Cozy Cat Caper Mystery Box Set: Books 4-6 Paige Sleuth Welcome to Cherry Hills, where small-town life can be deadly. This box set includes books four through six of the Cozy Cat Caper Mystery series. If you enjoy light, fun, cozy mysteries without excessive violence, bad language, or graphic scenes, then grab this three-book collection today and join Kat Harper and her two crime-fighting felines in their quest for justice! Vanished in Cherry Hills (Book 4) Is it possible to track down someone who doesn't want to be found? Kat Harper spent most of her childhood in foster care, being raised by strangers while the woman who gave her life quietly slipped into the shadows. Now in her thirties, Kat longs to locate the mother she barely remembers. Little does she know, so do the police. It turns out, Kat's mother is suspected

of a crime that's gone unsolved for thirty years. And if Kat is successful in her quest, her mother might reenter her life only to spend her remaining years behind bars. Torn between her greatest wish and her biggest fear, Kat's not sure what to do. Living in darkness for another thirty years isn't an option, but will her need for answers end up forever alienating the one person she yearns to connect with most? Shot in Cherry Hills (Book 5) Animal rescue with a side of murder. What starts off as a foster dog wellness check turns into a nightmare when a gunshot leads Kat Harper to a man's dead body. Eric Halstead's killer is gone by the time Kat arrives on the scene, but the amateur sleuth isn't about to let them get away that easily. By all accounts, this homicide appears to be a neighborhood dispute turned deadly. And now it's up to Kat to determine exactly which neighbor pulled the trigger. Was it the do-it-yourself handyman who didn't appreciate Eric's frequent noise complaints? Or could it have been the local newspaper thief who swears he knows something relevant to the murder but refuses to talk to the police? And Kat certainly can't discount the loudmouthed older gentleman who seems to have a not-always-popular opinion about everything. Kat might not know "whodunit" yet, but she knows one thing for sure. There's a lot more than justice riding on this case. With Eric's death comes the need to rehome his beloved tuxedo cat. And if Kat's not careful, this animal rescue mission may end with the newly orphaned feline falling into the hands of a cold-blooded killer. Strangled in Cherry Hills (Book 6) Three cats, two dogs, and one dead body. Kat Harper isn't the only one with a knack for stumbling upon crime scenes. This time she's led to the corpse du jour by her adventurous cat Matty and one determined dachshund. It doesn't take long before the dead man is identified as local dog walker Jeffrey Parr—and his doxie client could be the only eyewitness to this latest Cherry Hills homicide. Kat doesn't set out to investigate, but what can she do when the task of reuniting the dachshund with his owner introduces her to more

suspects than she can count? Between Jeffrey's disgruntled clients and his angry exes, Kat has her hands full trying to determine "whodunit." That might be a blessing in disguise though. As the amateur sleuth soon learns, success often comes with a price. And when Kat finds herself in the killer's crosshairs, it might just be up to her furry feline friends to save her from becoming the next murder victim. Book Review Sweet Holidays This book is third in the Samantha
Sweet mystery series which features a fifty-something woman
who breaks into houses for a living. Her sideline business—baking
delectable cakes and goodies—has now blossomed into a full-time
pastry shop and Sam is about to experience her first Christmas
season as entrepreneur, which she juggles with the commitments
of her previous job and a budding romance with Beau Cardwell,
the county sheriff. Honeymoons Can Be Murder This book is sixth

Parker finds herself drawn somewhat against her better judgment
into the cases that come into her family private investigation firm.
This time, Charlie and her husband Drake—newlyweds—have
been given the chance for an extended Christmas-season
honeymoon at a cozy cabin in the snowy mountains near Taos,
New Mexico. While the fireplace burns brightly indoors, a new
mystery presents itself and Charlie becomes wrapped up in a
puzzle involving false murder accusations, stolen artifacts, and
someone whose actions mean to leave Charlie to die in the cold.
Buried Secrets Can Be Murder Charlie Parker is hoping for a

holiday season without drama but that just isn't going to happen. Her office assistant's baby is due any moment, her brother is engaged to a woman Charlie is only now beginning to know, and her social calendar is becoming incredibly full. When she and Drake are invited to a soiree at a showplace historic home, she's eager to go. But before she can fully settle in and enjoy the season, a disturbing case comes through the door at RJP Investigations and Charlie can't turn away the distraught man whose life was ripped apart by the disappearance of his children several years earlier. She has to do everything in her power to make his family holiday a happy one, even if the effort might very well destroy her own. *Holidays Can Be Murder* This Christmas novella brings together all that we love about the holidays—special foods, plenty of sweets, and visiting mothers-in-law. Charlie is about to host Drake's mother for the week and isn't at all sure how that will work out. They make ready for the visit with all the extras that make a New Mexico Christmas so special—setting out luminarias, hanging the outdoor lights, putting up the tree, making green chile stew and hoping for snow. It should be perfect. It would be perfect, except for the murder that happens right in their neighborhood. (Includes two bonus New Mexico holiday recipes.)

