It makes me particularly good at my job and has pulled me into the world of paranormal treasure hunting. But I knew about the paranormal long before acquiring my PhDs. The night a monster killed my parents opened up a whole new, awful world to me. Now, I'm on the hunt for pieces of the artifact they died protecting. When I'm betrayed by my partner and left for dead, I'm forced to team up with the last man on the planet I want anything to do with. Dr. Dean Vane... a monster just like the one who ruined my life. But I need his help to locate the artifact and stop an even greater threat from wreaking havoc on the world, and he needs my help in finding his brother, the King of Inferna, another world I didn't even know existed. Girls in Contemporary Vampire Fiction Agnieszka Stasiewicz-Bieńkowska 2021-05-08 This book explores the narratives of girlhood in contemporary YA vampire fiction, bringing into the spotlight the genre's radical, ambivalent, and contradictory visions of young femininity. Agnieszka Stasiewicz-Bieńkowska considers less-explored popular vampire series for girls, particularly those by P.C. and Kristin Cast and Richelle Mead, tracing the ways in which they engage in larger cultural conversations on girlhood in the Western world. Mapping the interactions between girl and vampire corporealities, delving into the unconventional tales of vampire romance and girl sexual expressions, examining the narratives of women and violence, and venturing into the uncanny vampire classroom to unmask its critique of present-day schooling, the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl.

I spent 4 of my evenings reading through the many episodes, and each night I would say I'd stop just after the next episode, but then it was the next, until it became very late - and I'm not even sorry about it. The story is relayed first person through the perspective of what starts out as a girl in a group home... With twists and turns that make you want to jump to the next episode screaming, the story rounds out into bittersweet moments through the tragedies and drops you with just about every emotion you could hope to feel... I think you'll agree, you won't want to stop once you get started. So get started!" - Keith Thomas LaSaluto [Slow burn](#) The story is great. The characters are even better. There's a lot of mystery, and tension that builds between the MC's in the beginning but the wait is worth it. The author does a great job at keeping you intrigued. I was biting my nails at the anticipation of what's going to happen Will Menicelle survive the odd new place she's found herself in? Will she finally get to seal the deal with hunky, sexy, mysterious Christoff Ugh. Just wait and see reader friends! You won't be disappointed. Many kudos to the author, she's a new favorite of mine!
