**The Blind Owl** Şādiq Hidāyat 2001-11-01 Sadeqh Hedayat's most famous work is a deeply haunting and disturbing gem of world literature, a classic tale that defies any attempt to tie it down to a single interpretation. The story is narrated by a young man, a painter of miniatures, whose name we never learn. He feels an overbearing need to recount an experience he went through that has shattered his whole existence, rendered his life meaningless - "I am obliged to set all this down in order to disentangle the various threads of my story. I am obliged to explain it all for the benefit of my shadow on the wall." We are slowly drawn into the hallucinatory and confused world of the young man, a world in which a beautiful young woman, an old man and a cypress tree become the recurring motifs. Not only are they the images he always paints but he sees all three in a vision that comes to plague him. This waking dream ends up becoming a nightmare from which the narrator seems unable to escape... Set in a haze of opium, *The Blind Owl* must rank as one of the most mysterious, poetic and macabre works of twentieth century fiction. It is a book of enormous power and this well-overdue reissue sees the return to print of one of the greatest Persian novels ever written.

*Disagreeable Tales* Léon Bloy 2015 Thirty tales of theft, onanism, incest, murder and a host of other forms of perversion and cruelty from the "ungrateful beggar" and "pilgrim of the absolute," Léon Bloy. *Disagreeable Tales*, first published in French in 1894, collects Bloy's narrative sermons from the depths: a cauldron of frightful anecdotes and inspired misanthropy that represents a high point of the French Decadent movement and the most emblematic entry into the library of the "Cruel Tale" christened

by Villiers de l'Isle-Adam. Whether depicting parents and offspring being sacrificed for selfish gains, or imbeciles sacrificing their own individuality on a literary whim, these tales all draw sustenance from an underlying belief: the root of religion is crime against man, nature and God, and that in this hell on earth, even the worst among us has a soul. A close friend to Joris-Karl Huysmans, and later admired by the likes of Kafka and Borges, Léon Bloy (1846-1917) is among the best known but least translated of the French Decadent writers. Nourishing antireligious sentiments in his youth, his outlook changed radically when he moved to Paris and came under the influence of Barbey d'Aureville, the unconventionally religious novelist best known for *Les Diaboliques*. He earned the dual nicknames of "The Pilgrim of the Absolute" through his unorthodox devotion to the Catholic Church, and "The Ungrateful Beggar" through his endless reliance on the charity of friends to support him and his family.

**The Blind Owl** Sadegh Hedayat 2010-10-12 An opium addict spirals into madness after losing a mysterious lover in this "extraordinary work" of modern Persian literature (The Times Literary Supplement, UK). Sadegh Hedayat was Iran's most renowned modern fiction writer, and his spine-tingling novel *The Blind Owl* is considered his seminal work. A classic of modern Iranian literature, this edition is presented to contemporary audiences with a new introduction by Porochista Khakpour, one of the most exciting voices from a new generation of Iranian-American authors. A haunting tale of loss and spiritual degradation, *The Blind Owl* tells the story of a young opium addict's despair after losing a mysterious lover. Through a series of intricately woven events that revolve around the same set of mental images—an old man with a spine-chilling laugh, four cadaverous black horses with rasping coughs, a hidden urn of poisoned wine—the narrator is compelled to record his obsession with a beautiful woman even as it drives him further into frenzy

*A Companion to World Literature* Ken Seigneurie 2020-01-10 A Companion to World Literature is a far-reaching and sustained study of key authors, texts, and topics from around the world and throughout history. Six comprehensive volumes present essays from over 300 prominent international scholars focusing on many aspects of this vast and burgeoning field of literature, from its ancient origins to the most modern narratives. Almost by definition, the texts of world literature are unfamiliar; they stretch our hermeneutic circles, thrust us before unfamiliar genres, modes, forms, and themes. They require a greater degree of attention and focus, and in turn engage our imagination in new ways. This Companion explores texts within their particular cultural context, as well as their ability to speak to readers in other contexts, demonstrating the ways in which world literature can challenge parochial world views by identifying cultural commonalities. Each unique volume includes introductory chapters on a variety of theoretical viewpoints that inform the field, followed by essays considering the ways in which authors and their books contribute to and engage with the many visions and variations of world literature as a genre. Explores how texts, tropes, narratives, and genres reflect nations, languages, cultures, and periods Links world literary theory and texts in a clear, synoptic style Identifies how individual texts are influenced and affected by issues such as intertextuality, translation, and sociohistorical conditions Presents a variety of methodologies to demonstrate how modern scholars approach the study of world literature A significant addition to the field, *A Companion to World Literature* provides advanced students, teachers, and researchers with cutting-edge scholarship in world literature and literary theory.

