthago, Winter is doggedly working to embrace her new life. But two of her friends are still missing and she'll do anything to help get them back...even if she has to work alongside Nero Krahn: hunter, barbarian, gladiator. The scowly, brooding man is too big, has too many muscles, and pushes all her buttons. Nero is the House of Galen's best hunter and tracker. Raised on a barbarian world, where strength and might are prized, he was bred to hunt and fight. Now the arena is his home and his loyalty is to his emperor. He knows he can use his skills to find the two lost women, even if that means protecting a small blind woman who takes every chance to misjudge his words and lash him with her sharp tongue. But as they follow a dangerous trail to save their friends, a new enemy emerges-one who wants Winter. The pair find themselves reluctantly attracted to each other, uncovering a scorching desire that shocks them both. As Nero fights to protect Winter, the barbarian gladiator will discover the true meaning of strength from the small Earth woman he wants to claim as his.

Electra Rex April C. Griffith 2021-03-09 Electra Rex, self-appointed 'galaxy's greatest starship captain' and last known human, is going to save humanity or get rich trying! Electra Rex, the last human in known space, is broke-worse than broke, deeply in debt and out of options. After a desperate, drunken attempt to fix her faltering life, she finds herself in a deeper hole after stealing the most stylish starship she's ever seen, but it comes with a massive lien. She's left with a fast ship, a nearly

indestructible debt-enforcement robot named Letterman watching her every move and a lead on a lucrative job with the mysterious organization known as Bi-MARP, which is set to rebuild Earth on the two-thousand-year anniversary of its destruction. Across two galaxies, she struggles to stay one step ahead of space pirates and creditors, all while trying to catch the eye of a beautiful, vivacious bisexual clone named Treasure, who was recently rescued from a top-secret university lab run by academic squids. She succeeds in seducing Treasure-or perhaps it's the other way around-while they run scams to find earthling relics like the original formula for Coca-Cola, a 1968 Volkswagen Beetle, a mostly complete Monopoly board game and a largely accurate, if not small and green, clone of an elephant. All the while, Electra has to hide the fact that Treasure is actually the most valuable item on the Bi-MARP list-a fertile human female. When the truth of humanity's demise and the goals of Bi-MARP are uncovered, Electra, the galaxy's foremost transgender hero, decides that the riches and fame aren't worth the sacrifices, and she turns on her former employer to rescue Treasure a third time, completing her search for money, what it means to be human without the rest of humanity and, most of all, love.

The Seventh Sword Dave Duncan 2017-07-11 A young man is transformed into a barbarian fighter in this adventurous series from “one of the leading masters of epic fantasy” (Publishers Weekly). In this complete collection of the high fantasy Seventh Sword series by Aurora Award-winning author Dave Duncan, Wallie Smith must face a new destiny and save an unfamiliar world from evil forces. *The Reluctant Swordsman*: Wallie goes to the hospital and wakes up in the body of a barbarian swordsman, accompanied by a voluptuous slave girl and an eccentric priest babbling about the Goddess. When he learns the Goddess needs a swordsman, he reluctantly agrees to set off on her quest. *The Coming of Wisdom*: Wallie is staring death in the face when the Goddess gives him a new body and the fabled Sapphire Sword in

return for being her champion. But Wallie and his weapon quickly find themselves outmatched in a world of high-stakes magic. The Destiny of the Sword: Wallie is entrusted by the presiding goddess with a mission to bring together all the swordsmen to finally defeat the sorcerers and their terrible technology. And while he's not quite convinced he should oblige, goddesses can be very persuasive . . . The Death of Nnanji: For fifteen years the truce has held, but now sorcerers have started killing swordsmen again and swordsmen traitors are aiding them. Wallie, known now as Shonshu, must ride out to fight the war he hoped would never come, and his failure or success will determine the fate of the world for the next thousand years.

**Faith and the Fighter** Honey Phillips 2020-06-29 A rogue spaceship captain. A human scientist. An explosive attraction. Faith has spent the past eight years as a scientist locked in an alien research lab. When she finally manages to escape and finds out what the aliens are doing with her work, she is appalled and determined to stop their plans. The alien spaceship captain who unknowingly assisted her escape is going to help her shut down the lab - whether he wants to or not. And she's not going to let his massive body or the kind heart hidden behind his gruff facade distract her. Captain Athtar finally has his life exactly the way he wants it - he has his ship, his crew, and his freedom. No mouthy little human is going to interfere with any of that, no matter how much she tempts him or how much his instincts demand that he claim her. If only he weren't as tempted as much by her brilliant mind as by her luscious body. Can Faith and Athtar fight their overwhelming attraction long enough to defeat the evil scientists and stay ahead of the Imperial Fleet? And when the battle is over, can there be a future for the two of them? Each book in the Alien Abduction series features a different couple and can be enjoyed as a standalone romance. Intended for mature readers.

