The New Heroes Michael Carroll 2017-06-29 The final novel in the acclaimed New Heroes / Super Human series! Decades ago the superhuman Quantum received a vision of a devastating war in which billions will die. Now it seems that Quantum's prophecy will come to pass. Weakened from their battle with Victor Cross's army of clones, the New Heroes are unprepared for the return of the first superhuman: the immortal despot Krodin. In the final conflict there can be no winners. Only survivors.

Stronger Michael Carroll 2012-06-14 The third installment of the critically acclaimed Super Human series All Gethin Rao wants is to be like every other boy his age. But normal twelve-year-olds aren't blue. And they certainly aren't thirteen feet tall. That's what happens when his superpowers kick in. And from that moment on, his life is never the same. Treated as a villain--a monster--Gethin spends the rest of his life on the run or as a prisoner in a secret military facility. When he finally escapes, he falls in with a group of superpowered teens and becomes the one thing he never thought he'd be: a hero. But as the years pass by and he takes the name Brawn, Gethin learns that being a good guy is a lot more difficult than he thought. Michael Carroll delves deeper into the life of one of his favorite characters and in the process gives readers his most satisfying, exciting adventure yet, which leads directly into his Quantum Prophecy trilogy.

The Second Super Logan Rutherford 2015-05-21 Kane Andrews is just another one of the billions of people on Earth who watch as Richter, the world's first superhuman, goes on a rampage. All the world's military cannot stop him, no matter what they throw his way. Until, with the whole world watching, Kane surprises himself by flying up to catch someone the supervillain has thrown off a building. The second superhuman is born. With no idea of the extent or magnitude of his powers, Kane has a long way to go before becoming the first superhero. He must stay one step ahead of both Richter and the rest of the world while he figures out how to take down his nemesis. Time is running out though, and Richter will do whatever it takes to make sure he's Earth's only superhuman.

Superpowered James Schannep 2015-04-27 3 Unique Storylines. Over 50 Possible Endings. Just one question... Will YOU Be a Hero or a Villain? You know the superhero fantasy. What would life be like if you had superhuman abilities? But really, given the choice, would you save the world or conquer it? In SUPERPOWERED, the choice is yours. After a bizarre experiment leaves you with one of three superpowers (play the book multiple times to explore all three!), you must ally with or confront the other two test subjects while the fate of Mercury City--nay, the world!--hangs in the balance. Here's how it works: You, Dear Reader, are the main character of this story. Save the world or conquer it, the choice is your. "There's someone up there! He's going to jump!" Thirteen stories up, black smoke billows out and curls up the sides of the building: There may be a crowd, but I'm the only one who can save him! Go to page 351 Gross. I don't want to be around to see that. Go to page 244 Fans of Marvel's Avengers or DC's Justice League can now live their own comic book adventure (even if you're more of a Deadpool or Joker type). Like the gamebooks popular in the 1980s-90s (Choose Your Own Adventure, Give Yourself Goosebumps, etc)*, this is a series where you choose how to progress through the book. Unlike any others, this is the first series designed specifically for adults. Get SUPERPOWERED! * Click Your Poison is in no way associated with these other brands and companies.

The Superhuman Body Joy Lin 2019-04 What if you could be immortal or have super senses or read minds? You'd be a superhero! BUT are these superpowers feasible in the real world? Superpower Science: The Superhuman Body tells you all about the reality of these superpowers when looked at through a scientific lens. The series Superpower Science focuses on the superpowers commonly associated with superheroes and reveals just how scientifically realistic they could be to us mere humans. Each title focuses on four superpowers and explains which science principles would come into action if the superpower existed and what effect these science principles would have on the body. The comic book format and vintage-looking colorful illustrations paired with quirky and humorous explanations turn what would be considered by many as dry physics principles into high-interest exciting books. By pointing out the physical limitations of superpowers, the series aims to not crush children's dreams but inspire them to be interested in science.

Dreadnought April Daniels 2016-01-24 A trans teen is transformed into a superhero in this action-packed series-starter perfect for fans of The Heroine Complex and Not Your Sidekick. Danny Tozer has a problem: she just inherited the powers of Dreadnought, the world's greatest superhero. Until Dreadnought fell out of the sky and died right in front of her, Danny was trying to keep people from finding out she's transgender. But before he expired, Dreadnought passed his mantle to her, and those secondhand superpowers transformed Danny's body into what she's always thought it should be. Now there's no hiding that she's a girl. It should be the happiest time of her life, but Danny's first weeks finally living in a body that fits her are more difficult and complicated than she could have imagined. Between her father's dangerous obsession with "curing" her girlhood, her best friend suddenly acting like he's entitled to date her, and her fellow superheroes arguing over her place in their ranks, Danny feels like she's in over her head. She doesn't have time to adjust. Dreadnought's murderer—a cyborg named Utopia—still haunts the streets of New Port City, threatening destruction. If Danny can't sort through the confusion of coming out, master her powers, and stop Utopia in time, humanity faces extinction. "I didn't know how much I needed this brave, thrilling book until it rocked my world. Dreadnought is the superhero adventure we all need right now."—Charlie Jane Anders, author of All the

