The Criminology of Place David Weisburd 2012-10-01 The study of crime has focused primarily on why particular people commit crime or why specific communities have higher crime levels than others. In *The Criminology of Place*, David Weisburd, Elizabeth Groff, and Sue-Ming Yang present a new and different way of looking at the crime problem by examining why specific streets in a city have specific crime trends over time. Based on a 16-year longitudinal study of crime in Seattle, Washington, the book focuses our attention on small units of geographic analysis-micro communities, defined as street segments. Half of all Seattle crime each year occurs on just 5-6 percent of the city's street segments, yet these crime hot spots are not concentrated in a single neighborhood and street by street variability is significant. Weisburd, Groff, and Yang set out to explain why. *The Criminology of Place* shows how much essential information about crime is inevitably lost when we focus on larger units like neighborhoods or communities. Reorienting the study of crime by focusing on small units of geography, the authors identify a large group of possible crime risk and protective factors for street segments and an array of interventions that could be implemented to address them. *The Criminology of Place* is a groundbreaking book that radically alters traditional thinking about the crime problem and what we should do about it.

Criminology Stephen Eugene Brown 2013 This highly acclaimed criminology text presents an up-to-date review of rational choice theories, including deterrence, shaming, and routine activities.

Complicated Lives Vera Lopez 2017-06-12 *Complicated Lives* focuses on the lives of sixty-five drug-using girls in the juvenile justice system (living in group homes, a residential treatment center, and a youth correctional facility) who grew up in families characterized by parental drug use, violence, and child maltreatment. Vera Lopez situates girls' relationships with parents who fail to live up to idealized parenting norms and examines how these relationships change over time, and ultimately contribute to the girls' future drug use and involvement in the justice system. While Lopez's subjects express concerns and doubt in their chances for success, Lopez provides an optimistic prescription for reform and improvement of the lives of these young women and presents a number of suggestions ranging from enhanced cultural competency training for all juvenile justice professionals to developing stronger collaborations between youth and adult serving systems and agencies.

Justice, Liability, And Blame Paul H. Robinson 2019-03-13 This book examines shared intuitive notions of justice among laypersons and compares the discovered principles to those instantiated in American criminal codes. It reports eighteen original studies on a wide range of issues that are central to criminal law formulation.

Inside the Criminal Courts David Richard Lynch 2009 *Inside the Criminal Courts* is an innovative textbook that combines elements of nonfiction with fictional stories based in large part on author David Lynch's experiences as a full-time prosecutor and full-time public defender. Lynch, who holds both a law degree and a PhD in criminal justice, has published numerous articles on the criminal courts in such leading journals as *Law & Social Inquiry*, *Criminal Justice and Behavior*, and the *Journal of Criminal Justice*. He currently teaches in the criminal justice program at Weber State University where he recently won a prestigious teaching award. *Inside the Criminal Courts* covers all of the usual topics generally associated with a course on the criminal courts, but does so by integrating the essentials into compelling and realistic stories that are enjoyable to read. Students learn important concepts and terms which are embedded in instructive case studies featuring prosecutors, defense attorneys, judges, witnesses, defendants, and others. Far from being merely a book on the law, this text takes the reader behind the scenes on a journey into the real world dynamics of criminal courthouse justice. An instructor's manual (including a test bank) is available. Topics explored in this book are presented in fifteen chapters as follows: (1) The Education of Lawyers and Judges; (2) A Day in Juvenile Court; (3) Justice Delayed; (4) The Criminal Defense Attorney; (5) The Prosecuting Attorney; (6) The Judge; (7) The Witness; (8) The Steps of Due Process; (9) The Plea Bargain; (10) The Trial, Part I; (11) The Trial, Part II; (12) The Jury Deliberates; (13) Sentencing; (14) The Appeal; (15) Problem-Solving Courts. In this second edition, the author (who has both a law degree and a Ph.D. in criminal justice) has added, among other things, helpful "Questions for Class Discussion" to each chapter and a brand new, provocative final chapter that ties the entire book together. The Teacher's Manual is available electronically on a CD or via email. Please contact Beth Hall at bhall@cap-press.com to request a copy. "*Inside the Criminal Courts* is a pinnacle in the annals of textbooks. Lynch's engaging writing style takes students on a captivating journey through the criminal courts and gives voice to a system that is seemingly cold and confusing. The characters offer insider views of the legal system in a manner that will have students eagerly awaiting the next chapter. Students and instructors in criminology, criminal justice, pre-law, and sociology will find this an intriguing book that facilitates the learning experience with a bold, fresh approach." -- Mary Dodge, Director of Criminal Justice Programs, University of Colorado Denver School of Public Affairs "As a former criminal defense attorney and Illinois Appellate Court law clerk, I often find criminal court textbooks inadequate because they explain how the legal system should theoretically operate, but do not expose students to the realities of the criminal court system. *Inside the Criminal Courts* captures how criminal courts function through narratives that explain the various stages of the judicial process. Students often express how much they enjoy reading the book." -- Jo-Ann Della Giustina, Graduate Program Coordinator, Bridgewater State College "*Inside the Criminal Courts* could stand alone or as a supplement to a more general text on the criminal justice system. Lynch has produced an easy-to-read, enjoyable, and informative book on the criminal courts that will serve students well. I recommend the adoption of this book by anyone teaching in this area." -- *Criminal Justice Review*, on the first edition

Criminology Noel Cross 2012-08 'Criminology' is designed to help you to relate all the reading and study throughout your course specifically to exam and assignment situations. Understand quickly what is required, organise your revision, and learn the key points with ease, to get the grades you need.

