**Legacy Academy** M Guida 2020-08-14 Welcome to Legacy Academy! There are three rules at this supernatural academy: Date your own kind. Mixing with the other races is forbidden. There's something different about me. Something that's not pure. I'm not like the other dragon shifters. Maybe it's because of my human blood. The Royals have noticed me and every girl at the Academy hates me. I never knew the paranormal world existed until one day I have a fight with Mom, I come home to find her gone, and poof, I'm a dragon shifter. It would have been nice if Mom would have told me. But then again secrets rule my family... But now she's been kidnapped and I have no answers. I have to find her. Some powerful demon is after me, because supposedly I'm a threat to his power. Which is crazy! Has he seen me in class? Grab this new romance academy and enroll in Legacy where you'll meet dragons, wolves, demons, Fae, and vampires!

Magic For Dummies May Dawson 2020-01-07 Three things I didn't know yesterday:1. The old gods still exist.2. They can inhabit a human body... like mine...when a girl is just innocently studying at the library (and maybe stealing one small microfiche...)3. The old gods are cruel and dangerous and oh, also, horny.Actually, add a fourth thing: There's a reform school for delinquent supernatural creatures.After a little mishap where I may have accidentally set my school on fire, I have to choose between human prison or a paranormal academy for the troubled. I look terrible in orange, so it's a simple call...But it turns out, all the bad boys of the supernatural world... vampires, shifters, witches... can stop fighting each other in the yard at God Fire Reform School and agree on one thing. They want the gods dead and gone again.I'm not going into this twisted new world alone though. The four boys I once loved, who have grown into sexy men, are all possessed by the gods. Not only have we inherited their powers, but a shard of their troublesome personalities, too.Which means even we're scared of what we might do next... If these men and I don't master the gods within, this school won't 'reform' us. It will bury us.MAGIC FOR DUMMIES is book 1 in a paranormal reverse harem series. Scroll up and download now to enroll in the reform school, where you'll find yourself with sexy gods, a lovable heroine, and the mess of supernatural beings who want them dead.

Crimson Tears Lyra Winters 2021-04-20 Death didn't scare Lilith Whitlock. At the ripe age of twenty, she preferred to take whatever life threw at her, and if death was a curveball, she'd catch it. What she didn't expect was for impending death to be stalled by being transformed into a vampire. With sharp, pointy teeth and a hunger for blood, Lilith adapted to her new life. Befriending three hot vampires with a mission to maintain balance had something to do with that, but the paranormal world wasn't perfect. Especially when she learned creating new vampires was illegal. Now, she had

to prove herself as indispensable to the Order of the Void, or she'd be obliterated from existence. No one mentioned that being a new-blood came with a looming threat and imminent danger. *Crimson Tears* is book one of three in the *Crimson Demon Trilogy*. It is a paranormal why-choose romance centered around three vampires and one demon. It contains mature subject matter that might not be suitable for all readers.

**(Cruel Princes of Wyvern All-Boys Academy Book 1)** Rachel Angel 2019-08-24 In the land of Wyvern where Dragon Shifters rule Kingdoms, there is a Peace Pact amongst Dragons and Humans. At stake is the neutral land co-governed by Humans and Dragons, known as The Borders...SERIES DESCRIPTION We are The Four Princes from The Four Kingdoms of Wyvern. Razor is the Red Prince from the Kingdom of RoseCliff. Jasper is the Green Prince from the Emerald Realms. Tar is the Black Prince from the Dark Forests. And Flint is the Silver Prince from the Metal Lands. We are princes one day who will rule our kingdoms in Wyvern. Right now, we are the Kings of Wyven School for Boys, a school known for the toughest training of rulers and heads of states to be in order to prepare them for the cruel, cruel world we know of, in the kingdoms of Wyvern. On a typical day at Wyvern School for Boys, one student or another gets beaten badly, pranked on so viciously, that they end up seriously injured or close to death. It is the way of Wyvern. It is how kingdoms determine the next heir and successors to thrones. It is a vicious game. One of survival. One of rules. So when they let in Allotrope Free from some nowhere kingdom, we felt affronted. Assaulted with disrespect. First of all, Allotrope is not a boy, but this girl, who is much too pretty and gorgeous to be in a school full of boys. Second, she is the last thing anyone would think could be a ruler or head of state. She is an orphan. Wyvern School for Boys is letting her in as a statement from one of our mothers, who is the ruling Queen of one of of kingdoms. Girls can grow up to become rulers too. Kingdoms are at stake. Real wars are being fought. The last thing we need is a girl like Allotrope to make everything we stand for, a whole big joke. So, when it comes time to eliminate a student at Wyvern School for Boys, Allotrope should be the first to go, and we Four Princes, will make sure she goes.\*\*\*Call me

