

It Had To Be You

It Had to Be You Linda Windsor 2011-04-13 Trust is not high on straight-talking rancher Dan Jarrett's list. He doesn't believe there are many people worthy of it. Case-in-point: his new stepfather. His widowed mother says it was love at first sight, but Dan is convinced the man is a con artist spending his mother's nest egg. And the only reason Dan's going on the family holiday cruise is to gain time to prove his suspicions. After losing both of her parents to cancer, E.R. nurse Sunny Elders cherishes any time she can spend with the loved ones she has left-her sister's family. Relaxing together on a cruise filled with love and laughter sounds like the perfect prescription for healing. And Sunny's unsinkable spirit and her maddening penchant for zany disasters provide an ample dose of both. Collision Course. Troubles Waters Ahead! Rancher Dan Jarrett, a true stickler for tradition, doesn't believe in the love-at-first sight bug that bit his widowed mom. In fact, he's sure the man she met and married on a seniors' cruise is a fraud, out to break her bankbook and her heart. Dan's mission? Endure a family holiday cruise till he gets enough proof to expose his stepfather for the scoundrel he is. But will his plans go aground when he bumps headlong into a "walking accident-waiting-to-happen" with an infectious smile? Nurse Fix-It to the Rescue! Sunny Elders is determined. True, being paired with Dan Jarrett-time after time after time-might result in disaster, but it's no coincidence. The recent loss of her parents and her nurse's training make it impossible to ignore the obvious: This bull-headed cowpoke and his folks need help. Enter Sunny, a woman with a mission. But can she set Dan's Stetson on straight without tripping over her heart? One thing is certain: Before this hilarious high-sea adventure is over, these two stubborn hearts will hit the unfamiliar waters of trust - trust in each other and in the One who orders our steps, who knows better than we ever could exactly what - and who - we need to be whole.

Start with Why Simon Sinek 2011-12-27 The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. *START WITH WHY* asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. *START WITH WHY* shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Twenty-five-old Lacey Whitman is blindsided when she's diagnosed with the BRCA1 gene mutation: the "breast cancer" gene. Her high hereditary risk forces a decision: increased surveillance or the more radical step of a preventative double mastectomy. Lacey doesn't want to lose her breasts. Secondly, small-town Lacey's not so in touch with her sexuality: she doesn't want to sacrifice her breasts before she's had the chance to give them their hey-day. To help her make her choice, she (and her friends) creates a "boob bucket list": everything she wants do with and for her boobs before a possible surgery. This kicks off a year of sensual exploration and sexual entertainment for the quick-witted Lacey Whitman. *The Bucket List* cleverly and compassionately explores Lacey's relationship to her body and her future.