Key Ideas in Criminology and Criminal Justice Travis C. Pratt 2010-10-20 By focusing on key ideas in both criminology and criminal justice, this book brings a new and unique perspective to understanding critical research in criminology and criminal justice -- heretofore, the practice has been to separate criminology and criminal justice. However, given their interconnected nature, this book brings both together cohesively. In going beyond simply identifying and discussing key contributions and their effects by giving students a broader socio-political context for each key idea, this book concretely conceptualizes the key ideas in ways that students will remember and understand.

Restoring Justice Daniel W. Van Ness 2002 The book outlines why criminal justice is in need of a new vision, and how restorative justice can meet this need. The authors define restorative justice and its values, explore its foundational underpinnings, and details ways to build restorative justice into policy and practice. The book grew out of a three-year project investigating the theory behind restorative justice, the principles for its application, and the implementation of practical programs to advance the restorative justice vision. This second edition continues with the mission by examining how restorative justice concepts have been applied, and by evaluating the conceptual and practical objections and obstacles to restorative justice in practice.

CRIMINOLOGY BOOK TWO ROB. WEBB 2019

Criminology: The Basics Sandra Walklate 2013-03 As crime continues to be a high profile issue troubling politicians, the public and the media alike, the study of criminology has boomed. Providing an international and comparative introduction to the discipline, *Criminology: The Basics* is an accessible guide to the theoretical and practical approaches to the phenomena of crime. Topics covered in this new edition include: challenging myths about crime and offenders the search for criminological explanation thinking about the victim of crime introduction to critical criminology crime prevention and the future of crime control looking to the future, cultural criminology and terrorism. Easy to read, concise and supported by a glossary of terms and pointers to further reading, *Criminology: The Basics* is a perfect introduction to this important and popular subject.

Law Express: Exam Success (Revision Guide) Emily Finch 2014-08-01 *Law Express: Exam Success* is designed to help you to relate all your reading and study throughout your course specifically to exam situations. Understand quickly what is required, organise your revision, and learn the key points with ease, to get the grades you need. Tested with examiners and students.

Criminology Explains Police Violence Philip Matthew Stinson Sr. 2020-01-21 *Criminology Explains Police Violence* offers a concise and targeted overview of criminological theory applied to the phenomenon of police violence. In this engaging and accessible book, Philip M. Stinson, Sr. highlights the similarities and differences among criminological theories, and provides linkages across explanatory levels and across time and geography to explain police violence. This book is appropriate as a resource in criminology, policing, and criminal justice special topic courses, as well as a variety of violence and police courses such as policing, policing administration, police-community relations, police misconduct, and violence in society. Stinson uses examples from his own research to explore police violence, acknowledging the difficulty in studying the topic because violence is often seen as a normal part of policing.

Criminological Theories Ronald L. Akers 2013-07-04 In *Criminological Theories*, the noted criminologist Ronald Akers provides thorough description, discussion, and appraisal of the leading theories of crime/delinquent behavior and law/criminal justice - the origin and history of each theory and its contemporary developments and adherents. Akers offers a clear explanation of each theory (the central concepts and hypotheses of each theory as well as critical criteria for evaluating each theory in terms of its empirical validity). Researchers and librarians, as well as general readers, will find this book a very useful tool and will applaud its clear and understandable exposition of abstract concepts.

Vice, Crime, and Poverty Dominique Kalifa 2019-04-16 Beggars, outcasts, urchins, waifs, prostitutes, criminals, convicts, madmen, fallen women, lunatics, degenerates—part reality, part fantasy, these are the grotesque faces that populate the underworld, the dark inverse of our everyday world. Lurking in the mirror that we hold up to our society, they are our counterparts and our doubles, repelling us and yet offering the tantalizing promise of escape. Although these images testify to undeniable social realities, the sordid lower depths make up a symbolic and social imaginary that reflects our fears and anxieties—as well as our desires. In *Vice, Crime, and Poverty*, Dominique Kalifa traces the untold history of the concept of the underworld and its representations in popular culture. He examines how the myth of the lower depths came into being in nineteenth-century Europe, as biblical figures and Christian traditions were adapted for a world turned upside-down by the era of industrialization, democratization, and mass culture. From the Parisian demimonde to Victorian squalor, from the slums of New York to the sewers of Buenos Aires, Kalifa deciphers the making of an image that has cast an enduring spell on its audience. While the social conditions that created that underworld have changed, *Vice, Crime, and Poverty* shows that, from social-scientific ideas of the underclass to contemporary cinema and steampunk culture, its shadows continue to haunt us.