*Alien Savior* Sadie Carter 2018-08-13 Darac Kola has lived for close to a hundred years without finding his true mate. Having

grown increasingly volatile, he knows his days are numbered. To protect his friends and family, he leaves Zerconia, knowing he will never return. Then he meets Willa. His mate. The one person who could pull him back from the edge of madness. With five brothers, Willa Sanchez has spent her life trying to be one of the boys. The last thing she needs is an overprotective, bossy alien claiming her as his mate. If he thinks she's going to give up her independence to play house for him, then he's got the wrong girl.

**Gladiator** Anna Hackett 2016-12-02 Fighting for love, honor, and freedom on the galaxy's lawless outer rim... When Earth space marine Harper Adams finds herself abducted by alien slavers off a space station, her life turns into a battle for survival. Dumped into an arena on a desert planet on the outer rim, she finds herself face to face with a big, tattooed alien gladiator...the champion of the Kor Magna Arena. A former prince abandoned to the arena as a teen, Raiden Tiago has long ago earned his freedom. Now he rules the arena, but he doesn't fight for the glory, but instead for his own dark purpose--revenge against the Thraxian aliens who destroyed his planet. Then his existence is rocked by one small, fierce female fighter from an unknown planet called Earth. Harper is determined to find a way home, but when she spots her best friend in the arena--a slave of the evil Thraxian aliens--she'll do anything to save her friend...even join forces with the tough alpha male who sets her body on fire. But as Harper and Raiden step foot onto the blood-soaked sands of the arena, Harper worries that Raiden has his own dangerous agenda...

*The Year's Best Science Fiction: Nineteenth Annual Collection*  
Gardner Dozois 2002-07-23 The twenty-first century has so far proven to be exciting and wondrous and filled with challenges we had never dreamed. New possibilities previously unimagined appear almost daily . . . and science fiction stories continue to explore those possibilities with delightful results: Collected in this anthology are such compelling stories as: "On K2 with Kanakaredes" by Dan Simmons. A relentlessly paced and

absorbing tale set in the near future about three mountain climbers who must scale the face of K2 with some very odd company. "The Human Front" by Ken MacLeod. In this compassionate coming-of-age tale the details of life are just a bit off from things as we know them-and nothing is as it appears to be. "Glacial" by Alastair Reynolds. A fascinating discovery on a distant planet leads to mass death and a wrenching mystery as spellbinding as anything in recent short fiction. The twenty-six stories in this collection imaginatively takes us far across the universe, into the very core of our beings, to the realm of the gods, and the moment just after now. Included here are the works of masters of the form and of bright new talents, including: Eleanor Arnason Chris Beckett Michael Blumlein Michael Cassutt Brenda W. Clough Paul Di Filippo Andy Duncan Carolyn Ives Gilman Jim Grimsley Simon Ings James Patrick Kelly Leigh Kennedy Nancy Kress Ian R. MacLeod Ken MacLeod Paul J. McAuley Maureen F. McHugh Robert Reed Alastair Reynolds Geoff Ryman William Sanders Dan Simmons Allen M. Steele Charles Stross Michael Swanwick Howard Waldrop Supplementing the stories are the editor's insightful summation of the year's events and a lengthy list of honorable mentions, making this book a valuable resource in addition to serving as the single best place in the universe to find stories that stir the imagination and the heart.

Rogue Anna Hackett 2017-11-29 Abducted by alien slavers and taken to a lawless desert world, the last thing she expects is to be claimed by a handsome alien rogue. Rogue contains two action-packed novellas in the Galactic Gladiators series. Information Rogue: arrogant information merchant Zhim doesn't know what hits him when he collides with feisty human hacker Ryan. Rescued by the humans and gladiators from the House of Galen, Ryan Nagano is working hard to piece her life back together. Her priorities are conquering her anxiety, recovering from her captivity, and using her exceptional computer skills to help the