and expectation, hope and despair, love and longing. A man and a woman in a quiet, remote house, an old man on a park bench, an estranged brother in a railway café -- Kjell Askildsen's characters are surrounded by absence. Filled with disquiet, and longing, they walk to a fjord, they smoke, they drink on a veranda, they listen to conversations that drift through open windows. Small flashes like the promise of a sunhat, a nail in a cherry tree, or a raised flag, reveal the interminable space between desire and reality in which Askildsen's characters are forever suspended. Widely recognized as one of the greatest modern short-story writers, with unadorned prose and a dark humor, Askildsen captures life as it really is, the worlds of his characters uncanny mirrors of our own.

Sadeq Hedayat Homa Katouzian 2021-10-21 Sadeq Hedayat is the most famous and the most enigmatic Iranian writer of the 20th century. This book is the first comprehensive study of Hedayat's life and works set against the background of literary and political developments in a rapidly changing Iran over the first half of the 20th century. Katouzian discusses Hedayat's life and times and the literary and political circles with which he was associated. But he also emphasises the uniqueness and universality of his ideas that have both influenced and set Hedayat apart from other Iranian writers of the period and that have given him a mystique that has been instrumental in his posthumous success with acclaimed works such as *The Blind Owl*. This second edition is fully revised and updated to reflect on recent debates and scholarship on Sadeq Hedayat.

**Untold Night and Day** Bae Suah 2020-05-05 The acclaimed Korean author weaves a “disturbing, beautifully controlled” metaphysical detective story “of doubles, shadows, and parallel worlds” (*Financial Times*). It’s Ayami’s final day working the box-office at Seoul’s only audio theater for the blind. Her last shift completed, she walks the streets with her former boss, searching for a missing friend. Their conversations take in art, love, food,

and the inaccessible country to the north. The next day, Ayami acts as a guide for a detective novelist visiting from abroad. But as they contend with the summer heat, the edges of reality start to fray. Ayami enters a world of increasingly tangled threads, and the past intrudes upon the present as overlapping realities repeat, collide, change, and reassert themselves. Blisteringly original, *Untold Night and Day* upends the very structure of narrative storytelling. By one of the boldest and most innovative voices in contemporary Korean literature, and masterfully realized in English by Man Booker International Prize-winning translator Deborah Smith, Bae Suah's hypnotic novel asks whether more than one version of ourselves can exist at once.

**Blind Owl** Sadeq Hedayat 2022-04-12 A new English translation of one of the most important, controversial Iranian novels of the twentieth century A Penguin Classic Written by one of the greatest Iranian writers of the twentieth century, *Blind Owl* tells a two-part story of an isolated narrator with a fragile relationship with time and reality. In first person, the narrator offers a string of hazy, dreamlike recollections fueled by opium and alcohol. He spends time painting the exact same scene on the covers of pen cases: an old man wearing a cape and turban sitting under a cypress tree, separated by a small stream from a beautiful woman in black who offers him a water lily. In a one-page transition, the reader finds the narrator covered in blood and waiting for the police to arrest him. In part two, readers glimpse the grim realities that unlock the mysteries of the first part. In a new translation that reflects Hedayat's conversational, confessional tone, *Blind Owl* joins the ranks of classics by Edgar Allan Poe, Franz Kafka, and Fyodor Dostoyevsky that explore the dark recesses of the human psyche.

clash in surprising—and thrilling—ways. It's the near future, and scientists have developed implants that treat brain dysfunction—and also make recipients capable of superhuman feats. Exploiting societal fears of the newly enhanced, politicians pass a set of laws to restrict the rights of “amplified” humans, instantly creating a new persecuted underclass known as “amps.” On the day that the Supreme Court passes the first of these laws, twenty-nine-year-old schoolteacher Owen Gray is forced into hiding, only dimly aware of the latent powers he possesses. To escape imprisonment, and to find out who he really is, Owen seeks out a community in Oklahoma where, it is rumored, a group of the most enhanced amps may be about to change the world—or destroy it.

