*Stitched Memories* Tilly Rose 2018-08-21 Creating unique textile art using vintage cloth and embroidery to tell a story and preserve memories Vintage cloth, found objects, embroidery, layered cloth and hand-stitching are all artfully combined by Tilly Rose to create unique textile artworks that tell a story, record a special event, or preserve, display and celebrate a memory of a special person or place. Tilly describes how to create these textile artworks using scraps of fabric, thread, lace, ribbon, buttons, beads, photographs and other found items that readers either already own or have sourced from elsewhere. The projects take various forms, including cloth journals, lavender hearts, hoop art, framed collages, wall hangings and miniature quilts, and involve a variety of easy techniques that are explained through step-by-step demos at the start of the book. These include layering and collage, hand embroidery, creating your own fabrics, transferring your designs to cloth, stamping on cloth, appliqué, embellishing, patchwork, quilting, free motion embroidery and photo transfer. Create a textile artwork using fabric and items from your wedding, a child's first birthday, a Christening or your honeymoon, or even family heirlooms that can be cherished in a new way. The whole focus of the book is on inspiration and experimentation - encouraging the reader to be creative, collecting and sourcing materials of special significance and incorporating them into textile artworks that become treasured keepsakes.

In my quilt related travels, I've had the pleasure of meeting many such veteran quilters. This book was also developed to help celebrate the 25th anniversary of my Beaver Island Quilt Retreats (BIQR). Quilters who come to these retreats come with the expectation that they will be provided with an abundance of ideas which will help them design their own original work. The new works in this book were made specifically to provide ideas and inspiration to support the 2008 BIQR theme of making abstract quilts in solids.

Forget step-by-step instructions and copycat designs. In *The Improv Handbook for Modern Quilters*, Sherri Lynn Wood presents a flexible approach to quilting that breaks free of old paradigms. Every quilt made from one of Wood's scores will have common threads, but each one will look different because it reflects the maker's unique interpretation. Featured throughout the book are Wood's own quilts and a gallery of contributor works chosen from among the hundreds submitted when she invited volunteers to test her scores during the making of this groundbreaking work. "Wood offers a series of techniques, guidelines and lessons on color choice for those ready to explore improvisational quilting. Her book is loaded with full-color photos and examples to inspire." —Dallas Morning News "Despite how it may 'seam,' quilting isn't all about rules! **Mess** Keri Smith 2010-09-07 From the internationally bestselling creator of *Wreck This Journal*, a book that celebrates mistake- and mess-making like never before... Your whole life, you've been taught to avoid making a mess: try to keep everything under control, color inside the lines, make it perfect, and at all costs, avoid contact with things that stain. This book asks you to do the opposite of what you have been taught. Think of it as your own personal rumpus room. A place to let loose, to trash, to spew, to do the things you are not allowed to do in the "real world." There are only three rules you will find in this book: 1. Do not try to make something beautiful. 2. Do not think too much. (There is no "wrong.") 3. Continue under all circumstances. It's time to make a mess.

**Tula Pink's City Sampler** Tula Pink 2013-04-17 Create a sampler quilt as unique as you are! Tula Pink gives you an inspiring quilt block collection with Tula Pink's City Sampler. Make a beautiful, modern quilt of your own design with the 100 original quilt blocks or try one of the 5 city-themed sampler quilts designed by Tula. A note from Tula: "You will notice...that the blocks are not named but simply numbered. This is intentional. I may have designed the blocks and given you the instructions on what to cut and where to stitch, but I have not infused the blocks with any meaning. This is your quilt. The fabrics that you choose, the colors that you use and why you are making it are what will give the quilt a purpose. Name your blocks, write in the margins, cross out the ones that you don't like, draw hearts around the ones that you love. In a perfect world, everyone's book would end up looking like a journal, coffee stains and all. The more adventurous ones might rename the book and write their own introduction. Tula Pink's City Sampler is a collaboration between you and me. I am the platform and you are the speaker, so stand on my shoulders and tell the future who you are and why you make."
