Tentacles at My Throat Zerocalcare 2018-07-18T00:00:00+02:00 Three friends, their schoolgrounds, a secret. And fifteen years later, the discovery that they all thought there was only one secret, but each had their own. And there was one more, bigger than the others, that none were aware of. This is Zerocalcare's second graphic novel, the one that made him stand out as an intelligent, delicate, merciless narrator when it comes to describing his own weaknesses, which may be everyone's. A complete story in three parts at different times in the coming of age of young Calcare; three moments that have in common the all-too-familiar feeling of having tentacles at the throat.

Resilienza. Una storia tra le tante Magnolia 2022-03-02 Raccontando una vicenda realmente vissuta, Resilienza è un libro che è stato scritto con l'intento di poter essere di aiuto, nel suo piccolo, ma che vuole anche porre particolare attenzione su alcune delle maggiori difficoltà che si vengono a creare dal momento in cui si arriva a chiudere un rapporto brutale riuscendo a sopravvivere scampando, per fortuna o per destino, al triste epilogo di tutte le numerosissime vittime di femminicidio. Evidenzia in particolar modo quelle complicate situazioni che una donna si ritrova a dover affrontare e che, spesso, sono aggravate da un contesto sociale che fatica a reintegrare e supportare coloro che decidono di dire basta e che desiderano tornare ad essere padrone della propria vita. In queste pagine, l'autrice racconta la sua esperienza cercando di trovare una risposta ad una sola, costante, domanda: "Come fare?"

Nemesis Philip Roth 2011-10-04 NATIONAL BESTSELLER • Set in a close-knit Newark neighborhood during a terrifying polio outbreak in 1944, a

“book [that] has the elegance of a fable and the tragic inevitability of a Greek drama” (The New Yorker)—from the Pulitzer Prize-winning author of *American Pastoral*. Bucky Cantor is a vigorous, dutiful twenty-three-year-old playground director during the summer of 1944. A javelin thrower and weightlifter, he is disappointed with himself because his weak eyes have excluded him from serving in the war alongside his contemporaries. As the devastating disease begins to ravage Bucky’s playground, Roth leads us through every inch of emotion such a pestilence can breed: fear, panic, anger, bewilderment, suffering, and pain. Moving between the streets of Newark and a pristine summer camp high in the Poconos, *Nemesis* tenderly and startlingly depicts Cantor’s passage into personal disaster, the condition of childhood, and the painful effect that the wartime polio epidemic has on a closely-knit, family-oriented Newark community and its children.

Appassire senza far rumore Eleonora Del Cavallo 2022-10-28 Una mattina Lilia si sveglia e mentre fuori la primavera inizia a mostrarsi, di fianco a lei il marito Leonardo giace immobile nel letto. Morto. Le circostanze misteriose del suo decesso fanno di Lilia la potenziale indagata, ma quella camera, quella casa, non hanno visto solo la morte. Hanno assistito anche alla violenza in ogni sua forma, camuffata da amore. Cos’è successo quella notte? E qual è la storia di Lilia e Leonardo? *Appassire senza far rumore* parla di un amore tossico e malato che gradualmente, crescendo e fruttificando come fanno le piante amate dalla protagonista, avvelena chi lo vive. È la storia del lento appassimento di Lilia, una giovane donna che, stagione dopo stagione, anno dopo anno, vede il suo mondo diventare sempre più piccolo e fragile, fino a cadere a pezzi. Proprio come un fiore appassito che si spoglia lentamente dei suoi petali.

Il Bullo Sky Corgan 2017-04-07 La sola vista di Dustin Nikoli mi terrorizzava. Il ricordo di ciò che mi aveva fatto passare al liceo mi spingeva a correre lontano da lui. Ero lo sporco sotto le sue scarpe, il mio solo scopo era dargli qualcuno da tormentare. Nessun altro vedeva tutto questo. Per i suoi amici, lui era il più virile degli uomini. Per tutte le donne che non venivano toccate dalla sua crudeltà, era un oggetto del desiderio. Era il più grande idiota che avessi mai incontrato. Bel viso. Corpo meraviglioso. Brutto dentro. Mi ero trasferita in un college in un’altra città per evitarlo. Non mi sarei mai aspettata di trovarlo già lì. Forse avrei dovuto condurre ricerche migliori. La notte in cui m’imbattei in lui non sarebbe potuta essere peggiore di così. Lui era stata la goccia che aveva fatto traboccare il vaso. Usai il mio stato di ebbrezza per darmi coraggio e dirgli tutto ciò che pensavo di lui. E andai a finire nel suo letto...

Roman Tales Alberto Moravia 1988 19 short stories set in the poorer parts and slums of Rome and whose heroes are the ordinary people - plumbers, washerwomen, thieves, small shopkeepers and prostitutes. newspapers in London and Paris. He now lives in Rome and is a well-established writer.

Vocabolario dei dialetti della svizzera italiana: Bab-Bluzcar Silvio Sganzi 1970 Il Vocabolario dei dialetti della Svizzera italiana (VSI) nasce nel 1907 per iniziativa di Carlo Salvioni e si affianca alle opere analoghe dedicate alle altre tre regioni linguistiche della Confederazione, lo Schweizerisches Idiotikon, il Glossaire des patois de la Suisse romande, e il Dicziunari rumantsch grischun, nell'intento di documentare, conservare e analizzare il patrimonio dialettale che già all'epoca si intuiva in rapido mutamento se non addirittura in via di scomparsa. Dopo oltre quattro decenni dedicati alla raccolta e all'ordinamento dei materiali e confrontata a non poche difficoltà, segnatamente quelle conseguenti alle due guerre, l'opera iniziò la sua pubblicazione nel 1952. Il VSI è un'opera di carattere enciclopedico, che affianca l'interesse linguistico, e più in particolare lessicale, a quello etnografico e folclorico. L'area indagata è quella della Svizzera italiana, comprendendo quindi il Ticino e le valli italofone dei Grigioni. La fonte principale è costituita dall'archivio cartaceo risultato delle inchieste originali effettuate nei primi decenni del secolo scorso, a cui si aggiungono una grande quantità di materiali eterogenei, che vanno dal manoscritto occasionale, alle raccolte più o meno sistematiche di specialisti o di profani appassionati della materia, alle innumerevoli pubblicazioni dedicate alla realtà locale, alle registrazioni sul campo.

Stones into Schools Greg Mortenson 2009-12-01 From the author of the #1 bestseller Three Cups of Tea, the continuing story of this determined humanitarian's efforts to promote peace through education In this dramatic first-person narrative, Greg Mortenson picks up where Three Cups of Tea left off in 2003, recounting his relentless, ongoing efforts to establish schools for girls in Afghanistan; his extensive work in Azad Kashmir and Pakistan after a massive earthquake hit the region in 2005; and the unique ways he has built relationships with Islamic clerics, militia commanders, and tribal leaders. He shares for the first time his broader vision to promote peace through education and literacy, as well as touching on military matters, Islam, and women—all woven together with the many rich personal stories of the people who have been involved in this remarkable two-decade humanitarian effort. Since the 2006 publication of Three Cups of Tea, Mortenson has traveled across the U.S. and the world to share his vision with hundreds of thousands of people. He has met with heads of state, top military officials, and leading politicians who all seek his advice and insight. The continued phenomenal success of Three Cups of Tea proves that there is an eager and committed audience for Mortenson's work and message.

The Institute Stephen King 2021-06-29 In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis' parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents--telekinesis and telepathy--who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and 10-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, "like the roach motel," Kalisha says. "You check in, but you don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no

scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from The Institute.

A Love Affair Dino Buzzati 2023-05-23 Accomplished in his career but unaccomplished in love, a middle-aged architect is torn apart by his obsession with an enigmatic young woman in this delicately told story of desire and abjection by a titan of Italian literature. Antonio Dorigi is a successful architect in Milan, nearing fifty, who has always been afraid of women. He has been a regular at an upscale brothel for years, even as he mourns the lack of close female companionship in his life. One afternoon, the madam at the brothel introduces Tonio to “a new girl,” Laide (short for Adelaide). Tonio sees nothing especially remarkable about Laide, though it intrigues him that she dances at La Scala and also at a strip club, and yet in a very short time he becomes completely obsessed with her. Laide draws Antonio on, confounds him, uses and humiliates him, treats him tenderly from time to time, lies to him, makes no apologies to him, and he loves her ever more. This helpless and hopeless love is what he is, he feels, even as it prevents him—we see—from ever seeing Laide for who she is. Because Who is she? is the question at the heart of Buzzati's clear-eyed and often comic tale of infatuation. Laide is a young woman who has never known the bourgeois prosperity Tonio takes for granted, someone in a pickle looking for a main chance. She is a storyteller and someone, too, who knows how stories tell on people and shape their desires and lives. Is A Love Affair a love story or is it a story of anything but love? Buzzati's novel, with its psychological subtleties, its vivid cityscapes, and its compassion, keeps the reader guessing till the end.

Big Questions Anders Nilsen 2011-08-16 A New York Times Notable Book of 2011, included on Amazon.com, Publishers Weekly, and NPR'S Best Comics lists A haunting postmodern fable, Big Questions is the magnum opus of Anders Nilsen, one of the brightest and most talented young cartoonists working today. This beautiful minimalist story, collected here for the first time, is the culmination of ten years and more than six hundred pages of work that details the metaphysical quandaries of the occupants of an endless plain, existing somewhere between a dream and a Russian steppe. A downed plane is thought to be a bird and the unexploded bomb that came from it is mistaken for a giant egg by the group of birds whose lives the story follows. The indifferent, stranded pilot is of great interest to the birds--some doggedly seek his approval, while others do quite the opposite, leading to tensions in the group. Nilsen seamlessly moves from humor to heartbreak. His distinctive, detailed line work is paired with plentiful white space and large, often frameless panels, conveying an ineffable sense of vulnerability and openness. Big Questions has roots in classic fables--the birds and snakes have more to say than their human counterparts, and there are hints of the hero's journey, but here the easy moral that closes most fables is left open and ambiguous. Rather than lending its world meaning, Nilsen's parable lets the questions wander where they will.

What is Private Law? Guido Alpa 2010 The Italian original of this book, *Che cos'è il diritto privato?*, is widely recognized as an influential treatise on the basic methods of legal science, introducing the student to the main institutions and theories of Italian and European Private law, as well as to the basic ideas and principles related to the concept, function and purpose of Italian and European Private law. In translation, this book thus provides any reader with the perspective of the Italian student of law on the ideas that have shaped legal practice in Italy and on the continent of Europe. Its unique value lies in the fact that it is not a gloss, not secondary literature, not an interpretation and not a summary--it is a direct, primary source made available to readers in the English language for the first time. This book is part of the Comparative Legal Thinking Series, edited by Kirk W. Junker, Associate Profesor of Law & Director of International Programs, Duquesne University School of Law.