Allotrope...Ally for short. When I received a royal decree from Queen Jade of the Emerald Realms to attend school at Wyvern School for Boys, I thought it was a prank pulled by my friend William who apprentices with me at the Blacksmith. There was no way I could attend such an elite school just for kings-to-be. But it was a Royal Decree, and if I don't obey the Decree, there was a threat of death to me and to all I hold dear, which probably means William and his parents, Bilbo and Kate, the blacksmith and his wife, the alchemist, whom had let me stay with them since I became an orphan. To keep them safe. To keep me from losing my head, I packed up what little belongings I had and enrolled at Wyvern School for Boys. Everything at Wyvern School for Boys was meant to intimidate. Being the only girl at a school of incredibly handsome boys, especially the Four Princes, was intimidating. Not to mention the cutthroat competition that literally cuts students from the school. I'm stuck in a hard place...either get killed by defying the Royal Decree and also get everyone I cared for, killed. Or stick it out at Wyvern School for Boys, despite all the bullying and cutthroat games Wyvern has in store for me. Of course, there is no choice...I must survive Wyvern School for Boys, or die trying. Did I mention this is a school for Dragons, too? I just have to watch out for the fire. \*\*\*Diamonds and Dragons is book 1 of the Cruel Princes of Wyvern Series for mature teens and up (17+) and is a paranormal dark fantasy bully romance reverse harem that will contain steamy and scorching scenes, dark fantasy elements, and consensual sex. *End of Eden* S. L. Jennings 2017-02-26 I thought I knew what Hell was like. I thought I had been living it all these years on Earth-abandoned, forgotten, and left with a dangerous secret that not only made me the Se7en's #1 target but also turned me into a deadly weapon, a threat to every human in my path. I was wrong. In order to survive Lucifer's plans for me, and his unquenchable thirst for more power, I have to surrender my humanity. I have to lose a part of myself in order to find my way back to him. Back to the demon who saved me, only to break me. Back to Legion. But even supreme

evil has its limits, and the real foes never show their devastatingly beautiful faces. Forget fire and brimstone. They aren't shit compared to what's coming. Centuries-old bonds will be broken. Unlikely alliances will be forged. And innocent blood will be spilled. Blood that will stain my hands for the rest of my mortal days. I thought I knew what Hell was like. I was wrong. Hell is coming. *Champion of Midnight* Debbie Cassidy 2018-02-26 When you hit rock bottom, the only way left is up. The Sanguinata are taking liberties and using humans like personal blood bags, but the tip is in the fine print, and the humans signing on the dotted line may as well be serving themselves up like cartons of juice. But when a woman under Sanguinata protection implores Serenity Harker for help, even the delicate balance of *Midnight* won't stop Harker from making a bargain that will put her life on the line. Before she knows it, Harker has volunteered to compete in the House Games—a test of survival where lupin go up against sanguinata. The terms are simple: if she wins the humans go free. On top of preparing for the games, Harker must work her first active case. But the excitement of leading the investigation is soon tarnished by a heart-breaking loss. Bereft and broken and left to pick up the pieces, Harker must resist the temptation to fall apart if she is to liberate the humans from Sanguinata clutches. As the house games approach, will Harker live up to her pledge as champion of humanity and give them back their free will, or will this fight prove to be her last?

*Daughter of Hell* Tamara White 2019-06-03 Why be good when being bad is just so much more fun? Before you read my story, you need to prepare yourself. I'm not some damsel in distress in search of her Prince Charming. I'm not a girl looking to settle down, and most of all, I'm not someone who can be controlled. No, I do the controlling around here. My name is Angel and I'm the devil's daughter. I know, right? He must have had a lot of fun with that name choice. But you know

what? I kinda like it now. Anytime people see the distinctive markings on my skin or hear my name dropped, they run for the damn hills. Why? Because I'm a weapon. I kill whomever I want, whenever I please and there is nothing anyone can do about it. Not even dear old Dad. When opportunity knocks and I'm given the perfect chance to catch a ride out of Hell, I don't think twice. Only the Nephilim who let me tag along with them have no clue who I really am. But when they realize just who they've brought to Earth, that's when the real fun begins. **WARNING:** This is a dark reverse harem novel and contains things that may trigger you if you are sensitive to certain subjects. I strongly advise that you read the note at the beginning of the book before you decide whether to continue with the story. I kept mention of specific triggers from the blurb in an effort to avoid spoiling it for readers, but have detailed them inside the book for your reference. The warning page can be read as part of the sample, so there's no need for you to purchase the book if you aren't sure whether it's for you.

