Loser Jerry Spinelli 2009-10-13 From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

Closing the Gender Gap Madeleine Arnot 1999-11-22 The education gender gap is closing. Since the 1980s examination results have changed dramatically, as girls have "caught up" and, in some cases, overtaken boys. Through an analysis of the postwar transformation in British economic, social and cultural life, this important book provides valuable insights into how and why this unprecedented change has taken place. In particular, the book focuses on the welfare state and the education reforms under Margaret Thatcher which encouraged this momentum for change despite her personal efforts to re-instil Victorian educational values. These reforms, the authors argue, coupled with the women's movement, re-shaped girls' and boys' identities and educational choices irrevocably, but not necessarily in the same or complementary ways. Closing the Gender Gap will be essential reading for undergraduate and postgraduate students in education, sociology and gender studies.

Cupid & Psyche Apuleius 1912

A Kingdom of Flesh and Fire Jennifer L. Armentrout 2020-09-01 From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended.

Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolverns are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

Fall Kristen Callihan 2018-10-23 The first time I met Jax Blackwood things went a little sideways. In my defense, I didn't know he was Jax Blackwood—who expects a legendary rock star to be shopping for groceries? More importantly, a blizzard was coming and he was about to grab the last carton of mint-chocolate chip. Still, I might have walked away, but then he smugly dared me to try and take

the coveted ice cream. So I kissed him. And distracted that mint-chip right out of his hands. Okay, it was a dirty move, but desperate times and all that. Besides, I never expected he'd be my new neighbor. An annoying neighbor who takes great pleasure in reminding me that I owe him ice cream but would happily accept more kisses as payment. An irresistible neighbor who keeps me up while playing guitar naked—spectacularly naked—in his living room. Clearly, avoidance is key. Except nothing about Jax is easy to ignore—not the way he makes me laugh, or that his particular brand of darkness matches mine, or how one look from him melts me faster than butter under a hot sun. Neither of us believes in love or forever. Yet we're quickly becoming each other's addiction. But we could be more. We could be everything. All we have to do is trust enough to fall

From Blood and Ash Jennifer L. Armentrout 2020-03-30 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Because Poppy is the Chosen, the Blessed. The true ruler of Atlantia. She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers. The enemy and the warrior... Poppy has only ever wanted to control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible—travel to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other. And now she will become Queen...
