Kingdom Come James Baldwin 2020-07-09 As reward for stopping a serial killer and restoring the Kingdom of Vlachia to its rightful ruler, Dragozin Hector and his queen dragon, Karalti, have earned a noble title, a castle, and land of their own. There's only one problem - it's occupied. By a freaking elder vampire. Not only has the vampire unleashed the blight of undeath across the land, but Hector's nemesis is on the warpath. His mission? To steal Karalti, kill a god, and use their combined power to become the Insane God-Emperor of Archemi. Hector never wanted to go back to war, not even in a video game. But now, he must fight to claim his territory from Ol' Fangface before everything is taken from him - his dragon, his territory, and the woman he loves.

Lessons from the Hanoi Hilton Taylor B Kiland 2013-05-15 Why were the American POWs imprisoned at the “Hanoi Hilton” so resilient in captivity and so successful in their subsequent careers? This book presents six principles practiced within the POW organizational culture that can be used to develop high-performance teams everywhere. The authors offer examples from both the POWs’ time in captivity and their later professional lives that identify, in real-life situations, the characteristics necessary for sustainable, high-performance teamwork. The book takes readers inside the mind of James Stockdale, a fighter pilot with a degree in philosophy, who was the senior ranking officer at the Hanoi prison. The theories Stockdale practiced become readily understandable in this book. Drawing parallels between Stockdale’s guiding philosophies from the Stoic Epictetus and the principles of modern sports psychology, Peter Fretwell and Taylor Baldwin Kiland show readers how to apply these principles to their own organizations and create a culture with staying power. Originally intending their book to focus on Stockdale’s leadership style, the authors found that his approach toward completing a mission was to assure that it could be accomplished without him. Stockdale, they explain, had created a mission-centric organization, not a leader-centric organization. He had understood that a truly sustainable culture must not be dependent on a single individual. At one level, this book is a business school case study. It is also an examination of how leadership and organizational principles employed in the crucible of a Hanoi prison align with today’s sports psychology and modern psychological theories and therapies, as well as the training principles used by Olympic athletes and Navy SEALs. Any group willing to apply these principles can move their mission forward and create a culture with staying power—one that outlives individual members.

weeks ago, Hector Park cheated death by uploading his mind to the ultra-immersive fantasy RPG game, Archemi. After exposing the rotten heart of an order of dragon knights, he's now on the run with a young queen dragon who could one day become the most powerful mount in the game. To get strong enough to face their enemies, they need a quest - a big one. Fortunately, trouble has a way of finding Hector, and it does - in the form of a series of brutally murdered priests, a king in desperate need of a hero, and a beautiful, fiery berserker. The risk? Huge. The payoff? More gold than a dragon's hoard. There's only one problem - Archemi is haunted by the ghost of a mad developer bent on making the game his personal playground. And now that the world outside has vanished in a storm of nuclear fire, there's no one left to stop him. Or at least, that's what he thinks. Because Hector isn't the kind of man to take this shit lying down.

Fractured Spirit Daniel Schinhofen 2021-09-23 Fresh from the success of capturing Gwain's Keep, Alpha Company is in high spirits. Flush with coin, everyone is eager to get better gear and see what new zones they can go fight in. Not everything is roses though, as the first testing phase is about to come to an end. A number of those who ventured forth with the guild are about to return to their regular lives, and the next wave of testers brings even more players to embrace Alpha World as their new reality, if only for a limited time. Alburet has new complications to deal with, but he doesn't have to face them alone. Two other loving women whom he has accepted the love of, Fluffball and Karen, will be at his side as the revelation of his past comes out. Will Alburet be able to handle what he has hidden from himself, with the love of the trio of women beside him? Or will he break and fail,

leaving his Spirit Fractured? (This book contains adult themes. You'd think I could stop with these disclaimers but even this far into the series people are shocked by the content. This book contains a Polyamorous relationship, with one of the four people in it being a Succubus. You've been warned.)

World-Tree Online Ea Hooper 2019-07-11 In 2056, the world's most powerful AI System, ARKUS, comes online. Created to extend human lifespans, it quickly makes world-changing discoveries in health science. It also develops an advanced VR headset that uses consumable nanomachines to let users experience time faster in virtual worlds. Two years later, ARKUS releases World-Tree Online, a game where players scale a giant tree with thousands of unique game worlds hanging from the branches. The game's time-dilation makes it so that one hour of playtime feels like one month to those in-game, allowing humans to virtually extend their lifespans. However, after an old gamer named Vincent joins World-Tree Online, an update begins that stretches the time-dilation to one year for every five seconds. Players are unable to exit the game during the update-with an estimated wait time of three hundred sixty years. After experimenting with an exploit, Vincent begins to develop new spells that will take him higher in the game than he ever thought possible. Unfortunately, he crosses paths with the last moderator, a young man named Lucas that uses his mod abilities to torture and subjugate other players. Lucas is willing to abuse his power to conquer the World-Tree, but Vincent's exploit might just be the key to stopping him.

