« È tempo di svegliarvi dal sonno» Marcello Lanza  
2018-09-14T13:38:00+02:00 Questo libro è la narrazione appassionata di un'esperienza ministeriale. Don Marcello Lanza, esorcista, vive il suo sacerdozio in un ambito pastorale non facile per l'intreccio teologico e psicologico che si riscontra nell'accompagnare coloro che manifestano fenomeni di possessione demoniaca. La realtà degli esorcismi, infatti, non può essere affrontata solo nell'ambito della ritualità e gestualità liturgica, ma richiede uno studio teologico competente e d'intesa con le scienze umane.

*Laudato Si* Pope Francis 2015-07-18 "In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him!" - Pope Francis, *Laudato Si'* In his second encyclical, *Laudato Si': On the Care of Our Common Home*, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis' letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for "the ethical and

spiritual itinerary that follows." Laudato Si' outlines: The current state of our "common home" The Gospel message as seen through creation The human causes of the ecological crisis Ecology and the common good Pope Francis' call to action for each of us Our Sunday Visitor has included discussion questions, making it perfect for individual or group study, leading all Catholics and Christians into a deeper understanding of the importance of this teaching.

**Preghiere di guarigione, liberazione e protezione** Beppe Amico 2023-06-09 I momenti che dedichiamo all'orazione sono importantissimi per il nostro cammino di fede. La preghiera ci permette di entrare nel mistero di Dio e ci dà la possibilità di comunicare con Lui. Dio non aspetta altro che esaudirci. Purtroppo, la preghiera è molto trascurata in questo periodo storico. L'ateismo e l'indifferentismo dilagano e le minacce del male sono ora più che mai una realtà. Dobbiamo combattere da valorosi - come dice San Paolo - combattere la nostra buona battaglia delle fede. Dalla preghiera possiamo avere tutto. La salvezza eterna della nostra anima è l'affare più importante della nostra vita - affermava Padre Giuseppe Tomaselli e Sant'Alfonso Maria De Liguori avvertiva: "Chi prega si salva, chi non prega si dann". Dio ci liberi dalla seconda morte. Questo libro di preghiere, gran parte delle quali inedite, vuole essere un aiuto concreto per coloro che desiderano approfondire la loro vita spirituale e trovare nella preghiera una fonte di conforto e di ispirazione. Ogni capitolo è dedicato ad una specifica tematica; dalla lode al ringraziamento, fino alla guarigione fisica e spirituale, alla preghiera come protezione contro le maledizioni e le insidie degli spiriti maligni ed ancora la preghiera per ottenere la pace e la prosperità, quella in difesa della Chiesa di Dio dalle tante insidie che l'affliggono anche dal suo interno. Un intero

capitolo è dedicato alla Guarigione del nostro Albero genealogico e alla protezione dagli influssi che derivano dalle passate generazioni. Un'altra sezione propone le orazioni a favore dei defunti, quelle allo Spirito Santo, agli angeli e agli arcangeli. In ogni capitolo, verrà fornita una breve introduzione che illustra il tema di ciascuna sezione per aiutare il lettore a comprendere il significato della preghiera e come praticarla per ricevere frutto spirituale e materiale.

Insightful questions suited for individual or group use, applicable prayers, and ideas for meaningful action invite readers to personally respond to the mystery of suffering.

An Exorcist Tells His Story Gabriele Amorth 2015-07-21 In this powerful book, the renowned exorcist of Rome tells of his many experiences in his ministry as an exorcist doing battle with Satan to relieve the great suffering of people in the grip of evil. The importance of the ministry to expel demons is clearly seen in the Gospels, from the actions of the Apostles, and from Church history. Fr. Amorth allows the reader to witness the activities of the exorcist, to experience what an exorcist sees and does. He also reveals how little modern science, psychology, and medicine can do to help those under Satan's influence, and that only the power of Christ can release them from this kind of mental, spiritual or physical suffering. An Exorcist Tells His Story has

been a European best-seller that has gone through numerous printings and editions. No other book today so thoroughly and concisely discusses the topic of exorcism.

