The Best Horror of the Year Ellen Datlow 2009-10-01 An Air Force Loadmaster is menaced by strange sounds within his cargo; a man is asked to track down a childhood friend... who died years earlier; doomed pioneers forge a path westward as a young mother discovers her true nature; an alcoholic strikes a dangerous bargain with a gregarious stranger; urban explorers delve into a ruined book depository, finding more than they anticipated; residents of a rural Wisconsin town defend against a legendary monster; a woman wracked by survivor's guilt is haunted by the ghosts of a tragic crash; a detective strives to solve the mystery of a dismembered girl; an orphan returns to a wicked witch's candy house; a group of smugglers find themselves buried to the necks in sand; an unanticipated guest brings doom to a high-class party; a teacher attempts to lead his students to safety as the world comes to an end around them... What frightens us, what unnerves us? What causes that delicious shiver of fear to travel the lengths of our spines? It seems the answer changes every year. Every year the bar is raised; the screw is tightened. Ellen Datlow knows what scares us; the twenty-one stories and poems included in this anthology were chosen from magazines, webzines, anthologies, literary journals, and single author collections to represent the best horror of the year. Legendary editor Ellen Datlow (Poe: New Tales Inspired by Edgar Allan Poe), winner of multiple Hugo, Bram Stoker, and World Fantasy awards, joins Night Shade Books in presenting The Best Horror of the Year, Volume One. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Development of the Global Film Industry Qiao Li 2020-09-01 The global film industry has witnessed significant transformations in the past few years. Regions outside the USA have begun to prosper while non-traditional production companies such as Netflix have assumed a larger market share and online movies adapted from literature have continued to gain in popularity. How have these trends shaped the global film industry? This book answers this question by analyzing an increasingly globalized business through a global lens. Development of the Global Film Industry examines the recent history and current state of the business in all parts of the world. While many existing studies focus on the internal workings of the industry, such as production, distribution and screening, this study takes a "big picture" view, encompassing the transnational integration of the cultural and entertainment industry as a whole, and pays more attention to the coordinated development of the film industry in the light of influence from literature, television, animation, games and other sectors. This volume is a critical reference for students, scholars and the public to help them understand the major trends facing the global film industry in today's world.

Social Media Is Bullshit B. J. Mendelson 2012-09-04 A provocative look at social media that dispels the hype and tells you all you need to know about using the Web to expand your business If you listen to the pundits, Internet gurus, marketing consultants, and even the mainstream media, you could think social media was the second coming. When it comes to business, they declare that it's revolutionizing advertising, PR, customer relations—everything. And they all agree: it is here to stay. In this lively, insightful guide, journalist and social critic B.J. Mendelson skillfully debunks the myths of social media. He illustrates how the notion of "social media" first came to prominence, why it has become such a powerful presence in the marketing field, and who stands to benefit each time it's touted in the press. He shows you why all the Facebook friends and Twitter followers in the world mean nothing to you and your business without old-fashioned, real-world connections. He examines popular tales of social media "success," and reveals some unsettling truths behind the surface. And he tells you how to best harness the potential of the Internet—without spending a fortune in the process. Social media is bullshit. This book gives the knowledge and tools you really need to connect with customers and grow your brand.

The Scarfolk Annual Richard Littler 2019-10-17 'Horrific and hilarious ... a dystopic vision of an England that would have given Orwell the heebie-jeebies' Independent'A brilliant work of satire' The Quietus A SCARFOLK SANCTIONED BOOK AUTHORISED EDITION, AS SEEN ON THE RADIO The Scarfolk Annual is the facsimile of a book discovered in a charity shop in the north west of England in August 2018. The shop, and indeed town, do not wish to be identified as they are keen to "discourage the 'occult-totalitarian tourism' that as afflicted other areas of Britain" as people hunt for further socio-archaeological traces of the mysterious, missing town of Scarfolk - Britain's own Brutalist Atlantis. Apart from the archive of Scarfolk materials which was sent anonymously to the late Dr Ben Motte and formed the basis of the book Discovering Scarfolk, this children's annual is, to date, the only complete artefact from Scarfolk ever to be unearthed 'in the wild'. It's clear The Scarfolk Annual was not written to entertain children at Christmastime; its purpose was to indoctrinate young minds; in fact, one might go as far as to say destroy young minds, to an end that has been lost to us.