Cozy Cat Caper Mystery Box Set: Books 7-9 Paige Sleuth

2021-04-19 Welcome to Cherry Hills, where small-town life can be deadly. This box set includes books seven through nine of the Cozy Cat Caper Mystery series. If you enjoy light, fun, cozy mysteries without excessive violence, bad language, or graphic scenes, then grab this three-book collection today and join Kat Harper and her two crime-fighting felines in their quest for justice! Halloween in Cherry Hills (Book 7) Halloween has arrived in Cherry Hills, Washington—the worst time of the year for a black cat to disappear. Coming home to discover a beloved fur baby has gone missing is every pet parent's worst nightmare. But that's exactly what happens to Cherry Hills High School teacher Tracy Montgomery. The question is, did Midnight escape, or was he catnapped? With all evidence suggesting the friendly black cat

didn't sneak out on his own, Kat Harper and her fellow Furry Friends Foster Families animal rescue volunteers take it upon themselves to locate the elusive feline and reunite him with his frantic owner. Unfortunately, their only leads turn out to be a scrap of paper and the neighborhood witch's cryptic vision. But the lack of clues isn't going to deter Kat. Halloween is fast approaching, and giving up now could very well mean letting an animal thief triumph. Stabbed in Cherry Hills (Book 8) Job hunting can be murder. Kat Harper wants nothing more than to forget about her disastrous job interview, but that's pretty hard to do when your interviewer turns up dead. Now Kat's search for employment has turned into a search for a killer. As Kat soon discovers, she has her work cut out for her. Leo Price left behind quite a few enemies, including a struggling former business partner and a bevy of ex-girlfriends. But the amateur sleuth isn't going to let the abundance of suspects discourage her. While she labors to find temporary accommodations for Stumpy, Leo's gray Manx cat, she's also sniffing out as many clues as she can. She'd better hope the wrong person doesn't catch wind of her investigation though, or it may be up to her furry feline pals to save her from tragedy once more. Thanksgiving in Cherry Hills (Book 9) Thanksgiving is a time for crime in Cherry Hills, Washington. Kat Harper expects her biggest Thanksgiving challenge to be coming up with an edible vegan pumpkin pie, but that all changes when a woman is mugged outside her apartment building. Unfortunately, Sylvia Garcia isn't the only victim of this cruel act. Sylvia had only just finished food shopping on behalf of a local homeless shelter before she was attacked, and the thief made off with all her spoils. Now it's questionable whether the less fortunate residents of Cherry Hills will have much to be thankful for this holiday season. Lucky for them, Kat's on the case. With a heaping scoop of amateur sleuthing, a pinch of determination, and a dollop of assistance from her two justice-seeking felines, Kat won't stop investigating until she's identified

the guilty party. And, just maybe, she can help to put a family back together in the process. All of the Cozy Cat Caper Mystery books can be enjoyed as standalones but will be better appreciated as part of the series. The books are light, fun cozy mysteries featuring an animal-loving female amateur sleuth, lovable and not-so-lovable quirky characters, and a page-turning mystery that needs solving. Frostfall Island Cozy Mystery Series London Lovett

2023-01-22 This volume contains books 1-3 of London Lovett's Frostfall Island Cozy Mystery series. Join Anna St. James and her cast of merry misfits on Frostfall Island for three full-length murder mysteries. Murder at North Pond (Book 1) When Anna St. James graduated college with a business degree, she never expected to find herself running a boarding house on a small island off the east coast. But life throws a lot of curves and Anna has certainly had her share of them. Now, settled into life as owner and landlady of the Moon River Boarding House on Frostfall Island, Anna couldn't imagine living anywhere else or without the unique and somewhat eccentric tenants she considers family. Anna would be perfectly content baking and keeping house but Frostfall Island, lovely, remote and somewhat wild, always manages to throw a curve of its own. Most of the time, Frostfall is a charming island with a busy fishing boat harbor and town that attracts summer tourists. But occasionally, quite occasionally, if that's a phrase, there's an unexpected murder. Without a dedicated police force, the locals look to Anna to solve crimes. She's not entirely sure how she landed the role of amateur sleuth but she takes her side job seriously. When a man dies in a pirate battle reenactment, Anna steps into gear. Only this time, she has a parallel mystery to solve. Her newest tenant,