House of Galen decrypt alien data that could reveal the location of other abducted humans. That's all she's focused on. But when she needs help, she finds herself having to work with arrogant genius Zhim...and discovers that the two of them redefine the word explosive. Zhim thrives on the need to uncover information and ensure his wealthy, carefully constructed life is exactly as he wants it. Then one infuriating menace of a woman blasts into his life. Ryan matches him skill for skill, drives him crazy, and worms her way under his skin. But forced to take her deep into Kor Magma's shadowy hacker underworld, Zhim soon learns exactly what he's willing to risk to keep Ryan safe. Desert Rogue: prickly, independent human Neve doesn't want or need any help...but a certain cocky desert rogue isn't taking no for an answer. Neve Haynes survived her abduction through grit and determination. She's always made her own way through life, depends on no one, and is determined to achieve her own personal mission. So as she sneaks out of the House of Galen, the last thing she needs is help in the form of a tawny-haired, lean-hipped caravan master with more confidence and swagger than any man she's met before. Corsair is a man of the desert and leader of the Corsair Caravan. He listens to his gut and something about Neve draws him in. He can't let her go off and get herself killed, but she's the most skittish, strongest woman he's ever met. As they trek deep into the desert on a dangerous mission to find a map to an infamous desert arena, they will fight side by side and be forced to depend only on each other to survive. And in Carthago's desert sands, they will uncover a desire that burns hotter than the desert sun.

**Prison Moon** Lily Graison 2018-04-17 Abducted by aliens and housed in an airtight room with twenty other girls wasn't Sara's idea of a good time. Neither was being dropped into the jungle of a Prison Moon, but for the rest of the galaxy, it was. She was the entertainment. The game? Survive the lawless alien criminals who ran wild or die trying, but there was no outrunning a dragon, and he didn't seem to be in any hurry to let her go. Toren has spent the last several centuries sleeping beneath the rubble of an abandoned temple. The wars decimated his world and now was used as a dumping ground for the most vile creatures in the galaxy. A Prison Moon where it was kill or be killed. He slumbers to escape but awakes when a female, the first he's seen in centuries, stumbles into his lair. And now that he's seen her, he's not letting her go. But the corporation that runs Prison Moon One has other plans. Broadcasting a televised event across the galaxy of an Arena fight between a live dragon and any willing to fight him will bring in more viewers, and money, than they could imagine. All they had to do was catch him and to do that, they had to take the girl.

Riches to Rags Casey L. Bond 2017-09-25 Most girls dream of being princesses, but one princess just wants to be a normal girl. Ella Carina, crown princess of Aelawyn, knows brutality and lies-she's seen the way her father rules. Princess. Possession. To her father, the words had the same meaning. She was only as valuable as the alliance formed with her betrothal. Her freedom comes from an unlikely place: an attack on the castle. When the conquering King offers to protect her from the betrothal her father arranged for political gain, she consents. Hiding her within a peasant family is the only way to keep her and her secret safe. In this simpler life, Ella flourishes and catches the eye of the local Blacksmith's son. For once, she can be herself and make her own choices, but the life of a princess-even one kept secret-was never meant to be easy. Trevor, crown prince of Galder has been

searching for Ella, but not because of their betrothal. She is in grave danger from the very people who hid her away. His plan is to show her the truth and help her to safety. Nothing goes as planned. When Trevor finds her, it's to discover she's fallen in love with a peasant. Now he has two goals: help her regain her throne... and show her that she belongs with him.

Alien Hunters Daniel Arenson 2015-01-19 "A fun, fast-paced space adventure... as action-packed as Star Wars or Battlestar Galactica." -- Jeff Bryan, author of Ellie Jordan, Ghost Trapper "Arenson has brought fun back to space opera. If you love Firefly or Guardians of the Galaxy, you'll dig this." -- Colin F. Barnes, author of Hollow Space The skelkrins. Predators from deep space. Creatures of claws, fangs, and unending malice. They swarm across the galaxy, slaying all in their path. Planets burn in their wake. And now they're heading to Earth. Raphael "Riff" Starfire commands the Alien Hunters, a group of scruffy mercenaries. Galactic pest controllers, they mostly handle small critters--aliens that clog up your engine pipes, gnaw on your hull, or burrow through your silos. Riff and his crew have never faced anything like the skelkrins before. As these cosmic killers invade our solar system, will Riff be the one hunting aliens . . . or will aliens hunt him? ALIEN HUNTERS -- a free space opera, alien invasion adventure for fans of Star Wars, Firefly, and Guardians of the Galaxy.

Malac Ava Ross 2021-03-29 An alien dragon king meets his fated mate in a woman from Earth. With conflict brewing in the kingdom, will he be forced to make a heart-breaking choice?