Birds in the Sky "A thoroughly enjoyable, emotionally rich, action-packed story with the most exciting new superheroes in decades. Unmissable."—Kirkus Reviews

The Point John Dixon 2018-08-07 "[A] rousing mash-up of military SF thriller and paranormal adventure . . . Scarlett is a resourceful and endearing heroine."—Publishers Weekly What if you had a power you had to hide from everyone—until now? In this bold sci-fi action thriller, a secret training program at West Point is turning misfits into a new generation of heroes. Scarlett Winter has always been an outsider, and not only because she's a hardcore daredevil and born troublemaker—she has been hiding superhuman powers she doesn't yet understand. Now she's been recruited by a secret West Point unit for cadets with extraordinary abilities. Scarlett and her fellow students are learning to hone their skills, from telekinetic combat to running recon missions through strangers' dreamscapes. At The Point, Scarlett discovers that she may be the most powerful cadet of all. With the power to control pure energy, she's a human nuclear bomb—and she's not sure she can control her powers much longer. Even in this army of outsiders, Scarlett feels like a misfit all over again, but when a threat that endangers her fellow students arises from the school's dark past, duty calls and Scarlett must make a choice between being herself and becoming something even greater: a hero. Praise for The Point "An exciting military SF adventure . . . This action-packed military thriller keeps a fast pace and will appeal to fans of X-Men's Charles Xavier's School for Gifted Youngsters and TV military series such as The Unit and SEAL Team."—Library Journal "A thrilling mix of SF and coming-of-age story."—Booklist "This 'school for superheroes' sci-fi action thriller moves faster than a speeding bullet."—Kirkus Reviews

Vanguard: Heroes Fallen: A Superhero Adventure Percival Constantine 2016-09-05 The war is over, the heroes failed! Twenty years have passed since the alien invasion of Earth began and humanity has lost. The invaders have set up a new government run by their human co-conspirators, and the superhuman population is now imprisoned, used as forced labor, or subjected to inhumane experimentation. But a new team of specials exists in the future, continuing the legacy of Vanguard. Together, they are the only source of resistance against the alien overlords. For years, their efforts have been valiant, yet futile. Now though, they have the opportunity to change their fate, if only they can send the mysterious Chronos into the past! Explore the future in the fourth volume of Percival Constantine's superhero epic!

Hunter Michael Carroll 2014-05-01 The fourth installment of the critically acclaimed Super Human series The defeat of the near-invincible villain Krodin has left a void in the superhuman hierarchy, a void that two opposing factors are trying to fill. The powerful telepath Max Dalton believes that the human race must be controlled and shepherded to a safe future, while his rival Casey Duval believes that strength can only be achieved through conflict. Caught in the middle is Lance McKendrick, a teenager with no special powers, only his wits and the tricks of a con artist. But Lance has a mission of his own: Krodin's ally, the violent and

unpredictable supervillain Slaughter, murdered Lance's family, and he intends to make her pay. For fans of Steelheart and The Avengers, Hunter is an action-packed superhero story that is hard to put down. Praise for HUNTER "No one writes superheroes as good as Michael Carroll. With Hunter, Michael takes his flawed, all-too-human superheroes to the next level. One of my favorite series."—Michael Scott, author of The Secrets of the Immortal Nicholas Flamel series "[HUNTER] is fast paced, exciting, and extremely difficult to put down . . . its unexpected, jaw-dropping ending guarantees anticipation for the next entry."—VOYA "A flurry of odd jobs (including time in a carnival), a brief romantic fling, and an intriguing epilogue make this appealing to all sorts of readers, and as always, Carroll delivers a super story."—Booklist

