The Complete Vegetarian Cookbook America's Test Kitchen 2015-03-01 Best-Selling vegetarian cookbook destined to become a classic. Everyone knows they should eat more vegetables and grains, but that prospect can be intimidating with recipes that are often too complicated for everyday meals or lacking in fresh appeal or flavor. For the first time ever, the test kitchen has devoted its considerable resources to creating a vegetarian cookbook for the way we want to eat today. The Complete Vegetarian Cookbook is a wide-ranging collection of boldly flavorful vegetarian recipes covering hearty vegetable mains, rice and grains, beans and soy as well as soups, appetizers, snacks, and salads. More than 300 recipes are fast (start to finish in 45 minutes or less), 500 are gluten-free, and 250 are vegan and are all highlighted with icons on the pages. The book contains stunning color photography throughout that shows the appeal of these veggie-packed dishes. In addition, almost 500 color photos illustrate vegetable prep and tricky techniques as well as key steps within recipes.

Hamlyn All Colour Cookery: 200 Recipes for Kids Emma Jane Frost 2009-08-06 As parents, we all know that children can be notoriously difficult to cook for. Many of us fall into the habit of cooking the same dishes over and over again, simply because we cannot bear the idea of scraping wasted food into the bin at the end of a meal. However, a child's formative years are when they learn to accept and like new foods, and it is therefore of great importance to encourage them with new tastes and different textures as often as you can. *Hamlyn All Colour Cookbook: 200 Recipes for Kids* has been put together with this in mind, but also with the knowledge that children are generally fussy creatures and like their food to be simple and to look good. Each recipe has been photographed to show you exactly what you will be cooking (and what they will be eating), and has of course been tested for child-appeal. To prevent your children getting bored by the same meals, we have also added a creative variation at the end of each recipe.