Criminology: The Key Concepts Martin O'Brien 2008-06-23 *Criminology: The Key Concepts* is an authoritative and comprehensive study guide and reference resource that will take you through all the concepts, approaches, issues and institutions central to the study of crime in contemporary society. Topics covered in this easy to use A-Z guide include: policing, sentencing and the justice system types of crime, including corporate crime, cybercrime, sex and hate crimes feminist, marxist and cultural approaches to criminology terrorism, state crime, war crimes and human rights social issues such as anti-social behaviour, domestic violence and pornography criminal psychology and deviance Fully cross-referenced, with extensive suggestions for further reading and in-depth study of the topics discussed, this is an essential reference guide for students of Criminology at all levels.

Equity & Trusts Concentrate Iain McDonald 2013-01-10 Accurate and accessible, *Concentrate* law study and revision guides enable you to take exams with confidence. Including revision tips and advice for extra marks, alongside a thorough and focussed breakdown of the key topics and cases, this guide will help you to get the most out of your revision and to maximise your performance in exams.

The New Jim Crow Michelle Alexander 2020-01-07 Named one of the most important nonfiction books of the 21st century by Entertainment Weekly, Slate, Chronicle of Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—"one of the most influential books of the past 20 years," according to the Chronicle of Higher Education—with a new preface by the author "It is in no small part thanks to Alexander's account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system." —Adam Shatz, London Review of Books Seldom does a book have the impact of Michelle Alexander's *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander's unforgettable argument that "we have not ended racial caste in America; we have merely redesigned it." As the Birmingham News proclaimed, it is "undoubtedly the most important book published in this century about the U.S." Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

Criminology: A Complete Introduction: Teach Yourself Peter Joyce 2013-01-04 Written by Peter Joyce, who is a current criminology lecturer and a leading researcher, *Criminology - The Essentials* is designed to give you everything you need to succeed, all in one place. It covers the key areas that students are expected to be confident in, outlining the basics in clear jargon-free English, and then providing added-value features like summaries of key books, and even lists of questions you might be asked in your seminar or exam. The book uses a structure that mirrors many university courses on criminology - starting with definitions of crime, then examining why people commit crime, and how crime can be prevented and detected. Later chapters hone in on the criminal justice system itself, examining the role of the police, the courts and prisons. This book is unique for its comparative approach to criminology, enabling students to understand criminology in the context of the UK, the US and further afield. *Teach Yourself* titles employ the 'Breakthrough method', which is designed specifically to overcome problems that students face. - Problem: 'I find it difficult to remember what I've read.'; Solution: this book includes end-of-chapter questions and summaries - Problem: 'Most books mention important other sources, but I can never find them in time.'; Solution: this book includes key texts and case studies are summarised, complete with fully referenced quotes ready to use in your essay or exam. - Problem: 'Lots of introductory books turn out to cover totally different topics than my course.'; Solution: this book is written by a current university lecturer who understands what students are expected to know.

EU Law Concentrate Matthew Homewood 2018-08-02 *The EU Law Concentrate* is written and designed to help you succeed. Written by experts and covering all key topics, *Concentrate* guides help focus your revision and maximise your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases. Revision guides you can rely on: trusted by lecturers, loved by students... "I have always used OUP revision and Q&A books and genuinely believe they have helped me get better grades" - Anthony Poole, law student, Swansea University "The detail in this revision textbook is phenomenal and is just what is needed to push your exam preparation to the next level". - Stephanie Lomas, law student, University of Central Lancashire "It is a little more in-depth than other

revision guides, and also has clear diagrams and teaches ways to obtain extra marks. These features make it unique" - Godwin Tan, law student, University College London "The concentrate revision guides stand out against other revision guides" - Renae Haynes Williams, law student, Bangor University "The exam style questions are brilliant and the series is very detailed, prepares you well" - Frances Easton, law student, University of Birmingham "The accompanying website for Concentrate is the most impressive I've come across" - Alice Munnely, law student, Kings College London "-it is a fantastic book. It covers absolutely all topics you need for the course". - Emma McGeorge, law student, Strathclyde University

Law Express: Criminology Noel Cross 2012-10-12 From the makers of the bestselling law revision series, Law Express: Criminology is designed to help both law and social science students revise effectively. This is your guide to understanding essential concepts, remembering and applying key theories, developing good critical analysis, and making your answers stand out.