Bella: When I came to the subterranean kingdom of Driegon as a mail-order bride, I didn't expect the dragon king to sweep me off my feet, take flight, and claim me as his mate. He says a mythical mating ritual called the Torrent proves we're fated. Yeah, sure.

Then I find out he's almost engaged. He insists he'll find a way for us to be together, but I've fallen for pretty lies before, and I won't give my heart again easily. Malac: To end a war among the factions of my Driegon people, I must marry the daughter of a rival warlord. I've accepted my fate. Until I meet Bella, one of three Earthlings brought to my kingdom as mail-order brides. One touch, and my blood roars through me-the first sign of the Torrent. We're fated and I ache to claim her, yet I cannot betray my people. But the heart of a dragon will not be denied. Malac is Book 1 in the Brides of Driegon Series. This standalone, full-length story has on-the-page heat, aliens who look and act alien, a guaranteed happily ever after, no cheating, and no cliffhanger.

**Rescued by the Alien Viking** Lucee Joie 2020-11-27 A hunky alien from a barbaric race. A human so desperate to flee her planet that she enrolls in the Vikingr mail order bride program. What could possibly go wrong? The Earth is a desolate wasteland, taken over by space snakes determined to kill off humankind one woman at a time. However, there is one option in order to be free of the wretched place: agree to become a mail order bride for the fierce breed of Vikingr aliens. Tora is so desperate to leave the treacherous planet that she signs up to marry an alien that she has never actually met. Ragnex is just happy to finally be involved in something more than work. It seems like a good idea to Tora at first-even if the Vikingr have a certain reputation for being a brutal race. Known throughout the universe as fierce and battle-hungry, it is a ruse that these aliens are determined to keep in order to protect their planet from further plundering. But, can Tora chip away at Ragnex's harsh exterior to find the man beneath the beast? On a Barbarian World Anna Hackett 2015-12-18 When an independent deep-space scout crash-lands on an unknown alien world, the last thing she expects is to find herself claimed by a barbarian warrior. Aurina Phoenix spends most of her time

zooming through uncharted space and gathering intel for her family's deep-space convoy, but her life takes an unexpected detour when a meteor shower brings down her ship. She finds herself on a barren, low-tech planet inhabited by dangerous beasts...and lands in the arms of a brawny barbarian warlord. Markarian warrior Kavon Mal Dor is known for his skill in battle. He lives to protect his clan...and to avenge the murder of his father. Every move he makes is part of his grand plan for revenge, including finding a legendary sword and marrying a warlord's daughter. But when a beautiful skyflyer crashes into his world, she is the one thing he never counted on. Fighting their incendiary attraction, Aurina and Kavon make a deal: she'll help him find the sword and in return, he'll give her the emergency beacon she needs to get home. But as the search for the sword plunges them into a dangerous adventure they find themselves consumed by a powerful passion and questioning everything they've ever wanted. Note to readers: This sci fi romance contains a lot of action (think rival warlords, dangerous beasts and lost mines), cool offsiders (sexy alien warriors and overprotective brothers) and a steamy romance (lots of sexy times between two strong-willed people). This is treasure hunting sci-fi style. So if you like it fast, and fun, and sexy, this is for you!

Hunter Anna Hackett 2019-07-04 From the dangerous desert sands to the deadly glitz of the city, the lawless desert planet of Carthago is filled with lethal hunters risking it all for the women who capture their hearts. HUNTER contains two novellas and one short story all set in the Galactic Gladiators series. Desert Hunter: desert Hunter Bren will do whatever it takes to protect the smart, beautiful Mersi from his darkest secrets. NOTE: previously released as part of the 2018 Pets in Space Anthology Born, raised, and sold into servitude on the desert world of Carthago, Mersi Kassar has finally found her freedom and her place on the Corsair Caravan, leading travelers from the gladiator city of Kor Magna through the desert. She also works side by side