Old Greek Stories James Baldwin 1895

I Am Not Your Negro James Baldwin 2017-02-07 NATIONAL BESTSELLER • In his final years,

Baldwin envisioned a book about his three assassinated friends, Medgar Evers, Malcolm X, and Martin Luther King. His deeply personal notes for the project had never been published before acclaimed filmmaker Raoul Peck mined Baldwin's oeuvre to compose his stunning documentary film *I Am Not Your Negro*. Peck weaves these texts together, brilliantly imagining the book that Baldwin never wrote with selected published and unpublished passages, essays, letters, notes, and interviews that are every bit as incisive and pertinent now as they have ever been. Peck's film uses them to jump through time, juxtaposing Baldwin's private words with his public statements, in a blazing examination of the tragic history of race in America. This edition contains more than 40 black-and-white images from the film, which was nominated for the Academy Award for Best Documentary.

His only choice is to live in the small world in between. Day to day. Maybe find a way beyond, into the unknown. He's scared, but of what? He has nothing to lose. Only his life, but he wonders if it's worth living. What would you do? Craig Martelle joins with the talented Kevin McLaughlin in imagining this world and its trials in a standalone novel that will make us wonder about our own existence.

Warfang Troy Osgood 2021-04-28 Hall's village of Skara Brae is finally becoming a true home. But the growing community isn't without dangers...Between raiding Red Caps and dives into the local dungeon, danger seems to lurk around every corner. Adventure. It makes Hall wonder if he should remain as Lord of Skara Brae. The excitement of life in the wild calls to him, but so do his responsibilities. Both duty and adventure collide when members of the Greencloak Rangers, Hall's favorite faction from the original game, arrive in Skara Brae seeking Leigh's help in her role as Druid Custodian. The Northern Territories of Edin are being overrun by corruption and demons. The Greencloak Rangers' traditional enemies have seemingly aligned with demons. Hall fears this means

the Desmarik Republic has started their invasion plans. But why Edin? With Leigh and the Breakridge Irregulars, Hall journeys north to confront the growing Desmarik menace. Some of his questions will be answered, but more will be asked. Why is Hall encountering signs of Bastion The Sage everywhere? What role does the Sage play in the events around Hall? Find out in the 5th installment of the Sky Realms Online LitRPG Saga!

Blood Hound James Osiris Baldwin 2015-01-15 Alexi Sokolsky is a Spook, a hitman and mage capable of killing with nothing but a word of power and the strength of his Will. But arcane ability comes with a price: The same powers that make Alexi indispensable to the Russian Mafia also make him a social outcast, an object of fear and superstition. When a high-ranking Sicilian Mafioso is brutally murdered and dumped on Russian Mafia territory covered in Occult sigils, everyone blames the only mage they know - Alexi. Forced to play detective to clear his name, Alexi discovers that the gruesome sacrifice is only the beginning of a hunt that threatens Life as we know it. A Gift Horse - a mysterious creature rumored to carry the secrets of all creation in her flesh and blood - has landed in New York. Every underworld mage in the city is slaving over the limitless power she can provide, and in her desperation, she is calling to Alexi for help. If Alexi heeds the Gift Horse's call, he stands to lose his place in the Mafia and his life. If he doesn't, the world will be held hostage by whoever finds her first - and given that a demon-summoning murderous psychopath is in pole position, the odds are not in the world's favor. Nominated for the 2016 Dragon Award alongside Urban Fantasy greats such as Jim Butcher and Larry Correia, Blood Hound pushes the boundaries of the genre to deliver a dark triple-threat of murder mystery, magic and mafia drama.

Jimmy's Blues and Other Poems James Baldwin 2014-04-01 All of the published poetry of James Baldwin, including six significant poems previously only available in a limited edition During his

lifetime (1924–1987), James Baldwin authored seven novels, as well as several plays and essay collections, which were published to wide-spread praise. These books, among them *Notes of a Native Son*, *The Fire Next Time*, *Giovanni's Room*, and *Go Tell It on the Mountain*, brought him well-deserved acclaim as a public intellectual and admiration as a writer. However, Baldwin's earliest writing was in poetic form, and Baldwin considered himself a poet throughout his lifetime.