No Crueler Tyrannies Dorothy Rabinowitz 2004-03-02 In *No Crueler Tyrannies*, Pulitzer Prize-winning journalist Dorothy Rabinowitz re-frames the facts, reconsiders the evidence, and demystifies the proceedings of some of America's most harrowing cases of failed justice. Recalling the hysteria that accompanied the child sex-abuse witch-hunts of the 1980s and 1990s, Rabinowitz's investigative study brings to life such alarming examples of prosecutorial terrors as the case against New Jersey nursery school worker Kelly Michaels, absurdly accused of 280 counts of sexual assault; the as-yet-unfinished story of Gerald Amirault's involvement in the Fells Acres scandal; Patrick Griffin, a respected physician whose life and reputation were destroyed by one false accusation of molestation; and Miami policeman Grant Snowden's sentencing of five consecutive life terms for a crime that, as proved in court eleven years later, he did not commit. By turns a shocking exposé, a much-needed postmortem, and a required-reading assignment for prosecutors and judges alike, *No Crueler Tyrannies* is ultimately an inspiring book about the courage of ordinary citizens who believe in the American judicial system enough to fight for due process.

Why They Kill Richard Rhodes 2015-10-21 Why do some men, women and even children assault, batter, rape, mutilate and murder? In his stunning new book, the Pulitzer Prize-winner Richard Rhodes provides a startling and persuasive answer. *Why They Kill* explores the discoveries of a maverick American criminologist, Dr. Lonnie Athens -- himself the child of a violent family -- which challenge conventional theories about violent behavior. By interviewing violent criminals in prison, Dr. Athens has identified a pattern of social development common to all seriously violent people -- a four-stage process he calls "violentization": -- First, brutalization: A young person is forced by violence or the threat of violence to submit to an aggressive authority figure; he witnesses the violent subjugation of intimates, and the authority figure coaches him to use violence to settle disputes. -- Second, belligerency: The dispirited subject, determined to prevent his further violent subjugation, heeds his coach and resolves to resort to violence. -- Third, violent performances: His violent response to provocation succeeds, and he reads respect and fear in the eyes of others. -- Fourth, virulency: Exultant, he determines from now on to utilize serious violence as a means of dealing with people -- and he bonds with others who believe as he does. Since all four stages must be fully experienced in sequence and completed to produce a violent individual, we see how intervening to interrupt the process can prevent a tragic outcome. Rhodes supports Athens's theory with historical evidence and shows how it explains such violent careers as those of Perry Smith (the killer central to Truman Capote's narrative *In Cold Blood*), Mike Tyson, "preppy rapist" Alex Kelly, and Lee Harvey Oswald. *Why They Kill* challenges with devastating evidence the theory that violent behavior is impulsive, unconsciously motivated and predetermined. It offers compelling insights into the terrible, ongoing dilemma of criminal violence that plagues families, neighborhoods, cities and schools.

Tort Law Concentrate CAROL. BRENNAN 2019-08 *Tort Law Concentrate* is written and designed to help you succeed. Accurate and reliable, *Concentrate* guides help focus your revision and maximise your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases.

Criminology and Criminal Justice Peter Joyce 2014-04-04 This book presents a summary of the key ideas that seek to explain criminal behaviour and the measures that have been developed to prevent crime. A broad overview of the criminal justice system is provided in order to explain the operations of the key criminal justice agencies and the processes that are involved in bringing offenders to justice. Readers are encouraged to develop the basic knowledge they have obtained in these areas by tackling a number of questions, making use of additional reading of key texts suggested in the book. Attention is devoted to key sources from which information regarding crime and the criminal justice system can be explained. Good practice regarding the presentation and assessment of written work is also provided, in particular in connection with referencing. Readers are also introduced to the wide variety of methods that can be used to carry out criminological research and are invited to engage in exercises that include the marking of sample essays and the design of a questionnaire.

WJEC Level 3 Applied Certificate & Diploma Criminology: Study and Revision Guide Carole A Henderson 2022-09-09 The perfect companion to the popular Level 3 Criminology Student Book from Illuminate, this Study and Revision Guide summarises key information in a manageable and highly-visual way. // Written by experienced teachers and examiners it includes a wealth of practice exam questions and model answers to help students refine their exam technique. // Offers invaluable guidance to ensure students are well prepared for the controlled assessments with a summary covering key points for the Assessment Criteria. // Criminological theories are broken down and advice is provided to help students apply and evaluate these theories. // Engaging activities and other stimulating features such as 'Take it further', 'Test Yourself' and 'Explore Online' consolidate learning and encourage students to put their knowledge into action.

Business Law Concentrate James Marson 2019-08-07 *The Business Law Concentrate* is written and designed to help you succeed. Written by experts and covering all key topics, *Concentrate* guides help focus your revision and maximise your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases. Revision guides you can rely on: trusted by lecturers, loved by students... These features make it unique" - Godwin Tan, law student, University College London "The concentrate revision guides stand out against other revision guides" - Renae Haynes Williams, law student, Bangor University "The exam style questions are brilliant and the series is very detailed, prepares you well" - Frances Easton, law student, University of Birmingham "The accompanying website for Concentrate is the most impressive I've come across" - Alice Munnely, law student, Kings College London "-it is a fantastic book. It covers absolutely all topics you need for the course." - Emma McGeorge, law student, Strathclyde University

Law Express: Contract Law (Revision Guide) Emily Finch 2014-08-01 *The Law Express* series is designed to help you revise effectively. This book is your guide to understanding essential concepts, remembering and applying key legislation and making your answers stand out!

