Imperfect Delight Andrea De Carlo 2018-06-05 For fans of *The Hundred-Foot Journey* and *The Altogether Unexpected Disappearance of Atticus Craftsman*, a moving and charming novel from the beloved international author of *Two Out of Two* that follows two entirely different people struggling to make sense of their futures amid the beauty of Provence, France. It's fall in Provence, a season that combines the first chill of winter with a final stretch of warmth that is a last taste of summer. To mark the end of the season, at the local airfield a famous British rock band, the Bebonkers, will hold a concert that is both for charity and to celebrate charismatic lead singer Nick Cruickshank's third marriage. Preparations are in high gear, everything coming smoothly together under the tight supervision of Aileen, Nick's bride-to-be. In town, there is also a gelateria run by Milena Migliari, who creates, develops, and produces one-of-a-kind ice cream with artistic precision. Milena, who has bid adieu to men, now lives with Viviane. Milena's relationship with Viviane is solid and unwavering, in stark contrast to the delicacy of her ice cream. In a few days Milena will undergo fertility treatments, but she is not entirely convinced. She hesitates to confess her thoughts, however, as does Nick, who wonders when his relationship with Aileen lost its original spark. And so, a British rocker and an Italian artisan find their fates on a collision course and in the space of three days, the chaos intensifies resulting in an inevitable and exhilarating final encore.

The Big Water Živko Čingo 2004 Set in Macedonia immediately after World War 2, it tells the story of a group of children orphaned by the war and their life in an orphanage. Full of characters and incidents, the book presents a child's view of life that is both humorous and bleak and, by its end, very moving. At a metaphoric level, the novel presents a strong critique of the authoritarianism of both institutional life and the Communist system, and their inability to reconcile with the needs and nature of the individual. At the human level, *The Big Water* is a very positive and moving story of the emotional development of children, and of the fundamental and irreplaceable role of the mother. Readers will remember this story and its climax long after they have finished the book.

How to Write a Thesis Umberto Eco 2015-02-27 Umberto Eco's wise and witty guide to researching and writing a thesis, published in English for the first time. By the time Umberto Eco published his best-selling novel *The Name of the Rose*, he was one of Italy's most celebrated intellectuals, a distinguished academic and the author of influential works on semiotics. Some years before that, in 1977, Eco published a little book for his students, *How to Write a Thesis*, in which he offered useful advice on all the steps involved in researching and writing a thesis—from choosing a topic to organizing a work schedule to writing the final draft. Now in its twenty-third edition in Italy and translated into seventeen languages, *How to Write a Thesis* has become a classic. Remarkably, this is its first, long overdue publication in English. Eco's approach is anything but dry and academic. He not only offers practical advice but also considers larger questions about the value of the thesis-writing exercise. *How to Write a Thesis* is unlike any other writing manual. It reads like a novel. It is opinionated. It is frequently irreverent, sometimes polemical, and often hilarious. Eco advises students how to avoid "thesis neurosis" and he answers the important question "Must You Read Books?" He reminds students "You are not Proust" and "Write everything that comes into your head, but only in the first draft." Of course, there was no Internet in 1977, but Eco's index card research system offers important lessons about critical thinking and information curating for students of today who may be burdened by Big Data. *How to Write a Thesis* belongs on the bookshelves of students, teachers, writers, and Eco fans everywhere. Already a classic, it would fit nicely between two other classics: *Strunk and White* and *The Name of the Rose*. Contents The Definition and Purpose of a Thesis • Choosing the Topic • Conducting Research • The Work Plan and the Index Cards • Writing the Thesis • The Final Draft

Il mestiere di scrivere. Le parole al lavoro, tra carta e web Luisa Carrada 2008-01-01

House of Gold Natasha Solomons 2018 From the New York Times bestselling author of *The House at Tyneford*, an epic family saga about a headstrong Austrian heiress who will be forced to choose between the family she's made and the family that made her at the outbreak of World War I. Vienna, 1911. Twenty-one-year-old Greta Goldbaum has always hungered after what's forbidden: secret

university lectures, unseemly trumpet lessons, and most of all, the freedom to choose her life's path. The Goldbaum family has different expectations. United across Europe by unsurpassed wealth and power, Goldbaum men are bankers, while Goldbaum women marry Goldbaum men to produce Goldbaum children. Greta will do her part. So Greta moves to England to wed Albert, a distant cousin. The marriage is not a success. Yet, when Albert's mother gives Greta a garden, things at Temple Court begin to change. First Greta falls in love with her garden, then with England, and finally with her husband. But when World War I sends both Albert and Greta's beloved brother, Otto, to the front lines--one to fight for the Allies, one to fight for the Central Powers--the House of Gold is left vulnerable as never before, and Greta must choose: the family she's created or the one she was forced to leave behind. Set against a nuanced portrait of World War I, this is a sweeping family saga rich in historical atmosphere and heartbreakingly human characters. House of Gold is Natasha Solomons's most dazzling and moving novel yet.

