The Bigfoot Blunder Amanda M. Lee 2017-04-30 The truth is out there ... maybe. Charlie Rhodes has a lot going on. The recent college graduate just landed her dream job. That's right. She's a bona fide monster hunter. No, you read that right. Charlie has joined the Legacy Foundation, and her actual job is to find something new, wonderful and scientifically unique. Her first job as the junior member of the team involves a biggie. It seems Bigfoot - no, the one and only Sasquatch extraordinaire itself - may have killed a woman in Hemlock Cove, Michigan. Within hours of landing at her new job Charlie finds herself traveling to an odd little town in the middle of nowhere to discover if Bigfoot is real. Charlie hits the ground running, excitement practically overwhelming her. The dead woman worked at a local resort and was very popular with her male colleagues. That means there are plenty of human suspects, but Charlie and her team are determined to prove the culprit was animal, not human. Hemlock Cove boasts numerous mysteries, of course, and when the team checks in to a local inn called The Overlook they find a gaggle of wacky women to contend with. On top of the potential Bigfoot issue, Charlie is convinced there's something going on with the Winchester women and she's determined to get to the bottom of the secrets she's convinced they're keeping. That's on top of the fact that Charlie is keeping her own secret. She's psychic and telekinetic - and exactly the sort of person the Legacy Foundation would like to find. That means she's hiding in plain sight, and she's desperate to make sure nobody figures that out. Charlie is in for a wild ride, one that includes a magical adventure and concludes with a potentially deadly face-off. Will she survive long enough to catch a second case, or will she fall victim to a killer that could come in almost any form?

Curse of Night Emily Goodwin 2020-05-15 When one door closes, another door opens. Or in my case, kill one monster and another comes knocking. It's nothing new, since someone has had it out for me my whole life. I've learned to not only live with but expect the constant peril. Demons attack? Must be Monday. Send hexes my way? Just another Tuesday night. Get kidnapped and held hostage by vampires? Well, that's just a typical weekend for me. But go after the man I love and I'll stop at nothing to hunt you down, even if it means seeking help from an unlikely-and untrustworthy-source. I'm willing to do whatever it takes to save Lucas, risking crossing a line that can't be uncrossed. They say there's evil in my blood, and I'm going to show them just how dark I can go. For Hell hath no fury like a witch out for revenge.

*Prelude to a Witch* Amanda M Lee 2021-05-02 Bay Winchester has battled ghosts, shades, poltergeists ... and sometimes her own family. It's the latter giving her fits now. Well, and Hemlock Cove's younger set of course. Bay thought the worst was behind her when she modified the memories of four tempestuous teenagers bent on stealing magic and wielding it in a tyrannical manner. Unfortunately for her, when one of those teenagers ends up dead behind the inn her father owns, things start to spiral. The girl's death is ritual in fashion, bloody runes painted on the trees, and Bay can't wrap her head around exactly what has happened. Then things get worse when dark figures start appearing in windows, black ghosts threatening Bay and her family at every turn. Between the horror haunting Hemlock Cove and the annoying presence of Bay's former boss and his current fiancée, who just so happens to be a distant relative, Bay has her hands full ... and that's before her cousin Clove's baby starts displaying a rather interesting skillset that is going to force accommodations within the family. All Bay wants is a little break to plan her wedding and look forward to happily ever after with her fiancé Landon Michaels. What's she's going to get is a whole lot of trouble. Bay's growing powers are drawing in a new element of evil. It's going to take everything she has - and a little help from Aunt Tillie - to fight the ultimate battle. Survival isn't a given but Bay is determined to make it to her big day. No matter what.

Babayaga Toby Barlow 2013-08-06 In 1959 Paris, a CIA agent mystified by Parisian girls, a beautiful young witch, a police detective turned into a flea while investigating a murder, and a fun-loving American in way over his head find their paths crossing in unusual ways.

Something Wicked This Way Comes Ray Bradbury 2017-10-24 Two boys' lives are changed forever when a sinister travelling carnival stops at their Illinois town.