with her friend-the big, silent Bren-a man she's desperately in love with. But stubborn Bren shuts down her every attempt to deepen the feelings they have for each other and Mersi isn't sure she can take the pain anymore. Desert hunter Bren Hahn hides a terrifying darkness within, and will protect the few people he cares about. That includes Mersi-a woman who sparks a simmering passion he finds harder and harder to ignore. On a perilous journey in the heart of the desert, Mersi and Bren rescue a strange alien creature. Working together to heal the big, shaggy canine, their smoldering desire ignites, but their feelings turn out to be the least of their concerns. A deadly enemy is hunting their new pet. An enemy that threatens Bren's darkest secret and all they hold dear. Alien Hunter: head of security Tannon Gi lets no one get close, until a feisty cocktail waitress explodes into his orderly life. NOTE: this is a brand-new, never-before-published story Mina Lan'Gar left the desert for a new life in the glitzy heart of Kor Magna known as the District. As a brand-new cocktail waitress at the hottest casino, the Dark Nebula, she's just trying to get ahead, but all she seems to do is lock horns with the casino's taciturn head of security, Tannon Gi. The man's hard body, neat suits, and serious face make her want to mess him up a bit. When she overhears people conspiring to strike a private gladiator party the casino is hosting, she knows she needs to help Tannon stop the attack. Once a deadly alien hunter assassin, Tannon finally left the life that was destroying him one kill at a time, and made a life for himself at the Dark Nebula Casino. Nothing and no one causes trouble on his watch, and that includes the mysterious woman from the desert who stirs feelings in him that he's never felt before. When he and Mina find themselves swept up in a fierce passion and a deadly plot, they will soon learn that nothing is quite what it seems... Includes the short story: A Galactic Gladiators Christmas NOTE: this is a free read on my website Mistletoe, Santa Claus, and eggnog. Cyborg Emperor Magnus Rone finds himself in the middle of party filled

with rescued humans from Earth, gladiators, cyborgs, and children, trying to understand the strange traditions of Christmas.

**Hate Me** LP Lovell 2018-05-14 I'm a businessman. A cartel boss. She's collateral. I have no interest in her beyond keeping her alive for the man who now owns her. And yet...I'm fascinated by the little Russian. There is no room for weakness in my world, but it appears the delicate rose has steel petals. I'm willing to bleed for a willing touch, a trusting glance... A broken little bird. The big bad wolf. A love that could heal even the deepest scars. Hate me or hold me?

Mama and the Alien Warrior Bex McLynn 2019-05-08 Can a weary warrior and an abducted mother save each other? Abby Wentworth never regretted abandoning her corporate career to adopt her orphaned niece and run a maternity home. But she certainly never expected to find herself and her girls abducted by aliens who intend to sell them as breeders. When they are rescued by a massive alien and his crew, desires she has long suppressed start to surface. She finds herself unexpectedly drawn to the captain who treats both her and her daughter with unwavering devotion. Until his ship intercepts an illegal Vedeckian trader, Captain Hrebec is resigned to spending his life alone. The Cires lost their females to a plague many years ago. Now for the first time, this luscious human female has him longing for a mate and a family. But Abby has to get her girls back to Earth, and Hrebec may have one last chance to save his race. Will their duties force them apart? Or will they finally find a family of their own? Mama and the Alien Warrior is a standalone science fiction romance. This sweet and steamy HEA is intended for adults only.

**Rules of Redemption** T. A. White 2019-04-19 The war everyone thought was over is just beginning. Kira Forrest is a survivor. She's risen above the pain of her beginnings to become a war hero only to leave it all behind in the pursuit of a simple life. Now a salvager, she makes a living sifting through the wreckage of dead alien ships from a war that nearly brought humanity to its

knees. After her ship takes damage, she's forced to re-route to a space station where her past and present collide with dangerous consequences. Kira's existence holds the key to a faltering peace treaty with the Tuann--a technologically advanced alien race who dislikes and distrusts all humans. Winning her freedom should be easy, but a powerful and relentless Tuann warrior stands in her way. Deceiving him seems impossible, especially when he strays dangerously close to secrets she struggles to hide. Can Kira reconcile the pain of her past with the possibilities of her future? The fate of two races depends on her success.

**When Worlds Collide** Edwin Balmer 1932

**Captive** K.M. Fawcett 2013-06-04 "Fawcett delivers a suspenseful and captivating science fiction romance. A must read for all, but especially for fans of THE HUNGER GAMES." --

Caridad Pineiro, NY Times & USA Today bestselling author AN IMPOSSIBLE JOURNEY The last thing Addy Dawson remembers is a blazing inferno and freezing river water overtaking her lungs. When she awakens, Addy finds herself on a strange, alien planet, trapped in a cell with no doors, no windows-- and to her horror-- a naked warrior who claims to be her mate. AN UNDENIABLE PASSION An alpha gladiator, Max is forced to breed and produce the finest specimens for the Survival Race, a deadly blood sport created by the alien rulers of Hyborea. To rebel means torture-or worse--yet Max refuses to become the animal his captors want him to be. But their jailors will not be denied, and soon Addy and Max find themselves unwilling players in this cruel game. Pushed to the limit, they will risk everything for the chance at a life free from captivity. And though fate brought them together as adversaries, Max and Addy will discover that when they're together, there's nothing in the universe that can stop them .