*The Enlightenment of the Greengage Tree* Shokoofeh Azar 2020-01-07 A grieving family flees Tehran after the Islamic Revolution in this novel of "magical realism with a Persian twist" translated from Farsi (The Guardian, UK). When their home in Tehran is burned to the ground by zealots, killing their thirteen-year-old daughter Bahar, a once-prominent family flees to a small village. There, they hope to preserve both their intellectual freedom and their lives. But they soon find themselves caught up in the post-revolutionary chaos that sweeps across their ancient land and its people. Bahar's mother, after a tragic loss, will embark on a long, eventful journey in search of meaning in a world swept up in the post-revolutionary madness. *The Enlightenment of the Greengage Tree* speaks of the power of imagination when confronted with cruelty, and of our human need to make sense of trauma through the ritual of storytelling itself. Through her unforgettable characters, Iranian novelist Shokoofeh Azar weaves a timely and timeless story that juxtaposes the beauty of an ancient, vibrant culture with the brutality of an oppressive political regime. "[Azar's] book is a great journey. It moves places and it moves us as readers, in an emotional and intellectual sense." —Robert Wood, *The Los Angeles Review of Books*

**Hedayat's Blind Owl as a Western Novel** Michael Beard  
2014-07-14 The Iranian writer Sadeq Hedayat is the most influential figure in twentieth-century Persian fiction--and the object of a kind of cult after his suicide in 1951. His masterpiece The Blind Owl is the most important novel of modern Iran. Its abrupt, tortured opening sentence, "There are sores which slowly erode the mind in solitude like a kind of canker," is one of the best known and most frequently recited passages of modern Persian. But underneath the book's uncanniness and its narrative eccentricities, Michael Beard traces an elegant pastiche of familiar Western traditions. A work of advocacy for a disturbing and powerful piece of fiction, his comprehensive analysis reveals the significance of The Blind Owl as a milestone not only for Persian writing but also for world literature. The international, decentered nature of modernist writing outside the West, typified by Hedayat's European education and wide reading in the Western canon, suggested to Beard the strategy of assessing The

Blind Owl as if it were a Western novel. Viewed in this context, Hedayat's intricate chronicle challenges the very notion of a national literature, rethinking and reshaping our traditions until we are compelled, "through its eyes," to see them in a new way. **The Blind Owl** Şâdiq Hidāyat 1986 Widely regarded as Sadegh Hedayat's masterpiece, the Blind Owl is the most important work of literature to come out of Iran in the past century. On the surface this work seems to be a tale of doomed love, but with the turning of each page basic facts become obscure and the reader soon realizes this book is much more than a love story. Although the Blind Owl has been compared to the works of the Kafka, Rilke and Poe, this work defies categorization. Lescot's French translation made the Blind Owl world-famous, while D.P. Costello's English translation made it largely accessible. Sadly, this work has yet to find its way into the English pantheon of Classics. *The Blind Owl and Other Stories* Sadegh Hedayat 2017-07-21

Following a disjointed, vision-like structure, *The Blind Owl* is the nightmarish exploration of the psyche of a madman. The narrator is an ailing, solitary misanthrope who suffers from hallucinations, and his dreamlike tale is layered, circular, driven by its own demented logic, and punctuated with macabre and surreal episodes such as the discovery of a mutilated corpse, and a bizarre competition in which two men are locked in a dungeon-like room with a cobra. Initially banned in the author's native Iran, the novel first appeared in Tehran in 1941 and became a bestseller. Full of powerful symbolism and terrifying imagery, this dark novella is Hedayat's masterpiece.

*Father of Persian Verse* Sassan Tabatabai 2010 Abu 'Abdollah'

Jafar ibn Mohammad Rudaki (c. 880 CE-941 CE) was a poet to the Samanid court which ruled much of Khorâsân (northeastern Persia) from its seat in Bukhara. He is widely regarded as 'the father' of Persian poetry, for he was the first major poet to write in new Persian language, following the Arab conquest in the seventh and eighth centuries, which established Islam as the official religion, and made Arabic the predominant literary language in Persian-speaking lands for some two centuries. This book presents Rudaki as the founder of a new poetic aesthetic, which was adopted by subsequent generations of Persian poets.

Rudaki is credited with being the first to write in the rubâi form; and many of the images we first encounter in Rudaki's lines have become staples of Persian poetry.

**The Myth of Creation** Şâdiq Hidâyat 1998 The Myth of Creation [Afsaneh-ye Afarinesh] is one of the earliest works by Iran's best-known twentieth-century writer, Sadeq Hedayat, whose popularity outside Iran is due mostly to his short novel, The Blind Owl. Little has been written in critical literature about this work, perhaps because critics find the subject matter too sensitive for its generally Jewish, Christian and Moslem audiences. Given the general plot line of this story, Hedayat demonstrates an open skepticism towards the three major Middle Eastern religions, particularly Islam, by casting the characters of his story in the form of puppets. This suggests that even the "creator," as perceived by these three religions, is a mere puppet controlled by unseen hands.

**These Crazy Nights** Moniro Ravanipour 2019-11-06 About These Crazy Nights, Moniro Ravanipour writes: "In 1981, less than three years after the Islamic Revolution in Iran, and in the heat of the Iran-Iraq War, I had become a night nurse in a hospital in Tehran, where every night I witnessed the arrival of the soldiers wounded on battlefronts. It was in the course of those nights that I also witnessed endless arguments and debates among patients with different ideologies and beliefs, including leftists, monarchists, nationalists, and staunch supporters of the new Islamic regime. Late at night, when the hospital ward was quiet, the patients would come and tell me stories about the battlefronts and their lives. The initial chapters of this novel, which was shaping in my mind at the time, were written in Iran and the concluding chapters were completed in the United States."This is a novel about the author's life, first in Iran and later as a refugee and immigrant in the United States. It is an important novel to be made available in English, especially in a country made up of immigrants, and in particular at this time. It tells us, in fact it

actually shows us, why so many people around the world, whether from the Middle East, South America, or elsewhere, are inclined to leave their ancestral land, their hearth and home, and try, despite all the odds and obstacles, to take refuge to the land of the free.

Dakhmeh Naveed Noori 2003 "Arash, an idealistic young man driven by nostalgia and romantic notions of a country he left as a child, returns to Iran to start a new life and do his share to help rebuild the country. As he explores the streets of Tehran, he finds a society plagued by contradictions and confronts a disgruntled and cynical populace for whom the promises of the Revolution never materialized. With dwindling resources, he finds himself paralyzed in the face of a system he cannot change. A seemingly benign gesture of defiance draws the attention of the authorities and leads to his imprisonment in the notorious Evin prison. In this moving and often disturbing novel, Noori paints a dark and foreboding picture of the harsh realities of life in the Islamic Republic."--Amazon

As Noori indicates, his attempt to preserve the overabundance of dashes gives the reader a more immediate sense of the narrator's agitation...The first sentence flows on in Noori's translation, piling sensation upon sensation never allowing us to pause and catch our breath or separate out the images from the sensations. In his discussion of the relationship between his translation and Costello's, Noori also draws on translation theory and sees Costello's focus on the fluidity of the text in English as a "domestication" of Hedayat's original. Noori's new English translation and his preface are a welcome addition and will no doubt draw the attention of scholars interested in Hedayat's works. The close textual and comparative analysis of the type Noori offers marks a new and long-overdue critical approach to the translation of the most celebrated work of modern Persian prose." -Professor Nasrin Rahimieh in Middle Eastern Literatures

Written in Persian, The Blind Owl is predominantly a love story - an unconventional love story that elicits visions and nightmare reveries from the depths of the reader's subconscious. A young man, an old man and a beautiful young girl perform, as if framed within a Persian miniature, a ritual of destruction as gradually the

narrator, and the reader, discover the meaning hidden within the dreams. This unforgettable story contains a unique blend of the mystery of the Arabian Nights and an acutely contemporary sense of panic and hallucination. *The Blind Owl* was written during the oppressive latter years of Reza Shah's rule (1925-41). It was originally published in a limited edition in Bombay, during Hedayat's year-long stay there in 1937, stamped with "Not for sale or publication in Iran". It first appeared in Tehran in 1941 (as a serial in the daily *Iran*), after Erza Shah's abdication, and had an immediate and forceful effect.

*The Odyssey* Homer 2016-10-21 'Tell me, Muse, of the man of many turns, who was driven far and wide after he had sacked the sacred city of Troy' Twenty years after setting out to fight in the Trojan War, Odysseus is yet to return home to Ithaca. His household is in disarray: a horde of over 100 disorderly and arrogant suitors are vying to claim Odysseus' wife Penelope, and his young son Telemachus is powerless to stop them. Meanwhile, Odysseus is driven beyond the limits of the known world, encountering countless divine and earthly challenges. But Odysseus is 'of many wiles' and his cunning and bravery eventually lead him home, to reclaim both his family and his kingdom. *The Odyssey* rivals the *Iliad* as the greatest poem of Western culture and is perhaps the most influential text of classical literature. This elegant and compelling new translation is accompanied by a full introduction and notes that guide the reader in understanding the poem and the many different contexts in which it was performed and read.

**Klingsor's Last Summer** Hermann Hesse 2013-01-22 This is the first English-language edition of *Klingsor's Last Summer*, which was originally published in 1920, a year after *Demian* and two years before *Siddhartha*. The book has three parts: a story called *A Child's Heart*, followed by *Klein and Wagner* and *Klingsor's Last Summer*, Hesse's two longest and finest novellas. These novellas, along with *Siddhartha* (the three works were republished in 1931

under the title *The Inward Way*), are the first fruits of the period that began in the spring of 1919, when Hesse settled in the Ticino mountain village of Montagnola to start a new life without his wife and children. *A Child's Heart*, written in January 1919, in Basel, concerns the transmutation of a boy's innocence into knowledge of good and evil, and the painful guilt that accompanies this process. Both *Klein and Wagner* (written in May-June 1919, immediately after the arrival in Montagnola) and *Klingsor's Last Summer* (written shortly after) are set in a southern landscape that reflects Hesse's life that summer; both novellas have heroes who are more or less Hesse's age at the time; and in both the hero's death is preceded by a grand vision of unity in which the polarities of life are resolved. Hesse exposes himself mercilessly in *Klein and Wagner*, a story of escape, wrenching loose, letting go. But the expressionist painter *Klingsor* is a more direct self-portrait of the Hesse of 1919.

**World Literature and Hedayat's Poetics of Modernity** Omid Azadibougar 2020-02-01 This book introduces the canonical figure Sadegh Hedayat (1903-1951) and draws a comprehensive image of a major intellectual force in the context of both modern Persian Literature and World Literature. A prolific writer known for his magnum opus, *The Blind Owl* (1936), Hedayat established the use of common language for literary purposes, opened new horizons on imaginative literature and explored a variety of genres in his creative career. This book looks beyond the reductive critical tendencies that read a rich and diverse literary profile in light of Hedayat's suicide, arguing instead that his literary imagination was not solely the result of genius but rather enriched by a vast network of the world's literary traditions. This study reflects on Hedayat's attempts at various genres of artistic creation, including painting, fiction writing, satire and scholarly research, as well as his persistent struggles for artistic authenticity, which transcended solidly established literary and artistic norms. Providing a critical reading of Hedayat's work to

untangle aspects of his writing – including reflections on science, religion, nationalism and coloniality – alongside his pioneering work on folk culture, and how humor informs his writings, this text offers a critical review of the status of Persian literature in the contemporary landscape of the world’s literary studies.

**The Blind Owl (Authorized by The Sadegh Hedayat Foundation - First Translation into English Based on the Bombay Edition)**

Sadegh Hedayat 2012-08-01 Widely regarded as Sadegh Hedayat's masterpiece, the Blind Owl is the most important work of literature to come out of Iran in the past century. On the surface this work seems to be a tale of doomed love, but with the turning of each page basic facts become obscure and the reader soon realizes this book is much more than a love story. Although the Blind Owl has been compared to the works of the Kafka, Rilke and Poe, this work defies categorization. Lescot's French translation made the Blind Owl world-famous, while D.P. Costello's English translation made it largely accessible. Sadly, this work has yet to find its way into the English pantheon of Classics. This 75th anniversary edition, translated by award-winning writer Naveed Noori and published in conjunction with the Hedayat Foundation, aims to change this and is notable for a number of firsts: \*The only translation endorsed by the Sadegh Hedayat Foundation \*The first translation to use the definitive Bombay edition (Hedayat's handwritten text) \*The only available English translation by a native Persian and English speaker \*The preface includes a detailed textual analysis of the Blind Owl Finally, by largely preserving the spirit as well as the structure of Hedayat's writing, this edition brings the English reader into the world of the Hedayat's Blind Owl as never before. Extensive footnotes (explaining Persian words, phrases, and customs ignored in previous translations) provide deeper understanding of this work for both the casual reader and the serious student of literature.

“....There are indeed marked differences between Costello’s and

Noori's translations. As Noori indicates, his attempt to preserve the overabundance of dashes gives the reader a more immediate sense of the narrator's agitation...The first sentence flows on in Noori's translation, piling sensation upon sensation never allowing us to pause and catch our breath or separate out the images from the sensations. In his discussion of the relationship between his translation and Costello's, Noori also draws on translation theory and sees Costello's focus on the fluidity of the text in English as a "domestication" of Hedayat's original. Noori's new English translation and his preface are a welcome addition and will no doubt draw the attention of scholars interested in Hedayat's works. The close textual and comparative analysis of the type Noori offers marks a new and long-overdue critical approach to the translation of the most celebrated work of modern Persian prose." -Professor Nasrin Rahimieh in *Middle Eastern Literatures*

**The Hospital** Ahmed Bouanani 2018-06-26 A tour de force: an utterly singular modern Moroccan classic "When I walked through the large iron gate of the hospital, I must have still been alive..." So begins Ahmed Bouanani's arresting, hallucinatory 1989 novel *The Hospital*, appearing for the first time in English translation. Based on Bouanani's own experiences as a tuberculosis patient, the hospital begins to feel increasingly like a prison or a strange nightmare: the living resemble the dead; bureaucratic angels of death descend to direct traffic, claiming the lives of a motley cast of inmates one by one; childhood memories and fantasies of resurrection flash in and out of the narrator's consciousness as the hospital transforms before his eyes into an eerie, metaphorical space. Somewhere along the way, the hospital's iron gate disappears. Like Sadegh Hedayat's *The Blind Owl*, the works of Franz Kafka—or perhaps like Mann's *The Magic Mountain* thrown into a meat-grinder—*The Hospital* is a nosedive into the realms of the imagination, in which a journey to nowhere in particular leads to the most shocking places.

*My Uncle Napoleon* Iraj Pezeshkzad 2006-04-11 The most beloved Iranian novel of the twentieth century “God forbid, I’ve fallen in love with Layli!” So begins the farce of our narrator’s life, one spent in a large extended Iranian family lorded over by the blustering, paranoid patriarch, Dear Uncle Napoleon. When Uncle Napoleon’s least-favorite nephew falls for his daughter, Layli, family fortunes are reversed, feuds fired up and resolved, and assignations attempted and thwarted. First published in Iran in the 1970s and adapted into a hugely successful television series, this beloved novel is now “Suggested Reading” in Azar Nafisi’s Reading Lolita in Tehran. *My Uncle Napoleon* is a timeless and universal satire of first love and family intrigue.

*Sons and Other Flammable Objects* Porochista Khakpour

2008-11-09 The Iranian-American author’s award-winning debut examines an immigrant’s coming of age with “punchy conversation, vivid detail [and] sharp humor” (The New York Times Book Review). Growing up in the United States, Xerxes Adam’s understanding of his Iranian heritage vacillates from typical teenage embarrassment to something so tragic it can barely be spoken. His father, Darius, is obsessed with his own exile, and fantasizes about a nonexistent daughter he can relate to better than his living son. His mother changes her name and tries to make friends. But neither of them helps Xerxes make sense of the terrifying, violent last moments in a homeland he barely remembers. As Xerxes grows up and moves to New York City, his major goal in life is to completely separate from his parents. But after the attacks of September 11th change New York forever, and Xerxes meets a beautiful half-Iranian girl on the roof of his building, he begins to realize that his heritage will never let him go. Winner of the California Book Award Silver Medal in First Fiction, *Sons and Other Flammable Objects* is a sweeping, lyrical tale of suffering, redemption, and the role of memory in making peace with our worlds. *Novel Folklore* Jason Reza Jorjani 2018-05-20 Sadegh Hedayat's novel *The Blind Owl* is widely considered to be the greatest work of modern Persian literature. In *Novel Folklore*, Jason Reza Jorjani offers a revolutionary interpretation of *The Blind Owl*, revealing its esoteric sources and arguing that the central theme of the book is the possible transformation of humans into higher beings. Modern Persian Prose Literature Hassan Kamshad 1966 This 1966 book provides a series of concise, accessible essays reflecting on the development of Persian fiction during the modern period. The structure of the text is broadly chronological, with chapters allocated to key authors, literary movements, and social changes. This is a valuable volume for anyone interested in Persian literature.

**The Hole** Hye-young Pyun 2017-08-01 Winner of the 2017 Shirley Jackson Award Named One of the Top 10 Thrillers to Read This Summer by Time Magazine. In this tense, gripping novel by a rising star of Korean literature, Oghi has woken from a coma after causing a devastating car accident that took his wife's life and left him paralyzed and badly disfigured. His caretaker is his mother-in-law, a widow grieving the loss of her only child. Oghi is neglected and left alone in his bed. His world shrinks to the room he lies in and his memories of his troubled relationship with his wife, a sensitive, intelligent woman who found all of her life goals thwarted except for one: cultivating the garden in front of their house. But soon Oghi notices his mother-in-law in the abandoned garden, uprooting what his wife had worked so hard to plant and obsessively digging larger and larger holes. When asked, she answers only that she is finishing what her daughter started. A bestseller in Korea, award-winning author Hye-young Pyun's *The Hole* is a superbly crafted and deeply unnerving novel about the horrors of isolation and neglect in all of its banal and brutal forms. As Oghi desperately searches for a way to escape, he discovers the difficult truth about his wife and the toll their life together took on her.

Sexing the Cherry Jeanette Winterson 2007-12-01 “The marvelous and the horrific, the mythic and the mundane overlap and intermingle in this wonderfully inventive novel.” —The New York Times Winner of the E. M. Forster Award In a fantastic world that is and is not seventeenth-century England, a baby is found floating in the Thames. The child, Jordan, is rescued by Dog Woman and grows up to travel the globe like Gulliver—though he finds that the most curious oddities come from his own mind. The spiraling tale leads the reader from discussions on the nature of time to Jordan’s fascination with journeys concealed within other journeys, all with a dizzying speed that jumps from epiphany to shimmering epiphany. From the New York Times–bestselling author of *Oranges Are Not the Only Fruit* and *Why Be Happy When You Could Be Normal?*, *Sexing the Cherry* is “a mixture of *The Arabian Nights* touched by the philosophical form of Milan Kundera and told with the grace of Italo Calvino” (San Francisco Chronicle). “Those who care for fiction that is both idiosyncratic and beautiful will want to read anything [Winterson] writes.” —The Washington Post Book World