**Witchy Tales** Amanda Lee 2015-06-02 Look out Hemlock Cove, Aunt Tillie is on a rampage. What else is new, right? She's determined to move her wine business to the next level, and she needs twenty-four hours of peace and quiet to do it. There's only one thing standing in her way. Well, make that a whole family of obstacles ... and one ticked-off FBI agent. When cousins Bay, Clove and Thistle vow to stop their great-aunt's wine endeavor in its tracks, Aunt Tillie is forced to come up with a unique solution. In order to keep her great-nieces out of her hair, she curses them into a book of fairy tales. Of course, because it's Aunt Tillie, these aren't normal fairy tales. They're the fairy tales she created - with a little inspiration from the classics. Now Bay, Clove and Thistle have to work their way through a labyrinth of stories they haven't heard since they were kids - and they have to take Landon, Marcus and Sam along for the ride. Will Bay get eaten by bears? Will Thistle kiss a frog? Will Sam climb Clove's hair to rescue her from a tower? And, better yet, will Landon turn himself into a prince and slip a glass slipper on Bay's foot? Each task becomes harder as the story progresses, and as the tales darken, things start to become dangerous. Can the Winchester witches survive Aunt Tillie's twisted mind? Or will they be lost in a book forever?

**A Witch in Time** Amanda M. Lee 2016-08-01 A storm is raging in Hemlock Cove, but it's nothing compared to the one raging in Aunt Tillie's head. An accident renders Aunt Tillie unconscious in the hospital, and when Bay and Landon fall asleep while sitting vigil, they're transported to a scary world: Aunt Tillie's mind. The couple will be shuttled through time - almost eighty years of it - and witness all of the ups and downs of Aunt Tillie's past. Have you ever wanted to see Aunt Tillie as a child? You're in luck. Landon and Bay will get to see more than they ever dreamed of, including weddings, births and even tragic deaths. The trip isn't all fun and games, because Aunt Tillie is fighting waking up. She's happier reliving the past than fighting for survival in the present. Bay and Landon have their hands full. They have to live through good times and bad - including hanging out with their own demons - and force Aunt Tillie to choose returning with them rather than staying with the people who own her heart. Fasten your seatbelts, because it's going to be a bumpy ride ... for everyone.

young girl, Dorothy, lives in Kansas with her uncle Henry. A tornado strikes, and Dorothy finds her house in a strange land and upside down on top of the now-dead the Wicked Witch of the East. **Once Upon a Witch** Amanda M. Lee 2017-06-05 The Winchester witches have a knack for finding trouble. It doesn't always come in the form of mysteries, though. Enjoy Hemlock Cove's favorite band of merry witches as they embark on a trio of fabulous fantasies that take them to several different worlds that stretch the limits of their imaginations and magical abilities. This multi-book set includes the first three books in the Wicked Witches of the Midwest fantasy series. *Witchy Tales: Aunt Tillie* is on a rampage, and when Landon threatens to confiscate the wine she intends on selling at an area festival, she curses everyone into a fairy tale book she wrote when her great-nieces were small children. To make it back home, Bay, Clove and Thistle - along with the men they love - have to make their way through a treacherous fantasy land that doesn't follow any standard rules. They're old fairy tales with a modern and witchy twist, and to survive the night the witches have to overcome Aunt Tillie's twisted mind. *A Witch in Time: When Aunt Tillie* is injured during a freak storm, Landon and Bay sit vigil by her hospital bedside and are drawn into her memories. It's fun and games at first as Landon gets a glimpse at the formation of the family he loves, but things turn dire toward the end when Aunt Tillie wants to stay in the past. The three of them need to work together to return to their time ... but they're going to need a little help from Winchester family members past to make their ultimate escape. *Make a Witch: Things* are going well in Hemlock Cove and the Thanksgiving holiday is looming large. Before that happens, though, things go wrong (of course). It seems the new wishing well donated to Hemlock Cove by a local shop owner is granting wishes, which makes everyone happy - until those wishes go bad, of course. Between Hollywood stars being locked in basements, flying marijuana fiends and a young teenager trying to make Bay his girlfriend, the witches have their hands full as they force people to reverse wishes and find a way to turn off the magic that empowered the witching well.