Nonetheless, his single book of poetry, *Jimmy's Blues*, never achieved the popularity of his novels and nonfiction, and is the one and only book to fall out of print. This new collection presents James Baldwin the poet, including all nineteen poems from *Jimmy's Blues*, as well as all the poems from a limited-edition volume called *Gypsy*, of which only 325 copies were ever printed and which was in production at the time of his death. Known for his relentless honesty and startlingly prophetic insights on issues of race, gender, class, and poverty, Baldwin is just as enlightening and bold in his poetry as in his famous novels and essays. The poems range from the extended dramatic narratives of "Staggerlee wonders" and "Gypsy" to the lyrical beauty of "Some days," which has been set to music and interpreted by such acclaimed artists as Audra McDonald. Nikky Finney's introductory essay reveals the importance, relevance, and rich rewards of these little-known works. Baldwin's many devotees will find much to celebrate in these pages.

Downfall and Rise Nathan A Thompson 2018-07-10 Damaged. Disgraced. Dishonored. And the only hero who can save seven worlds. When a freak accident ruins his body and his memory, Wes Malcolm loses his scholarship and his place in the world. Every treatment has failed, save one: a fully immersive VR game, designed by his late, disgraced father, that mimics the condition his body used to possess. To everyone's disbelief, his body and mind slowly improve, bit by bit, but it's still not enough. Then one night, he wakes up in a world just like the game his father designed. Here, he

can grow, learn, and thrive. But this world and all its sister planets are under assault from nightmare creatures, supernatural storms, and a host of other cataclysms. The strange, beautiful steward of these worlds offers him a deal: Save her planets, and he can take the power he gains back to his original body on Earth. It's the best chance he's ever been offered. But will his determination be enough, both for himself and the worlds now depending on him? Come and find out.

Warsinger James Osiris Osiris Baldwin 2020-06-21 An ancient kingdom falls to tyranny. A dark empire rises in its place, while the old gods stir...After kicking an unholy amount of undead ass, Hector and his dragon have new goal: to revive the war-torn province of Myzsno, preferably before their nemesis arrives with his army and a legion of Drachan, demonic dragons that would make even H.P Lovecraft scream in terror.If Hector is to triumph against enemies like these, he needs more than an army. He needs the Warsingers, god-like constructs built to fight and kill the Drachan. But first, he must break his girlfriend out of prison: a woman who could be the key to the Warsingers' 5000-year old mystery.

Star Divers Stephen Landry 2022-06-29 Teenage Breq escapes the grim streets of a resource low, nearfuture world to take a job as a 'corpse diver' in a massive online SciFi game, Bane. Breq finds himself in a dangerous, lifethreatening adventure within the game as he searches for the reason for the death of his best friend. With landscapes and settings that evoke the SciFi classics our hero must level up his character as fast as he can, so as to be able to take on and defeat a sinister, masked figure. Especially as the threat posed by the unknown character is not limited to events within the game.

Twilight Templar C. J. Carella 2020-06-15 A Game of Life and Death (Warning: Contains violence as

well as adult situations and language) Ben sat down to play a brand-new MMORPG, *Eternal Journey Online*. Next thing he knew, he had been transformed into his character, first-level Paladin Hawke Lightseeker, and found himself in a corpse-filled cavern complex crawling with monsters and undead. Armed with a sentient sword, Hawke must learn the rules of a reality where magic and power-leveling are as real as swords and knives, and where you only get a limited number of respawns before you die for good. Follow Hawke as he explores the mysterious Common Realm, meets new friends and foes, battles to survive, and learns more about his growing power and inner strength. Note to LitRPG Fans: This novel concentrates primarily on action-adventure, with a focus on power-leveling and learning new magic and class subsystems. Future novels will deal with town and stronghold management. There is also a harem-lite subplot that plays a part in the story without detracting from it.

Star Divers Stephen Landry 2021-11-23 A secret war. A prison planet. A quest to survive... Myra lost everything in Bane. Now, forced against her will to become a pawn in a very dangerous game she wakes up on an alien world called Eda, alone, inside a new body, in the ruins of a crashed starship. The rules are simple. If she is going to survive she must make it to the Hub, level up, and fight against alien creatures, daemons, and dungeons unlike anything she's ever seen. Myra's Song is set in the *Star Divers* Universe but can be read Stand-Alone.
