**Europe and Empire** Massimo Cacciari 2016-01-04 The European Union and the single currency have given Europe more stability than it has known in the past thousand years, yet Europe seems to be in perpetual crisis about its global role. The many European empires are now reduced to a multiplicity of ethnicities, traditions, and civilizations. Europe will never be One, but to survive as a union it will have to become a federation of "islands" both distinct and connected. Though drawing on philosophers of Europe's past, Cacciari calls not to resist Europe's sunset but to embrace it. Europe will have to open up to the possibility that in few generations new exiles and an unpredictable cultural hybridism will again change all we know about the European legacy. Though scarcely alive in today's politics, the political unity of Europe is still a necessity, however impossible it seems to achieve.

Artemisia Anna Banti 1995-01-01 Artemisia Gentileschi, born in 1598, the daughter of an esteemed painter, taught art in Naples and painted the great women of Roman and biblical history: Esther, Judith, Cleopatra, Bathsheba. She also painted the rich and royal, but her wealthy male patrons wanted admiration while her women models wanted disguise. This woman, who had been violated in her youth and reviled as a rap victim in a public trial before going off to heretical England, who was rejected by her father and later abandoned by her husband and misunderstood by her daughter, who could not read or write but who could only paint—this woman was one of the first modern times to uphold through her work and deeds the right of women to pursue careers compatible with their

talents and on an equal footing with men. Artemisia lives again in Anna Banti's novel, which was first published to critical acclaim in Italy in 1947 (Banti was the pseudonym of Lucia Lopresti, 1895-1978). Recognized as a consummate stylist, she was one of the most successful women writers in Italy before the resurgence of the feminist movement. Although Artemisia describes life in seventeenth-century Rome, Florence, and Naples, the time setting of the novel is, in a deeper sense, a historical, merging as it does the experience of a woman dead for three centuries with the terrors of World War II experienced by the author. Shirley D'Ardia Caracciolo's English translation of Banti's novel skillfully renders its complexity and poignancy as a study of courage.

**The Works of Elena Ferrante** Grace Russo Bullaro 2016-12-22 This book is the first dedicated volume of academic analysis on the monumental work of Elena Ferrante, Italy's most well-known contemporary writer. *The Works of Elena Ferrante: Reconfiguring the Margins* brings together the most exciting and innovative research on Ferrante's treatment of the intricacies of women's lives, relationships, struggles, and dilemmas to explore feminist theory in literature; questions of gender in twentieth-century Italy; and the psychological and material elements of marriage, motherhood, and divorce. Including an interview from Ann Goldstein, this volume goes beyond "Ferrante fever" to reveal the complexity and richness of a remarkable oeuvre.

Scars Like Wings Erin Stewart 2019-10-01 Relatable, heartbreaking, and real, this is a story of resilience--the perfect novel for readers of powerful contemporary fiction like *Girl in Pieces* and *Every Last Word*. Before, I was a million things. Now I'm only one. The Burned Girl. Ava Lee has lost everything there is to lose: Her parents. Her best friend. Her home. Even her face. She doesn't need a mirror to know what she looks like--she can see her reflection in the eyes of everyone around her. A year after the fire that destroyed her world, her aunt and uncle have decided she should go back to high school. Be "normal" again. Whatever that is. Ava knows better. There is no normal for someone like her. And forget making friends--no one wants to be seen with the Burned Girl, now or ever. But when Ava meets a fellow survivor named Piper, she begins to feel like maybe she doesn't have to face the nightmare alone. Sarcastic and blunt, Piper isn't afraid to push Ava out of her comfort zone. Piper introduces Ava to Asad, a boy who loves theater just as much as she does, and slowly, Ava tries to create a life again. Yet Piper is fighting her own battle, and soon Ava must decide if she's going to fade back into her scars . . . or let the people by her side help her fly. "A heartfelt and unflinching look at the reality of being a burn survivor and at the scars we all carry. This book is for everyone, burned or not, who has ever searched for a light in the darkness." --Stephanie Nielson, New York Times bestselling author of *Heaven Is Here* and a burn survivor

**My Name is Mina** David Almond 2013-11-14 There's an empty notebook lying on the table in the moonlight. It's been there for an age. I keep on saying that I'll write a journal. So I'll start right here, right now. I open the book and write the very first words: My name is Mina and I love the night. Then what shall I write? I can't just write that this happened then this happened then this happened to boring infinitum. I'll let my journal grow just like the mind does, just like a tree or a beast does, just like life does. Why should a book tell a tale in a dull straight line? And so Mina writes and writes in her notebook, and here is her journal, Mina's life in Mina's own words: her stories and dreams, experiences and thoughts, her scribbles and nonsense, poems and songs. Her vivid account of her vivid life. In this stunning book, David Almond revisits Mina before she has met Michael, before she has met Skellig. Shortlisted for the 2012 Carnegie Medal.

**Big Bad Wolf** Nele Neuhaus 2014 On a hot day in July, the body of a 16-year-old girl is pulled from the river Main near Frankfurt. She has been brutally attacked and murdered, but no one seems to miss her and no one seems to know who she is. Investigations lead to a rural children's home in the mountains, and to a TV presenter whose research took her too close to the wrong people. As investigators Pia Kirchhoff and Oliver von Bodenstern dig deeper, they uncover a pit of evil and cruelty in the midst of a middle class idyll.