Nathaniel Smith, is quite the puzzle, a puzzle who came with a piercing blue gaze and a trove of secrets. Death by Rocky Road (Book 2) Anna St. James is having a great summer. Her newest tenant is working out fine, the weather on Frostfall Island is fabulous and the tourists have returned. (Although Anna wishes there were a few less of them.) The island is hosting a massive romance reader event complete with big name authors, cover models, enthusiastic readers and best of all ice cream sundaes. Anna's sister, Cora, and their eccentric housemate, Opal, are anxious to attend so they can meet their favorite authors. Anna decides to tag along to see what all the excitement is about. And excitement is definitely not lacking. When one of the most popular authors winds up dead, it is up to Anna to find out which of her many enemies was pushed far enough to commit murder. Ice Cold Killer (Book 3) Winter has blanketed Frostfall Island and while most of the tourists are long gone, there is still plenty of activity. A hockey tournament brings a large group of ice enthusiasts to Frostfall. Anna and the gang are looking forward to the diversion. Aside from adding a bit of chaos to an otherwise sleepy, snow-covered island, the event stirs up controversy and brings to light old family grievances. When Simon Snowstone, the richest man on the island, is found dead in his home, Anna soon finds herself snow deep in a murder case. Now she must untangle a family history to find out who killed the family patriarch. More in the series: Bakery Bump Off (Book 4) Book 5: TBA

Cozy Cat Caper Mystery Box Set: Books 10-12 Paige Sleuth
2023-01-12 Welcome to Cherry Hills, where small-town life can be deadly. This box set includes books ten through twelve of the Cozy Cat Caper Mystery series. If you enjoy light, fun, cozy mysteries without excessive violence, bad language, or graphic scenes, then grab this three-book collection today and join Kat Harper and her two crime-fighting felines in their quest for justice! Frozen in Cherry Hills (Book 10) First days can be killer. Kat Harper's first day at her new job doesn't go as planned when

a runaway cat leads her to a dead body outside of her office building. Things only get worse when Sadie Cramer's death is deemed a homicide, and Kat has to wonder what she's gotten herself into by accepting this position. Much to Kat's—and her police detective boyfriend's—dismay, she soon encounters plenty of people with motive for murder. From an employee fired right before the Thanksgiving holiday, to a grown son ruthlessly cut out of an inheritance, it seems the late career counselor angered several people shortly before her passing. And now it's up to the office building's newly hired amateur sleuth to figure out exactly who is guilty . . . preferably without turning into a victim herself.

Hit & Run in Cherry Hills (Book 11) When death imitates art . . . Cherry Hills resident Kat Harper finds herself embroiled in another murder investigation when a local artist is run down in the street. There's no question this was a deliberate act, but who was behind the wheel? Between a money-hungry gallery owner, a brooding rival painter, and the victim's jealous sister, Kat's not sure who had more motive. And, unfortunately, nobody appears to have gotten a good look at the driver—except perhaps for an extremely territorial white cat named Clover. But Clover is too busy guarding his favorite chair to reveal "whodunit." That means it's up to Kat and Kat alone to track down this latest killer. Will the amateur detective succeed, or will this be the case that finally stumps her?

Christmas in Cherry Hills (Book 12) Santa isn't the only one making deliveries this Christmas . . . Kat Harper's holiday visit with her long-lost mother turns out to be nothing like the happy family reunion she envisioned. Maybelle Harper has no qualms about flirting with Kat's police detective boyfriend, and she seems more interested in seeing old friends than her daughter. Worse yet, she hates cats. But Kat might have to put her disappointment aside when bigger problems arise—unwelcome gifts have been showing up on her doorstep, and she has no idea who her secret admirer is, or why she's been added to his Christmas list. But her hopes wither and die when her biggest competitor is found dead and she's accused of murder. Teaming up with her blunt-speaking elderly friend, and a dreamy cop, Quincy desperately digs for clues to prove she didn't do it. But her mother's gossip network and the return of her crazy ex threaten to blight her investigation. Can Quincy unearth the culprit, or will she be buried along with her business? Arrangements Wedding bells are ringing and the groom has gone missing in small town Hillside. Florist Quincy McKay was all set for wedding season, until the groom from one wedding disappeared and the groom from another became the prime suspect. Hard for a florist to make a living on weddings without the grooms, and even harder for her to stay out of the investigation, when the suspected culprit is the fiancé of her truth-telling older friend and sidekick, K.C. All Quincy wants is success in business, a happy family and the perfect romance with Alex Cooper, the hottest cop in the state. Not necessarily in that order, of course. The trouble is, between Alex's job and everyone else's weddings, it's getting harder and harder for Quincy and Alex to find any time to themselves. Every time the flames of passion ignite between them, someone or something shows up to fizzle the fire, including her meddling mother, her formerly absent father and even Elma, the handsiest waitress in the West. Just when Quincy thinks nothing else could go wrong, a ghost from Alex's past comes back to haunt them both, which could keep them apart forever if someone doesn't kill Quincy first. She stumbles into the clues to solve the case of the missing groom and finds a corpse as well, with the real culprit right on her sensible but stylishly clad heels, proving that planning a wedding can literally be murder. *Deadly Arrangements* is the second book in the charming Flower Shop cozy mystery series. If you like quirky characters, bizarre cases, and a little romance, too, then you'll love Annie Adams' funny, feisty mystery. *A Christmas Arrangement* It's Christmastime in Hillside, but holiday spirit is in short supply for busy flower shop owner Quincy McKay. She's in charge of the town festival and her shop's open house, but her Santa's a no-show and her flower cooler is on the fritz. To make matters worse, she's learned her ex-husband isn't as ex as she'd thought. Just when she thought things couldn't get any worse, her boyfriend, hot cop Alex Cooper announces his parents are coming to town. Alex is the perfect man in Quincy's book, unfortunately