The Revolution of the Moon Andrea Camilleri 2017-04-18 The award-winning author of the Inspector Montalbano series explores the political intrigue of seventeenth-century Sicily in this novel based on true events. Sicily, 1677. Just before his death, the viceroy of Spanish-controlled Sicily names his wife Doña Eleonora as his successor. The Holy Royal Council is scandalized by the thought of a woman running the government, and its corrupt councilors will do everything in their power to make her a viceroy in name only. But Eleanora has other plans—and proves herself to be far more cunning and capable than her many adversaries. In a land afflicted with poverty and misery, Eleonora successfully lowers the price of bread, reduces taxes for large families, reopens women's care facilities, and establishes stipends for young couples wishing to marry—measures considered to be seditious by the city fathers and the Church. But while she outmaneuvers the powerful men in her path time and time again, Eleonora's rule would last only twenty-seven days—one cycle of the moon. Based on a true story, author Andrea Camilleri's gripping and richly imagined novel tells the story of a woman whose courage and political vision is tested at every step by a corrupt and ruthless patriarchy.

Manituana Wu Ming 2010-06-14 1775—The conflict between the British Empire and the American colonies erupts in all-out war. Rebels and loyalists to the British Crown compete for an alliance with the Six Nations of the Iroquois, the most powerful Indian confederation, boasting a constitution hundreds of years old. In the Mohawk River Valley, Native Americans and colonists have co-existed for generations. But as the thunder of war approaches and the United States struggles violently into existence, old bonds are broken, friends and families are split by betrayal, and this mixed community is riven by hatred and resentment. To save his threatened world, the Mohawk war chief Joseph Brant sets off in a restless journey that will take him from New York to the salons of Georgian London at the heart of the British Empire.

Cocaine Massimo Carlotto 2015-05-07 In Carlotto's *The Campagna Trail*, Inspector Campagna uses an old friendship with notorious drug dealer Roby Pizzo in a Machiavellian attempt to keep the peace. But when an interfering new police chief demands Campagna bring down the Mafioso who heads Pizzo's gang, Campagna must use every weapon he has to save his job - and his life.

Meanwhile in Carofiglio's *The Speed of the Angel*, a writer in crisis strikes up an unlikely friendship with a mysterious woman he meets in a quiet seaside café. As their conversations deepen, and their obsessions darken, their drug-fuelled relationship begins to spiral, in this haunting tale of damnation and redemption. Finally in De Cataldo's *The White Powder Dance*, the city police are put on the trail of a baby-faced new graduate in the Milanese banking sector. As the pursuit accelerates through back streets and skyscrapers, it becomes clear that there is more to organised crime than getting your hands dirty.

Ciao amore mio Elisa Nizzoli 2013-08-26 ... Fin da quando ero una bambina di quattro anni giocavo chiusa nella mia camera, lontano dalle a volte, assordanti urla dei miei genitori, al matrimonio "perfetto" con le mie Barbie... A 27 anni ho realizzato il mio sogno: ho conosciuto lui, il mio amico prima, poi il mio compagno ed alla fine mio marito e padre della mia bambina. Avevo realizzato il mio sogno! Lui era un meraviglioso sogno. Poi quel 24 maggio del 2012 arrivò ... Arrivò lei: la morte ... Portandosi via tutto di me, portandosi via il mio amore, il mio sogno. Da quel giorno io sopravvivo, sopravvivo alla vita, alla morte. Nulla è come prima, nemmeno il caffè della mattina è lo stesso, ma sopravvivo per me e per mia figlia, ma soprattutto grazie a lui e a tutti quei "segnali" che da lassù mi manda ...

The Catholic School Edoardo Albinati 2019-08-13 A semiautobiographical coming-of-age story, framed by the harrowing 1975 Circeo massacre Edoardo Albinati's *The Catholic School*, the winner of Italy's most prestigious award, The Strega Prize, is a powerful investigation of the heart and soul of contemporary Italy. Three well-off young men—former students at Rome's prestigious all-boys Catholic high school San Leone Magno—brutally tortured, raped, and murdered two young women in 1975. The event, which came to be known as the Circeo massacre, shocked and captivated the country, exposing the violence and dark underbelly of the upper middle class at a moment when the traditional structures of family and religion were seen as under threat. It is this environment, the halls of San Leone Magno in the late 1960s and the 1970s, that Edoardo Albinati takes as his subject. His experience at the school, reflections on his adolescence, and thoughts on the forces that produced contemporary Italy are painstakingly and thoughtfully rendered, producing a remarkable blend of memoir, coming-of-age novel, and true-crime story. Along with indelible portraits of his teachers and fellow classmates—the charming Arbus, the literature teacher Cosmos, and his only Fascist friend, Max—Albinati also gives us his nuanced reflections on the legacy of abuse, the Italian bourgeoisie, and the relationship between sex, violence, and masculinity.

