**Star Trek Movie Memories** William Shatner 2023-09-12 The legendary Captain Kirk takes readers behind the scenes of the long-running movie franchise from the first feature film to Star Trek: Generations. In this jam-packed memoir, William Shatner picks up where he left off with Star Trek Memories, recounting in equally intriguing detail what went into the making of the first six Star Trek movies, while including on-the-scene reporting from the set of Star Trek: Generations. Shatner discloses all of the creative turmoil, backstage politics, and production challenges that permeated every one of the movies. And with unflinching candor, he reveals the accumulated personal grudges that haven't mellowed with the passage of time. Drawing on in-depth interviews as well as Shatner's private reminiscences, the book recounts how Kirk's love interest in Star Trek IV began as a role for Eddie Murphy; the creative and production nightmares of Star Trek V; and the rewarding experience of the "classic" crew passing the torch to Patrick Stewart and the cast of The Next Generation. Star Trek Movie Memories contains more than one hundred photographs and illustrations. *Get a Life!* William Shatner 1999 Shatner examines the televisions shows' fan conventions.

**Up Till Now** William Shatner 2009-04-28 After almost sixty years as an actor, William Shatner has become one of the most beloved entertainers in the world. And it seems as if Shatner is everywhere. In Up Till Now, Shatner sits down with readers and offers the remarkable, full story of his life and explains how he got to be, well, everywhere. It was the original Star Trek series, and later its films, that made Shatner instantly recognizable, called by name---or at least by Captain Kirk's name---across the globe. But Shatner neither began nor has ended his career with that role. From the very start, he took his skills as an actor and put them to use wherever he could. He straddled the classic world of the theater and the new world of television, whether stepping in for Christopher Plummer in Shakespeare's Henry V or staring at "something on the wing" in a classic episode of The Twilight Zone. And since then, he's gone on to star in numerous successful shows, such as T.J. Hooker, Rescue 911, and Boston Legal. William Shatner has always been willing to take risks for his art. What other actor would star in history's first---and probably only---all-Esperanto-language film? Who else would share the screen with thousands of tarantulas, release an album called Has Been, or film a racially incendiary film in the Deep South during the height of the civil rights era? And who else would willingly paramotor into a field of waiting fans armed with paintball guns, all waiting for a chance to stun Captain...er, Shatner? In this touching and very funny autobiography, William Shatner's Up Till Now reveals the man behind these unforgettable moments, and how he's become the worldwide star and experienced actor he is today. "It is now Bill Shatner's universe---we just live in it."---New York Daily News

**The Return** William Shatner 1997 A novel to create a coda to Star Trek Generations -- and reveal the awesome secret of the return of Jams T. Kirk ... **Leonard** William Shatner 2016-02-16 New York Times Bestseller Leonard Nimoy and William Shatner first crossed paths as actors on the set of The Man from U.N.C.L.E. Little did they know that their next roles as Spock and Captain Kirk, in a new science fiction television series, would shape their lives in ways no one could have anticipated. In seventy-nine television episodes of Star Trek and six feature films, they grew to know each other more than most friends could ever imagine. Over the course of half a century, Shatner and Nimoy saw each other through personal and professional highs and lows. In this powerfully emotional book, Shatner tells the story of a man who was his friend for five decades, recounting anecdotes and untold stories of their lives on and off set, as well as gathering stories from others who knew Nimoy well, to present a full picture of a rich life. As much a biography of Nimoy as a story of their friendship, Leonard is a uniquely heartfelt book written by one legendary actor in celebration of another.

**Star Trek: Kirk Fu Manual** Dayton Ward 2020-03-03 In unabashed celebration of Captain James T. Kirk's singular fighting skills, Star Trek: Kirk Fu Manual is every Starfleet cadet's must-have training guide for surviving the final frontier. As captain of the legendary U.S.S. Enterprise, James T. Kirk engaged in his share of fisticuffs, besting opponents with a slick combination of moves and guile that remains unmatched. Is there anyone you'd rather have watching your back as you take on Klingons, alien gladiators, genetically engineered supermen, and even the occasional giant walking reptile? Kirk Fu is a series of unarmed combat techniques developed by one of Starfleet's most celebrated starship captains over several years of encounters with alien species on any number of strange new worlds. A blend of various fighting styles, Kirk Fu incorporates elements of several Earth-based martial arts forms as well as cruder methods employed in bars and back alleys on planets throughout the galaxy. It is as unorthodox in practice as it is unbelievable to behold. Including excerpts from Kirk's own notes and personal logs, the Star Trek: Kirk Fu Manual is the perfect training guide for surviving the depths of space. With proper training and practice, every Starfleet cadet can become one with Kirk Fu.