his mother thinks he's perfect too. And no woman is perfect enough for her perfect son, especially not the weird flower shop girl who works too much, can't cook and who she catches kissing another man in the department store. And what's this she heard about Quincy being married? Eleanor Cooper must help her son dodge a bullet (and not the kind from his job) during the romantic holiday season to prevent him from being ensnared in a regrettable relationship. Quincy's dignity (of which lately she's in short supply), her reputation, and every business in town are riding upon the success of the city's Christmas celebration. If she can figure out a way to make it work despite failing equipment, helpers as flaky as the falling snow, and a troubling and inappropriate Secret Santa, she might win the respect of everyone in the town, but more importantly, Alex's parents. If Alex can survive his loving but meddling mother until Christmas, and keep Quincy safe from her crazy ex-husband, with a little help from the MLM (Mormon Ladies Mafia), and K.C. the she-Santa, he'll arrange for the perfect holiday for himself and the woman who has captured his heart Buy The Arrangements to weed out a small-town murderer today!

She doesn't intend to get involved, but what choice does she have when Mrs. Tinsdale's now orphaned tortoiseshell cat shows up on her doorstep looking for help? After all, Matty was the sole witness to her owner's violent death and might just hold the key to solving this case. But who would want to see the elderly Mrs. Tinsdale dead? A well-dressed English woman turns up at her door, swearing she's a witch. If that's not crazy enough, she explains Lily's brother, James, has been kidnapped and the Paranormal Investigation Bureau needs Lily's help finding him. And the craziest part? The Englishwoman tells Lily she's a witch too. Before she can say, "Where's my coffee?" she's on a plane bound for Westerham, England. Unfortunately, England's not as welcoming as she hoped--she's barely arrived before she gets set up, arrested and almost shot. Things can only get better from here, right? Yeah, right... Witch Swindled in Westerham: Book 2 Just when Lily's settling into life in Westerham and making new friends, the Paranormal Investigation Bureau needs her help again. A witch has been misappropriating millions from unsuspecting retirees, but she's destroyed all the evidence. Lily's unique witchy skills are the only thing that can uncover the past and get the PIB the evidence it needs. Even though Lily has her own plans, nothing seems to go right. Her fun day in London turns into a devastating collision with her past, and super-hot Agent Crankypants is annoying as hell. He knows all her buttons to press, and she's not sure if she wants to kiss him or strangle him, or maybe both. Then tracking down the PIB's suspect puts Lily's new friendship at risk, and, if that's not enough, it finally brings Lily face-to-face with death. Can Lily solve the crime before someone dies? And will the universe give her a break before she loses what's left of her sanity? Unfortunately, coffee

alone can't fix things this time. Witch Undercover in Westerham: Book 3 Deciding to have more fun in Westerham, Lily takes up life-drawing classes with her friend Olivia. But trouble isn't far away; the art teacher goes missing after the second class. Tracking down the art teacher is proving impossible, and the PIB's best lead is murdered before they can find out everything he knows. Yet again, Lily's unique witchy skills are called upon to help. The problem? It's dangerous for her to reveal her talents. She's already the target of a secret organisation intent on kidnapping her, and now those closest to her fear a threat inside the PIB itself. To help solve the case, Lily makes a dangerous choice: to go undercover with no backup. But has she just made a fatal mistake? So much for witches having it easier.