*The Women Could Fly* Megan Giddings 2022-08-09 Reminiscent of the works of Margaret Atwood, Shirley Jackson, and Octavia Butler, a biting social commentary from the acclaimed author of *Lakewood* that speaks to our times—a piercing dystopian novel about the unbreakable bond between a young woman and her mysterious mother, set in a world in which witches are real and single women are closely monitored. Josephine Thomas has heard every conceivable theory about her mother's disappearance. That she was kidnapped. Murdered. That she took on a new identity to start a new family. That she was a witch. This is the most worrying charge because in a world where witches are real, peculiar behavior raises suspicions and a woman—especially a Black woman—can find herself on trial for witchcraft. But fourteen years have passed since her mother's disappearance, and now Jo is finally ready to let go of the past. Yet her future is in doubt. The State mandates that all women marry by the age of 30—or enroll in a registry that allows them to be monitored, effectively forfeiting their autonomy. At 28, Jo is ambivalent about marriage. With her ability to control her life on the line, she feels as if she has never understood her mother more. When she's offered the opportunity to honor one last request from her mother's will, Jo leaves her regular life to feel connected to her one last time. In this powerful and timely novel, Megan Giddings explores the limits women face—and the powers they have to transgress and transcend them.

**The Griffin's Gauntlet** Wesley Lowe 2003-12 Sharon Amber finds herself swept away from home by the magic of fae into a world distinctly different from her own. There she meets a kindly old witch, who recruits her in the hopes of ridding the land of the tyranny of the Dragon King.

**Enchanted Secrets** Kristen Middleton 2016 Written by New York Times Bestselling Author Kristen Middleton A modern day tale of romance, mystery, and witchcraft. When Eighteen-year-old Kendra meets the new guy in school, Tyler, she can't help but be drawn to his irresistible charms. Tyler, however, isn't your average teenaged boy, and drags Kendra into a world of magic that she never knew existed. She also learns that her

mother has been harboring secrets, ones that put the entire family in danger. Appropriate for ages 13 and older

**My Big Fat Witch Wedding** Amanda M Lee 2021-10-31 The big day is finally here. Bay and Landon's wedding day has arrived. Unfortunately, a tragedy stands in the way of their happily ever after, and it comes in the form of reports of an armed gunman at the local high school. Bay, ghosts at her side, braves the scene to save the kids ... and uncovers something horrific. She. The boy with the gun says he needs to find her. The teacher in the room with him says the same thing before taking his own life. There's a magical being in Hemlock Cove, and she's wielding a great deal of power as she forces people to kill in her name. Bay refuses to back down, convinced that the magical explosion they can't get under control at Hollow Creek is partially to blame. The problem is so big, another witch needs to be tapped to help them solve it. Scout Randall, part of the Spells Angels group in Hawthorne Hollow, is more than happy to lend her services. She owes the Winchesters a favor after all. She simply might not be enough. Bay and Landon have been through more than any couple should have to survive ... and they're not done. Here comes the wedding ... and Clove's baby ... and the worst enemy they've ever fought. The Winchesters are strongest together, and this time they're going to prove that there's no keeping a good witch down. I do? It's coming, because nothing can stop these witches when love and family are on the line.

**Witching You Were Here** Amanda M. Lee 2013-11-20 Winter has hit Hemlock Cove - and not in a fun way. The cold weather is keeping most tourists out of town, which is just fine with the Winchester witches. They're using the lull as a way to recharge and take a break - even if Aunt Tillie is causing her usual havoc. All that comes crashing down, though, when a large yacht is found abandoned in a nearby channel and there's blood on the deck. For Bay, things go from bad to worse when local law enforcement is joined by a federal representative in the form of Landon Michaels - her former flirt partner and possible boyfriend. Landon has come to town for more than just the case, though; he's here to make amends. And even if Bay is ready to accept his apology, that doesn't mean her family is. Landon may be here to win her back, but he's also a man on a mission - and that mission is truth. He wants to know the Winchester family secret - whether Bay is ready to share it or not. Landon isn't the only visitor in Hemlock Cove, either. Thistle's father - Ted Proctor - is also in town. He says he's there to buy some property for a business consortium - but he's having secret meetings and hiding a bevy of truths from his daughter and her busybody cousins - something that sets the whole family on edge. When you couple that with the hot new handyman, the hipster snowboarders and Aunt Tillie's rage about her wine closet being confiscated for a new furnace, it's another fun-filled mystery for the Winchester witches and Hemlock Cove - as long as everyone can survive the snow, and the killer that hides in it, that is.

