First Comes Love Christie Ridgway 2007-03-20 Book description to come.

Devil's Desire Laurie McBain 2010-11-01 What readers say about Devil's Desire: "One of my all-time favorite romances." "I just love this book! Each scene keeps you turning the pages." "What a pleasure to read an author I know will never disappoint me!" They called him the devil... With his seductive golden eyes and sin-black hair, it's no wonder Lord Alex Trevegne has earned himself the sinister title-not to mention his reputation as one of the most notorious rakes in England. And she's the only one who can conquer him... When fate throws Alex and Elysia into a scandalous situation, Alex suddenly finds it surprisingly difficult to tear himself away from her. As an unexpected passion blossoms between them, Elysia begins to wonder if after a lifetime of heartache she's finally found heaven in the arms of the devil. Praise for Laurie McBain: "McBain's skill at shaping characters and propelling the plot distinguishes her." -Publishers Weekly "Well-crafted and wonderfully romantic. Readers are rewarded with teeming atmosphere." -Romantic Times "Vivid sense of description, colorful characters... I found myself happily lost in the magnificence of the storytelling." -Los Angeles Herald Examiner

Yankee Wife Linda Lael Miller 2004-11-01 New York Times bestselling author Linda Lael Miller's classic follows a Civil War nurse as she embarks on a marriage with a hard-headed man she doesn't know. Lydia McQuire's courage had never wavered during the bloodiest days of the Civil War. A year later, the pretty former Union Army nurse is alone, three thousand miles from home, gamely scraping out an honest living. But now, as she said yes to marrying a stranger, her knees gave way with fear. Mr. Devon Quade had seemed polite and handsome when she answered his ad for a wife. Only after Lydia set sail for his family's settlement in Washington did she learn the truth: her bridegroom wasn't the sweet Devon Quade, but his older brother Brigham, a widower with shoulders a yard wide, hands as strong as steel, and an arrogant belief that he was lord and master of his lumber empire, the town, and the woman he married. Lydia's dislike of him is both ardent and instantaneous...yet she also wants him to kiss her until he takes her breath away. And when Brigham wraps her in his strong embrace, he awakens in her a white-hot passion, and a firm resolve: before she shares his bed, tough, hard-headed Brigham Quade has to surrender himself, heart and soul, to love.

Mapping Global Theatre Histories Mark Pizzato 2019-05-02 This textbook provides a global, chronological mapping of significant areas of theatre, sketched from its deepest history in the evolution of our brain's 'inner theatre' to ancient, medieval, modern, and postmodern developments. It considers prehistoric cave art and built temples, African trance dances, ancient Egyptian and Middle-Eastern ritual dramas, Greek and Roman theatres, Asian dance-dramas and puppetry, medieval European performances, global indigenous rituals, early modern to postmodern Euro-American developments, worldwide postcolonial theatres, and the hyper-theatricality of today's mass and social media. Timelines and numbered paragraphs form an overall outline with distilled details of what students can learn, encouraging further explorations online and in the library. Questions suggest how students might reflect on present parallels, making their own maps of global theatre histories, regarding geo-political theatrics in the media, our performances in everyday life, and the theatres inside our brains.

This book discusses in detail the programs of the writer-producer and lists every episode of his award-winning productions from the early 1970s to the early '90s. The book features publicity photos and descriptions of unsold pilots.

What's Your Monster's Name? Ingrid Kern 2012-05 How many Monsters did you have to deal with in your life up until now? Put that fight behind you. You are already a success, the only thing standing in your way of being who you really are, is you; your mind, your thoughts, your fears. Whats Your Monsters Name? tackles all areas of your life, not just one. As we are multi-faceted, so is the content of the book. The concept of the book is to shine light on areas in someones life that are creating the Monster and that we can turn it into a teacher. Interviews with people telling me their way of handling challenges and how they are dealing with situations by applying a certain life skill; my own experiences and thoughts on some of the challenges and how they affected my entire life until now. All the people I interviewed for this book have their unique way of handling challenges or not so challenging situations from which everyone can learn.
