The time is now. The place is San Francisco. The world is filled with adults devoid of emotion and children on the cusp of losing their feelings--of "waning"--when they reach their teens. Natalia Peña has already waned. So why does she love her little brother with such ferocity that, when he's kidnapped by a Big Brother-esque corporation, she'll do anything to get him back? From the New York Times bestselling author of *The Glass Sentence* comes this haunting story of one determined girl who will use her razor-sharp wits, her martial arts skills, and, ultimately, her heart to fight killers, predators, and the world's biggest company to rescue her brother--and to uncover the shocking truth about waning.
