A Guide to Classic Discipline Morgan Thorne 2017-02-23 In her debut book, Morgan Thorne writes about the art and practice of Classic Discipline, also known as English Discipline. We begin with a quick lesson on the history of classic discipline so that we can use the past as inspiration for our play. Starting with the naval discipline made famous by the British, we continue on to British school discipline, which was (and sometimes still is) used in various parts of the world to keep students in line. We finish up with ritual and religious discipline, a taboo subject that many find erotic. Getting into the practical side of BDSM practice begins with exploring different types of consent, negotiation and when a 'safe word' may be needed. The differences between punishments and 'funishments' are examined, with instructions and advice for engaging in both. Morgan is well known for her emphasis on safety and goes into thorough detail on how to stay safe, both in body and mind. It is then time to learn how to use a variety of implements, including different techniques, where on the body to use them, and how to care for the implement. The book covers canes, floggers, straps, paddles, switches, birches and many other implements that fall into the category of classic discipline. This book covers what you need to know to create your own kinky discipline scenes, including how to structure your scene for different styles of play. Whether it's a punishment cold caning or a more sensual flogging scene with a schoolyard twist, a Guide to Classic Discipline will provide you with what you need to know.

Shibari Seito Saiki 2018-01-10 Welcome to the beginners guide to Shibari. In this book you will learn about what it takes to safely and confidently perform the Japanese art of Shibari otherwise known as bondage. The secret here is that not all bondage is sexual in nature. While it is obviously associated with that as well, it is also independently considered an art form and is practiced by very serious artists. The main difference is being in the word chosen to describe it. The word Shibari in Japanese is specific to the act of tying, or binding. Whereas Kinbaku is the more sexual side of it, the word associated the BDSM and sex games side of things. If you are referring to a beautiful artistic display that, while erotic, is limited to an artist's interpretation and not a sex act then you would be speaking of Shibari. Here is a preview of what you'll learn: - What is Shibari? - Materials for the Japanese art of Shibari - Knotting and Tying - The knot tying of hands "stirrup" - The tying of hands "stirrup" (another variation) - The wrist knot "chain" - The knotting under arm "rat-tail stopper" - Connecting neck with both arms "common whipping" - Leg bind "round lashing" - Hip tie "square lashing" - Ankle's tying - Chest knots - Chest bind "figure 8 knot" - Chest bind "figure 8 knot" with hands - Advanced Knotting & Tying - The rope tying of hands, shoulders and legs - Double loops to tie mid arm mark "bowline" - The tying "fisherman's knot" - Sturdy knot of body "overhand bow" - The tying neck & back "common cross whipping" - The tying "cow hitch" - "Constrictor knot" - Humble coin knot "double overhand" - The tying "ashley stopper knot" - Difficult tying of waist, legs and head - The knotting rope

Queer Magic Lee Harrington 2018-03-01 In a wide variety of pagan paths, many forms of modern magic and mystery hold an expectation that all parties are heterosexual, cisgender, and, in many cases, white. In *Queer Magic: Power Beyond Boundaries*, Lee Harrington and Tai Fenix Kulystin bring together a diverse and passionate collection of authors and artists who break out beyond that belief and explore how being LGBT+ is not just acceptable when exploring magic, but powerful. Using the diverse tools of queer activism, education, and storytelling, through academic essays and first-person narratives to comics and poster-style art, this intersectional group exposes a world beyond what so many magical practitioners have presumed is "normal." The reality is that magic, whether in Wicca or Vodou, Heathenry or Polytheism, has been fueled by people and systems beyond the binary for millennia. For many within, magic and queerness are not separate, but deeply entwined pieces of identity, worldview, and culture experienced together, always. Drag queen magic, Inclusive witchcraft, and magic for healing and survival. Gender transition in Rome, possession practices, and DIY divination. Social justice, queer black tantra, and polarity beyond gender. Honoring ancestors, fluidity of consciousness, and reimagining the Great Rite. Queer sex magic, power sigils, deities that reflect diversity... and more. Whether you identify as lesbian, gay, bisexual, asexual, transgender, agender, genderqueer, or some other queer orientation, or you are curious about tools to access magic beyond what is often discussed, this book is for you. Each piece is a unique and passionate chance to look into your own relationship with magic, break out of the tales of what your practice "should" look like, and expand your awareness into the queer magic as well as your own power beyond boundaries.

Connecting with the Arcturians David Miller 2012-07-01 "Only on rare occasions does a book come along that contains the potential to change the consciousness of our entire planetary culture. Many have talked about the ascension process, but very few really understand what it means. Who is really out there? Where are we going? What are our choices? What has to be done to prepare for this event? Is everyone ascending to the same place? What happened to the fourth dimension? How can we understand the fifth dimension? What are fifth-dimensional beings like? This book explains all of these questions in a way that we can easily understand. It explains what our relationships are to known extraterrestrial groups and what they are doing to help the Earth and her people in this crucial galactic moment in time. It helps us to understand how we can raise our vibration now and begin the process of integrating higher-dimensional energies into our third-dimensional world. The Arcturians have given us a crucial focus for the acceleration of world consciousness. They have presented the concept of group ascension through the creation of groups of forty, and their concept of the Sacred Triangle reveals a powerful method for the integration and unification of spiritual and religious thought on the planet Earth. As you read this book, you will feel the presence of fifth-dimensional energy within your being, allowing you to be able to truly experience a view of fifth-dimensional awareness. This will profoundly affect your ability to expand your own perception of reality and help you to actively participate in the personal and planetary ascension that has already begun."

Playing Well With Others Lee Harrington 2012-02-29 Whether you're a trembling novice or a jaded expert, there's always something new to be discovered in the endlessly changing, complex and titillating world of kink. While there are plenty of other books out there that explain how to give a spanking or tie a half-hitch, Playing Well With Others is the first book that explains kink *culture* -- the munches, parties, leather bars, conferences, workshops, fetish nights, exploratoriums and all the other gatherings of kinksters that turn BDSM and leather from a bedroom predilection to a lifestyle and a community. You'll learn to: • Examine your own motivations, needs, wants and desires • Ease your way into established communities • Understand etiquette in different adventurous sex communities • Familiarize yourself with the many types of events available to you • Care for your relationships as you explore new territory • Negotiate for play and aftercare • Go back to the "world at large" without ruffling feathers • ...and, of course, answer the all-important question: What do you wear?! The team of Harrington and Williams offers 30-plus years of experience in diverse kink communities: top, bottom and switch; gay, bi and straight; female, male and trans; white and POC. Both former titleholders and international educators, they are an unbeatable pair of "sexual sherpas" with an inimitable voice and a great deal of wisdom.