Transforming the Police Charles M. Katz 2020-01-17 Policing in the United States is at a crossroads; decisions made at this juncture are crucial. With the emergence of evidence-based policing, police leaders can draw on research when making choices about how to police their communities. Who will design the path forward and what will be the new standards for policing? This book brings together two qualified groups to lead the discussion: academics and experienced police professionals. The School of Criminology and Criminal Justice at Arizona State University recruited faculty with expertise in policing and police research. This volume draws on that expertise to examine 13 specific areas in policing. Each chapter presents an issue and provides background before reviewing the available research on potential solutions and recommending specific reform measures. Response essays written by a current or former police leader follow each chapter and reflect on the recommendations in the chapter. The 13 chapters and response essays present new thinking about the police, their challenges, and the reforms police agencies should consider adopting. Policy makers, practitioners, educators, researchers, students and anyone interested in the future of policing will find valuable

information about: the benefits of adopting evidence-based policing; leading strategic crime-control efforts; instituting procedural justice to enhance police legitimacy; reducing use of force; combatting racially biased policing; establishing civilian oversight; implementing a body-worn camera program; creating sentinel event reviews; developing police-university collaborations; facilitating organizational justice in police departments; improving officer health and wellness; handling protests; and increasing the effectiveness of police responses to sexual assault.

Criminology Tim Newburn 2017-02-22 Comprehensive and accessible, Tim Newburn's bestselling Criminology provides an introduction to the fundamental themes, concepts, theories, methods and events that underpin the subject and form the basis for all undergraduate degree courses and modules in Criminology and Criminal Justice. This third edition includes: A new chapter on politics, reflecting the ever increasing coverage of political influence and decision making on criminology courses New and updated crime data and analysis of trends, plus new content on recent events such as the Volkswagen scandal, the latest developments on historic child abuse, as well as extended coverage throughout of the English riots A fully revised and updated companion website, including exam, review and multiple choice questions, a live Twitter feed from the author providing links to media and academic coverage of events related to the concepts covered in the book, together with links to a dedicated textbook Facebook page Fully updated to reflect recent developments in the field and extensively illustrated, this authoritative text, written by a leading criminologist and experienced lecturer, is essential reading for all students of Criminology and related fields.

Philosophy, Crime, and Criminology Bruce A. Arrigo 2010-10-01 Philosophy, Crime, and Criminology represents the first systematic attempt to unpack the philosophical foundations of crime in Western culture. Utilizing the insights of ontology, epistemology, aesthetics, and ethics, contributors demonstrate how the reality of crime is informed by a number of implicit assumptions about the human condition and unstated values about civil society. Charting a provocative and original direction, editors Bruce A. Arrigo and Christopher R. Williams couple theoretically oriented chapters with those centered on application and case study. In doing so, they develop an insightful, sensible, and accessible approach for a philosophical criminology in step with the political and economic challenges of the twenty-first century. Revealing the ways in which philosophical conceits inform prevailing conceptions of crime, Philosophy, Crime, and Criminology is required reading for any serious student or scholar concerned with crime and its impact on society and in our lives.

Showing Remorse Richard Weisman 2016-04-01 Whether or not wrongdoers show remorse and how they show remorse are matters that attract great interest both in law and in popular culture. In capital trials in the United States, it can be a question of life or death whether a jury believes that a wrongdoer showed remorse. And in wrongdoings that capture the popular imagination, public attention focuses not only on the act but on whether the perpetrator feels remorse for what they did. But who decides when remorse should be shown or not shown and whether it is genuine or not genuine? In contrast to previous academic studies on the subject, the primary focus of this work is not on whether the wrongdoer meets these expectations over how and when remorse should be shown but on how the community reacts when these expectations are met or not met. Using examples drawn from Canada, the United States, and South Africa, the author demonstrates that the showing of remorse is a site of negotiation and contention between groups who differ about when it is to be expressed and how it is to be expressed. The book illustrates these points by looking at cases about which there was conflict over whether the wrongdoer should show remorse or whether the feelings that were shown were sincere. Building on the earlier analysis, the author shows that the process of deciding when and how remorse should be expressed contributes to the moral ordering of society as a whole. This book will be of interest to those in the fields of sociology, law, law and society, and criminology.

Punishment Mark Tunick 2023-11-10 What actions should be punished? Should plea-bargaining be allowed? How should sentencing be determined? In this original, penetrating study, Mark Tunick explores not only why society punishes wrongdoing, but also how it implements punishment. Contending that the theory and practice of punishment are inherently linked, Tunick draws on a broad range of thinkers, from the radical criticisms of Nietzsche, Foucault, and some Marxist theorists through the sociological theories of Durkheim and Girard to various philosophical traditions and the "law and economics" movement. He defends punishment against its radical critics and offers a version of retribution, distinct from revenge, that holds that we punish not to deter or reform, but to mete out just deserts, vindicate right, and express society's righteous anger. Demonstrating first how this theory best accounts for how punishment is carried out, he then provides "immanent criticism" of certain features of our practice that don't accord with the retributive principle. Thought-provoking and deftly argued, Punishment will garner attention and spark debate among political theorists, philosophers, legal scholars, sociologists, and criminologists.

Psychology Express: Forensic Psychology (Undergraduate Revision Guide) Laura Caulfield 2015-04-03 The Psychology Express undergraduate revision guide series will help you understand key concepts quickly, revise effectively and make your answers stand out.

Law Express: Family Law (Revision Guide) Jonathan Herring 2014-08-01 The Law Express series is designed to help you revise effectively. This book is your guide to understanding essential concepts, remembering and applying key legislation and making your answers stand out!

Accurate and reliable, Concentrate guides help focus your revision and maximise your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases.

The Ethical Foundations of Criminal Justice Richard A. Spurgeon Hall 1999-09-24 Ideal for anyone involved in the study of criminal justice, this book acquaints students with the philosophical concepts upon which ethical theory is based. It applies these ideas to specific issues and dilemmas within the criminal justice system. Its ultimate goal is to acquaint students with basic concepts of ethics in criminal justice and to train the mind to solve moral issues independently. The Ethical Foundations of Criminal Justice offers a comprehensive definition of ethics, and elucidates its unique language and logic. The book explores the major ethical theories, with extensive discussion of authorities like Kant, Aristotle, Mill, and Hobbes. Chapters investigate normative ethics, teleological theories, deontological theories, and the alternative theories of ethics. The author exhibits the practice of these theories in actual matters of rights, the law, and the behavior of the courts. This book addresses ethics in the context of civil liability, police corruption, and abuse of police power, and includes numerous case studies and references to other relevant works. Criminal justice majors, criminology and law school students, and even police academy cadets will find this text an invaluable source of information both for academic studies and real-world applications.

Criminology Edwin Hardin Sutherland 1924

Khrushchev's Cold Summer Miriam Dobson 2011-01-15 Between Stalin's death in 1953 and 1960, the government of the Soviet Union released hundreds of thousands of prisoners from the Gulag as part of a wide-ranging effort to reverse the worst excesses and abuses of the previous two decades and revive the spirit of the revolution. This exodus included not only victims of past purges but also those sentenced for criminal offenses. In Khrushchev's Cold Summer Miriam Dobson explores the impact of these returnees on communities and, more broadly, Soviet attempts to come to terms with the traumatic legacies of Stalin's terror. Confusion and disorientation undermined the regime's efforts at recovery. In the wake of Stalin's death, ordinary citizens and political leaders alike struggled to make sense of the country's recent bloody past and to cope with the complex social dynamics caused by attempts to reintegrate the large influx of returning prisoners, a number of whom were hardened criminals alienated and embittered by their experiences within the brutal camp system. Drawing on private letters as well as official reports on the party and popular mood, Dobson probes social attitudes toward the changes occurring in the first post-Stalin decade. Throughout, she features personal stories as articulated in the words of ordinary citizens, prisoners, and former prisoners. At the same time, she explores Soviet society's contradictory responses to the returnees and shows that for many the immediate post-Stalin years were anything but a breath of spring air after the long Stalinist winter.

Fixing Broken Windows George L. Kelling 1997 Cites successful examples of community-based policing.

You'll learn how to choose the best eBook format, where to find your favorite titles, and how to ensure that your eBook reading experience is both enjoyable and ethical.

Whether you're new to eBooks or a seasoned digital reader, this Law Express Criminology Revision Guide eBook has something for everyone. So, let's dive into the exciting world of eBooks and discover how to access a world of literary wonders with ease and convenience.

Understanding Law Express Criminology Revision Guide

Before you embark on your journey to find Law Express Criminology Revision Guide online, it's essential to grasp the concept of Law Express Criminology Revision Guide eBook formats. Law Express Criminology Revision Guide come in various formats, each with its own unique features and compatibility.

Understanding these formats will help you choose the right one for your device and preferences.

Different Law Express Criminology Revision Guide eBook Formats Explained

1. EPUB (Electronic Publication):

EPUB is one of the most common eBook formats, known for its versatility and compatibility across a wide range of eReaders and devices.

Features include reflowable text, adjustable font sizes, and support for images and multimedia.

EPUB3, an updated version, offers enhanced interactivity and multimedia support.

2. MOBI (Mobipocket):

MOBI was originally developed for Mobipocket Reader but is also supported by Amazon Kindle devices.

It features a proprietary format and may have limitations compared to EPUB, such as fewer font options.

3. PDF (Portable Document Format):

PDFs are a popular format for eBooks, known for their fixed layout, preserving the book's original design

and formatting.

While great for textbooks and graphic-heavy books, PDFs may not be as adaptable to various screen sizes.

4. AZW/AZW3 (Amazon Kindle):

These formats are exclusive to Amazon Kindle devices and apps.

AZW3, also known as KF8, is an enhanced version that supports advanced formatting and features.

5. HTML (Hypertext Markup Language):

HTML eBooks are essentially web pages formatted for reading.

