My First Five Years Baby My First Five Years 2023-10-12 If you're looking for fresh, playful ideas to spark your baby's curiosity, build their confidence and support their development, look no further! Written by the renowned childcare experts at My First Five Years, the popular app designed to help parents support their child's physical, cognitive and emotional development, this unique book of 60 activities explains the why behind different types of play, and shows you how to make the most of short, daily moments together. You might be wondering why your baby loves to show you objects they've found, or why they prefer some toys to others. Have you questioned why they can roll from their back onto their tummy, but not the other way around? This book breaks down the science of early childhood development into concise summaries, and includes easy, realistic ideas for play that make the most of development opportunities. The activities are clearly set out with step-by-step instructions, lists of equipment, and benefits for your baby. The book is split into six streams of development - social and emotional, gross motor, fine motor, sensory, language and cognitive - and each chapter includes a summary of the underlying science followed by simple, fun play ideas you can do at home with your baby. From tasty finger paint to egg box puzzles, the ideas fit neatly into daily life and focus on enhancing play into pivotal learning moments. There are also QR codes featured throughout, linking to additional related content. Beautifully colour illustrated and full of tips and advice, this book is perfect for building the foundations for your baby's lifelong learning, development, health and wellbeing. 'This app has been incredible helpful in helping me navigate the minefield that is being a new mother.' - Praise for the My First Five Years app

I Love You Still Margaret Scofield 2018-08-27 Every memory with your baby is precious, and every baby deserves a beautiful place to be cherished forever. I Love You Still: A Memorial Baby Book was carefully created to hold memories and love for babies taken too soon due to miscarriage, stillbirth, or in their first days of life. Each word and image of this sweet baby book was carefully chosen to be as inclusive as possible for all babies and gestational ages. Professional illustrations by award-winning children's book illustrator Priscilla Alpaugh feature a gender-neutral, nursery animal theme, and the book's secular content allows room for mom to include her own unique spiritual beliefs. I Love You Still combines aspects of traditional baby books with areas for memorialization, with lots of additional journaling space for grieving moms to complete whenever it feels right for them. The book's quality is meant to last, and its content can be revisited for months or years to come. * A beautiful baby memory book, memorial keepsake, and bereavement journal specifically created for the events and emotions that follow miscarriage, stillbirth, or newborn loss * Over 50 full-color professional illustrations featuring a gender-neutral nursery animal theme. Words and images are and carefully designed to be as inclusive as possible for all babies and gestational ages. * Substantial 8 x 10.5 padded hardcover book with Smyth sewn, lay-flat binding. The cover features a soft matte finish with spot UV treatment for subtle shine on the imagery and title. * 64-pages, including traditional baby book sections, prompted journaling, freeform journal space and scrapbook. Example sections include: parents' backgrounds, trying to conceive, pregnancy test reactions, monthly pregnancy milestones, baby's due date, favorite memories and time spent together, memorial gestures, holding the space, scrapbooking, resources, and more. The mission of I Love You Still: A Memorial Baby Book is to cherish pregnancy, remember baby, and honor motherhood. Born and raised in Wayzata, Minnesota, Margaret Scofield attended the University of Arizona where she earned her BA in English with a minor in Family Studies and Human Development. In 2016, while taking time off from her career to start a family, Margaret's dear friend lost her daughter to miscarriage. As a new mom herself, Margaret wanted to do more to help. After she tried in vain to find a baby book that catered to the 1 in 4 women

who endure miscarriage, Margaret's purpose became clear. In 2016, Margaret started a business and created the manuscript for *I Love You Still: A Memorial Baby Book*. Since then, the book has been circulated to over 20 countries, and her story has appeared on news outlets such as NBC News, The TODAY Show, People Magazine, FOX Television, and MSN News. Today, Margaret continues her mission to cherish pregnancy, remember baby, and honor motherhood by encouraging real conversation about pregnancy and baby loss, and postpartum mental health.

Corrupt Penelope Douglas 2023-11-07 Dreams might be a heart's desire, but nightmares are its obsession in the first novel of a dark romance series from New York Times bestselling author Penelope Douglas. Erika Fane's boyfriend's older brother is handsome, strong, and completely terrifying. The star of his college's basketball team gone pro, he's more concerned with the dirt on his shoe than he is with her. But she saw him. She heard him. The things that he did, and the deeds that he hid... For years, Erika bit her nails, unable to look away. Now, she's in college, but she hasn't stopped watching him. He's bad and the things she's seen aren't content to stay in her head anymore. Because he's finally noticed her. But Michael Crist knows the hold he has on Rika, how much she fears him. She looks down when he enters the room and stills when he's close. He knows she thinks only of him. When Michael's brother leaves for the military, leaving Rika alone and unprotected, he knows the opportunity is too good to be true. Three years ago she put Michael's friends in prison, and now they're free. Every last one of her nightmares is about to come true.