**A Breath of Witchy Air** Amanda M. Lee 2018-04-30 Hemlock Cove is mired in a cold snap, which means the town is calm and quiet. That all changes in an instant when a beer truck tips over on the highway and half the town shows up to get drunk. Bay Winchester is about to be the sole owner of the town newspaper so she heads out to take photos ... and accidentally stumbles over several bodies. It seems there's a serial killer on the loose, although no one can figure out if the dump site was convenient or if the killer is local. Some hard digging leads Bay to a local college, where the only thing that stands out is a cell phone game that seems to be taking over the populace. Bay can't shake the feeling that there's something off about the game, but that pales in comparison to the dead girls and the motive behind multiple killings. Things spiral out of control when the game developers pick Hemlock Cove for a big event, which means the town is suddenly flooded with gamers ... including Aunt Tillie, who decides that winning really is the most important thing. Things are about to get wicked for the Winchesters. There's a killer in their midst and Bay appears to be displaying a new power that no one saw coming. It's only a matter of time until two powerful forces collide. Who comes out standing is anybody's guess but Bay's new power will be on full display ... and may be the ultimate factor in her survival.

**Marie Antoinette, Serial Killer** Katie Alender 2014-02-06 Colette is thrilled in Paris for the first time. But a series of gruesome murders are taking

place around the city. The murder victims are all descendants of people who brought about Marie Antoinette's beheading. The queen's ghost has been awakened, and now she's wreaking her bloodthirsty revenge. And Colette may just be one of those descendants...

**A Modern Witch** Debora Geary 2013-07-07 Can you live 28 years without discovering you're a witch? Lauren is downtown Chicago's youngest elite realtor. She's also a witch. The tall, dark, and handsome guy sent to assess her is a witch too (and no, that doesn't end the way you might think). What he finds in Lauren will change lives, mess with a perfectly good career, and require lots of ice cream therapy.

And while she loves working at the wildlife refuge she runs with her mother, she loathes Pike Alder, the witch-hating aspiring ornithologist who interns with them. When Pike makes a particularly hurtful comment, Iris concocts a cruel curse for him. Things are going well ... until they're not. A group of shifters who used to live in the area have returned and they're up to something. Right from the start, Scout is suspicious but she can't quite explain why. His history with the shifters in question makes things difficult, though. On top of everything else, it becomes apparent that the dead guy's ties to Scout run deep ... like genetically deep. He's related to her, and for a woman who was abandoned as a child, it's a hard blow to absorb. Gunner is determined to stick close as the warring wolves close ranks and start issuing threats. It's going to take everybody working together to find the answers Scout desperately needs, including uncovering the secret of her past. When one of their own is taken, Scout has no choice but to put her full cache of magic on display. It's going to be a fight to the finish, rival gangs going at one another, and only one side will be victorious. Which one will it be?

She needs her sister's help, but Mercy is beyond her reach on an adventure that could cost them everything, including their world.

It seems the dead are rising in Hawthorne Hollow and it's up to Scout to figure out why. Now, without a book contract, she's back at her family restaurant in a one-stoplight town ... and she's convinced things couldn't possibly get worse. That feeling only lasts until her first shift, when on a trip to the storage building behind the restaurant, she literally trips over a body. Roy Axe, Shadow Hills most hated "Axehole," died a hard death only feet from the restaurant (and the second-floor apartment Stormy currently resides in). The detective on the case is none other than Hunter Ryan, Stormy's high school boyfriend, and the man who occasionally still calls to her in dreams. Hunter only cares about solving a mystery - nothing else - so their reunion is tense. In an attempt to distract herself from what's happening, Stormy and her cousin Alice get drunk one night and pull out their great-grandmother's old Ouija board, and it sets off a strange string of events, most of which seem magical ... if you believe in that sort of thing, and Stormy isn't sure she does. Stormy has trouble deciding which problem to focus on, so she avoids them all until things start blowing up in her face. Shadow Hills is a small town but the secrets that plague it run deep. Stormy is a woman - or maybe a witch - lost in a sea of magic and despair ... but murder might just lead her out of it. That is if she can survive to solve the case, that is.