*A Long Way Down* Nick Hornby 2014-05-06 A wise, affecting novel from the beloved, award-winning author of *Dickens and Prince*, *High Fidelity*, and *About a Boy*. New York Times bestselling author Nick Hornby mines the hearts and psyches of four lost souls who connect just when they've reached the end of the line. *A Long Way Down* is now a major motion picture from Magnolia Pictures starring Pierce Brosnan, Toni Collette, Aaron Paul, and Imogen Poots. Meet Martin, JJ, Jess, and Maureen. Four people who come together on New Year's Eve: a former TV talk show host, a musician, a teenage girl, and a mother. Three are British, one is American. They encounter one another on the roof of Topper's House, a London destination famous as the last stop for those ready to end their lives. In four distinct and riveting first-person voices, Nick Hornby tells a story of four individuals confronting the limits of choice, circumstance, and their own mortality. This is a tale of connections

made and missed, punishing regrets, and the grace of second chances. Intense, hilarious, provocative, and moving, *A Long Way Down* is a novel about suicide that is, surprisingly, full of life.

**Searching for John Ford** Joseph McBride 2011-02-11 John Ford's classic films—such as *Stagecoach*, *The Grapes of Wrath*, *How Green Was My Valley*, *The Quiet Man*, and *The Searchers*—have earned him worldwide admiration as America's foremost filmmaker, a director whose rich visual imagination conjures up indelible, deeply moving images of our collective past. Joseph McBride's *Searching for John Ford*, described as definitive by both the *New York Times* and the *Irish Times*, surpasses all other biographies of the filmmaker in its depth, originality, and insight. Encompassing and illuminating Ford's myriad complexities and contradictions, McBride traces the trajectory of Ford's life from his beginnings as “Bull” Feeney, the nearsighted, football-playing son of Irish immigrants in Portland, Maine, to his recognition, after a long, controversial, and much-honored career, as America's national mythmaker. Blending lively and penetrating analyses of Ford's films with an impeccably documented narrative of the historical and psychological contexts in which those films were created, McBride has at long last given John Ford the biography his stature demands.

*Unbecoming Women* Susan Fraiman 1993 *Unbecoming Women* unpacks the ideological baggage of the Bildungsroman and turns to conduct books and novels of development by women for a new poetics of growing up. In subtle readings of works by Frances Burney, Jane Austen, Charlotte Brontë, and George Eliot, Fraiman argues that a heroine's progress toward masterful selfhood is by no means assured. Focusing on counternarratives in which girls do not enter the world so much as flounder on its doorstep, Fraiman suggests that becoming a woman involves de-formation, disorientation, and the loss of authority. Written with grace and theoretical mastery, *Unbecoming Women* emphasises the dialectical as well as subversive aspects of a genre long considered homogeneous. The result is a compelling contribution to feminist genre criticism that, charting female destiny in Georgian and Victorian texts, also postmodernizes the novel of development.

**Benediction** Kent Haruf 2013-02-26 From the beloved and best-selling author of Plainsong and Eventide comes a story of life and death, and the ties that bind, once again set out on the High Plains in Holt, Colorado. When Dad Lewis is diagnosed with terminal cancer, he and his wife, Mary, must work together to make his final days as comfortable as possible. Their daughter, Lorraine, hastens back from Denver to help look after him; her devotion softens the bitter absence of their estranged son, Frank, but this cannot be willed away and remains a palpable presence for all three of them. Next door, a young girl named Alice moves in with her grandmother and contends with the painful memories that Dad's condition stirs up of her own mother's death. Meanwhile, the town's newly arrived preacher attempts to mend his strained relationships with his wife and teenaged son, a task that proves all the more challenging when he faces the disdain of his congregation after offering more than they are accustomed to getting on a Sunday morning. And throughout, an elderly widow and her middle-aged daughter do everything they can to ease the pain of their friends and neighbors. Despite the travails that each of these families faces, together they form bonds strong enough to carry them through the most difficult of times. Bracing, sad and deeply illuminating, Benediction captures the fullness of life by representing every stage of it, including its extinction, as well as the hopes and dreams that sustain us along the way. Here Kent Haruf gives us his most indelible portrait yet of this small town and reveals, with grace and insight, the compassion, the suffering and, above all, the humanity of its inhabitants.

**Rome the Cosmopolis** Catharine Edwards 2006-11-02 Rome stands today for an empire and for a city. The essays gathered in this volume explore some of the many ways in which the two were interwoven. Rome was fed, beautified and enriched by empire just as it was swollen, polluted, infected and occupied by it. Empire was paraded in the streets of Rome, and exhibited in the city's buildings. Empire also made the city ineradicably foreign, polyglot, an alien capital, and a focus for un-Roman activities. The city was where the Roman cosmos was most concentrated, and so was most

contested. Deploying a range of methodologies on materials ranging from Egyptian obelisks to human skeletal remains, via Christian art and Latin poetry, the contributors to this volume weave a series of pathways through the world-city, exploring the different kinds of centrality Rome had in the empire. The result is a startlingly original picture of both empire and city.

**To Professor, with Love** Linda Kage Junior in college. Star athlete. Constant attention from the opposite sex. On this campus, I'm worshiped. While seven hundred miles away, back in my hometown, I'm still trailer park trash, child of the town tramp, and older sibling to three kids who are counting on me to keep my shit together so I can take them away from the same crappy life I grew up in. These two opposing sides of myself never mix until one person gets a glimpse of the true me. I never expected to connect with anyone like this or want more beyond one night. This may be the real deal. Problem is Dr. Kavanagh's my literature professor. If I start anything with a teacher and we're caught together, I might as well kiss my entire future goodbye, as well as my family's and especially Dr. Kavanagh's. Except sometimes love is worth risking everything. Or at least, it damn well better be, because I can only resist so much.-N. G.--Provided by publisher.