**Charm** Tracy Wolff 2022-11-08 The instant #1 New York Times Bestselling Series Goodreads Most Anticipated YA Book of November Finally find out what happened during those missing four months, as the thrilling adventure continues! He's under my

skin... After Katmere, I shouldn't be surprised by anything. Including the existence of a world beyond my world called the Shadow Realm. Yet here I am, stuck in a strange, dangerous place with the worst of the supernaturals, the monster that other monsters fear: Hudson Vega. He might be Jaxon's brother and ridiculously hot, but he's a complete bona fide pain in my ass. The question is whether we'll find a way out before I kill him...or run out of time. She's stealing my heart... It's a truth universally known—at least according to Grace—that everything is my fault. But I have a nasty suspicion that Grace isn't as human as she thinks, and she's the one keeping us trapped. Now we'll have to work together not only to survive, but to save all those we've come to call family who live here. Because there's something connecting us. Something stronger than fear...and way more bloody dangerous. Don't miss a single book in the series that spawned a phenomenon! The Crave series is best enjoyed in order: Crave Crush Covet Court Charm Cherish

**Soul of Eon** Anna Hackett 2021-02-12 The last thing she expects is an instant mating with a handsome alien warrior...just before they are abducted by the deadly Kantos. Commander Kaira Chand of the Australian Air Force knows the meaning of loss. She lost both her beloved husband and her father over recent years, and she vows never to let a man close again. As head of security for a secret weapons facility in the Australian desert, she's fighting to protect the scientists working to defend Earth from invasion. That includes working with their allies, the Eon Warriors. What she never expected in her wildest dreams was to find herself instantly mated to a handsome, silver fox alien warrior. Medical Commander Thane Kann-Eon lives to heal. He's dedicated to keeping his crew aboard the warship, the Rengard, whole and healthy. Unlike his fellow warriors, he knows he'll never mate. There hasn't been a mating in his family for generations. Then a petite Terran commander changes everything. He's instantly drawn to Kaira, and as soon as their hands touch, he's stunned by

the deluge of emotion that crashes over him. An unheard-of instant mating. In the midst of their shocking connection, Kaira and Thane find themselves abducted by a Kantos strike team. Taken aboard a battlecruiser, they soon realize the insectoid aliens nabbed the wrong couple, and they are marked for execution. Now they face a wild race for survival that will take them to a distant, deadly world. They'll both struggle with their raw, intense mating bond, against the backdrop of a Kantos proving ground where everything is out to kill them.

**Cyborg** Anna Hackett 2018-04-10 Scientist Ever Haynes was shocked when she was abducted by alien slavers...but the last thing she expected was to find herself pregnant with a cyborg's baby. Ever has been fighting for her life since her abduction, and the only good thing to happen to her was one heated night with a mysterious prisoner—a connection, a flash of light in the darkness. But then he was rescued and she was left behind. Now, weeks later, she's been saved by the House of Galen gladiators...and by the man she shared the hottest night of her life with. But cool, emotionless cyborg Magnus Rone has no memory of their night together and finding out that she's expecting his baby is a shock to everyone. Created in a military program, Magnus is genetically and cybernetically enhanced—emotionless, ruthless, focused. He vows to protect Ever and the baby she carries, and despite his lack of memory, everything about tough, levelheaded Ever draws him in. All his life, his emotional dampeners and training have limited his ability to feel emotions...but one small Earth woman cuts through all that and leaves him feeling. As they work together to hunt down the deadly desert arena of Zaabha and the final human woman trapped there, Ever and Magnus find a stunning passion neither can resist or ignore. But in the dangerous desert sands of Carthago, with the House of Galen gladiators by their sides, deadly enemies are closing in. Ever and Magnus will be dragged back into the darkness, and Magnus will do anything and sacrifice everything to keep her safe.

these formats will help you choose the right one for your device and preferences.

### **Different Rogue A Scifi Alien Romance Galactic Gladiators Book 8 eBook Formats Explained**

#### 1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

#### 2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format

and may have limitations compared to EPUB, such as fewer font options.

#### 3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

#### 4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

#### 5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

### 6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Rogue A Scifi Alien Romance Galactic Gladiators Book 8 eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:
