[Girls on Fire](#) Robin Wasserman 2016-05-17 An NPR Best Book of the Year • A BuzzFeed Best Book of the Year On Halloween, 1991, a popular high school basketball star ventures into the woods near Battle Creek, Pennsylvania, and disappears. Three days later, he's found with a bullet in his head and a gun in his hand—a discovery that sends tremors through this conservative community, already unnerved by growing rumors of Satanic worship in the region. In the wake of this incident, bright but lonely Hannah Dexter is befriended by Lacey Champlain, a dark-eyed, Cobain-worshiping bad influence in lip gloss and Doc Martens. The charismatic, seductive Lacey forges a fast, intimate bond with the impressionable Dex, making her over in her own image and unleashing a fierce defiance that neither girl expected. But as Lacey gradually lures Dex away from her safe life into a feverish spiral of obsession, rebellion, and ever greater risk, an unwelcome figure appears on the horizon—and Lacey's secret history collides with Dex's worst nightmare. By turns a shocking story of love and violence and an addictive portrait of the intoxication of female friendship, set against the unsettled backdrop of a town gripped by moral panic, *Girls on Fire* is an unflinching and unforgettable snapshot of girlhood: girls lost and found, girls strong and weak, girls who burn bright and brighter—and some who flicker away.

She will take the intimidation factor out of cooking Indian food by simplifying traditional recipes, offering many specific how-to's, and also tips on using traditionally Indian spices in new ways, in everyday dishes. And there is a streak of Middle Eastern in some of these recipes given her youth in Dubai. Finally, the narratives that open each chapter are wonderfully evocative, telling the story of a woman who was an outsider experiencing many cultures and cuisines: an Indian in Dubai, going to a British school; an international student attending Northwestern University to become an American journalist; and a wife of a Los Angeles man who leaves her job at CNN and becomes a Food Network Star. She finds that food always saves her and encourages us all to find the warmth in cooking.
