Protest, Popular Culture and Tradition in Modern and Contemporary Western Europe Ilaria Favretto 2017-04-10 Mock funerals, effigy parading, smearing with eggs and tomatoes, pot-banging and Carnival street theatre, arson and ransacking: all these seemingly archaic forms of action have been regular features of modern European protest, from the 19th to the 21st century. In a wide chronological and geographical framework, this book analyses the uses, meanings, functions and reactivations of folk imagery, behaviour and language in modern collective action. The authors examine the role of protest actors as diverse as peasants, liberal movements, nationalist and separatist parties, anarchists, workers, students, right-wing activists and the global justice movement. So-called traditional repertoires have long been described as residual and obsolete. This book challenges the conventional distinction between pre-industrial and post-1789 forms of collective action, which continues to operate as a powerful dichotomy in the understanding of protest, and casts new light on rituals and symbolic performances that, albeit poorly understood and deciphered, are integral to our protest repertoire.

**I Am Spock** Leonard Nimoy 2015-06-23 First time in trade paperback: the memoir by the late Leonard Nimoy, best remembered for his portrayal as everyone's favorite Vulcan, Spock, in *Star Trek*, the TV series and films. Leonard Nimoy's portrayal of the ever-logical Vulcan, Mr. Spock, is one of the most recognizable, loved, and pervasive characterizations in popular culture. He had been closer to the phenomenon of *Star Trek* than anyone, having played the pivotal role of Spock in the original series, in six motion pictures, and in a special two-part episode of *Star Trek: The Next Generation*. *I AM SPOCK* gives us Nimoy's unique perspective on the beginnings of the *Star Trek* phenomenon, on his relationship with his costars, and particularly on the reaction of the pointed-eared alien that Nimoy knew best. Here, Nimoy shared the true story behind his perceived reticence to re-create the role and wrote frankly about how his portrayal defined an icon.

**A Window on the Italian Female Modernist Subjectivity** Rossella M. Riccobono 2013-09-17 This collection of essays surveys some of the artistic productions by female figures who stood at the forefront of Italian modernity in the fields of literature, photography, and even the theatre, in order to explore how artistic engagement in women informed their views on, and reactions to the challenges of a changing society and a 'disinhibiting' intellectual landscape. However, one other objective takes on a central role in this volume: that of opening a window on the re-definition of the subjectivity of the self that occurred during an intriguing and still not fully studied period of artistic and societal changes. In particular, the present volume aims to define a female Italian Modernism which can be seen as complementary, and not necessarily in opposition, to its male counterpart.

Embroidered Stories Edvige Giunta 2014-07-29 For Italian immigrants and their descendants, needlework represents a marker of identity, a cultural touchstone as powerful as pasta and Neapolitan music. Out of the artifacts of their memory and imagination, Italian immigrants and their descendants used embroidering, sewing, knitting, and crocheting to help define who they were and who they have become. This book is an interdisciplinary collection of creative work by authors of Italian origin and academic essays. The creative works from thirty-seven contributors include memoir, poetry, and visual arts while the collection as a whole explores a multitude of experiences about and approaches to needlework and immigration from a transnational perspective, spanning the late nineteenth century to the late twentieth century. At the center of the book, over thirty illustrations represent Italian immigrant women's needlework. The text reveals the many processes by which a simple object, or even the memory of that object, becomes something else through literary, visual, performance, ethnographic, or critical reimagining. While primarily

concerned with interpretations of needlework rather than the needlework itself, the editors and contributors to Embroidered Stories remain mindful of its history and its associated cultural values, which Italian immigrants brought with them to the United States, Canada, Australia, and Argentina and passed on to their descendants.

