*Tales from the Pine Forest* Christine L. Ramoutar 2012-01-05 In a faraway pine forest on the island of Trinidad lives a lovely red squirrel family. Their home is a cosy, warm hole on Honey Nut Bough in a tall and sturdy pine tree. Mrs. Nimble Knock and her three little squirrels, Quickskip, Chuckles, and Hopscotch, have a happy life until Mr. Nimble Knock goes hunting for nuts in the forest one day and never returns. Deeply saddened by his disappearance, Mrs. Nimble Knock lets Mr. Twinkle Tip, a friendly, old star who loves the forest animals, stay with them as a special family friend. As Mr. Twinkle Tip settles comfortably into his new home inside a quaint lantern in the tree, the young squirrels begin to learn how to survive in the pine forest. When a pile of cashew nuts goes missing, Mr. Twinkle Tip puts a spell on the front door and quickly catches Mr. Squeak, a rat with a greedy appetite for cashew nuts, illustrating to the three little squirrels an important message about honesty and trust. As Quickskip, Chuckles, and Hopscotch begin to explore the world outside their beloved pine tree, they learn valuable lessons from their mother and Mr. Twinkle Tip about avoiding greed, valuing family love, caring for others, being a good friend, being neighbourly, being tactful, and staying safe in the forest. In this delightful collection of short tales, the charming Nimble Knock squirrel family teaches children essential values for life and that

2020-01-07 A storybook celebrating Thomas the Tank Engine's birthday--plus stickers, a party game, and a poster! Train-loving boys and girls ages 3 to 7 can celebrate Thomas the Tank Engine's best birthday ever with this Thomas & Friends storybook featuring stickers, a poster, and a party game! In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about Thomas the Tank Engine and his friends--and the rest is history. Thomas & Friends(TM) are now a big extended family of engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies, and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately, about friendship, have delighted generations of train-loving boys and girls for more than 70 years and will continue to do so for generations to come.