*Community and Growth* Jean Vanier 1989 If you've ever thought about community, whether as a lifestyle or simply as an expression of deeper fellowship with others, this book is essential reading. In the fifteen years since it first appeared in English, it

has become the classic text on the subject -- read, dog-eared, borrowed, and discussed. Vanier is not a rosy idealist. That is because his writing is based not on theories, but on a wealth of wisdom gleaned over many years living in community, experiencing difficult days and joyous celebrations, times of struggle and hard-won success, moments of doubt and inspiration. He acknowledges the inevitable little frustrations of a life lived with and for others, but he also helps the reader see that without struggle there is no true growth.

*The Rosary* Sister Emmanuel 2021-02-10 The Rosary: A rope that connects those who are in anguish with Heaven. A rope that strangles the head of the snake. Every Hail Mary is consolation for the distressed; terror for Satan and joy for Mary. Every Hail Mary hastens the glorious coming of the King." Father Daniel-Ange This book takes us on a journey through the mysteries of the

rosary where we contemplate the lives of Jesus and Mary. Everything becomes real. We take Our Lady's hand and enter the stable of Bethlehem and the Temple of Jerusalem. We walk with her on the roads of Galilee, we suffer with her in the howling crowd before Pilate, we rejoice with Mary of Magdala adoring Jesus, who is victorious over death. As we travel with her, we soak up the graces within each mystery, like children fascinated by what they are watching, and we are transformed by these rays of light that flow from the Gospel. Not only does this book delve deeper than ever into the Joyful, Luminous, Sorrowful and Glorious mysteries, but there are meditations on 10 never seen before mysteries of Compassion and Mercy! These mysteries expound and bring to life God's infinite love and mercy for each one of us. Don't just read this book; live it!

Contro Satana Matteo La Grua 2013-01-15 Guaritore, esorcista, veggente e carismatico, padre Matteo La Grua è stato in Italia e nel mondo un punto di riferimento per migliaia di fedeli. In queste pagine racconta per la prima volta la sua straordinaria battaglia contro il maligno.

*The Porch and the Cross* Kevin Vost 2016-02-29 Regardless of their sometimes ambiguous concepts of God, the Roman Stoic philosophers did acknowledge Him, but on the basis of reason alone, because they had not met Christ. Nonetheless, they did deduce from God's existence our need to live lives of virtue, honor, tranquility, and self-control--and they developed effective techniques to help us achieve this. Musonius Rufus the teacher, Epictetus the slave, Seneca the adviser to emperors, and Marcus Aurelius, the emperor himself, produced a practical technology we can use to integrate Christian ethics into our own daily practice. As Kevin Vost so wonderfully illustrates in his new book, *The Porch and the Cross*, the Stoics can help us learn--and remember--what is up to us, and what is up to God alone.

Medjugorje Sister Emmanuel Maillard 2020-10-27 A book this genuine was needed! Sister Emmanuel offers through it a pure echo of Medjugorje, the eventful village where the Mother of God has been appearing since 1981. She shares at length some of the personal stories of the villagers, the visionaries, and the pilgrims who flock there by the thousands, receiving great healing. Ten years of awe have inspired this book. These 89 stories offer a glimpse into the miracles of Mary's motherly love. More than just a book, this is a (one-way) ticket to happiness! "This book fills me with joy, as I too am a supporter, protector and propagator of Medjugorje. Sister Emmanuel's presence in Medjugorje is providential: she has a charism of clarity to explain in the messages and events of Medjugorje." Monsignor Frane Franic Archbishop Emeritus of Split (Croatia) "The Gospa is a Mom; she invites us to be her vehicles, really happy, and not floating in the clouds. She calls us to be concrete like her. That's why this book is important! It reveals the marvels our Mother works in our hearts, through Med-jugorje. I pray to God for the readers: may this book help you, may these testimonies be an example to change your life." Marija Pavlovic-Lunetti One of the Visionaries at Medjugorje Sister Emmanuel was born in France in 1947. She graduated from the Sorbonne University in Paris with a diploma in Fine arts. In 1976 she joined the lay Community of the Beatitudes. Posted in Medjugorje since 1989, her mission is to let Our Lady's messages and graces be known throughout the world, offering CDs, DVDs... This book is translated into 22 languages including Japanese, Russian, Arabic and Chinese. A must read! "The Hidden Child of Medjugorje" (2007) Fr. Jozo Zovko says, "In this book, Sr. Emmanuel has gathered the most beautiful pearls! She offers them to the reader that they may be enriched. It gives great joy, revealing facts, people and events of great value and

teaching." Available in bookstores and online at:

The Seven Spiritual Weapons Catherine of Bologna 2011-07-18  
St. Catherine of Bologna, much venerated in her own city, has been little known outside of her native region but interest in her is now increasing. The outline of her life is clear and her own work, *The Seven Spiritual Weapons*, tells a good deal about her inner experiences and early years in the cloister. The introduction to this translation situates her life in the history of Ferrara and Bologna and studies how the external history of the community impinged on Catherine's own religious experience and how it was interwoven with her successful struggle against depression.

