knotty questions of ever-changing word usage. Filled with fun facts—for example, the first documented usage of “OMG” was in a letter to Winston Churchill—and Stamper’s own stories from the linguistic front lines (including how she became America’s foremost “irregardless” apologist, despite loathing the word), *Word by Word* is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language.

Sorry: Hardest Word & how to Use it Max Davidson 2010 *Just say you are sorry.* It has become one of the drumbeats of the age. Fresh apologies are demanded every week: from broadcasters, politicians, errant spouses, disgraced bankers, myopic referees. Sometimes an apology is forthcoming, and honour is satisfied. But, for many people, the S-word proves a bridge too far: they shrink from using it even when common sense tells them that they should. How have we got ourselves into such a tangle over a simple two-syllable word? The English used to be world-champion apologisers: a nature of inveterate sorry-sayers. Now we hardly know if we are coming or going. Written by serial apologist Max Davidson, a man who believes in saying he is sorry, then waiting to be told what he is sorry for, *The Hardest Word* examines the origins and history of the word *sorry*; dissects some of the reasons that apologies are seen as a sign of moral weakness; explores the religious notion of sincere contrition; considers the legal consequences of admitting liability; and casts a sceptical eye over the fashion among politicians for apologizing for things that happened in the distant past. Some famous apologies are saluted; some famous failures to apologise deplored. *Praise for It's Not the Winning That Counts* by Max Davidson: *A simple but brilliant idea executed with great skill and judgment.*, Marcus Berkmann, *Daily Mail* *A collection of sporting stories whose plots and punch lines quicken the step and lift the heart.*, Jim White, *Daily Telegraph*

The Three Hardest Words Leonard Sweet 2010-05-26 Three simple words—"I love you"—capture the heart of Jesus' life and ministry. These three words form the bottom line and top drawer of all his teachings. And they remain the three hardest words in the world to get right. Two pronouns and a verb have never been so difficult to grasp, much less to practice. Popular culture has ruined love's reputation by redefining it first as romance, and then as lust. But it's not just the meaning of the word love that causes so much confusion. To fully understand love, we also need to find out who we are in God's eyes and whom we are commanded to love. Following Jesus can be described as the daily practice of all three words: I. Love. You. There is nothing more rewarding, and nothing more risky. Join Leonard Sweet in this eye-opening, life-altering exploration of three simple, one-syllable words. After all, the lifestyle of love is the only life that Jesus calls you to live. There is nothing more challenging than adopting the three-word lifestyle of Jesus as your own. Perhaps you have wondered why love seems to work for everyone else, but not for you. Or maybe you've done your best to love those around you, but it seems that life has drained your last drop of trust and affection. Nothing is better than love when it's right; and nothing is more destructive than attempts at love that fail to follow the Jesus prescription for a healthy life. Jesus devoted his earthly life to saying these three words—I love you—and teaching us how to say them. As Jesus defined love, it takes everything you've got...and then even more, which only God can give. The lifestyle of love is not something you can master on your own, but Jesus is

ready to show you how. Starting today, you can learn to live "I love you"-the three hardest words in the world to get right. Leonard Sweet, PhD, serves as the E. Stanley Jones Professor of Evangelism at Drew Theological School in Madison, New Jersey. He is also a Distinguished Visiting Professor at George Fox University in Newberg, Oregon, and founder and president of SpiritVenture Ministries. He has written many books, including *Out of the Question...Into the Mystery* and the trilogy *SoulTsunami*, *AquaChurch*, and *SoulSalsa*.

The Ziz, a wonderful bird who lived long ago, is so big and clumsy that he can't keep from bumping into things. When a tree he knocks over destroys the children's garden, he seeks God's help to fix things. "Bring me the hardest word," God instructs him, and the Ziz flies off to search. Different Seasons Stephen King 2017-03-28 Four novellas from Stephen King bound together by the changing of seasons, each taking on the theme of a journey with strikingly different tones and characters. This gripping collection begins with "Rita Hayworth and the Shawshank Redemption," in which an unjustly imprisoned convict seeks a strange and startling revenge--the basis for the Best Picture Academy Award-nominee *The Shawshank Redemption*. Next is "Apt Pupil," the inspiration for the film of the same name about top high school student Todd Bowden and his obsession with the dark and deadly past of an older man in town. In "The Body," four rambunctious young boys plunge through the facade of a small town and come face-to-face with life, death, and intimations of their own mortality. This novella became the movie *Stand By Me*. Finally, a disgraced woman is determined to triumph over death in "The Breathing Method."--Provided by publisher.