GOVERNOPOLI SECONDA PARTE ANTONIO GIANGRANDE E' comodo definirsi scrittori da parte di chi non ha arte né parte. I letterati, che non siano poeti, cioè scrittori stringati, si dividono in narratori e saggisti. E' facile scrivere "C'era una volta..." e parlare di cazzate con nomi di fantasia. In questo modo il successo è assicurato e non hai rompicabele che si sentono diffamati e che ti querelano e che, spesso, sono gli stessi che ti condannano. Meno facile è essere saggisti e scrivere "C'è adesso..." e parlare di cose reali con nomi e cognomi. Impossibile poi è essere saggisti e scrivere delle malefatte dei magistrati e del Potere in generale, che per logica ti perseguitano per farti cessare di scrivere. Devastante è farlo senza essere di sinistra. Quando si parla di veri scrittori ci si ricordi di Dante Alighieri e della fine che fece il primo saggista mondiale. Le vittime, vere o presunte, di soprusi, parlano solo di loro, inascoltati, pretendendo aiuto. Io da vittima non racconto di me e delle mie traversie. Ascoltato e seguito, parlo degli altri, vittime o carnefici, che l'aiuto cercato non lo concederanno mai. "Chi non conosce la verità è uno sciocco, ma chi, conoscendola, la chiama bugia, è un delinquente". Aforisma di Bertolt Brecht. Bene. Tante verità soggettive e tante omertà son tasselli che la mente corrompono. Io le cerco, le filtro e nei miei libri compongo il puzzle, svelando l'immagine che dimostra la verità oggettiva censurata da interessi economici ed ideologie vetuste e criminali. Ossessioni collettive Geert Lovink 2016-04-12T00:00:00+02:00 Con la grande maggioranza degli utenti di Facebook presa dalla mania di aggiungere amici, scrivere «mi piace», lasciare commenti, sarebbe forse il caso di fermarci e riflettere sugli effetti che i social network hanno sulle nostre vite oramai sature di informazioni. Che cosa ci spinge, quasi fosse un obbligo, a impegnarci tanto diligentemente con i diversi network? Il libro esamina la nostra ossessione collettiva per l’identità e il management di sé stessi coniugati con la frammentazione e il sovraccarico di informazione della cultura online. Lovink traccia un percorso innovativo, analizzando criticamente motori di ricerca, video online, blog, radio digitale, mediattivismo e Wikileaks. Questo libro lancia un forte messaggio rivolto a tutti gli utenti della Rete: liberiamo le nostre capacità critiche e cerchiamo di influenzare tecnologia e spazi di lavoro, o saremo destinati a sparire nella Rete. Pungente e acuto, senza essere pessimista, Lovink offre una critica delle strutture politiche e del potere incorporati nelle tecnologie che modellano la nostra vita quotidiana.

Long Live Latin Nicola Gardini 2019-11-12 A lively exploration of the joys of a not-so-dead language From the acclaimed novelist and Oxford professor Nicola Gardini, a personal and passionate look at the Latin language: its history, its authors, its essential role in education, and its enduring impact on modern life—whether we call it “dead” or not. What use is Latin? It’s a question we’re often asked by those who see the language of Cicero as no more than a cumbersome heap of ruins, something to remove from the curriculum. In this sustained meditation, Gardini gives us his sincere and brilliant reply: Latin is, quite simply, the means of expression that made us—and continues to make us—who we are. In Latin, the rigorous and inventive thinker Lucretius examined the nature of our world; the poet Propertius told of love and emotion in a dizzying variety of registers; Caesar affirmed man’s capacity to shape reality through reason; Virgil composed the Aeneid, without which we’d see all of Western history in a different light. In Long Live Latin, Gardini shares his deep love for the language—enriched by his tireless intellectual curiosity—and warmly encourages us to engage with a civilization that has never ceased to exist, because it’s here with us now, whether we know it or not. Thanks to his careful guidance, even without a single lick of Latin grammar readers can discover how this language is still capable of restoring our sense of identity, with a power that only useless things can miraculously express.