*The Witch is Back* Amanda M Lee 2020-11 Bay Winchester is living the high life. She's engaged, owns her own business, and is undergoing a magical transformation, complete with growing powers at every turn. All that changes when a local teenager goes missing at a festival and nobody knows who took her. The girl's friends saw the abduction but the description they provide doesn't match anybody in town. The only other witness is Marcus, her cousin Thistle's boyfriend, and he was seriously injured in the attack and can't provide additional information. Bay is determined to solve the case, although she's not sure where to look. On top of that, her normal partner in crime is otherwise engaged, which means her mother has decided to tag along for the ride. Bay is the sort of witch who is willing to put herself on the line to save those who need saving. Unfortunately, this time around, the answers she finds only lead to more questions. On top of that, her great-aunt Willa and cousin Rosemary have arrived in town out of nowhere and they seem to be harboring their own secrets, and it's something that could change the entire trajectory of Bay's life. The Winchesters are loyal, and it's going to take all of them working together to solve this one. It seems new magic is afoot, and whoever is wielding it is deadly. Magic, mystery and mayhem are about to collide. Batten down the hatches. The Winchesters are about to take you on a wild ride.

**Witchin' Around the Clock** Amanda M Lee 2019-11-03 Witches are descending on Hemlock Cove and the town is gearing up for mayhem. Bay Winchester is ready to cover the event for her newspaper, and is excited to see faces she hasn't interacted with in more than a decade. Then the unthinkable happens. The local blacksmith shop catches fire and Bay and her cousin Thistle risk death to try and rescue the owner. Unfortunately, they're too late, and the man is unable to be resuscitated. Not only that, but it wasn't the fire that killed him. No, he was murdered. Bay can't shake the feeling that something bad is about to happen. Harbingers of the feathered variety are filling the sky ... and threatening attack. Dark magic is at work, and someone is plotting multiple deaths. It's up to Bay and her family to save the day, and they have to do it before cousin Clove gets married on the summer solstice. It's a big day for the family, and a big moment for Bay. She's the center of attention as the clock ticks down, the weight of the world on her shoulders. The Winchesters won't sit back and wait for a fight to come to them, they'll go after the fight ... and this is no exception. As death comes calling, they will answer. Sit back and enjoy the ride. Love, marriage, death, and destruction are about to collide. You won't want to miss a thing.

**Every Witch Way But Wicked** Amanda M. Lee 2013-03-28 Where there's a witch, there's a way! Where there's a whole family of them, there's trouble. Bay Winchester, editor of Hemlock Cove's small weekly newspaper, thinks her small hamlet's upcoming murder mystery weekend is going to be all about fun, food and frolicking. Instead, when another dead body is discovered in Hemlock Cove, things turn into murder, mayhem and migraines (the latter is mostly thanks to her family, of course). The body belongs to the town drunk - and no one can figure out who would want to kill

him, or why. Bay's investigation is stymied by her new boss, Brian Kelly, and her old flirtation, FBI agent Landon Michaels, both of whom seem to have more than interviews on their mind. When you couple that with her cousin Thistle's obsession with making their Great-Aunt Tillie pay for the curse she recently put on them (you don't want to know) and her cousin Clove's conviction that she is not - no matter what the rest of the family says - a blabbermouth, Bay has her hands full. When the murder investigation takes a turn, though, a long-held Hemlock Cove secret is bound to be exposed. If it is, Bay may find herself in trouble - again - and this is the kind of trouble that she may not be able to find a way out of - even with Aunt Tillie's help.

Witchcraft in Colonial Virginia Carson O. Hudson Jr. 2019 "While the witchcraft mania that swept through Salem, Massachusetts, in 1692 was significant, fascination with it has tended to overshadow the historical records of other persecutions throughout early America. Colonial Virginians shared a common belief in the supernatural with their northern neighbors. The 1626 case of Joan Wright, the first woman to be accused of witchcraft in British North America, began Virginia's own witch craze. Utilizing surviving records, local historian Carson Hudson narrates these fascinating stories." --Back cover.

The Witch's Complete Guide to Self-Care Theodosia Corinth 2021-10-19 The Witch's Complete Guide to Self-Care is a modern guide for the modern witch filled with ways to reclaim your purpose and sense of self.

