Olivia Twist Lorie Langdon 2018-03-06 Olivia Twist is an innovative reimagining of Charles Dickens' classic tale Oliver Twist, in which Olivia was forced to live as a boy for her own safety until she was rescued from the streets. Now eighteen, Olivia finds herself at a crossroads: revealed secrets threaten to destroy the "proper" life she has built for herself, while newfound feelings for an arrogant young man she shouldn't like could derail her carefully laid plans for the future. Olivia Brownlow is no damsel in distress. Born in a workhouse and raised as a boy among thieving London street gangs, she is as tough and cunning as they come. When she is taken in by her uncle after a caper gone wrong, her life goes from fighting and stealing on the streets to lavish dinners and soirees as a debutante in high society. But she can't seem to escape her past ... or forget the teeming slums where children just like her still scabble to survive. Jack MacCarron rose from his place in London's East End to become the adopted "nephew" of a society matron. Little does society know that MacCarron is a false name for a boy once known among London gangs as the Artful Dodger, and that he and his "aunt" are robbing them blind every chance they get. When Jack encounters Olivia Brownlow in places he least expects, his curiosity is piqued. Why is a society girl helping a bunch of homeless orphan thieves? Even more intriguing, why does she remind him so much of someone he once knew? Jack finds himself wondering if going legit and risking it all might be worth it for love.

Auntie Mame Patrick Dennis 2002-02-05 With a wit as sharp as a vodka stinger and a heart as free as her spirit, Auntie Mame burst onto the literary scene in 1955--and today remains one of the most unforgettable characters in contemporary fiction. Follow the rollicking adventures of this unflappable flapper as seen through the wide eyes of her young, impressionable nephew and discover anew or for the first time why Mame has made the world a more wonderful place. "Outrageous, hilarious, ribald, sophisticated, slapsatiric." The Denver Post

Schiavi del sistema Ivan Maffei 2018-09-05 Gli esseri umani non sono mai stati liberi e, soprattutto nel ricco occidente, la schiavitù si è evoluta in una forma più subdola: quella mentale. Dal momento in cui veniamo messi al mondo, fino al giorno della nostra morte, siamo parte di un sistema che controlla, limita e punisce le masse. I cosiddetti governi democratici hanno capito che è molto più facile manipolare i popoli, piuttosto che assoggettarli con la forza. Il risultato è una società vuota, apatica, in cui ogni individuo è indottrinato a eseguire passivamente qualsiasi ordine gli viene impartito, e a essere felice di obbedire al padrone.

From Slavery to Aid Benedetta Rossi 2015-08-25 From Slavery to Aid engages two major themes in African historiography, the slow death of slavery and the evolution of international development, and reveals their interrelation in the social history of the region of Ader in the Nigerien Sahel. Benedetta Rossi traces the historical transformations that turned a society where slavery was a fundamental institution into one governed by the goals and methods of 'aid'. Over an impressive sweep of time - from the pre-colonial power of the Caliphate of Sokoto to the aid-driven governments of the present - this study explores the problem that has remained the central conundrum throughout Ader's history: how workers could meet subsistence needs and employers fulfil recruitment requirements in an area where natural resources are constantly exposed to the climatic hazards characteristic of the edge of the Sahara.

[My First Book of Numbers](#) The Read With You Center for Language Research and Development 2018-09

[Threads of Life](#) Clare Hunter 2019-10-15 This globe-spanning history of sewing and embroidery, culture and protest, is "an astonishing feat . . . richly textured and moving" (The Sunday Times, UK). In 1970s Argentina, mothers marched in headscarves embroidered with the names of their "disappeared" children. In Tudor, England, when Mary, Queen of Scots, was under house arrest, her needlework carried her messages to the outside world. From the political propaganda of the Bayeux Tapestry, World War I soldiers coping with PTSD, and the maps sewn by schoolgirls in the New World, to the AIDS quilt, Hmong story clothes, and pink pussyhats, women and men have used the language of sewing to make their voices heard, even in the most desperate of circumstances. Threads of Life is a chronicle of identity, memory, power, and politics told through the stories of needlework. Clare Hunter, master of the craft, threads her own narrative as she takes us over centuries and across continents—from medieval France to contemporary Mexico and the United States, and from a POW camp in Singapore to a family attic in Scotland—to celebrate the universal beauty and power of sewing.