California Surfing and Climbing in the Fifties 2013 The story told by the photographs in California Surfing and Climbing in the Fifties takes place against the larger backdrop of postwar America: Truman and Eisenhower, the Korean War, the Cold War and the Red Scare. Young people were embracing new symbols of non-conformity: Elvis Presley, Jack Kerouac, Marlon Brando and James Dean. All along the California coast, surfing became popular as heavy balsawood boards were replaced with lightweight ones crafted from polyurethane foam, fiberglass and resin. Meanwhile, climbers descended on Tahquitz Rock in the south and Yosemite Valley to the north to test handcrafted equipment that would set new standards for safety, technique and performance. The photographs in this volume include images of legendary surfers such as Joe Quigg, Tom Zahn, Dale Velzy and Renny Yater, in locations such as Rincon, Malibu, South Bay, Laguna and San Onofre; and famous climbers such as Warren Harding, Royal Robbins and Wayne Merry among others, photographed mostly in the Yosemite Valley by the likes of Bob Swift, Alan Steck, Jerry Gallwas and Frank Hoover. Soaked in surf, sun and adrenaline, the photographs in California Surfing and Climbing in the Fifties depict the birth of an era and an exhilarating moment in Californian history.

My First Baby Photo Album Speedy Publishing Llc 2014-02 The Benefits and uses of a Baby Photo Album Your baby isn't going to be a baby for long. Capture all those precious moments and put them in a baby photo album as soon as you possibly can. What parent wants to forget that first

toothy smile, that first bowl of rice cereal or that first step? Keep your camera handy for all those first moments, but don't let the pictures sit on your memory card forever. Print them out and put them in a photo album where you can flip through and remember at your leisure. We never imagine that we will forget what our baby looked like at different stages of development, but the truth is, it happens. Jog your memory and preserve your pictures forever by using a baby photo album.

Don't Forget to Say Thank You Lindsay Schlegel 2018-08-24 Do you hear yourself saying the same things over and over to your kids? "Do you need help?" "Say thank you." "Wait a minute." In *Don't Forget to Say Thank You: And Other Parenting Lessons That Brought Me Closer to God*, Lindsay Schlegel reimagines the common phrases we repeat as parents and applies them to our relationship with God. In doing so, she demonstrates how reflecting on our vocation as mothers can inform and illuminate our role as a daughter of God, drawing us closer to him. What if we took the statements we repeat to our children and apply them to ourselves? In *Don't Forget to Say Thank You*, writer Lindsay Schlegel shares fifteen relatable phrases she frequently uses as a parent and how her faith and life changed when she envisioned God telling her these same things. When we start to hear the things we're telling our kids as wisdom from God, it's clear that the lessons we are trying to teach our kids are ones we also need to learn as children of the Most High. Asking her daughter, "Do you need help?" caused Schlegel to reflect on the importance of the Communion of Saints and reaching out for the assistance she needs. Telling her children, "Say you're sorry" reminded her of the necessity of Confession and seeking forgiveness. And pleading that a toddler "wait a minute" while she looked for her crackers forced Schlegel to consider how she needed to have both more patience and more trust that God would take care of her. Schlegel invites us to apply the same lessons she learned to our own lives as parents and as children of God through reflection questions and a prayer at the end of each chapter. She also suggests saints to whom we can look for inspiration and guidance, reminding us that we are not alone as we strive to more accurately reflect the image of our heavenly Father.

From Blood and Ash Jennifer L. Armentrout 2020-03-30 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her