*Succubus Sins* J. R. Thorn 2019-01-22 I'm about to make the seven deadly sins my bitch. See this tattoo across my stomach? Yeah, the one with seven crazy runes. Ignore the pink one on the far right, that's Sarah. I love her, but she's not one of my four. That was a hard lesson to learn. I tried being loyal to her. Even went to a stinky Succubi Den to get a snack or two just to stay alive. Well, that didn't work out, and now I'm stuck trying to charge some dusty old relic my mother left behind. Turns out there's some crazy destiny tied to my tattoo, which is actually a birthmark and all about the end of the world. Sounds fun, sort of, not really. I've met rune #1, and he wasn't at all what I'd expected. It wasn't love at first sight. Maybe hate at first sight. Pretty sure he hates my guts. But that's okay, maybe rune #2 will bring him around. This end of the world stuff is just getting started, and I have a feeling one of my very own sins is the one stirring the pot. The Incubus King, what sin might he be? Lust... my favorite one. Bring it on. Author's Note: This is a fast-burn reverse harem story. It includes explicit language and sexual situations. Intended for audiences 18 years and older. As this is a series, there will be a cliffhanger.

**Challenged (Vipers Creed MC#1)** Ryan Michele 2016-04-04 I get what's mine. As the gun lay heavily in his hand, the weight of it was nothing compared to the pressure his father had put on him and the club year after year, dragging them all down in the process. Cade had two choices: the club or his father. The club won. Cade Baker sacrificed everything for the Vipers Creed Motorcycle Club, bringing the club back to what it was supposed to be—a family—even when it meant taking out his own father. It took a particular kind of man to kill his blood, but Cade had always believed in doing what was right for the club. To him, it was a small sacrifice to make things normal for him and his brothers. Then, when Trixie strode into his club, full of demanding attitude, his normal was shot straight to hell. He vowed to have Trixie. No matter the cost. Nobody steals from me Trix Lamasters was nobody's fool. Raised by a con man, she lived by her own set of rules. Mainly, take care of herself first because no one else was going to do it. When an employee stole from her, she could have let it go. She could have let the thief fade into the background and chalk up the missing cash as a loss. She was Trix, after all—she always landed on her feet. But that wasn't her style. She was too stubborn, too damn proud. No one stole from her and lived to tell about it. With pride, though, came consequences, and Cade Baker was hers. Trix gave something to Cade when she was a girl, something sacred. And she could never get it back. She had loved and trusted him, and he had left her. Now he was making her crazy ... because he wanted her. And hell, she wanted him, too. But how is she supposed to trust the man who broke every single one of her rules, not to mention, her heart? \*\*Due to content, mature audiences only.\*\*

Fire and Brimstone J. B. Trepagnier 2019-07-17 What exactly did dear old mum get up to before I was born? I was supposed to be going to Harvard on a full ride. I've always been excellent at chemistry. Turns out my knack for chemicals was because my mum is a witch and a potions master. Did I mention she summoned a demon for a ritual and Lucifer himself came? Can I tell you how weird it is to go from card carrying atheist to finding out Satan is your dad? Harvard is out. My magic was bound when I was a baby. Apparently, now I'm going to Fortuna Conservatory instead because once I'm unbound, I can cause hell on earth. Something about being the princess of Hell. I'm engaged to be married to who I thought was my mother's cat and a boy from my high school I've nicknamed Cockblocker. Oh, he's actually a hellcat and I hate him. I'm trying to get out of it. My high school ex is a hellhound and he's at Fortuna with me. He's unusually interested in who my father is and would have known what I was when we were dating. In fact, there are two hellhound leaders here that are just a little too interested in dear old dad. I'm woefully behind in everything since I was raised as human. A green haired warlock has taken me under his wing to help me with magic. A vampire tutor was arranged for me by the woman who foretold my birth. All the answers about me came in a vision to the hellcat's mother, Lilith. She's the one moving pieces in the background. She's arranging marriages, choosing my classes, and putting people in my path. She's

also avoiding giving us any answers. Can I navigate a magical school when I have no training, not kill this hellcat I'm engaged to, manage my crushes on the warlock and vampire, and still survive with two huge hellhounds sniffing around? Something big is happening. My birth wouldn't have been foretold if it wasn't. I need to unlock all of my gifts as half angel half witch because whatever is going on, I've only scratched the surface.