**Trends in Contemporary Italian Narrative 1980-2007** Gillian Ania 2009-05-05 The 'new Italian narrative' that began to be spoken about in the 1980s was not associated with a single writer or movement but with an eclectic and varied production. The eight essays that make up this volume set out to give a flavour of the breadth and range of recent trends and developments. The collection opens with two essays on crime fiction. In the first, Luca Somigli examines novels dealing with topical issues or recent history and which reveal a strong indigenous and regional tradition, while in the second, Nicoletta McGowan discusses the particular case of a noir by Claudia Salvatori. They are followed by essays on two of Italy's best-known contemporary writers: Marina Spunta's essay explores the representation of space, place and landscape in the work of Gianni Celati and photographer Luigi Ghirri, while Darrell O'Connell analyses the fiction of Vincenzo Consolo, and his struggle to find a means of representing an ethical stance within fiction. Two essays then examine the role of the anthology for young writers: Charlotte Ross and Derek Duncan in the context of lesbian and gay writing, looking at identity politics and the problematics of categorization; Monica Jansen and Inge Lanslots in that of the "Young Cannibals", and their often unsettling non-literary language and orientation towards cinema, pop music and slang. The penultimate essay, by Jennifer Burns, discusses the literature of migrants to Italy, focusing on questions of identity, memory, mobility and language, while the final contribution, by Gillian Ania, is a study of apocalypse and dystopia in contemporary writing, looking at novels by Vassalli, Capriolo, Avoledo and Pispisa. "This volume examines Italian narrative from the 1980s to the present, from the original viewpoint of genres, categories, trends, rather than author-based analyses. It highlights the innovations of the last twenty years, incorporating into the various themes well known writers like Consolo, Celati and Vassalli, with relative newcomers like Avoledo and Pispisa. The contributors to the volume, academics from the UK, Ireland, Canada, Belgium, cover a wide range of themes which have come to the fore during this period, ranging from detective stories (both the giallo and the noir) to lesbian and gay writing, to immigration literature in Italian, to the study of apocalypse and dystopia. The themes are contextualized in the socio-political and cultural changes taking place in Italy, and parallel to this the temporal moments of the narratives are in turn related to their historical realities. This is a richly woven account which presents post '80s Italian narrative from a new and stimulating angle, in eight lucid and informative essays which will be welcomed by all those interested in contemporary fiction in its cultural context." —Professor Anna Laura Lepschy, Department of Italian, University College London

**Reeds in the Wind** Grazia Deledda 1999 The rugged landscape of Baronia on Sardinia sets the scene for this novel of crime, guilt and retribution. This novel presents the story of the Pintor sisters - from a family of noble landowners now in decline - their nephew Giacinto, and their servant Efix, who is trying to make up for a mysterious sin committed many years before. Around, below, and inside them the raging Mediterranean storms, the jagged mountains, the murmuring forests, and the gushing springs form a Greek chorus of witness to the tragic drama of this unforgiving land. Deledda tells her story with her characteristic love of the natural landscape and fascination with the folk culture of the island, with details about the famous religious festivals held in mountain encampments and the lore of the "dark beings who populate the Sardinian night, the fairies who live in rocks and caves, and the sprites with seven red caps who bother sleep." Introduction by the Sardinian ethnographer, Dolores Turchi.

**Tristano** Nanni Balestrini 2014-02-11 This book is unique as no other novel can claim to be: one of 109,027,350,432,000 possible variations of the same work of fiction. Inspired by the legend of Tristan and Isolde, *Tristano* was first published in 1966 in Italian. But only recently has digital technology made it possible to realise the author's original vision. The novel comprises ten chapters, and the fifteen pairs of paragraphs in each of these are shuffled anew for each published copy. No two versions are the same. The random variations between copies enact the variegations of the human heart, as exemplified by the lovers at the centre of the story. The copies of the English translation of *Tristano* are individually numbered, starting from 10,000 (running sequentially from the Italian and German editions). Included is a foreword by Umberto Eco explaining how Balestrini's experiment with the physical medium of the novel demonstrates 'that originality and creativity are nothing more than the chance handling of a combination'.

*Venice: Four Seasons of Home Cooking* Russell Norman 2020-03-31 A dazzling tribute to Italy's greatest "hidden" regional cuisine by the author of the bestselling and groundbreaking cookbook *Polpo* Returning to the city of his gastronomic inspiration, Norman Russell immerses himself in the authentic recipes and culinary traditions of Venice and the Veneto in one hundred recipes showcasing the simple but exquisite flavors of La Serenissima. He documents one magical year learning and fine-tuning the specialties and everyday comfort foods of la cucina veneziana in a rustic kitchen in a neighborhood far from the tourist crowds -- where washing hangs across the narrow streets and some houses still rely on a communal well for water. Russell lovingly reproduces true Venetian recipes with authentic ingredients very different from the globalized tourist fare in the city's restaurants. The book is structured by season highlighting the ever-changing produce available in Venice's buzzing market stalls throughout the year. Included are Venetian favorites such as asparagus with Parmesan and anchovy butter, butternut risotto, arancini, rabbit cacciatore, warm duck salad with walnuts and beets, scallops with lemon and peppermint, and warm octopus salad. Russell also affords a rare and intimate glimpse into Venice: its hidden architectural gems, secret places, embedded history, the color and energy of daily life and the characters that make this city so enchanting

