[Violet Wings](#) Victoria Hanley 2011 After learning that she is an extremely powerful fairy, twelve-year-old Zaria Tourmaline uses her magic to try to learn about her parents' and brother's disappearance three years before, and to explore the human world--activities which put her and all of Feyland at risk.

Violet Made of Thorns Gina Chen 2023-07-18 NEW YORK TIMES BESTSELLER • A darkly enchanting fantasy about a lying witch, a cursed prince, and a sinister prophecy that ignites their doomed destinies—perfect for fans of *The Cruel Prince*. “Everything you want from an enemies-to-lovers fantasy starring morally gray characters.”—BuzzFeed Violet is a prophet and a liar, influencing the royal court with her cleverly phrased—and not always true—divinations. Honesty is for suckers, like the oh-so-not charming Prince Cyrus, who plans to strip Violet of her official role once he’s crowned at the end of the summer—unless Violet does something about it. But when the king asks her to falsely prophesy Cyrus's love story for an upcoming ball, Violet awakens a dreaded curse, one that will end in either damnation or salvation for the kingdom—all depending on the prince’s choice of future bride. Violet faces her own choice: Seize an opportunity to gain control of her own destiny, no matter the cost, or give in to the ill-fated attraction that’s growing between her and Cyrus. Violet’s wits may protect her in the cutthroat court, but they can't change her fate. And as the boundary between hatred and love grows ever thinner with the prince, Violet must untangle a wicked web of deceit in order to save herself and the kingdom—or doom them all.

Violet & Claire Francesca Lia Block 2009-10-13 This is the story of two girls, racing through space like shadow and light. A photo negative, together they make the perfect image of a girl. Violet is the dark one, dressed in forever black, dreaming Technicolor dreams of spinning the world into her very own silver screen creation. Claire is like a real-life Tinker Bell, radiating love and light, dressing herself in wings of gauze and glitter, writing poems to keep away the darkness. The setting is L.A., a city as beautiful as it is dangerous, and within this landscape of beauty and pain Violet and Claire vow to make their own movie. Together they will show the world the way they want it to be, and maybe then the world will become that place--a place where people no longer hate or fight or want to hurt. But when desire and ambition threaten to rip a seamless friendship apart, only one thing can make two halves whole again--the power of love. Francesca Lia Block's latest novel is a beautifully told story that boldly combines the world of film with the lyrical graceful language of poetry. The voices of two friends--one dark, one light--combine to tell a larger tale of love and loss, and the strength that comes from believing in dreams.

A Violet Butterfly Mae Turner 2007-07 This is the story of five women with one special thing in common: a friendship that binds them together even through years of separation and neglect. Fifteen years after leaving the college where they first met as idealistic girls-becoming-women, they come together for the funeral of a sixth friend who was found dead in her apartment after years in an abusive relationship. As the five remaining friends take a grief-induced stroll down memory lane, they remember the beauty of their friendship in those halcyon college days long past, and wonder if there is anything left among them worth salvaging.

[Violet Shrink](#) Christine Baldacchino 2020-03-01 In this powerful story from Christine Baldacchino, author of *Morris Micklewhite and the Tangerine Dress*, a young girl navigates social anxiety at

family gatherings and works with her father to find a solution. Violet Shrink doesn't like parties. Or bashes, or gatherings. Lots of people and lots of noise make Violet's tummy ache and her hands sweat. She would much rather spend time on her own, watching the birds in her backyard, reading comics or listening to music through her purple headphones. The problem is that the whole Shrink family loves parties with loud music and games and dancing. At cousin Char's birthday party, Violet hides under a table and imagines she is a shark gliding effortlessly through the water, looking for food. And at Auntie Marlene and Uncle Leli's anniversary bash, Violet sits alone at the top of the stairs, imagining she is a slithering snake way up in the branches. When Violet learns that the Shrink family reunion is fast approaching, she finally musters up the courage to have a talk with her dad. In this thoughtful story about understanding and acceptance, Christine Baldacchino's warm text demonstrates the role imagination often plays for children dealing with anxiety, and the power of a child expressing their feelings to a parent who is there to listen. Carmen Mok's charming illustrations perfectly capture Violet's emotions and the vibrancy of her imagination. A valuable contribution to books addressing mental health. Violet Wings Victoria Hanley 2011-06-02 For Zaria Tourmaline, the three years without her mother and brother have been lonely ones, living with a cold and distant guardian while she completes her education. Just as she is ready to join the world of adult fairies and genies, she finds a spellbook written entirely in her mother's hand. But this treasured object is not safe from a new enemy, a fairy with more power than Zaria ever dreamed existed. Only among the humans - who must never know fairies and genies exist - can Zaria hide the spellbook; but hidden magic, it turns out, can expose a fairy in ways she never thought possible . . .

While Violet sought out the spotlight, her sister Sasha, had to be the responsible one. But Sasha can never seem to escape her sister's tumultuous orbit. Then there's Cameron Frank, determined to finally get his big break hosting a podcast devoted to all things Violet—though keeping his job hinges on an exclusive interview with Sasha, the last person who wants to talk to him. As the ten-year anniversary approaches, the podcast picks up steam, and Cameron's pursuit of Sasha becomes increasingly intrusive. Meanwhile, Sasha begins to experience an unsettling series of sleepwalking episodes and coincidences, which all lead back to Violet. Pushed to her emotional limits, Sasha must finally confront the most painful truths about her sister, and herself, even at the risk of losing everything. Alternating between Sasha's narration and Cameron's podcast transcripts, interspersed with documents that offer a tantalizing peek at Violet herself, Acts of Violet is an utterly original, propulsive story of fame, deception, and forgiveness that will make you believe in magic.

But shortly before Violet's death, an earthquake sets a series of events in motion, and her deeply hidden past begins to resurface. When her beloved grandson returns home with a family secret in tow, Violet is forced to come to terms with the life she left behind so long ago--a life her family knows nothing about. A generational saga set against the backdrop of twentieth-century America and into the present day, *Pale Morning Light* with Violet Swan is the story of a girl who escaped rural Georgia at fourteen during World War II, crossing the country alone and broke.