Perché la rete ci rende intelligenti Howard Rheingold 2013-05-14T00:00:00+02:00 Che siate entusiasti delle straordinarie potenzialità della rete o angosciati per le dimensioni della vostra casella di posta elettronica, le considerazioni di Howard Rheingold su come imparare il nuovo alfabeto digitale meritano la vostra attenzione. Le competenze essenziali che l’autore descrive non solo vi serviranno per non farvi sommergere dal diluvio di informazioni ma vi aiuteranno a sviluppare tutto il potenziale dell’intelligenza collettiva in rete. Nell’alfabetizzazione digitale sono in gioco conseguenze sociali e personali assai più rilevanti che non il semplice arricchimento individuale. Mettendo insieme i singoli sforzi, è possibile costruire una società più seria, attenta e responsabile: innumerevoli piccoli gesti, come pubblicare una pagina Web o condividere un link, se uniti fra loro, possono tradursi in un patrimonio di beni comuni che migliora tutti. Usare il Web consapevolmente può renderci davvero più intelligenti, come dimostra questo libro, scritto nello stile

notoriamente brillante di Rheingold.

Someone to Run With David Grossman 2009-08-17 A bestselling love story of two teenagers - and one missing dog - on the run in Jerusalem by the highly esteemed author of *The Zigzag Kid* 'Brings together the differing aspects of his writing in a book that unites social realism and dizzy teenage romance ... This is a book about feelings, about highs and lows, chemical, emotional, religious' Daily Telegraph Earnest, awkward and painfully shy, sixteen-year-old Assaf is having the worst summer of his life. With his big sister gone and his best friend suddenly the most popular kid in their class, Assaf spends his days at a lowly summer job in Jerusalem City Hall and his evenings alone, watching television and playing games on the Internet. One morning, Assaf's routine is interrupted by an absurd assignment: to find the owner of a stray yellow labrador. Meanwhile on the other side of the city, Tamar, a talented singer with a lonely, tempestuous soul, undertakes an equally unpromising mission: to rescue a young drug addict from the Jerusalem underworld ... and, eventually, to find her dog.

A Window Opens Elisabeth Egan 2015-08-25 What happens when having it all proves too much to handle? In this "fresh, funny take on the age-old struggle to have it all" (People) a wife and mother of three leaps at the chance to fulfill her professional destiny—only to learn every opportunity comes at a price. "A winning, heartfelt debut" (Good Housekeeping), *A Window Opens* introduces Alice Pearse, a compulsively honest, longing-to-have-it-all, sandwich generation heroine for our social-media-obsessed, lean in (or opt out) age. Like her fictional forebears Kate Reddy and Bridget Jones, Alice plays many roles (which she never refers to as "wearing many hats" and wishes you wouldn't, either). She is a (mostly) happily married mother of three, an attentive daughter, an ambivalent dog-owner, a part-time editor, a loyal neighbor and a Zen commuter. She is not: a cook, a craftswoman, a decorator, an active PTA member, a natural caretaker, or the breadwinner. But when her husband makes a radical career change, Alice is ready to lean in—and she knows exactly how lucky she is to land a job at Scroll, a hip young start-up which promises to be the future of reading. The Holy Grail of working mothers—an intellectually satisfying job and a happy personal life—seems suddenly within reach. Despite the disapproval of her best friend, who owns the local bookstore, Alice is proud of her new "balancing act" (which is more like a three-ring circus) until her dad gets sick, her marriage flounders, her babysitter gets fed up, her kids start to grow up, and her work takes an unexpected turn. In the midst of her second coming of age, Alice realizes the question is not whether it's possible to have it all but, what does she really want the most? "Smart and entertaining...with refreshing straight-forwardness and humor" (The Washington Post), "fans of *I Don't Know How She Does It* and *Where'd You Go, Bernadette* will adore *A Window Opens*" (Booklist, starred review).

The Shadow of the Shadow Paco Ignacio 2010-10-08 The Shadow of the Shadow follows four men who meet to play dominos in a hotel bar in Mexico City in 1922. They are a motley group a gun-toting poet who makes a living writing advertisements for patent medicine, a radical Chinese-Mexican union organizer, a lawyer who represents prostitutes, and a newspaper crime reporter who churns out pages of copy like links of sausage in a chorizo factory. Left to their own devices, the group would have waited out Carranza's presidency in their own quietly besotted fashion, ignoring the betrayal of the Mexican Revolution. But they witness a series of strangely related murders and begin to suspect a conspiracy involving the oil-rich lands of the Gulf Coast, greedy army officers, and American industrialists. Critics have hailed The Shadow of the Shadow as the best of Paco Ignacio Taibo II's historical novels. Issues of oil, American imperialism, extortion, and government corruption give the novel a distinctly contemporary ring.