They offer interactivity, multimedia support, and the ability to access online content, making them suitable for textbooks and reference materials.

6. TXT (Plain Text):

Plain text eBooks are the simplest format, containing only unformatted text.

They are highly compatible but lack advanced formatting features.

Choosing the right Law Express Criminology Revision Guide eBook format is crucial for a seamless reading experience on your device. Here's a quick guide to format compatibility with popular eReaders:

EPUB: Compatible with most eReaders, except for some Amazon Kindle devices. Also suitable for reading on smartphones and tablets using dedicated apps.

MOBI: Primarily compatible with Amazon Kindle devices and apps.

PDF: Readable on almost all devices, but may require zooming and scrolling on smaller screens.

AZW/AZW3: Exclusive to Amazon Kindle devices and apps.

HTML: Requires a web browser or specialized eBook reader with HTML support.

TXT: Universally compatible with nearly all eReaders and devices.

Understanding Law Express Criminology Revision Guide eBook formats and their compatibility will help you make informed decisions when choosing where and how to access your favorite eBooks. In the next chapters, we'll explore the various sources where you can find Law Express Criminology Revision Guide eBooks in these formats.

Law Express Criminology Revision Guide eBook Websites and Repositories

One of the primary ways to find Law Express Criminology Revision Guide eBooks online is through dedicated eBook websites and repositories. These platforms offer an extensive collection of eBooks spanning various genres, making it easy for readers to discover new titles or access classic literature. In this chapter, we'll explore Law Express Criminology Revision Guide eBook and discuss important considerations of Law Express Criminology Revision Guide.

Popular eBook Websites

1. Project Gutenberg:

Project Gutenberg is a treasure trove of over 60,000 free eBooks, primarily consisting of classic literature.

It offers eBooks in multiple formats, including EPUB, MOBI, and PDF.

All eBooks on Project Gutenberg are in the public domain, making them free to download and read.

2. Open Library:

Open Library provides access to millions of eBooks, both contemporary and classic titles.

Users can borrow eBooks for a limited period, similar to borrowing from a physical library.

It offers a wide range of formats, including EPUB and PDF.

3. Internet Archive:

The Internet Archive hosts a massive digital library, including eBooks, audio recordings, and more.

It offers an "Open Library" feature with borrowing options for eBooks.

The collection spans various genres and includes historical texts.

4. BookBoon:

BookBoon focuses on educational eBooks, providing free textbooks and learning materials.

It's an excellent resource for students and professionals seeking specialized content.

eBooks are available in PDF format.

5. ManyBooks:

ManyBooks offers a diverse collection of eBooks, including fiction, non-fiction, and self-help titles.

Users can choose from various formats, making it compatible with different eReaders.

The website also features user-generated reviews and ratings.

6. Smashwords:

Smashwords is a platform for independent authors and publishers to distribute their eBooks.

It offers a wide selection of genres and supports multiple eBook formats.

Some eBooks are available for free, while others are for purchase.

Law Express Criminology Revision Guide Legal Considerations

While these Law Express Criminology Revision Guide eBook websites provide valuable resources for readers, it's essential to be aware of legal considerations:

Copyright: Ensure that you respect copyright laws when downloading and sharing Law Express Criminology Revision Guide eBooks. Public domain Law Express Criminology Revision Guide eBooks are

generally safe to download and share, but always check the copyright status.

Terms of Use: Familiarize yourself with the terms of use and licensing agreements on these websites. Law Express Criminology Revision Guide eBooks may have specific usage restrictions.

Support Authors: Whenever possible, consider purchasing Law Express Criminology Revision Guide eBooks to support authors and publishers. This helps sustain a vibrant literary ecosystem.

Public Domain eBooks

Public domain Law Express Criminology Revision Guide eBooks are those whose copyright has expired, making them freely accessible to the public. Websites like Project Gutenberg specialize in offering public domain Law Express Criminology Revision Guide eBooks, which can include timeless classics, historical texts, and cultural treasures.

As you explore Law Express Criminology Revision Guide eBook websites and repositories, you'll encounter a vast array of reading options. In the next chapter, we'll delve into the world of eBook search engines, providing even more ways to discover Law Express Criminology Revision Guide eBooks online.

Law Express Criminology Revision Guide eBook Search

eBook search engines are invaluable tools for avid readers seeking specific titles, genres, or authors. These search engines crawl the web to help you discover Law Express Criminology Revision Guide across a wide range of platforms. In this chapter, we'll explore how to effectively use eBook search engines and uncover eBooks tailored to your preferences.

Effective Search Law Express Criminology Revision Guide

To make the most of eBook search engines, it's essential to use effective search techniques. Here are some tips:

1. Use Precise Keywords:

Be specific with your search terms. Include the book title Law Express Criminology Revision Guide, author's name, or specific genre for targeted results.

2. Utilize Quotation Marks:

To search Law Express Criminology Revision Guide for an exact phrase or book title, enclose it in quotation marks. For example, "Law Express Criminology Revision Guide."