*Celestial Academy* Maya Nicole 2020-06-30 What consequence does Lucifer give his daughter? *Celestial Academy: The Complete Series* omnibus is all three books in the *Celestial Academy* trilogy as well as an exclusive bonus novella, *Angel Baby & The Holy Grail*. Book 1: *Ascend* My friends always complained about their parents' rules and consequences. Well, I have them beat. I'm the daughter of the devil and was just expelled from my senior year of high school for breaking a guy's nose. Did Lucifer torture my soul? Did he condemn me to the fiery pits of Hell? None of the above. He sent me to *Celestial Academy*, where college-aged angels go to learn to be guardians. The only problem is I don't have wings, and I'm certainly no saint. Being Lucifer's daughter in a school full of angels is no walk in the park. I'd much rather be tortured in Hell. That is until I meet three men that make me feel like anything is possible. Why choose when I can have them all? Book 2: *Descend* I'm meant to save the light from the dark with my four guardians. Whatever that means. The problem is, I'm a mess. Weeks have passed since my world tilted on its axis. Tobias, Asher, and Oliver may have put my shattered heart back together again, but something once broken is never quite the same. Every time I shut my eyes I find myself stuck in an endless loop of fear and worry. And then Reve appears. He waltzed his way into my dreams and swept me off my feet. Will the three angels in my life accept a demon? Will they accept me? I was just starting to figure out who I was... until I discovered my mother was a fraud. Now, I don't even know who I am anymore. Book 3: *Transcend*

School is back in session and we are no closer to getting my dad back. To make matters worse demons have been getting through to Earth at an alarming rate. Hell on Earth is coming, unless I can stop it. In order to save everyone and everything I love, I have to face my fears. With the help of Tobias, Asher, Oliver, and Reve, I know I can do anything. Even if that means going to a place that sends shivers down my spine. Inferna isn't for the faint of heart. It's called hell for a reason. Not everyone will survive. Will I? Exclusive Novella: Angel Baby & The Holy Grail After months of uncertainty, I can finally relax on my honeymoon. At least for a day. The Holy Grail is still missing and now Oliver must find it or return to heaven. We can't let that happen. Where is the Holy Grail? Angel Baby & The Holy Grail is a 13,000 word novella that picks up after the epilogue of Transcend. Ascend, Descend, and Transcend are fast burn reverse harem full-length novels written with multiple POVs. They contain M/M scenes, light academy bullying, and a teacher/student romance.

**Degeneration** Max Nordau 2018-09-21 Reproduction of the original: Degeneration by Max Nordau *The Alpha's Woman* Carolyn Faulkner 2018-07-04 She is nothing more to him than a means to obtain children. When she is released from the stasis she voluntarily entered, the world that greets Emily Harding is far from what she expected. It more closely resembles a post-apocalyptic novel than the rolling green Tennessee hills she's left behind. Worse than that, it seems that the rule of law is a thing of the past, and that society has devolved into what it was thousands of years ago - feudal tribes warring with each other over precious and rare supplies, which includes females. One type of female in particular. It is raw, unforgiving, and animalistic. Much like the behavior of the man who takes her captive and holds her there, forcing her to learn that even she is not unaffected by the changes that have been wrought on the world, proving to her time and time again that she is nothing more to him than a means to obtain children. And making her scream in agonizing pleasure as he

does so. Publisher's Note: The Alpha's Woman is a dark tale with some explicit themes.

**The Legends of the Jews** Louis Ginzberg 1910

**Mine In Hell** Scarlett Snow 2021-06-10 Now the world knows who I am. I'm the first female alpha in history and every pack leader out there wants to claim me as their mate. Including the Stormfire alpha who sent my life into a spiral after rejecting me. While he and the others fight for the right to possess me, a new Demon Trial is created in honor of the Crescent Mother, and this time I'm the prize. Or so they all believe. I'll stop at nothing to reclaim my freedom even if it means entering the trials myself, where the only way out is death and ruin. But I don't plan on dying. I plan on winning. I'm going to make each of the alphas pay for what they did to me. 18+ Dark reverse harem romance full with a sassy and sarcastic heroine who finds her match.

**Mercy's Revenge** Lacey Carter Andersen 2021-02-24 Few people know the truth... fairy tales are really nightmares. Growing up as the daughter of the beast himself, I saw the wicked truth after happily-ever-after ended. And I vowed to use the only skill I had, my ability to kill, to gain my freedom. But I failed. Imprisoned for my mistake, I spent every day thinking about the three men responsible for my downfall. And what I wanted more, revenge or the life that was stolen from me. Finally free, I join the Guild of Assassins, only to come face-to-face in the training yard with the men I cared for... the ones who had me locked away. The wolf shifter who was my best friend. The man who always made my heart race. And the dark prince of the vampires himself. I wanted to kill all three of them. But joining the guild meant working together. The guild was the only place where my background-as a princess and a prisoner-wouldn't be held against me. But our past is more complicated than I realized... and the future? Well, there might not be one. MERCY'S REVENGE is a steamy paranormal reverse harem with a kickbutt heroine. This is a whychoose romance, meaning

that our heroine doesn't have to choose between her guys.