*No pasta no show* Claudio Trotta 2017-11-06 No pasta no show è l'entusiasmante autobiografia di Claudio Trotta - promoter e produttore di spettacoli dal vivo tra i più importanti e stimati a livello internazionale -, ma è anche l'affresco di un'epoca, di un pezzo di storia italiana illuminato da una prospettiva particolare e affascinante: quella dei concerti, degli spettacoli dal vivo, della musica come partecipazione e progetto culturale. È una galleria di personaggi indimenticabili, tratteggiati con freschezza da chi ha avuto la fortuna di conoscerli da vicino; ed è il racconto di una passione intramontabile, una dichiarazione d'amore nei confronti della musica e della Bellezza. Un amore che l'autore non ha mai smesso di rinnovare e che, ancora una volta, vuole condividere con gli altri. In questo libro troverete Ry Cooder al Rolling Stone di Milano, il 4 maggio del 1982, e un ragazzo in lacrime quando la band inizia a suonare. Ascolterete il genio di John Martyn e la sua chitarra che sul palco sembrano un'orchestra intera, nonostante diciassette birre, una bottiglia di whisky e un litro e mezzo di vino rosso tracannati dal cantautore scozzese durante lo spettacolo. Ci sarà il leader dei Guns N' Roses che smonta una camera d'albergo per trasformarla in una palestra; e a Torino non ci penserà neanche a salire su una Mercedes, perché una volta ha sognato di morire su un'auto come quella. Oppure Bruce Springsteen che una sera, dopo una cena sui navigli, molla tutti e si perde per le vie del capoluogo lombardo. Da solo, senza avvisare nessuno. Ci saranno i più grandi musicisti blues in tour in Italia, nessuno escluso, e Bo Diddley interromperà il suo concerto all'Odissea 2001 di Milano per stringere la mano a lui, "The Greatest", il più grande pugile di sempre. Questo e molto altro è raccontato dal punto di vista dell'autore, che in 40 anni di carriera e di vita on the road ha contribuito a promuovere e a far conoscere nel nostro Paese le stelle di prim'ordine della scena musicale internazionale, organizzando show e festival di grande successo.

*Talking to the Girls* Edvige Giunta 2022-03-22 "Candid and intimate accounts of the factory-worker tragedy that shaped American labor rights. On March 25, 1911, a fire broke out on the eighth floor of the Asch Building in Greenwich Village, New York. The top three floors housed the Triangle Waist Company, a factory where approximately 500 workers, mostly young immigrant women and girls, labored to produce fashionable cotton blouses, known as "waists." The fire killed 146 workers in a mere 15 minutes but pierced the perpetual conscience of citizens everywhere. The tragedy of the fire, and the resulting movements for change, were pivotal in shaping workers' rights and unions. This book is a collection of stories from writers, artists, activists, scholars, and family members of the Triangle workers. Nineteen contributors offer a collective testimony: a written memorial to the Triangle victims"--

**War & War** László Krasznahorkai 2006-04-17 From the winner of the 2015 Man Booker International Prize A novel of awesome beauty and power by the Hungarian master, Laszla Krasznahorkai. Winner of a 2005 PEN Translation Fund Award. War and War, Laszla Krasznahorkai's second novel in English from New Directions, begins at a point of danger: on a dark train platform Korim is on the verge of being attacked by thuggish teenagers and robbed; and from here, we are carried along by the insistent voice of this nervous clerk. Desperate, at times almost mad, but also keenly empathic, Korim has discovered in a small Hungarian town's archives an antique manuscript of startling beauty: it narrates the epic tale of brothers-in-arms struggling to return home from a disastrous war. Korim is determined to do away with himself, but before he can commit suicide, he feels he must escape to New York with the precious manuscript and commit it to eternity by typing it all on the world-wide web. Following Korim with obsessive realism through the streets of New York (from his landing in a Bowery flophouse to his moving far uptown with a mad interpreter), War and War relates his encounters with a fascinating range of humanity, a world torn between viciousness and mysterious beauty. Following the eight chapters of War and War is a short "prequel acting as a sequel," "Isaiah," which brings us to a dark bar, years before in Hungary, where Korim rants against the world and threatens suicide. Written like nothing else (turning single sentences into chapters), War and War affirms W. G. Sebald's comment that Krasznahorkai's prose "far surpasses all the lesser concerns of contemporary writing."

*Writing and Performing Female Identity in Italian Culture* Virginia Picchiotti 2017-01-28 This volume investigates the ways in which Italian women writers, filmmakers, and performers have represented female identity across genres from the immediate post-World War II period to the turn of the twenty-first century. Considering genres such as prose, poetry, drama, and film, these essays examine the vision of female agency and self-actualization arising from women artists' critique of female identity. This dual approach reveals unique interpretations of womanhood in Italy spanning more than fifty years, while also providing a deep investigation of the manipulation of canvases historically centered on the male subject. With its unique coupling of generic and thematic concerns, the volume contributes to the ever expanding female artistic legacy, and to our understanding of postwar Italian women's evolving relationship to the narration of history, gender roles, and these artists' use and revision of generic convention to communicate their vision.
