Chosen by the Vampire Kings Charlene Hartnady 2016-07-26 Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in

Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

Then violence erupts and Ethan finds himself crashing into the heart and soul of an alpha wolf. Mating at first sight is a myth, a fairytale. Yet Selenka's wolf is resolute: Ethan Night, broken Arrow and a man capable of obsessive devotion, is the mate it has chosen. Even if the mating bond is full of static and not quite as it should be. Because Selenka's new mate has a terrible secret, his mind surging with a power that is a creature of madness and death...

The Stolen Celia Thomson 2010-05-11 She argues with her mother. She occasionally skips class. And she alternately crushes on two totally different boys. But Chloe King is by no means your typical teenager. The girl can scale buildings and see in the dark. Sometimes, at night, she even likes to leap from rooftop to rooftop. Yes, Chloe has the instincts and ability of a cat. And that makes her unique indeed. It also makes her a wanted woman. Because the Order of the Tenth Blade does not deal kindly with people like Chloe. It stalks them. Preys upon them. And wants many of them -- like Chloe, for instance -- dead.

Cry Wolf Patricia Briggs 2008-07-29 #1 New York Times bestselling author Patricia Briggs presents the first Alpha and Omega novel—the start of an extraordinary series set in Mercy Thompson's world, but with rules of its own... Anna never knew werewolves existed until the night she survived a violent attack...and became one herself. After three years at the bottom of the pack, she'd learned to keep her head down and never, ever trust dominant males. But Anna is that rarest kind of werewolf: an Omega. And one of the most powerful werewolves in the country is about to recognize her value as a pack member—and as his mate.

The White Wolf Kyler Matthew 2017-01-30 The White Wolf is a four book series of racy gay werewolf erotica drenched in BDSM goodness. As one wolf falls, another must rise to take his place. Jackson is on the hunt to replace his downed comrade, and he has his eyes set on a deliciously handsome farm boy. Little does Richard know that he's being targeted as the new recruit for Jackson's pack. Even worse, that the process of becoming a werewolf is rigorous in ways he could have never imagined. Being a werewolf sucks, especially when you have no choice in the matter. Richard finds himself filled with new desires as the wolf virus begins to consume his body with lust, but no matter how hard Jackson tries to control Richard, he will not submit. There's something lurking in Richard's blood that makes him different from the other werewolves. Will Jackson be able to figure it out before it's too late, or will the boy's awakening destroy everything he worked so hard to build? Content warning: This is not your typical gay shifter romance. It is incredibly spicy with elements of BDSM, violence, and multiple pairings. However, this series does have an HEA ending.

Scarred Wolf Be Brouillard 2021-09-13 Jaxon Imagine witnessing your mother's brutal murder. Imagine not being able to remember a single thing

about what happened, even though you were there. It doesn't matter how hard I try. I. Can't. Remember! I was just a small boy when it happened. I must have tried to defend her because I have the scars that prove it. My wounds should have healed completely. I'm a shifter. Son of the alpha. They didn't! My scars are my constant reminder of what the Moones did. What they took away from us. My mother died in agony. A piece of my father died along with her. I'm given the opportunity to right a wrong. To finish the last remaining Moone before they become a fully-fledged wolf. It won't be easy but I've got this. The offspring of that despicable family cannot be allowed to ever reach full power. I'll die before I allow it to happen. I leave my pack and head for the city. Evie I'm just a regular girl, living a regular life. I work hard, living from day to day, trying to make ends meet. Minding my own business. You know, normal stuff. When, from out of nowhere, he crashes into me while I'm on a jog. Quite literally crashes into my clumsy ass. Then again, maybe I crashed into him. I'm not sure how it went down, only that he's a colossal jerk. I wish he wasn't quite so sexy because...back to the part about him being a jerk. I'm being polite since "jerk" is too nice a word. I'm happy to see the back of him. Partly because he has such a nice back but also because he sucks...big time! Only, the sexy jerkface keeps turning up. I can't seem to get rid of him. Do I even want to? Yes. No. Argh! It's annoying. Then I find out that I'm not such a regular girl after all. Not even close. Just like that, everything changes. And I mean everything.

Authors note: Scarred Wolf is a standalone shifter romance. It features a sassy heroine who has no idea who she really is and a sexy alpha who'll help her figure things out. No, that's not true, she'll help him figure things out. Okay, maybe a little bit of both. Beware, this book contains super-hot, growly scenes and naughty language that will make you blush!