What is a Superhero? Robin S. Rosenberg PhD 2013-07-01 It's easy to name a superhero--Superman, Batman, Thor, Spiderman, the Green Lantern, Buffy the Vampire Slayer, Rorschach, Wolverine--but it's not so easy to define what a superhero is. Buffy has superpowers, but she doesn't have a costume. Batman has a costume, but doesn't have superpowers. What is the role of power and superpower? And what are supervillains and why do we need them? In What is a Superhero?, psychologist Robin Rosenberg and comics scholar Peter Coogan explore this question from a variety of viewpoints, bringing together contributions from nineteen comic book experts--including both scholars in such fields as cultural studies, art, and psychology as well as leading comic book writers and editors. What emerges is a kaleidoscopic portrait of this most popular of pop-culture figures. Writer Jeph Loeb, for instance, sees the desire to make the world a better place as the driving force of the superhero. Jennifer K. Stuller argues that the female superhero inspires women to stand up, be strong, support others, and most important, to believe in themselves. More darkly, A. David Lewis sees the indestructible superhero as the ultimate embodiment of the American "denial of death," while writer Danny Fingeroth sees superheroes as embodying the best aspects of humankind, acting with a nobility of purpose that inspires us. Interestingly, Fingeroth also expands the definition of superhero so that it would include characters like John McClane of the Die Hard movies: "Once they dodge ridiculous quantities of machine gun bullets they're superheroes, cape or no cape." From summer blockbusters to best-selling graphic novels, the superhero is an integral part of our culture. What is a Superhero? not only illuminates this pop-culture figure, but also sheds much light on the fantasies and beliefs of the American people.

The Ascension: a Super Human Clash Michael Carroll 2012-07-19 Time-traveling supervillains and young superheroes in this sequel to the thrilling Super Human! They thought him dead. After a battle of that magnitude, how could Krodin have possibly survived? But you can't underestimate a time-traveling supervillain. Young heroes Roz, Abbey, Paragon, and Lance find this out the hard way when, in the blink of an eye, the world changes. At first it's not all that noticeable. But something's not quite right. Maybe it's the smell of ozone in the air or the people acting strangely, like drones. Or maybe it's the images of Krodin everywhere that confirms it: This is not their America . . .

Chance Fortune and the Outlaws Shane Berryhill 2008-01-02 For as long as he can remember, fourteen-year-old Joshua Blevins has wanted to be a superhero. He has the brains, the passion, and the heart. There's

only one problem: he doesn't have any superpowers. But Josh isn't about to let that stop him. Determined not to give up on his dream, Josh enlists the aid of his mentor, Captain Fearless, a retired costumed adventurer, to gain entrance to the Burlington Academy for the Superhuman under the false identity of Chance Fortune—a superhuman with the power of having unnaturally good luck. Masquerading as Chance, Josh rises among the ranks of his fellow students at the Academy, eventually becoming the leader of his own combat team, the Outlaws. Together, Chance and his teammates Psy-Chick, Shocker, Gothika, Space Cadet, Iron Maiden, and Private Justice make new friends, battle new enemies, and ultimately find themselves caught up in a struggle for the fate of the universe. Can Chance and the Outlaws save the universe—AND survive their freshman year? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Marvel Super Hero Adventures: Buggin' Out! MacKenzie Cadenhead 2018-06-05 The school-wide science fair Peter Parker (a.k.a Spider-Man) has been eagerly awaiting has finally arrived! Peter has always excelled at science, and after getting the boot in a basketball game earlier that day, he could use a little pick-me-up. So imagine Peter's surprise and dismay when basketball great and all-around-bully Flash Thompson shows up with a totally awesome project! But when the science fair is put in jeopardy thanks to the antics of one Doc Ock, Peter will need to team up with fellow 'bugz' Ant-Man and the Wasp to save the fair and the people in it—even if it means someone else walking away with the prize. Great things—and even bigger surprises—come in tiny packages in this third installment in Marvel's Super Hero Adventures early chapter book series.

I Did Not Give That Spider Superhuman Intelligence! Richard Roberts 2020-03-13 From the internationally bestselling author of Please Don't Tell My Parents I'm a Supervillain comes the story of Spider, Mourning Dove, Goodnight, Mish-Mosh, and Psychopomp! Before there was Bad Penny and the Inscrutable Machine... there was TEAM TINY! Being a superhero should be fun. After all, a world of super powers is a world where amazonian juggernauts made of candy battle guys in spandex that drive talking cars. Irene loves that weirdness, loves the game of fighting, and loves being a four foot tall woman who still gets to drop big heavy objects on villains' heads. In 1980, that fun is in danger. A mad scientist who murders people for his research has everyone afraid. Two of the friendliest super powered rivals around stop playing and go for the kill. If superheroes and villains aren't safe in their own homes, how can having powers be anything but a nightmare? Irene will not let that happen. She wants to show her friends—a ten-year-old grim reaper and a zombie mish-mosh of living and metal parts—that their lives don't have to be grim. With the help of a superintelligent spider, Team Tiny will make the world fun again. Except maybe it's the spider who's in charge after all...