Butter Witch Tess Lake 2017-06-14 The International Butter Festival has come to town! When Harlow Torrent, part-time journalist and full-time Slip witch stumbles upon a dead body, frozen and drained of blood, she's pulled into a murder mystery. Someone has murdered one of the Butter Festival competitors. Was it Zero Bend, punk sculptor extraordinaire with a history of violence? Perhaps Fusion Swan, a sleazy agent playing the publicity game when his clients meet their untimely end. Between trying to run her struggling online newspaper, dealing with her highly caffeinated cousins Molly and Luce, fending off three meddling witch mothers who will do anything to get their daughters married off (including drugging food with magic potions) and great Aunt Cass who appears to be running an underground laboratory of some kind, Harlow barely has time to breathe, let alone solve a murder. Romance certainly isn't on the cards either but the hot scruffy guy new to town seems to have other ideas...

**Flip the Witch Switch** Amanda M Lee 2019-05-04 Bay Winchester and Landon Michaels are looking for a romantic outing, revisiting the past now that they know they met as children. That trip leads them to the camp they visited back in the day ... and to a new adventure. It's a happy excursion down memory lane until they happen upon the old pool and discover a hand poking out of an ancient cover. That means their day off becomes an official investigation. Once identification comes through, Bay starts digging ... and hard ... to find out why a young woman writing a book would go missing in Hemlock Cove. The information she finds is disturbing ... and the answers to the present case may come from the past, and a long-forgotten missing person's case. There's a lot going on. Mrs. Little is trying to buy the property and wants the crime kept secret, which means Aunt Tillie is on a rampage to make sure her mortal enemy doesn't win ... even if the prize is something she doesn't really want. The Winchester witches are in turmoil. The local police chief is officially dating Bay's mother, one of their own is keeping a huge secret, and they have a wedding coming up so that means dress fittings and place setting decisions galore. Bay is on deck and has to figure it all out. She's going to need help to do it. Even then, with her team in place, she might not come out on the winning side. There's a killer hiding in the shadows and death is coming. It's going to take everyone working together to uncover the truth. Can they pull it off?

*Spells Trouble* P. C. Cast 2021-05-25 The first book in the Sisters of Salem trilogy about twin witches from the powerhouse duo P.C. and Kristin Cast! Double double, twins spell trouble... Hunter and Mercy Goode are twin witches, direct descendants of the founder of their town of Goodeville. As their ancestors have done before them, it is now time for the twins to learn what it means to be Gatekeepers—the protectors of the Gates to different

underworlds, ancient portals between their world and realms where mythology rules and nightmares come to life. When their mother becomes the first victim in a string of murders, the devastated sisters vow to avenge her death. But it will take more than magic to rein in the ancient mythological monsters who've infected their peaceful town. Now Hunter and Mercy must come together and accept their destiny or risk being separated for good. *Any Witch Way You Can* Amanda M. Lee 2013-01-18 Bay Winchester is having a tough week. As the local editor of Hemlock Cove's only newspaper, she just happens to be present when a body is found in an area corn maze. To make matters worse, the police believe the murder may have something to do with the occult. This wouldn't be a problem for a normal reporter, but since Bay is descended from a well-known line of actual witches, the town is understandably on edge. Between the suspicious townspeople, the befuddled police presence, and that random hot biker guy who may or may not have something to do with the murder -- Bay has her hands full. When you add the typical family problems, multiplying ghosts -- and one monster of a zit that she's sure came from her aunt's curse -- Bay is just struggling to make it through the week. Of course, when the killer sets his sights on Bay, things could get a whole lot worse.

Close Encounters of the Witchy Kind Amanda Lee 2018-06-07 The truth is out there ... probably. Hemlock Cove may be a town where real witches are pretending to be humans pretending to be witches, but something legitimately strange is afoot. What looks to be an aircraft of some sort goes down in Potter's Field and, of course, every looky-loo in the area turns out to watch it burn. When the federal government shows up to take over the scene and shuts down access to the site, Bay Winchester is suspicious. Things only get worse when her boyfriend Landon Michaels is ordered to abstain from sharing information from her. Conspiracy theories start flying fast and furious when alien bloggers descend on the area and Aunt Tillie starts throwing around her science fiction knowledge ... which is all gleaned from television, movies and books. In her head, Bay knows that the odds of an alien craft landing in Hemlock Cove are fairly long. In her heart, though, she can't quite ignore the prospect ... especially when certain things start happening to further Aunt Tillie's wild suggestions. Bay is determined to find answers, and she's taking her family along for the ride. This time, though, she's going up against the federal government ... and only one faction will come out victorious. The Force will be with them. Okay, Aunt Tillie will be with them. She's a force to be reckoned with, though.
