Love, Lucas Chantele Sedgwick 2015-05-05 A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? The Lies They Tell Gillian French 2018-05-01 With shades of E. Lockhart's *We Were Liars* and Courtney Summers's *Sadie*, this dark and twisted mystery set in a divided Maine seaside town simmers with unresolved tensions and unpredictable truths. Everyone in Tenney's Harbor knows about the Garrison tragedy. How an unexplained fire ravaged their house, killing four of the five family members. But what people don't know is who did it. All fingers point at Pearl Haskins' father, who was the caretaker of the property, but Pearl just doesn't believe it. Leave it to a town of rich people to blame "the help." With her disgraced father now trying to find work in between booze benders, Pearl's future doesn't hold much more than waiting tables at the local country club, where the wealthy come to flaunt their money and spread their gossip. This year, Tristan, the last surviving Garrison, and his group of affluent and arrogant friends have made a point of sitting in Pearl's section. Though she's repulsed by most of them, Tristan's quiet sadness and somber demeanor have her rethinking her judgments. Befriending the boys could mean getting closer to the truth, clearing her father's name, and giving Tristan the closure he seems to be searching for. But it could also trap Pearl in a sinister web of secrets, lies, and betrayals that would leave no life unchanged...if it doesn't take hers first.

The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

The Berlin Boxing Club Robert Sharenow 2011-05-17 Sydney Taylor Award-winning novel Berlin Boxing Club is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.

Blood Moon Ruth Hull Chatlien 2017-06-14 Southern Minnesota, August 1862. Smoke fills the horizon and blood soaks the prairie as the Sioux fight to drive white settlers from their ancestral homeland. Sarah Wakefield and her young son and baby daughter are fleeing for their lives when two warriors capture them. One is Hapa, who intends to murder them. The other is Chaska, an old acquaintance who promises to protect the family. Chaska shelters them in his mother's tepee, but with emotions running so high among both Indians and whites, the danger only intensifies. As she struggles to protect herself and those she loves, Sarah is forced to choose between doing what others expect of her and following her own deep beliefs. KIRKUS REVIEWS www.kirkusreviews.com "Chatlien...writes with nuanced sensitivity, nimbly cataloging the horrors each side visits upon the other. Even Sarah's marriage is depicted without yielding to facile simplicity-her husband can be sweet and chivalrous but also petty and cold. In a few spots, the author seems tempted by the desire to impart a didactic lesson-there is good and bad among all kinds-but resists even these minor concessions to moralistic judgment. In addition, Chatlien's mastery of the historical period-especially the life and culture of the Sioux-is notable and creates a fictional atmosphere of authenticity. A subtle dramatization of the conflict between white settlers and Native Americans in the 19th century." Stephanie Thornton, author, *The Conqueror's Wife*: "Richly detailed, *Blood Moon* is an intrepid tale of bravery and adventure in America's western frontiers. Perfect for fans of immersive historical fiction " Libbie Hawker, author, *Tidewater*: "An engrossing tale of struggle and justice-of friendship, mercy, and a rare, moving love. Ruth Hull Chatlien writes with great sensitivity and vivid yet subtle prose. *Blood Moon* is a must-read for fans of western novels, as well as women's historical fiction." Ray Simmons, *Readers' Favorite*: "*Blood Moon: A Captive's Tale* by Ruth Hull Chatlien is a powerful tale. Part of the strength of this novel is the fact that it is based on a true story and Ruth Hull Chatlien tries her best to be true to that story. And I must say that her best is very good indeed. I have been a fan of Westerns since I was a small boy. My dad loved them too and some of my first and best memories of being together as father and son are of sitting in front of the TV together, watching *Gunsmoke*. But to be honest, I consider *Blood Moon* more of a historical novel than a Western. A good part of it, maybe the best part, is the depiction of Native American family life. The contrast between her own domestic situation and the situation she finds herself in as a captive is something I haven't come across in many other novels. "The plot is authentic and compelling. This is partially due to being based on real events, but also due to the craftsmanship and sheer writing ability of Ruth Hull Chatlien. I like seeing Native Americans as people and not just the bad guys for the cavalry to kill or chase away. I like seeing them as strong, real characters instead of one dimensional stereotypes. *Blood Moon* is good. It goes beyond genre fiction into a more elevated style of writing. And yet those who love Westerns for whatever reason can still enjoy it too. Rich in detail, beautifully written, *Blood Moon* is a book any reader can enjoy and appreciate."