3. Law Express Criminology Revision Guide Add "eBook" or "PDF":

Enhance your search by including "eBook" or "PDF" along with your keywords. For example, "Law Express Criminology Revision Guide eBook."

4. Filter by Format:

Many eBook search engines allow you to filter results by format (e.g., EPUB, PDF). Use this feature to find Law Express Criminology Revision Guide in your preferred format.

5. Explore Advanced Search Options:

Take advantage of advanced search options offered by search engines. These can help narrow down your

results by publication date, language, or file type.

Google Books and Beyond

Google Books:

Google Books is a widely used eBook search engine that provides access to millions of eBooks.

You can preview, purchase, or find links to free Law Express Criminology Revision Guide available elsewhere.

It's an excellent resource for discovering new titles and accessing book previews.

Project Gutenberg Search:

Project Gutenberg offers its search engine, allowing you to explore its extensive collection of free Law Express Criminology Revision Guide.

You can search by title Law Express Criminology Revision Guide, author, language, and more.

Internet Archive's eBook Search:

The Internet Archive's eBook search provides access to a vast digital library.

You can search for Law Express Criminology Revision Guide and borrow them for a specified period.

Library Genesis (LibGen):

Library Genesis is known for hosting an extensive collection of Law Express Criminology Revision Guide, including academic and scientific texts.

It's a valuable resource for researchers and students.

eBook Search Engines vs. eBook Websites

It's essential to distinguish between eBook search engines and eBook websites:

Search Engines: These tools help you discover eBooks across various platforms and websites. They provide links to where you can access the eBooks but may not host the content themselves.

Websites: eBook websites host eBooks directly, offering downloadable links. Some websites specialize in specific genres or types of eBooks.

Using eBook search engines allows you to cast a wider net when searching for specific titles Law Express Criminology Revision Guide or genres. They serve as powerful tools in your quest for the perfect eBook.

Law Express Criminology Revision Guide eBook Torrenting and Sharing Sites

Law Express Criminology Revision Guide eBook torrenting and sharing sites have gained popularity for offering a vast selection of eBooks. While these platforms provide access to a wealth of reading material, it's essential to navigate them responsibly and be aware of the potential legal implications. In this chapter, we'll explore Law Express Criminology Revision Guide eBook torrenting and sharing sites, how they work, and how to use them safely.

Find Law Express Criminology Revision Guide Torrenting vs. Legal Alternatives

Law Express Criminology Revision Guide Torrenting Sites:

Law Express Criminology Revision Guide eBook torrenting sites operate on a peer-to-peer (P2P) file-sharing system, where users upload and download Law Express Criminology Revision Guide eBooks directly from one another.

While these sites offer Law Express Criminology Revision Guide eBooks, the legality of downloading copyrighted material from them can be questionable in many regions.

Law Express Criminology Revision Guide Legal Alternatives:

Some torrenting sites host public domain Law Express Criminology Revision Guide eBooks or works with open licenses that allow for sharing.

Always prioritize legal alternatives, such as Project Gutenberg, Internet Archive, or Open Library, to ensure you're downloading Law Express Criminology Revision Guide eBooks legally.

Staying Safe Online to download Law Express Criminology Revision Guide

When exploring Law Express Criminology Revision Guide eBook torrenting and sharing sites, it's crucial to prioritize your safety and follow best practices:

1. Use a VPN:

To protect your identity and online activities, consider using a Virtual Private Network (VPN). This helps anonymize your online presence.

2. Verify Law Express Criminology Revision Guide eBook Sources:

Be cautious when downloading Law Express Criminology Revision Guide from torrent sites. Verify the source and comments to ensure you're downloading a safe and legitimate eBook.

3. Update Your Antivirus Software:

Ensure your antivirus software is up-to-date to protect your device from potential threats.

4. Prioritize Legal Downloads:

Whenever possible, opt for legal alternatives or public domain eBooks to avoid legal complications.

5. Respect Copyright Laws:

Be aware of copyright laws in your region and only download Law Express Criminology Revision Guide eBooks that you have the right to access.

Law Express Criminology Revision Guide eBook Torrenting and Sharing Sites

Here are some popular Law Express Criminology Revision Guide eBook torrenting and sharing sites:

1. The Pirate Bay:

The Pirate Bay is one of the most well-known torrent sites, hosting a vast collection of Law Express

Criminology Revision Guide eBooks, including fiction, non-fiction, and more.

2. 1337x:

1337x is a torrent site that provides a variety of eBooks in different genres.

3. Zooqle:

Zooqle offers a wide range of eBooks and is known for its user-friendly interface.

4. LimeTorrents:

LimeTorrents features a section dedicated to eBooks, making it easy to find and download your desired reading material.

A Note of Caution

While Law Express Criminology Revision Guide eBook torrenting and sharing sites offer access to a vast library of reading material, it's important to be cautious and use them responsibly. Prioritize legal downloads and protect your online safety. In the next chapter, we'll explore eBook subscription services, which offer legitimate access to Law Express Criminology Revision Guide eBooks.