The Clash of Gods Thomas F. Mathews 2022-09-13 Between the third and sixth centuries, the ancient gods, goddesses, and heroes who had populated the imagination of humankind for a millennium were replaced by a new imagery of Christ and his saints. Thomas Mathews explores the many different, often surprising, artistic images and religious interpretations of Christ during this period. He challenges the accepted theory of the "Emperor Mystique," which, interpreting Christ as king, derives the vocabulary of Christian art from the propagandistic imagery of the Roman emperor. This revised edition contains a new preface by the author and a new chapter on the origin and development of icons in private domestic cult.

The Hidden Child of Medjugorje Emmanuel Maillard 2007

Throughout time, man has been in quest of security, of peace, and of happiness; however, rare are those who divine that their quest is in reality a quest for God. In her new book, *The Hidden Child of*

Medjugorje, Sister Emmanuel brings a precious contribution to the understanding of this aspiration. As the pages are turned, this book reveals itself to be a guide. It enables us to reach an end which is none other than the Hidden Child, the Child Jesus. In the apparitions of Medjugorje, this Divine Child hides Himself so well in His Mother that at first sight, one pays Him no attention. But whoever finds the Mother, finds the Son. Thus will it be for all who read this book.

Carothers 2003-05 Merlin Carothers' first book, *Prison to Praise*, drew acclaim from Pat and Shirley Boone, Jamie Buckingham, Leonard LeSourd, Catherine Marshall, Norman Vincent Peale, John Sherrill and others. Thousands wrote and hundreds telephoned to tell him of transformed lives...of experiencing new power and victory. Now *Power in Praise* brings together some of the miracles wrought by the simple application of Biblical truth: all things work together for good. *Power in Praise* is a simple clear explanation of how and why the principles introduced in *Prison to Praise* work in every-day life. Get Us Out of Here!! Nicky Eltz 2002-12-01 Dear Reader, What you are now holding is a most interesting book. The world beyond is speaking. It is offering advice, asking for help and giving answers. It exists and speaks about life -- our life here on earth and of possible consequences of our behaviour. It tells us that it is not the same to be humble, loving, good, merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. At death this is not forgotten but rather remembered in

total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing is so very much more. Then you ask yourself, is it possible? In the Catholic church one speaks about a transitory state which for a very long time has been referred to as Purgatory. Despite there being different theories, this state is always taken seriously. One needs it because one can only come before God cleansed and pure.

*Prayer* Hans Urs Von Balthasar 2012-06-12 This is perhaps the best and most comprehensive book on prayer ever written. From the persons of the Trinity through the Incarnation to the Church and the very structure of the human person, this book is a powerful synthesis of what prayer is and how to pray. The testament of a great theologian on something which is most personal and interior, contemplative prayer. In this modern classic, von Balthasar illumines the nature and practice of contemplative prayer in explicit and vital connection with the mysteries of Christian revelation. His extraordinary flair for drawing spiritual implications from the most profound theological insights is brilliantly displayed on so many of its pages. This is a book on prayer that stimulates our yearning for God as it points us toward ever-deepening and authentic encounters with Him. - Margaret M. **Steps to Personal Revival** Helmut HAUBEIL 2020-03-17 On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied

with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.

**Get Your Hopes Up!** Joyce Meyer 2015-04-07 #1 New York Times bestselling author Joyce Meyer teaches readers how to transform their lives by tapping into the power of hope. Regardless of where one is in life, it is impossible to live successfully and to the fullest without hope. With *Get Your Hopes Up!* Joyce will help readers achieve a lasting sense of hope, built on their faith in God. Hope is only as strong as its source. This book will help readers avoid misplacing their trust in unreliable things, and help them ground their hope steadfastly in God for limitless joy and possibilities for their lives. As Joyce explains, "Without hope in God, there isn't much you can do, but with Hope in God, there isn't much you can't do."
