The Incomplete Amorist Edith Nesbit 1906 CHAPTER I.

The Inevitable "No. The chemises aren't cut out. I haven't had time.

There are enough shirts to go on with, aren't there, Mrs. James?" said Betty. "We can make do for this afternoon, Miss, but the men they're getting blowed out with shirts. It's the children's shifts as we can't make shift without much longer." Mrs. James, habitually doleful, punctuated her speech with sniffs. "That's a joke, Mrs.

James," said Betty. "How clever you are!" "I try to be what's fitting," said Mrs. James, complacently. "Talk of fitting," said Betty, "If you like I'll fit on that black bodice for you, Mrs. Symes.

If the other ladies don't mind waiting for the reading a little bit." "I'd as lief talk as read, myself," said a red-faced sandy-haired woman "books ain't what they was in my young days." "If it's the same to you, Miss," said Mrs. Symes in a thick rich voice, "I'll not be tried on afore a room full. If we are poor we can all be clean's what I say, and I keeps my unders as I keeps my outside. But not before persons as has real imitation lace on their petticoat bodies.

I see them when I was a-nursing her with her fourth. No, Miss, and thanking you kindly, but begging your pardon all the same." "Don't mention it," said Betty absently. "Oh, Mrs. Smith, you can't have lost your thimble already. Why what's that you've got in your mouth?" "So it is!" Mrs. Smith's face beamed at the gratifying coincidence. "It always was my habit, from a child, to put things there for safety." "These cheap thimbles ain't fit to put in your mouth, no more than coppers," said Mrs. James, her mouth full of pins. "Oh, nothing hurts you if you like it," said Betty recklessly. She had been reading the works of Mr. G. K. Chesterton. A shocked murmur arose. "Oh, Miss, what about the publy kows?" said Mrs. Symes heavily. The others nodded acquiescence. "Don't you think we might have a window open?" said Betty. The May sunshine beat on the schoolroom windows. The room, crowded with the stout members of the "Mother's Meeting and Mutual Clothing Club," was stuffy, unbearable. A murmur arose far more shocked than the first. "I was just a-goin' to say why not close the door, that being what doors is made for, after all," said Mrs. Symes. "I feel a sort of draught a-creeping up my legs as it is." "The door was shut." "You can't be too careful," said the red-faced woman "we never know what a chill mayn't bring forth. My cousin's sister-in-law, she had twins, and her aunt come in and says she,

Olga Tufnell's 'Perfect Journey' John D.M. Green 2021-04-26

Olga Tufnell (1905–85) was a British archaeologist working in Egypt, Cyprus and Palestine in the 1920s and 1930s, a period often described as a golden age of archaeological discovery. For the first time, this book presents Olga's account of her experiences in her own words. Based largely on letters home, the text is accompanied by dozens of photographs that shed light on personal experiences of travel and dig life at this extraordinary time. Introductory material by John D.M. Green and Ros Henry provides the social, historical, biographical and archaeological context for the overall narrative. The letters offer new insights into the social and professional networks and history of archaeological research, particularly for Palestine under the British Mandate. They provide insights into the role of foreign archaeologists, relationships with local workers and inhabitants, and the colonial framework within which they operated during turbulent times. This book will be an important resource for those studying the history of archaeology in the Eastern Mediterranean, particularly for the sites of Qau el-Kebir, Tell Fara, Tell el-'Ajjul and Tell ed-Duweir (ancient Lachish). Moreover, Olga's lively style makes this a fascinating personal account of archaeology and travel in the interwar era.

Duchess of Death Richard Hack 2009-07-01 Although she is the most popular novelist in history, with over two billion books sold worldwide, Agatha Christie lived a life shrouded in secrecy and fueled by curiosity. Nearly as notorious for her aversion to the press as she was for her 80 books and collections of short stories, Christie made no secret of her need for privacy. Utilizing over 5,000 previously unpublished letters, notes, and documents, award-winning biographer Richard Hack allows Christie to write again, 33 years after her death. *Duchess of Death* is her story, as full of romance, travel, wealth, and scandal as any mystery Christie ever crafted. There have been numerous biographies of

the Queen of Crime, all of which claim to be definitive. However, Duchess of Death is the first to draw from such an enormous number of previously unpublished correspondence and notes, effectively establishing it as the most authoritative, penetrating look at the personal and literary life of Christie.

Transparent Things Vladimir Nabokov 1989-10-23 "Transparent Things revolves around the four visits of the hero--sullen, gawky Hugh Person--to Switzerland . . . As a young publisher, Hugh is

sent to interview R., falls in love with Armande on the way, wrests her, after multiple humiliations, from a grinning Scandinavian and returns to NY with his bride. . . . Eight years later--following a murder, a period of madness and a brief imprisonment--Hugh makes a lone sentimental journey to wheedle out his past. . . . The several strands of dream, memory, and time [are] set off against the literary theorizing of R. and, more centrally, against the world of observable objects." --Martin Amis

The Line of Beauty Alan Hollinghurst 2008-12-17 Winner of the 2004 Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award. From Alan Hollinghurst, the acclaimed author of *The Sparsholt Affair*, *The Line of Beauty* is a sweeping novel about class, sex, and money during four extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers.

King Leopold's Ghost Adam Hochschild 2019-05-14 With an introduction by award-winning novelist Barbara Kingsolver In the late nineteenth century, when the great powers in Europe were tearing Africa apart and seizing ownership of land for themselves, King Leopold of Belgium took hold of the vast and mostly unexplored territory surrounding the Congo River. In his devastatingly barbarous colonization of this area, Leopold stole its rubber and ivory, pummelled its people and set up a ruthless regime that would reduce the population by half. . While he did all this, he carefully constructed an image of himself as a deeply feeling humanitarian. Winner of the Duff Cooper Prize in 1999, *King Leopold’s Ghost* is the true and haunting account of this man’s brutal regime and its lasting effect on a ruined nation. It is also the inspiring and deeply moving account of a handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust. Instead of turning away, these brave few chose to stand up against Leopold. Adam Hochschild brings life to this

largely untold story and, crucially, casts blame on those responsible for this atrocity.

Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor. A major achievement in 20th century literature.

The Magician and the Cardsharp Karl Johnson 2006-07-25 A famous magician's journey to find the greatest cardsharp ever evokes the forgotten world of magic where Americans found escape during the Great Depression. It has the nostalgic quality of an old-fashioned fable, but Karl Johnson's *The Magician and the Cardsharp* is a true story that lovingly re-creates the sparkle of a vanished world. Here, set against the backdrop of America struggling through the Depression, is the world of magic, a realm of stars, sleight of hand, and sin where dreams could be realized - or stolen away. Following the Crash of '29, Dai Vernon, known by magicians as "the man who fooled Houdini," is tramping down Midwestern backroads, barely making ends meet. While swapping secrets with a Mexican gambler, he hears of a guy he doesn't quite believe is real - a legendary mystery man who deals perfectly from the center of the deck and who locals call the greatest cardsharp of all time. Determined to find the reclusive genius, Vernon sets out on a journey through America's shady, slick, and sinful side - from mob-run Kansas City through railroad towns that looked sleepy only in the daytime. Does he find the sharp? Well, Karl Johnson did - after years of research into Vernon's colorful quest, research that led him to places he never knew existed. Johnson takes us to the cardsharp's doorstep and shows us how he bestowed on Vernon the greatest secret in

magic. The Magician and the Cardsharp is a unique and endlessly entertaining piece of history that reveals the artistry and obsession of a special breed of American showmen.