life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of *A Curse So Dark and Lonely* "Action, adventure, sexiness, and angst! *From Blood and Ash* has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Kayleigh, K-Books "If you think you are ready for *From Blood and Ash*, think again. Jennifer L. Armentrout has woven a new fantasy universe that will leave you reeling. Filled with action, heart wrenching twists and the most delicious romance, this unputdownable novel comes with a warning: keep a fan close by, because the temperatures are about to rise." Elena, The Bibliotheque Blo "In this exciting new novel by Jennifer L. Armentrout, she introduces a fantastical world filled with immense detail, and characters who are poignant and fierce, Jennifer truly has out done herself!" - BookBesties "From Blood and Ash is a fantastic fantasy that will hook you immediately from the very first page! I loved every single moment and all of the characters are ones you will fall in love with! Jennifer L. Armentrout has done it again with her amazing writing skills and lots of detail! Get this book immediately!!!" - Amanda @Stuck In YA Books "Jennifer has stepped into the fantasy genre with this absolutely amazing novel. With characters you will love and more than a few twists and turns, get ready for one amazing adventure." -Perpetual Fangirl "This magnificent book has so many pieces in it: fantasy, mystery, forbidden romance, supernatural, lies, deceit, betrayal, love, friendship, family. And so, so, so many secrets your head will be spinning. Jennifer L. Armentrout has created another masterpiece that I will be rushing to buy, and will be telling everyone to read it ASAP!" ~Jeraca @My Nose in YA Books "From Blood to Ash is the first high fantasy book from Jennifer L Armentrout, but hopefully not the last. Like all her other works, her ability to create worlds, create swoon worthy men, and feisty strong female characters is amazing. Fantasy, mystery, romance, betrayal, love, and steamy scenes, this book has it all." - Lisa @ The Blonde Book Lover "From Blood & Ash is everything we love about JLA's fantasy writing...pumped up on steroids. There's epic world building and plot twists, a strong female lead, a swoon worthy book hottie, a steamy forbidden love story, and side characters that can't help but steal your heart. My mind was blown by the end of this book." - Kris S. (frantic4romantic) "Step into an exciting new fantasy world by Jennifer L. Armentrout, *From Blood And Ash* takes you on a fantastic ride with twists and turns galore. Characters you will love to laugh and cry with. A phenomenal start to an exciting new series." - Lori Dunn an avid reader "From Blood and Ash was everything I wanted in a high fantasy novel. The myths, the legends, the epic romance, and an adventure that will keep you on your toes beginning to end. I couldn't put the book down. Truly a brilliant start to what I believe will be yet another amazing series by Jennifer L. Armentrout." -Sabrina, Books Are My Life "Jennifer L. Armentrout takes her first step into the high fantasy genre with *From Blood and Ash*. A story of forbidden love, lies, secrets, and betrayal - it will leave you wanting more after the very last page." - Love Just Is Books "From Blood and Ash is like reading my favorite book for first time." - Raquel Herrera "With *From Blood and Ash*, Jennifer Armentrout successfully takes on the genre of high fantasy, proving, once again, that she is a master of her craft. Filled with epic adventure, forbidden romance, deceit, lies, and betrayal, *FB&A* draws you in from page one and refuses to let go!" - Erica, The Rest Just Falls Away "Jennifer L. Armentrout comes trough once again with *From Blood and Ash* as it kept me enthralled throughout the full book. You won't be able to put down this epic story once you start." - Julalicious Book Paradise "From Blood and Ash strikes the perfect balance between fantasy and romance elements leaving the world feeling live in and full while allowing the relationship between

the main characters feeling real and authentic.” - Nads Book Nook, Nadine Bergeron “Be prepared to spend your whole day reading From Blood and Ash. Once you start reading this high fantasy novel, you won't want to put it down.” - Love Book Triangle “From Blood and Ash is absolutely breath taking. JLA does what she does best by creating a fantastical world filled with romance, lies, betrayal, adventure and all things we love and expect from JLA characters that melt our hearts and steal our hearts and souls. I cannot wait for the next one!” - Pia Colon “From Blood and Ash, Jennifer L. Armentrout brought to life a high fantasy that is enthralling. Another masterful addition to my collection. Get ready to stay on your toes from start to end.” - Amy Oh, Reader by the Mountains “From Blood and Ash is the first high fantasy novel by Jennifer L Armentrout and she absolutely nails it. This is fantasy for skeptics and unbelievers because it makes you want to be a fantasy fan! This page turner makes you want to devour it in one night and at the same time savor every detail. Heart stopping and inspiring and grips you from page one.” - Tracy Kirby “An intriguing puzzle of a world, a ruthless hero, a determine heroin, and a plot that will keep you up late, this book is one of the best I've read this year.” - Valerie from Stuck In Books “From Blood and Ash, a thrilling high fantasy that packs a punch, each page will leave you wanting more!” - Tracey, Books & Other Pursuits

My First Special Year Tanya Pitenko 2018-04-22 Hello, my name is Tanya This is a memory book for girls about the first year of your child. Easy, funny, with a beautiful "baby" design and beautiful bright pictures. All parents will like it. You will find all the important information that you can fill out about the development of your baby. These are data on the birth of your daughter, height, weight, first teeth. Important moments in your child's life. When he started to hold his head, make the first sounds when and which began to pronounce the first words, the first vocabulary. When he went, how he slept, how he walked, how he played, what the first dishes were, what first friends and first toys were. In the place with the pages for entries, there are pages for the first photos of your child, your family, her first smile, the children's room, the first stroller, the first clothes, the first dishes, the first toys ... Despite the fact that the book provides comprehensive information about the first year of your child, filling it will be easy, and it does not take much of your precious time. The book is available and understandable in use. After completing it, in the future, it will be a beautiful bright memory album with beautiful photos of your baby and his family, and important information about the first year of her life. I hope you enjoy this book! I would be grateful for your feedback Thank you

The Year without a Purchase Scott Dannemiller 2015-08-04 The Year without a Purchase is the story of one family's quest to stop shopping and start connecting. Scott Dannemiller and his wife, Gabby, are former missionaries who served in Guatemala. Ten years removed from their vow of simple living, they found themselves on a never-ending treadmill of consumption where each purchase created a desire for more and never led to true satisfaction. The difference between needs and wants had grown very fuzzy, and making that distinction clear again would require drastic action: no nonessential purchases for a whole year. No clothes, no books, no new toys for the kids. If they couldn't eat it or use it up within a year (toilet paper and shampoo, for example), they wouldn't buy it. Filled with humorous wit, curious statistics, and poignant conclusions, the book examines modern America's spending habits and chronicles the highs and lows of dropping out of our consumer culture. As the family bypasses the checkout line to wrestle with the challenges of gift giving, child rearing, and keeping up with the Joneses, they discover important truths about human nature and the secret to finding true joy. The Year without a Purchase offers valuable food for thought for anyone who has ever wanted to reduce stress by shopping less and living more.

Sesame Street Baby Book: My First Three Years marks every unforgettable moment from first steps to favorite foods, and captures special family moments with blank pages for photos, footprints, hospital bracelets, shower invitations, and more.

Bebes del mundo /Global Babies The Global Fund for Children 2009-02-01 Meet babies from around the world in this bilingual (Spanish/English), best-selling celebration of global heritage! First in the Global Babies series. From Guatemala to Bhutan, seventeen vibrantly colored photographs embrace our global diversity and give glimpses into the daily life, traditions, and clothing of babies from around the world. Simple text in Spanish and English teaches the littlest readers that everywhere on earth, babies are special and loved. A perfect baby shower gift or first book for the toddler in your life. Babies love to look at babies and this bright collection of photos is a ticket to an around-the-world journey. Part of the proceeds from this book's sales will be donated to the Global Fund for Children to support innovative community-based organizations that serve the world's most vulnerable children and youth.

Baby Book Quarto Generic 2020-05-05 The perfect gift for all new parents! The Baby Book is the ideal place to record all the special moments and

memories from the first three years of your child's life. As well as details of the birth, parents and siblings, you can record all the firsts (sitting, crawling, walking, teeth), favourites (toys, books, friends, music) and events, with space for notes and photographs and charts to record growth. An expandable pocket at the back allows you to hold on to keepsakes and an elastic enclosure keeps everything in place.

My First Family Photo Album Ron Berry 2008-01-23 Board book with light and sound chips. My First Family Photo Album is the first in a series of seasonal keepsake photo albums for you and your child to read and share together. You simply place your favorite family photos in the pocket frames and let the memories begin. An added bonus is a flashing light that goes off when the pretend camera button is pushed down-giving your young "photographer" the feeling that he or she is taking a photo to put into the album. This book is great for the curious child who enjoys taking pictures just like mommy and daddy!

This Is the Story of You Beth Kephart 2016-04-12 On Haven, a six-mile long, half-mile-wide stretch of barrier island, Mira Banul and her Year-Rounder friends have proudly risen to every challenge. But then a superstorm defies all predictions and devastates the island, upending all logic and stranding Mira's mother and brother on the mainland. Nothing will ever be the same. A stranger appears in the wreck of Mira's home. A friend obsessed with vanishing disappears. As the mysteries deepen, Mira must find the strength to carry on—to somehow hold her memories in place while learning to trust a radically reinvented future. Gripping and poetic, This Is the Story of You is about the beauty of nature and the power of family, about finding hope in the wake of tragedy and recovery in the face of overwhelming loss.

My Life as a Baby Virginia Reynolds 2000 The highlights of the first year, from the baby's point of view, with space for all the important data and lots of photos. A wonderful lifetime keepsake.

Baby Photo Album for Twins Speedy Publishing Llc 2014-02 The Benefits and uses of a Baby Photo Album for Twins Twin Pictures: When a family has twins things are often combined since there are two babies. One way to help the twins maintain their own sense of self is to have a few things that are just for them. A photo book is one good way to do this. When the twins are growing up it might be helpful to have three pictures albums. If you have three albums then you can have one album dedicated to each twin, and have one album with pictures of them together. This way when the twins grow up they will be able to see pictures that are just about them and not tied to the fact that they are a twin.

Guess How Much I Love You Sam McBratney 2014-02-06 A baby book inspired by one of the best-loved children's books ever - to be treasured by parents and children who will look back on it time and time again.
