Observations on the Florid Song (1723) Pier Francesco Tosi 2009-09-29 Opinioni de' cantori antichi, e moderni o sieno osservazioni sopra il canto figurato (1723) -- Extended Edition. As the first full-length treatise ever to be published on singing, Tosi revealed to the world the secret method that accounted for the unworldly vocal abilities of the famous castrati. Living in a Europe alight with the virtuosic Baroque operas of Handel, Scarlatti and Porpora, Tosi revealed that it was extensive training in the old Italian school of singing that cultivated the beautiful tone and expression of their voices, as well as the infamous mezza di voce, trills and runs. What's more, Tosi revealed that the method worked equally well for any voice type, male or female, provided that its principles and techniques were adhered to with exactness and consistency. Written by one of the most famous singers and

voice teachers of the early 18th century, Tosi's *Opinioni* has remained an indispensable text on the bel canto singing method, as well as Baroque stylistic techniques.

only the technical aspects of creativity, but also the spiritual aspects. Effortless Mastery is not only an account of that journey, but also an insightful guide for all those wishing to remove their own barriers to creativity in life and the arts. While Mr. Werner happens to be a musician, the concepts presented here are applicable to every profession, aspiration, or lifestyle where there is a need for free-flowing effortless thinking.

101 Zen Stories Nyogen Senzaki 1940 There was an old woman in China who had supported a monk for over twenty years. She had built a little hut for him and fed him while he was meditating. Finally she wondered just what progress he had made in all this time. To find out, she obtained the help of a girl rich in desire. "Go and embrace him," she told her, "and then ask him suddenly: 'What now?'" The girl called upon the monk and without much ado caressed him, asking him what he was going to do about it. "An old tree grows on a cold rock in winter," replied the monk

somewhat poetically. “Nowhere is there any warmth.” The girl returned and related what he had said. “To think I fed that fellow for twenty years!” exclaimed the old woman in anger. “He showed no consideration for your need, no disposition to explain your condition. He need not have responded to passion, but at least he could have evidenced some compassion.” She at once went to the hut of the monk and burned it down. This Zen classic includes the following stories: 1. A Cup of Tea 2. Finding a Diamond on a Muddy Road 3. Is That So? 4. Obedience 5. If You Love, Love Openly 6. No Loving-Kindness 7. Announcement 8.
